A. The most senior employees shall be given preference in the selection of vacations provided there is no interference with the normal operations of the City.

B. For purpose of accruing benefits payable hereunder, including but not limited to vacations, sick leave, and longevity, seniority shall be defined as continuous employment with the City from date of hire.

C. For purpose of promotions or demotion, seniority shall be defined as length of service from the date of the employee's certification by Civil Service as a City employee.

D. For purpose of layoff, seniority shall be defined as the employee's length of service from his date of initial certification by Civil Service as a City employee.

E. The City shall utilize experience, ability, aptitude, qualification, attendance, physical condition, and the result of the Civil Service examination as the criteria for promotion of employees to job classifications having a higher rate of pay. When all of the aforementioned items are substantially equal, seniority shall have the deciding factor.

F. The City shall mail or hand deliver to the Union business representative at his office address to be supplied to the City by the Union, copies of all job opportunity bulletins, Civil Service test notifications and other correspondence, notices, or other materials forwarded to or received from Civil Service concerning job openings or opportunities within seventy-two (72) hours of receipt of transmittal of same.

G. Seniority shall be considered along with the ability, experience, skills, and past performance with respect to work assignments and job opportunities.

## ARTICLE 5 UNION REPRESENTATION

A. Accredited representatives of the Union may enter the City facilities or premises at reasonable hours for the purpose of observing working conditions or assisting in the adjustments of grievances. When the Union decides to have its representative enter the City facilities or premises, it will request such permission from the chief executive of the City or a designated representative and such permission will not be unreasonably withheld, provided there should be no interference with the normal operations of the business of the City government or normal duties of the employees. There shall be no Union business transacted nor meetings held on City time or property.

B. Two (2) shop stewards, one of whom shall be a Public Works Department employee and the other of whom shall be a Water & Sewer Utility employee, may be appointed or elected by members of the Union to represent the Union in grievances and other business with the City. In addition, one local officer may be appointed or elected by the union to assist the shop stewards or represent any member of the Union when their shop steward is unavailable.

C. Shop stewards and/or members of the negotiating committee shall suffer no loss of regular pay provided that the City schedules a meeting or conference during working hours. Shop stewards shall suffer no loss of regular pay when required to take time off to perform their duties as stewards. Each steward shall notify his supervisor prior to leaving the job.

D. On any occasion where a steward is required to take more than one hour off to perform said duties in any one day, he shall, within seventy-two (72) hours thereafter provide the chief executive of the City or a designated representative a written statement of how much time was utilized for said duties.

E. The Union shall advise the chief executive of the City in writing of the names and titles of all Union representatives each January and within seven (7) days following each change.

## ARTICLE 6 HOURS & OVERTIME

A. The normal working week shall consist of forty (40) hours per week inclusive of lunch, eight (8) hours per day from 7:30 a.m. until 3:30 p.m., five days a week, Monday through Friday. However, the normal workweek may be revised, with the agreement of the Union and the employees involved on a volunteer basis; provided that a schedule for beach cleaning, street sweeping and trash collection, as set forth in Appendix A, shall be considered part of the normal workweek and not subject to overtime pay except as set forth in Paragraph B below. During the period of May 15th through October 1st, the weekday work schedule may, at the option of the chief executive of the City or a designated representative, be revised to start at 7:00 a.m. and end at 3:00 p.m. with no afternoon 15 minute coffee break as set forth in section G below.

B. Employees shall be paid at the overtime rate of one and one-half (1 ½) time for hours "actually worked" in excess of forty (40) hours during any work period. For purposes of this section, hours "actually worked" shall mean those hours in which the employee is working, and specifically excludes sick leave and personal leave, but includes vacation leave, and lunch and coffee breaks that are part of the work schedule. Also notwithstanding the above, scheduled overtime on Sunday shall be paid at double time for hours actually worked. Such scheduled overtime on Sunday shall not be subject to the recall to duty provisions set forth in Article 6, paragraph D below. Sick time and personal time taken during a pay period shall not be considered time worked, and not counted toward the 40 hour overtime qualification calculation; provided, however, that time taken off as sick leave shall be considered hours worked for purposes of calculating overtime in the event of a holdover or recall to duty. Scheduled vacation and personal time shall be considered time worked for the purpose of overtime calculation.

