AGREEMENT

This Agreement is made this _____ day of December, 2006, between the BOROUGH OF MANASQUAN, a municipal corporation of the State of New Jersey (from now on called the "Borough" or "Employer") and the Manasquan Dispatchers Association (from now on called the "Association").

WITNESSETH:

WHEREAS, the Borough and the Association recognize and declare that providing quality police protection for the Borough is their mutual aim; and

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement: the improvement and promotion of harmonious relations between the parties; the establishment of suitable and peaceful procedure for the amicable resolution of all differences, disputes, and grievances; and the establishment and determination of salaries, wages, fringe benefits, hours of work and other terms and conditions of employment.

In consideration of the following mutual covenants, it is agreed as follows:

ARTICLE 1
RECOGNITION

The Borough hereby recognizes the Association as the sole and exclusive representative and bargaining agent for the purpose of collective negotiations to

establish salaries, wages, fringe benefits, hours of work, and other terms and conditions of employment for all employees, including: regular, provisional, and trainee appointments, and part time employees.

Included:

All Civilian Police Dispatchers in the Police Department.

Excluded:

All other employees of the Borough of Manasquan.

ARTICLE 2 ASSOCIATION ACTIVITY

Section 1. The Borough and the Association agree not to interfere with the right of employees to become or not to become members of the Association; and further, that there shall not be any discrimination or coercion against any employee because of Association membership or non-membership.

Section 2. Employees shall have the right to erect and maintain a bulletin board in a conspicuous place for their own use subject to the approval of the Chief of Police.

Section 3. The Borough agrees to allow the members of the Association to conduct Association meetings on Borough premises with approval of the Chief of Police. The Association shall provide 24 hours advance notice of the meeting and the meetings shall not be held during regular working hours. The notice shall be provided to the Chief of Police.

ARTICLE 3 EQUAL TREATMENT – NON-DISCRIMINATION

The Borough and the Association agree that there shall be no discrimination against any employee because of age, sex, marital status, race, color, religion, national origin, political affiliation, or Association membership or non-membership.

The Borough also agrees that no employee shall be subject to harassment, and that every employee shall be treated within the accepted standards of decency, courtesy, and respect.

ARTICLE 4
RIGHTS OF INDIVIDUALS

Nothing contained in this Agreement shall abridge the rights of the Borough, and employees, under the laws of the State of New Jersey.

ARTICLE 5
MANAGEMENT RIGHTS

It is mutually understood and agreed that the Borough has the prerogative of management in the direction of the employees including, but not limited to, the rights of hiring, suspending, laying off, discharging for proper cause, promoting, transferring, assigning or reassigning, or scheduling so as to determine the standards of selection for employment, of maintaining the efficiency of its operation and technology of performing its work, establishing contracts or sub-contracts for Borough operations; provided that this right shall not be used for the purpose or intention of undermining the Association or discriminating against its members, in determining the methods, means and personnel by which its operations are to be conducted, or determining the content of job classifications, subject to Department of Personnel regulations and other applicable laws or provisions of this Agreement.

ARTICLE 6
WORK RULES

The Borough shall establish reasonable and necessary rules of work and conduct for employees and these rules shall be duly and conspicuously posted. All work rules shall be equitably applied by the Borough.

ARTICLE 7
SENIORITY

Section 1. Definition. Seniority is defined as an employee's continuous length of service with the Borough beginning with the employee's latest date of hire as a provisional or permanent employee. A newly hired employee shall be considered probationary and without seniority.

Section 2. An employee shall be considered to have Borough seniority as of the date of hire with the Borough. Borough seniority shall accumulate until there is a break in the employee's service.

Section 3. An employee shall be considered to have job classification seniority from the time the employee is certified to the position or title classification by the Department of Personnel. Job classification seniority shall accumulate until there is a break in the employee's service.

