- E. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III
GRIEVANCE PROCEDURES

A. Definition

A "grievance" shall mean a complaint by a teacher or the Association that there has been to him a personal loss, injury or inconvenience because of a violation, misinterpretation or misapplication of this Agreement. A grievance to be considered under this procedure must be initiated in writing by the teacher or the Association within thirty (30) calendar days from the time when the teacher or the Association knew or should have known of its occurrence.

B. 1. Procedure:

(a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant or the Association to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

(b) It is understood that grievants shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the District until such grievance and any effect thereof shall have been fully determined.

2. Any teacher who has a grievance shall discuss it first with the Principal or immediate supervisor in an attempt to resolve the matter informally at that level.

3. If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant within ten (10) work days, he/she shall initiate a grievance in writing to the Principal or immediate supervisor with a copy to the State Superintendent.

The Principal or immediate supervisor shall communicate a decision to the grievant in writing within ten (10) work days of receipt of the written grievance.

4. The teacher, no later than ten (10) work days after receipt of the Principal's or immediate supervisor's decision, may appeal that decision to the State Superintendent. The appeal to the State Superintendent must be made in writing, reciting the matter submitted to the Principal or immediate supervisor as specified above and his or her dissatisfaction with decisions previously rendered. The State Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) work days. The State Superintendent shall communicate a decision in writing to the grievant and to the Association directed to the Chairperson of its Professional Rights and Responsibilities Committee and the Principal or immediate supervisor. Whenever a timeline specified in this section is not going to be met, either party may request in writing from the other party additional time to process the grievance. Any such extension shall be agreed to in writing.

5. If the decision of the State Superintendent does not resolve the grievance to the satisfaction of the Association and the Association wishes to proceed to arbitration, it must file a demand for arbitration with one of the panel arbitrators no later than fifteen (15) work days from receipt of the State Superintendent's decision.

6. (a) The parties agree to use the following arbitration panel: James Mastriani; Martin Scheinman; Jeffrey Tener; and Joel Weisblatt. The parties agree to be bound by the Rules and Guidelines under the Public Employment Relations Commission (PERC).

(b) The Arbitrator shall be limited to the issues submitted and shall consider nothing else. The Arbitrator can add nothing to, nor subtract anything from, the Agreement between the parties. The Arbitrator can add nothing to, nor subtract anything from, the Agreement between the parties or any policy of the District. The recommendations of the Arbitrator shall be binding on the parties. Only the State Superintendent and the aggrieved and their representatives shall be given copies of the Arbitrator's report of findings and recommendations. This shall be accomplished within thirty (30) days of the completion of the Arbitrator's hearings.

7. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

8. In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a grievant, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon as hereafter as is practicable.