C. Overtime shall be distributed as equitably as possible and all employees shall be expected to work a reasonable amount of overtime when requested by the City. Individual employees shall have the option to decline overtime opportunities, except in emergencies.

D. Recall to Duty. Employees called into work on their off-days or recalled to duty shall receive a minimum guarantee of four (4) hours compensation in accordance with Paragraph B of this Article 6 for all work performed under such circumstances, provided said recall duty is not contiguous with the employee's normal shift; however, the City shall have the right to assign other work should the emergency or other reason for the call-in be less than the four (4) hour call in time. The procedure for the recall shall be as set forth in Paragraph O of this Article 6.

E. The City shall provide, semi-annually, a written statement to the Union listing for each employee the number of hours worked and the amount of overtime pay received during the period since the last statement.

F. No employee shall be required to work more than one double shift during any one forty-eight (48) hour period.

G. For employees working the normal work schedule, there shall be a fifteen (15) minute coffee break at a reasonable time in the morning hours and a fifteen (15) minute coffee break at a reasonable time in the afternoon, except that there shall be no afternoon break when the City exercises its seasonal option to establish 7:00 a.m. until 3:00 p.m. work days, during which time the lunch break will be extended to forty-five (45) minutes. There shall also be a one-half (1/2) hour meal break and two (2) fifteen (15) minute coffee breaks for all other shifts outside of the normal work schedule.

H. An employee seniority list (made up of full time personnel) shall be used in the distribution of overtime and provided the employee asked to perform the work can perform the work. The supervisor shall start at the top of the list asking each employee if he desires to work the overtime until all available positions are filled. At that point, the next employee on the list will become the first employee asked when overtime is again available. When the entire list has been exhausted, the supervisor will again start at the top. A seniority list shall be updated every January and a copy thereof given to the Union.

I. The overtime provisions of this clause shall apply only to full-time permanent employees.

J. The City agrees to use City equipment operators, when available, to run heavy equipment (backhoe, loader, beach tractor).

K. If City Hall is closed due to a state of emergency as declared by the Federal, State, County or City, the employees who do not work will be paid for the time they could not work, not to exceed eight (8) hours. Those who do work will also be paid for the same hours as those who do not work plus an additional time and one-half (1 ½) for the hours worked. The prior grievance filed by the Union and/or affected employees regarding the pay for working on days that City Hall was closed due to Superstorm Sandy shall be resolved in accordance with the terms and conditions of this Paragraph.

L. When City employees covered by this Agreement are assigned to work with construction firms under contract to City for major construction projects, participating employees shall be paid at the overtime rate of one and one-half (1 ½) time.

M. By mutual agreement between any employee and department head, flexible hours of work may be permitted to accommodate occasional circumstances where it is to the benefit of the employee or City or both for work to be performed at times other than the regular schedule of work set forth in Paragraph A of this Article 6. Any such short term agreement for flexible hours that results in more or less work hours than those set forth in Paragraph A of this Article 6 on any given day, work week, or pay period shall be made up during the same calendar year; unless in the last two (2) weeks of the calendar year, in which case it shall be made up during the same or next pay period. For example, the City may request an employee to work additional hours on one day, with the employee agreeing to take the exact number of hours in time off on another day in the same or next pay period. Similarly, an employee may request a department head to permit hours off on one day by agreement to work the exact number of hours in addition to the regular work schedule on another day

in the same or next pay period. Use of such flexible hours shall not result in additional pay or loss of pay to any employee, nor shall any leave balances be increased or reduced.