Section 4. A break in continuous service occurs when an employee resigns, is discharged for cause, retires, or is laid off; provided however, job classification seniority, accrued prior to layoff, shall be continued upon recall and reemployment. Seniority determination for an employee reemployed from a regular reemployment list shall begin as of the date of reemployment, except that, when determining the order of layoff or demotion,

ties of equal seniority will be broken by consideration of the period of permanent employment to the break in service.

Section 5. In the case where an employee is promoted but does not successfully complete the probationary period, the employee may return to the previous job classification without loss of job classification or Borough seniority.

Section 6. Seniority shall be given preference in promotions, demotions, layoffs, recalls, and vacation schedules. Where ability to perform work and physical fitness are considerations in any of the aforementioned, the Borough shall make the final determination.

ARTICLE 8
EMPLOYMENT POSTINGS

Notices of all job vacancies shall be posted by the Borough, whenever possible, on employee bulletin boards throughout the various work areas fifteen (15) days in advance of the closing date for filling the vacancy. The notices will contain: the job classification, a description of the work, place of employment, rate of pay, and hours of work. All permanent employees of the unit shall be given the chance to apply in writing to the Borough to fill these job opportunities.

ARTICLE 9
COLLECTIVE BARGAINING PROCEDURE

Section 1. In accordance with the provisions of N.J.S.A. 34:13A-1 et seq. and the amendments and supplement thereto, the following negotiation procedure shall be followed in all future negotiations between the parties unless otherwise as provided by law.

Collective bargaining with respect to rates of pay, or other conditions of employment shall be conducted by the duly authorized bargaining agent of each of the

parties. Unless otherwise designated, the Mayor of the Borough and the Council President, or their designees, and the President of the Association or the President's designees as provided in this Agreement, shall be the respective negotiating agents for the parties.

Section 2. Not more than two (2) additional representatives of each party shall participate in collective bargaining meetings.

Section 3. Collective bargaining meetings shall be held at the request of either party. All meetings shall be conducted in the Borough Hall in the Borough of Manasquan, and said meetings shall take place when they occur between the hours of 7:30 p.m. and 10:30 p.m. on weekdays and between the hours of 10:00 a.m. and 2:00 p.m. on Saturdays unless otherwise agreed upon by both parties.

Section 4. In all respects the negotiations between the parties shall be conducted in accordance with the laws of the State of New Jersey and in particular N.J.S.A. 34:13A-1 et seq. and the rules and regulations of the Public Employment Relations Commission and the amendments and supplements thereto.

ARTICLE 10 STANDING COMMITTEE

There shall be two (2) members of the Association grievance committee granted leave from duty with full pay for all meetings between the Borough and the Association for the purpose of processing grievances, when such meetings take place at a time when such members are scheduled to be on duty and upon twenty four (24) hours notice to the Chief of Police.

ARTICLE 11
GRIEVANCE PROCEDURE

Section 1. Definition of a Grievance. A grievance is a complaint, pertaining to conditions or relationships between employee and employer.

A grievance is also defined as an alleged violation of this Agreement or an alleged improper administration decision.

Section 2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the police administration and having the grievance adjusted without intervention of the grievance procedure and the Association, provided the adjustment is not inconsistent with this Agreement. The Association shall be given the opportunity to be present at such a meeting provided the person seeking the grievance requests same.

Section 3. Procedure.

A. The Association on behalf of the employee shall appoint a Grievance Committee, of two (2) members, to study all grievances submitted by employees of the Dispatchers Association.

B. An employee shall, within two (2) working days, verbally present and discuss a complaint with the immediate supervisor or shift supervisor on an informal basis. In the event the matter is not resolved informally, the grievant may submit the grievance in writing within five (5) days of the occurrence to that immediate supervisor who shall hear the grievance. The grievant may be represented by the Association. The exception to this step in the procedure is for any alleged violation of Article 17 or Article 18 of this Agreement. The procedure for a grievance on these sections is covered in Section D of the procedures listed. The immediate supervisor shall give a written reply to all grievances within seventy-two (72) hours of receipt of grievance.

