## ARTICLE XIII - GRIEVANCE PROCEDURES

- A. Definitions, Basic Principles and Time Limits:
1. A "Grievance" is a claim by an employee of the Cliffside Park School District that there has been to him/her a personal loss, injury or inconvenience caused by a violation, misinterpretation, or inequitable application of an established policy governing employees, or of this Agreement, except that the term "Grievance" shall not apply to a complaint of his/hers not being re-employed. A grievance to be considered under this procedure must be initiated by the employee within thirty (30) days of the occurrence or event or act which gave rise to the grievance.
  2. An employee or the recognized association may present, in appeal through administrative channels, grievances affecting them, free from restraint, interference, coercion, discrimination or reprisal.
  3. At each step in the grievance appeal process, the responsible person in authority hearing the grievance is to apply all possible measures to adjust the grievance professionally and with complete fairness. Proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure and consistent with prescribed procedures.

4. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administrative staff and having the grievance adjusted without intervention of the recognized organization.
5. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum and every effort shall be made to expedite the process. The time limits may, however, be extended by mutual agreement. If a grievance appeal is filed at such time that it cannot be processed through all of the prescribed steps by the end of the then current school year, and if leaving said grievance unresolved until the beginning of the following school year could result in substantial harm to a party in interest, the stipulated time limit shall be reduced so that the grievance procedures may be exhausted prior to the end of the then current school year or as soon thereafter as practical.

B. Level One - Principal:

If an employee believes there is a basis for a grievance he/she shall first discuss the alleged grievance with his/her Building Principal, either personally or accompanied by a representative of the Cliffside Park Educational Secretaries Association. If, as a result of the informal discussion with the Principal, the grievance still exists, the employee may invoke the formal grievance procedure and present his/her grievance, in writing, to the Building Principal within five (5) school days of the informal discussion. The Principal shall inform the employee of his decision within five school days from the date the employee filed the formal grievance.

C. Level Two - Superintendent:

If the employee is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he/she may file the grievance with the Superintendent of Schools within five (5) school days of the receipt of the decision by the Principal, or within five (5) school days of the date said decision should have been rendered. The Superintendent shall advise the employee of his decision in writing within ten (10) school days following the date of submission of the grievance to him. The decision shall state explicitly what action or recommendation the Superintendent proposed in order to resolve the grievance. The Superintendent shall consult, if necessary, with the Principal and the employee involved. The employee shall have the right to be represented by the Association if he/she so desires.

D. Level Three - Board of Education:

If the employee is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within ten (10) school days after the presentation of the grievance to the Superintendent, he/she may request that the Board of Education review the

grievance. The request shall be submitted in writing through the Superintendent of Schools within ten (10) school days of the date said decision should have been rendered. The Board of Education shall review the grievance, conduct a hearing if requested by the employee, and render a decision in writing setting forth the reasons for its decision within twenty (20) school days.

E. Level Four - Arbitration:

1. If the employee is not satisfied with the disposition of his/her grievance at Level Three, or if no decision has been rendered within twenty (20) school days after the grievance was delivered to the Board of Education or after the conclusion of any hearing conducted by the Board of Education, he/she may, within ten (10) school days after the decision by the Board of Education or thirty (30) school days after the grievance was delivered to the Board of Education or after the conclusion of any hearing conducted by the Board of Education, whichever is sooner, request in writing that the Association submit his/her grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within ten (10) school days after receipt of a request by the employee.
2. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator and during arbitration proceedings.
3. The arbitrator selected shall confer with the representatives of the Board and the Association and hold a hearing promptly and shall issue his decision not later than thirty (30) days from the date of the close of the hearing, or from the date the final statements and proofs, including briefs and legal memoranda are submitted to the arbitrator. The arbitrator's decision shall be final and binding upon the parties and shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted.
4. The authority of the arbitrator shall be limited to the interpretation, application or the compliance with the provision of this Agreement, and the arbitrator shall have no authority to modify, add to, subtract from, or in any way alter any of the terms of this Agreement, and the arbitrator shall be bound by all applicable New Jersey and Federal Statutes, the Constitution of the State of New Jersey and Federal Statutes, the Constitution of the United States, and all decisions of the Commissioner of Education, the State Board of Education, the Courts of the State of New Jersey and

the Federal Courts having jurisdiction over matters arising within the State of New Jersey.

F. Costs of Arbitration:

1. The Board and the Association shall each bear the total cost incurred by themselves.
2. The fees and expenses of the arbitrator are the only cost which shall be shared by the Board and the Association and such costs will be shared equally.
3. If time is lost by an employee due to the arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay the cost of the substitute. The time lost by the employee may be charged to personal business time.

G. Group Grievance:

The procedures for the filing and processing of a group grievance shall be the same as the individual grievance procedures set forth herein, including the time periods specified above. A group grievance is defined as a claim, affecting a group or class of employees, that there has been, to them, a personal loss, injury or inconvenience caused by a violation, misinterpretation or inequitable application of an established policy governing employee, or of this Agreement.

H. Emergency Procedure:

Recognizing that emergencies may arise, and that time may not permit the prescribed procedure to operate, the following provision is inserted:

In the event an individual, group of individuals or the Association as a whole has a grievance of such nature that time will not permit the prescribed time periods to be followed, the procedure may be expedited, if the individual, group of individuals or the Association, as the case may be, states in writing the nature of the grievance together with explicit reasons why the prescribed procedures must be expedited. The grievance procedure shall be the same but each party shall be duty bound to act upon the grievance as quickly as possible.

#### **ARTICLE XIV - EMPLOYMENT PERIOD**

All employees covered by this Agreement shall be employed for ten and one half (10½) months of the school year with the exception of the Central Office employees (Board of Education Office and Superintendent of Schools Office) and miscellaneous employees who will be employed twelve (12) months of the school year.

#### **ARTICLE XV - SENIORITY**

Seniority shall be based on tenure and Title 18A of the New Jersey Administrative Code.