N. When employees in the Water and Sewer Utility are assigned to additional work on holidays, Saturdays and Sundays to perform regular maintenance at the Cape May City Water Treatment Plant ("Additional Assignment"), they will be paid at a minimum of four hours of compensation pursuant to the requirements contained in Paragraph D of this Article 6. Also, since it will be treated as Recall to Duty overtime, rather than Scheduled Overtime, the overtime calculations regardless of whether worked on holidays, Saturdays or Sundays will be at the rate of one and one-half times (1 ½) the normal hourly rate. Employees will be scheduled to work the Additional Assignment on a rotational basis but shall have the flexibility to switch scheduled assignment with other Water and Sewer Utility employees with notice to the Superintendent of the Water and Sewer Utility. In the event the Additional Assignment cannot be worked by any of the employees it may be covered by the Superintendent of the Water and Sewer Utility. The exact times for the Additional Assignment shall remain flexible, provided that the services are performed between the hours of 6:00 a.m. and 2:00 p.m. on each of the required weekend days and holidays.

O. When there is a need for an employee to work past the scheduled shift for a specific reason that exists before the employee completes his or her shift, the supervisor of the applicable department shall first ask all qualified employees in that department if they will work beyond the scheduled shift to complete the required work. If none of the qualified employees agree to stay for the overtime assignment, the same work will be offered to the qualified employees of the other department within this Bargaining Unit, which request shall be made through the applicable supervisor. If none of the qualified employees of the other department accept the assignment, the work can be performed by the supervisor. All existing grievances filed by the Union and/or the affected employees shall be dismissed with prejudice.

Annual vacation leave with pay shall be earned at the rate of eight (8) hours (one working day) of vacation for each month of service during the remainder of the calendar year following the date of hire to a maximum of ninety-six (96) hours (twelve (12) working days) of paid vacation during the first year of employment.

1. Only for those employees hired on a full time basis prior to January 1, 1985, vacations shall be earned as follows: after one year of service through five years of service, twelve (12) working days per year; six years of service through twelve years of service, fifteen (15) working days per year; thirteen years of service through nineteen years of service, twenty (20) working days per year. 3. For all employees hired after January 1, 1985, annual vacation leave with pay after one year of service shall be ninety-six (96) hours (twelve (12) working days) plus eight (8) hours (one working day) for every two (2) years of service with a maximum of twenty-five (25) days.

4. For employees hired on or after January 1, 2010, the vacation hours and days for 20th year and over shall be one hundred seventy-six (176) hours and twenty-two (22) days.

B. Vacation allowance must be taken during the current calendar year at such time as permitted or directed by the chief executive of the City or a designated representative unless the chief executive of the City or a designated representative determines that it cannot be taken because of

pressure of work. Any unused vacation time may be carried forward into the next succeeding year only.

C. If a vacation request, submitted in writing by the employee on the form supplied by the City, is denied in writing by chief executive of the City or a designated representative because of the pressure of work, the employee shall not lose the vacation days denied and may request that the unused vacation time be carried forward into the next succeeding year or that the unused vacation time so denied be converted into pay at the employee's prevailing rate.

D. **Personal Days.** All employees covered under this Agreement shall be allowed three (3) days of personal leave with pay annually, not deducted from sick leave, subject to the following:

1. Temporary employees and part-time employees are not eligible for this benefit.
2. Such leave shall not accumulate from year to year.

## ARTICLE 9 HEALTH BENEFITS

A. The City shall continue to provide and maintain group health benefits coverage and dependent coverage for all permanent full time employees beginning on the first of the month following sixty days of employment, as presently offered through the New Jersey State Health Benefits Plan (SHBP).

B. The City shall have the right to change health benefits carriers so long as the change in carriers has no appreciable effect on the level of benefits.

C. The City shall provide disability leave protection after a fourteen (14) day waiting period (sickness and accident) after which the employee will receive up to seventy (70%) percent of lost earnings up to the weekly benefit amount established by the State of New Jersey for twenty-six (26) weeks.

