- B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.
- D. This Agreement between the Board and the Association represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues which were or could have been the subject of

negotiations. The Board and the Association, for the life of this Agreement, voluntarily and unqualifiedly agree that neither party shall be obligated to negotiate collectively with respect to any subject matter not specifically referred to or covered in this Agreement, whether or not such matter was raised or discussed in the negotiations leading up to the execution of this agreement.

E. Saving Clause

If during the term of this Employment Agreement, it is found that a specific clause of the Employment Contract is illegal under Federal or State Law, the remainder of the Employment Contract not affected by such ruling shall remain in force.

ARTICLE III

GRIEVANCE PROCEDURE

A. Definition

The term "grievance" means a complaint or claim that there has been an improper application, interpretation or violation of any term or provision of this contract or Board Policy or Board decision adversely affecting a member or group of members of the Association.

An "aggrieved" person is the person or persons making the claim.

All members of the Association, including the grievant, shall continue to perform duties under the direction of the Superintendent regardless of the pendency of any grievance, until such grievance is properly determined.

A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

The parties agree to follow the procedures outlined in the Agreement.

A grievance may be filed by an individual member, a group of members, or by the Association, either in its own name or as the representative of a group or class whose individual signatures shall not be necessary. Any grievance must be lodged at the proper initiating level, but a grievance lodged by a group or by the Association will be initiated at level one (b).

B. Purpose

The purpose of this procedure is to enforce the rights and obligations of all parties to or covered by this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

Level one -

- (a) Any member of the Association who has a grievance shall discuss it first with his/her immediate supervisor in an attempt to resolve the matter informally at that level.
- (b) If the matter is not resolved at level (a), the grievant will submit the complaint in writing to his/her immediate supervisor within ten (10) working days of the incident giving rise to the grievance.

Level two -

If as a result of level one the matter is not resolved to the satisfaction of the grievant, s/he shall submit the complaint in writing to the Superintendent within ten (10) working days of the grievant's receipt of the response from level one b. The Superintendent shall communicate a decision to the grievant in writing within ten (10) working days of receipt of the written complaint.

Level three -

If the grievance is not resolved by the response of the Superintendent within ten (10) working days of that response or within twenty (20) working days of the submission in writing to the Superintendent of the grievance, the aggrieved person may request a review by the Board. The request shall be submitted in writing through the Superintendent who shall attach all related papers and forward the request to the Board. Either party at level three has a right to a hearing before the Board or a committee thereof. The decision of the Board shall be binding on all parties.

Level Four -

If the decision of the Board does not resolve the grievance to the satisfaction of the grievant, notice of intention to proceed to binding arbitration shall be given to the Board

through the Superintendent within fourteen (14) calendar days after the receipt of the decision that is being appealed.

The grievance not resolved by timely resort to the foregoing procedure shall be subject to arbitration initiated and conducted under the rules of the NJ Public Employee Relations Commission.

The arbitrator's decision shall be in writing and shall be submitted to the Board and the Association and shall be final and binding on the parties regarding grievances involving alleged violations of the express terms of this Agreement, and shall be advisory to the parties regarding grievances involving Board policy and administrative decisions affecting the terms and conditions of employment.

The arbitrator shall limit him/herself to the issues submitted to him/her and shall consider nothing else. S/he can neither add nor subtract anything to or from the Agreement between the parties. The only grievances which may be arbitrated are those alleging that there has been a violation of the express, written terms of the locally negotiated Agreement. The arbitrator shall have only the power to interpret what the parties to the Agreement intended by the specific clause in the Agreement which is at issue. His/her recommendations on such an interpretation shall be binding on both parties.

D. Separate Grievance File

All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be part of the personnel file of any of the participants.

ARTICLE IV

by the parties to participate during working hours in negotiations, grievance proceedings, conferences or meetings, s/he shall suffer no loss in pay and/or benefits.
