Up to two (2) holidays per year may be taken as half-days *i.e.*, in lieu of taking two (2) full days, four (4) half-days may be taken, provided these are scheduled so as not to interfere with the needs of the Department or to require overtime. If this request is denied by the Police Department or the Borough Administration, he or she may appeal that decision in writing to the Police and Public Safety Committee of the Borough Council, outlining the facts of the incident. When an Employee covered by this contract is called in while off duty, said Employee shall be entitled to a minimum of two (2) hours pay at the rate of time and one-half (1½).

When an Officer calls out sick for the next shift, the assigned cover Officer is called first. If that cover Officer chooses, he may ask that other Officers be asked if they wish to work the shift. If this occurs than the subsequent process will be followed: For the first third of the month, the second phone call goes to the most senior of the Senior Patrol Officers who are off. For the second third of the month the most senior of the Sergeants who are off get the second phone call. For the final third of the month the most senior of the Junior Patrol Officers get the phone call. In the event that the Officer contacted second does not wish to work that shift, than the next Senior Patrol Officer gets the call. ## ARTICLE XXII

### RIGHTS OF POLICE OFFICERS

Security and protection of personal rights depends to a great extent on the manner in which Police Officers perform their duty, and their employment is thus in the nature of a public trust.

The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public.

Out of these contacts may come questions concerning the actions of the members of the force.

These questions may require investigation by Superior Officers designated by the Chief of Police and the Governing Body.

In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted but only in the event a member of the force is under arrest or the target of a criminal investigation or a Departmental investigation where there exists the likelihood of discharge:

- (A) The interrogation of a member of the force shall be at a reasonable hour, preferably when the member of the force is on duty, unless the exigencies of the investigation dictate otherwise as may be determined by the Chief or his designee.
- (B) The interrogations shall take place at a location designated by the Chief of Police, usually it will

be at Police Headquarters or the location where the incident allegedly occurred.

- (C) The member of the force shall be informed of the nature of the investigation before any interrogation commences, (including the name of the complainant where charges are drawn). Sufficient information to reasonably apprise the members of the allegations should be provided. If it is known that the member is being interrogated as a witness only, he should be so informed at the initial contact.
- (D) The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls, and rest periods as are reasonably necessary as determined by the Chief of Police.
- (E) The member of the force shall not be subject to any offensive language nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions.
- (F) The complete interrogation of the member of the force shall be recorded mechanically or by a Department stenographer if a recorder is not available. There will be no "off the record" questions. All recesses called during the questioning shall be recorded.
- (G) If a member of the force is under arrest or is likely to be, that is, if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.
- (H) In all cases, and at every state of the proceedings, in the interest of maintaining the usual high morale of the force, the Department shall afford an opportunity for a member of the

force, if he so requests, to consult with counsel and/or his Association representatives before being questioned.

## ARTICLE XXIII

### PERSONNEL FILES

A personnel file shall be established and maintained for each Employee covered by this Agreement. Such files are confidential records and shall be maintained in the Office of the Chief of Police.

Upon advance notice and at reasonable times, any member of the Police Department may at any time review his personnel file. However, this appointment for review must be made through the Chief of Police or his designated representative.

Nothing derogatory shall be placed in an Officer's file without his/her knowledge and he/she shall be given the opportunity to rebut it if he/she so desires and shall be permitted to place said rebuttal in his/her file.

Each Employee shall be supplied with a written certification from the Borough, during the month of November of each year, which shall state the number of accumulated vacation days, holidays taken, sick days, personal days and any other time which is available to the Officer.

**ARTICLE XXIV**

**PRESERVATION OF RIGHTS**

This contract remains in effect and in full force until a new contract is executed by the appropriate PBA representatives and Borough Officials.

ARTICLE XXV

DURATION OF AGREEMENT

This Agreement shall have a term of January 1, 2021 through December 31, 2024. If the parties have not executed a successor agreement by December 31, 2024, then this Agreement shall continue in full force and effect until a successor agreement is executed.

Negotiations for a successor agreement shall be in accordance with the rules of the Public Employment Relations Commission.

Anything herein to the contrary notwithstanding, nothing in this Agreement shall be deemed to supersede the provision of any other applicable law of the State of New Jersey.

**IN WITNESS WHEREOF**, the parties hereto have executed this Agreement the day and year first above written.