D. Upon retirement after 25 years of service to the City (or 27 years of service to the City for employees hired on or after January 1, 2010), the City will pay the entire cost of health benefit coverages available for retirees at the time of retirement to supplement Medicare or any other health benefits to which the retiring employee may be entitled for the lifetime of the retiring employee and the employee's spouse at the time of retirement. The health plan for retirees shall reflect a lifetime limit as provided for under the specific health plan selected by the retiree.

E. During the term of this Agreement, the City may offer alternative health plans to the Union other than those specified in Article 9.A. Subject to Article 9.B, the Union must approve any alternative health plan in writing before it will be available to all Union members on a uniform basis. Any agreement between the City and an employee regarding a Union approved alternative health plan will be authorized in writing. No employee shall be required to accept such alternative health plans.

F. All employees will continue to have their existing health insurance plan paid by the City through the SHBP. For employees hired before January 1, 2010, employees will be permitted to retain the option presently chosen without any additional contribution. Employees hired on or after January 1, 2010 shall be permitted to accept the Direct 15 option with no additional contribution, but may be permitted to select an option other than Direct 15, provided that if there are additional costs they will be paid by the employee. Such additional costs may be reimbursed through the City's Flex Care Program. All plans provided by the City shall be without a prescription drug program, but will include prescription reimbursement under the plan's deductible and co-insurance limits (the "SHBP w/o Prescription"). In the event the options available under the SHBP change, the City shall designate the option that is most comparable to Direct 15 as the option that will continue to be offered at no charge to the employees.

G. Employees who are entitled to and who elect to "cash out" their health insurance benefits, and subject to limits imposed by State law, will receive the lesser of fifty (50%) percent of the Direct 15 up to Five Thousand (\$5,000.00) Dollars or the State prescribed maximum amount (a) with Flex Care if mandatory or (b) without Flex Care if optional. Except for City employees who are married to each other prior to January 1, 2010, if both a husband and wife are City employees, only one of them will be offered a health insurance plan and there will be no right for the other to "cash out". To the extent P.L. 2010, Ch. 2, supersedes the provisions of this Paragraph G, notwithstanding that the effective date of this Agreement is prior to May 21, 2010, the provisions of P.L. 2010, Ch. 2, shall supersede this section.

H. The City also provides a Flex Care Program, to those qualified employees. This program is shown in Appendix "B". Qualified employees shall provide receipts for items covered under this program.

I. All employees, except those who elect to cash out under Paragraph G of this Article 9, shall be required to contribute to the cost of health benefits. The contribution shall be based upon the following:

Up to \$30,000.00	None
\$30,000.00 but less than \$50,000.00	½%
\$50,000.00 but less than \$70,000.00	1%
\$70,000.00 or more	1½%

These percentages shall be for all wages earned including stipends (but excluding longevity, overtime, clothing allowances and expense reimbursements) and are not marginal rates. For example, if an employee is scheduled to earn Forty Nine Thousand (\$49,000.00) Dollars for the year he/she will contribute Two Hundred Forty-Five (\$245.00) Dollars (½% x \$49,000.00), but if the total earnings are Fifty One Thousand (\$51,000.00) Dollars, the total contribution will be Five Hundred Ten (\$510.00) Dollars (1% x \$51,000.00). It is also acknowledged that all employees covered by this Agreement will be required to make minimum contributions toward the cost of health benefits pursuant to P.L. 2010, Ch. 2, as may be amended from time to time ("State Law"). Accordingly, the employees covered by this Agreement shall be required to continue to make contributions toward health benefits equal to the greater of the amount required under this Paragraph I or the amount

required by State Law.

**ARTICLE 10**

1. All permanent employees, full time temporary or full time provisional employees shall be entitled to sick leave with pay based on their aggregate years of service.

2. Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, accident or exposure to contagious disease. Sick leave may also be used for short periods because of death in the employee's immediate family as defined in Paragraph A.3 of this Article 10.

6. Work related injuries. Employees shall receive full salary and benefits during time off from work to recover from on-the-job injuries that qualify for workers' compensation payments. No deduction shall be made from the employee's sick or other leave balances for such time off. To qualify for and partially compensate the City for extending this one hundred percent (100%) pay benefit, employees shall endorse all workers' compensation payments (approximately seventy percent (70%) of salary) over to the City. Time off taken in connection with injuries or sicknesses that do not qualify for workers' compensation payments shall be deducted from the employee's sick leave balance.

**B. Amount of Sick Leave.**

1. The minimum sick leave with pay shall accrue to any full time employee on the basis of one (1) working day per month during the remainder of the first calendar year of employment after initial appointment and fifteen (15) working days in every calendar year thereafter. Part time permanent employees shall be entitled to sick leave as established by regulation. Sick leave will be prorated and credited for the months of actual service during the last year of employment.

2. Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed for such purpose.

3. An employee shall not be reimbursed for accrued sick leave at the time of termination of employment.

**C. Reporting of Absence on Sick Leave.**

1. If an employee is absent for reasons that entitle him to sick leave, his supervisor shall be notified promptly as of the employee's usual reporting time, except in those work situations where notices must be made prior to the employee's starting time. In such event, the employee shall notify the Police Department at least one half (1/2) hour prior to the commencement of his usual starting time.

**D. Verification of Sick Leave.**

1. An employee absent on sick leave for five (5) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness when, in the opinion of the chief executive of the City or a designated representative, the use of sick leave appears to be excessive or must be substantiated.

(a) An employee who has been absent on sick leave for periods totaling ten (10) days in one calendar year consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature requiring absences of one (1) day or less in which cases only one (1) certificate shall be necessary for a period of six (6) months.

(b) The appointing authority may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable. Abuse of sick leave shall be cause for disciplinary action.

2. In case of leave of absence due to exposure to contagious disease, a certificate from the Department of Health shall be required.

3. In case of death in the immediate family, reasonable proof shall be required.

4. The City may require an employee who has been absent because of personal illness, as a condition of his return to duty, to be examined, at the expense of the City, by a physician designated by the City. Such examination shall establish whether the employee is capable of performing his normal duties and his return will not jeopardize the health of other employees.

**E. Bereavement Leave.**

All employees covered by this Agreement shall be allowed up to a maximum of three (3 days) leave without loss of pay in the event of death of husband, wife, child, mother, father, brother, sister, step-mother, step-father, mother-in-law, father-in-law, grandmother, grandfather,

grandchildren, and shall be allowed one day to attend the funeral of brother-in-law, sister-in-law, aunt, uncle, niece, and nephew and without loss of pay. Any employee may request leave on the occasion of death of close personal friends not listed above for prior approval of the employee's department head and chief executive of the City or a designated representative, who shall not unreasonably deny appropriate leave.

**E. Buy Back of Sick Leave Upon Retirement**

All employees covered by this Agreement shall be eligible for the following upon retirement and verification of the personnel record at that time:

1. Twenty-five (25) or more years of service - fifty (50%) percent: (i.e. one (1) day for every two accumulated days.)

**ARTICLE 11  
SALARIES & COMPENSATION**

**A. Date of Hire and Anniversary Date.**

1. For employees hired before January 1, 2001, their anniversary date for the purpose of salary shall be January 1st for hires through July 1<sup>st</sup>, and those hired after July 1st, their anniversary date shall be January 1st of the following year. Employees hired after December 31, 2000, and before January 1, 2005, shall have their first salary increase, effective January 1 of the year following their hire, pro-rated based upon the percentage of the previous year worked. The pro-rated percentage will be calculated by determining the number of full months worked through December 31, and dividing it by 12, giving the pro-rated number. The contractual increase percentage will then be multiplied by this pro-rated number to determine the employee's percentage of increase for their first year. Full contractual percentage increases will be provided each year thereafter. Employees hired after January 1, 2005, will receive full contractual increases on their anniversary date of hire.

2. All employees hired before January 1, 2009, shall be entitled to full contractual raises as listed in Paragraph 11.C. Employees hired on or after January 1, 2009 shall receive contractual raises as follows:

a. if the date of hire is between January 1<sup>st</sup> and June 30<sup>th</sup>, the employee will receive a full contractual raise effective on the next January 1<sup>st</sup> following the initial date of hire;

b. if the date of hire is between July 1<sup>st</sup> and December 31<sup>st</sup>, the employee will receive a contractual raise effective on the next July 1<sup>st</sup> following the initial year of hire;

c. all subsequent raises will be in accordance with Paragraph 11.C.

**B. Out of Title Pay.**

Any employee who works out of title in a higher paying title shall be compensated based on the difference between the starting salary of the from - to title, attached hereto as Appendix C, or the contractual increase in effect for the working period year, whichever is greater, provided such assignment is for a continuous period of more than ten (10) working days. The pay at the higher range shall commence on the eleventh (11th) day. Any employee so assigned for ten (10) days shall thereafter not be removed from said higher paying position for the sole purpose of avoiding the extra compensation.

**C. Contractual Raises.**

1. Retroactive to January 1, 2013 and payable after this Agreement is approved by a resolution of the City Council and ratified by the Union, and executed by both parties, the employees shall receive an annual increase to base wages based on the Range Guide attached hereto as Appendix C. In furtherance thereof, all current employees will be placed on the Range Guide at their current range based upon their job title as of December 31, 2012 at the salary that is closest to the base salary earned in 2012, provided that it is not lower than the 2012 base salary. If the closest base salary is lower than

the 2012 base salary, they shall be placed at the next higher step at the same range. For each year of this Agreement, beginning on January 1, 2013, the employees shall advance to the next step in progression until they reach the highest step for their range.

2. Notwithstanding the Range Guide, when an employee is earning a base salary of \$40,000.00 or more at the end of any year during the term of this Agreement, his or her base salary for the following year shall be the amount earned in the preceding calendar year increased by 2% and then by \$250.00. By way of example, if an employee earns a base salary of \$45,000 on December 31, 2013, the base salary for 2014 shall be \$46,150.00  $[(\$45,000.00 \times 1.02) + \$250.00]$ , and base salary shall no longer be determined by the Range Guide.

**D. Minimum and Starting Salaries.**

Minimum starting (hiring) salaries shall be as determined by the Range Guide shown in Appendix C.

**E. Promotional Raises.**

1. When an employee is promoted, he or she shall advance to the range to which he or she is promoted and shall be placed at the same step as the range from which he or she is promoted; provided, however, that a promotion on January 1 will also advance to the next step on the Range Guide.

2. When an employee has a lateral change in title within the same Range, he or she shall move to the next step on the Range that has a base salary increase that is closest to (but not less than) \$1,500.00.

3. Notwithstanding Paragraph E.1., if promotional increases based on the above are less the amounts set forth in the table set forth in Paragraph E.4. ("Promotional Table"), the employee shall be placed on the Range Guide at the base salary that is closest to the base salary earned in the year of the promotion plus the amount in the Promotional Table; provided that it is higher than such sum, and if lower, he or she will be placed at the next higher step. For employees at the highest step, the base salary as a result of said promotion shall be at the greater of the base salary at the highest step at the range to which he or she is promoted or the base salary at the previous range plus the amount in the Promotional Table.

4. Also notwithstanding Paragraphs E.1. and E.2., for employees that are earning more than \$40,000.00 in base salary at the time of the promotion, the promotional increase shall be the greater of the difference between starting salaries for each range or the amount set forth in the Promotional Table.

**5. Promotional Table.**

<u>Range</u>	<u>Increase</u>
1 to 2	\$2,000.00
2 to 3	\$2,000.00
3 to 4	\$2,500.00

4 to 5	\$3,000.00
5 to 6	\$3,500.00

For employees being promoted by more than one grade, the increase in the above table shall be at the amount in the highest grade. For example, if an employee is promoted from grade 1 to grade 4, the increase will be the greater of the difference in the starting salaries or \$2,500.00.

**ARTICLE 12  
LONGEVITY**

A. For employees hired prior to January 1, 2010, in addition to salary, employees shall receive longevity pay to be computed at two (2%) percent of the employee's base salary for every five (5) years of completed service, to the maximum of ten (10%) percent. Longevity pay shall be computed from the original date of employment. The anniversary date for this purpose shall be January 1 for hires through July 1, and for those hired after July 1, anniversary date shall be January 1 of the following year.

B. For employees hired on or after January 1, 2010, in addition to salary, employees shall receive longevity pay based on the following schedule:

Years of Service	Percentage

The entire annual clothing allowance will be paid within thirty (30) days of the adoption of the annual City budget.

C. It shall be the responsibility of each employee to report any defective vehicles or equipment to the supervisor or chief executive of the City or a designated representative. If in the opinion of the supervisor and the chief executive of the City or a designated representative, the vehicle or equipment is unsafe, it shall then be removed from service until repaired.

Any such revision that may be proposed shall have no effect unless it is ratified by both parties in the same manner by which this Agreement has been ratified. THIS AGREEMENT ("Agreement") is hereby entered into this 18<sup>TH</sup> day of MARCH, 2008, by and between the CITY OF CAPE MAY, a municipal corporation of New Jersey (hereinafter referred to as "City" or the "Employer"), and the UNITED AUTO WORKERS AFL-CIO Local 2327 (hereinafter referred to as "UAW" or the "Union") the City and the UAW may hereinafter be collectively referred to as the "Parties".

WITNESSETH:

WHEREAS, the UAW is the representative of certain collective bargaining units whose members are employees of the City; and

WHEREAS, the City and the UAW are parties to the following collective bargaining agreements defining the terms and conditions of employment: City of Cape May Upper Management/Professional Employees, dated January 1, 2005 through December 31, 2008; City of Cape May, New Jersey and White Collar Clerical and Communications Employees, dated January 1, 2005 through December 31, 2008; City of Cape May, New Jersey and Public Works and Water and Sewer Employees, dated January 1, 2005 through December 31, 2008; City of Cape May, New Jersey and Middle Managers/Professional Employees, dated January 1, 2005 through December 31, 2008; City of Cape May, New Jersey and the Lieutenant Lifeguards Association, dated January 1, 2003 through December 31, 2006; City of Cape May, New Jersey and the Lifeguards Association dated January 1, 2003 through December 31, 2006, together with amended and superseded by successor agreements (collectively referred to as the "Collective Bargaining Agreements"); and

WHEREAS, the City desires to remunerate certain employees by payment of Stipends more fully defined below, who are members of the UAW and subject to the terms and conditions of the Collective Bargaining Agreements for work performed in addition to their regular job responsibilities as those responsibilities are defined by their respective Collective Bargaining Agreements and applicable New Jersey Department of Personnel job descriptions; and

WHEREAS, a dispute has arisen concerning the unilateral implementation of stipends above the wage rates set forth in the various Collective Bargaining Agreements; and

WHEREAS, the City and the UAW desire to permit such Stipends and to fully settle and resolve the dispute in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing paragraphs, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Recital Paragraphs. The above recital paragraphs are incorporated herein as if set forth at length.

2. Existing Collective Bargaining Agreements. All terms and conditions set forth in the Collective Bargaining Agreements shall continue in full force and effect and unmodified hereby. To the extent that there are any inconsistencies between the terms of this Agreement and the terms of the Collective Bargaining Agreements, the terms of this Agreement shall apply, unless modified pursuant to Paragraph 7 below.

3. Stipend. Stipends, in the form of compensation which, for the purposes of distribution to the employee, shall be included in the employee's salary, and subject to payroll and pension deductions, where applicable, may be paid to such employees who are subject to the Collective Bargaining Agreements, for the performance of certain duties and responsibilities in addition to those for which they are compensated in accordance with the relevant provisions of their respective Collective Bargaining Agreement as follows:

(a). For the performance of duties or responsibilities, which may be the same or similar duties or responsibilities performed by the employee for the City, resulting from or in connection with a duly enacted Interlocal Service Agreement in accordance with the Interlocal Services Act, N.J.S.A. 40:8A-1, et seq., which authorizes agreements between municipalities for the provision of services by one municipality for another; and

(b). For the performance of duties and responsibilities unrelated to, or in addition to those duties and responsibilities required by the employee's respective Collective Bargaining Agreement and applicable New Jersey Department of Personnel job description, or those duties and responsibilities that are in addition to or unrelated to the employee's regularly performed duties and responsibilities, as defined by the City.

(c). All stipends currently in effect prior to the effective date of this Agreement shall be deemed agreed to by the parties and shall not be altered except as provided for herein.

(d). If the additional duties or responsibilities pertaining to a Stipend cease and the employee in question is no longer required to perform such additional duties or responsibilities, the City may cease payment of the Stipend.

(e). If the additional duties or responsibilities pertaining to a Stipend become the responsibility of another employee, that other employee will receive the Stipend for such additional work, and the original employee shall no longer receive the Stipend once he or she no longer performs the work associated with the Stipend. The City may only reassign Stipends with thirty (30) days advance notice to the Union, and may not use such reassignment to retaliate against any employee.

(f). If the City requires the work of additional duties or responsibilities to be performed, the City shall notify the Union of its desire to impose such additional duties or responsibilities on employees and the amount of the Stipend it proposes to pay in exchange for

such additional work. Upon receipt of such notice the Union may demand bargaining over the value of the additional work and the amount of the Stipend. Upon receipt of such a bargaining demand the City agrees that it will meet and bargain in good faith with the Union.

4. Intent. The UAW and the City acknowledge and agree that the intent of this Agreement is to permit the City to compensate certain employees in accordance with the terms and conditions set forth herein for the performance of those additional duties and responsibilities in connection with the payment of a Stipend as set forth above in Paragraph 3, notwithstanding the terms and conditions of the Collective Bargaining Agreements that pertain to compensation. The UAW further acknowledges and agrees that any Stipend paid to an employee shall not be construed as part of the salary of the employee for the purposes of negotiating salary increases for that employee or any other employee, group of employees or bargaining unit, provided the City complies with the terms of this Agreement. The City acknowledges that it is not the UAW's intention to relinquish its right as the bargaining representative for the purpose of compensation for the performance of additional duties and responsibilities.

5. Unfair Practice Charges. The UAW agrees to withdraw and dismiss, with prejudice, the Unfair Practice Charge and Amended Unfair Practice Charge filed with the New Jersey Public Employees Relations Commission pertaining to the subject matter hereof, under Docket Number CO-2007-180. The UAW further agrees not to file any future unfair practice charges or grievances pertaining to the subject matter hereof, provided that the City complies with the terms of this Agreement.

6. Effect of Invalidity. Should any provision of this Agreement be declared or be determined by any court of competent jurisdiction to be illegal, invalid, void, or unenforceable, the legality, validity, and enforceability of the remaining parts, terms, or provisions shall not be affected thereby, and any said illegal, unenforceable, or invalid part, term, or provision shall be deemed not to be a part of this Agreement.

7. No Modifications. This Agreement may not be modified except upon express written consent of both parties wherein specific reference is made to this Agreement. Absent any modification, this Agreement shall be incorporated into and made a part of all Collective Bargaining Agreements between the Parties and the successor agreements thereto and shall be attached to each such agreement when they are printed.

8. Counterparts / Facsimile. This Agreement may be executed in any number of counterparts, including counterparts transmitted by facsimile, which shall constitute an original of this Agreement.

9. Entire Agreement. This Agreement sets forth the entire agreement between the parties hereto and fully supersedes any and all prior agreements or understandings between the parties hereto pertaining to the subject matter hereof. Any disagreement concerning the interpretation or application of this Agreement shall be subject to the grievance and arbitration procedure set forth in the applicable collective bargaining agreement.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed the day and year first above written.