C. If the grievance is not adjusted satisfactorily or within three (3) days after expiration of time limit in Section B, and the aggrieved party wishes to proceed further, the grievant may submit such grievance in writing to the head of the Association, who shall indicate in writing that the Association agrees or disagrees with the desire of the grievant to proceed to the next step of the grievance procedure. The grievant may proceed with grievance procedure, with or without the approval of the Association, by presenting the grievance in writing to the Lieutenant of Police or designee. Both the employer and the employee shall have the opportunity to present witnesses and pertinent records in order to dispose of the grievance. The grievant may be represented by the Association. Within three (3) days of said presentation, the Lieutenant or designated representative may arrange to meet with the Grievance Committee for the purpose of resolving or adjusting such grievance. A decision shall be made by the Lieutenant and submitted to the committee in writing within three (3) days.

D. If the grievance is not adjusted satisfactorily or within three (3) days, and the Grievance Committee wishes to proceed further, it may submit such grievance in writing to the Captain of Police within three (3) days. Within three (3) days after said presentation, the Captain or designated representative may arrange to and meet with the Grievance Committee for the purpose of adjusting or resolving such grievance. A decision shall be made by the Captain within three (3) days and submitted to the committee in writing.

If any grievance is instituted alleging a violation of Article 17 or Article 18 of this Agreement, it shall be submitted directly to the Captain of Police in writing. The Captain of Police shall give a written reply to the committee within seventy-two (72) hours of receipt of such grievance.

E. If the grievance is not adjusted satisfactorily or within the time limits previously specified, and the Grievance Committee wishes to proceed further, it may submit such grievance in writing to the Chief of Police within three (3) calendar days. Within three days after said presentation, the Chief or designated representative may arrange to and meet with the committee for the purpose of adjusting or resolving such grievance. A decision shall be made by the Chief within three (3) days.

Section 4. If the grievance is not resolved to the satisfaction of the Association by the Chief or the Chief's designated representative within three (3) days after such meeting, the Association may present such grievance in writing no later than seven (7) days thereafter to the Public Safety Committee. Within seven (7) days after such presentation, the Public Safety Committee shall hold a hearing at which time all parties of interest shall be heard. A decision shall be made no later than seven (7) days following completion of the hearing.

Section 5. If such grievance is not resolved to the satisfaction of the Association following such meeting, the Association may present such grievance in writing within ten (10) days thereafter to the New Jersey Public Employment Relations Commission for binding arbitration, with written notification of such intent also being made to the Borough.

Section 6. The arbitration proceedings shall be conducted by an arbitrator to be selected by the Borough and the Association within seven (7) days after notice has been given. If the parties fail to agree upon an arbitrator, the state mediation service shall be requested by either or both parties to provide a panel of five (5) arbitrators. Both the Borough and the Association shall have the right to strike two (2) names from the panel. The Borough shall strike one name, the employee shall strike one name, etc., and the remaining shall be the arbitrator. The arbitrator shall be requested to issue a decision within thirty (30) days after the conclusion of testimony and argument. Expenses for the

arbitrator's services and the proceedings shall be borne equally by the Borough and the Association. It is understood by and between the parties hereto that the decision of the arbitrator shall be binding upon the parties.

Section 7. The time limits specified in the preceding Sections of this Article shall include Saturdays, Sundays and Holidays unless the last day of the time limit falls on a Saturday, Sunday or Holiday, in which event the following day will be counted as the last day. Further, such time limits may be extended by mutual agreement of all parties.

Section 8. If a grievance is not responded to within the prescribed time limits as provided, such grievance may be processed to the next step.

Section 9. The Borough shall permit Association members of the Grievance Committee to conduct the business of the Committee, which consists of conferring with employees and management on specific grievances in accordance with the grievance procedure set forth herein, during the duty hours of the members without loss of pay provided the conduct of said business shall not diminish the effectiveness of the Police Department or require the recall of off-duty Dispatchers to bring the Department to its proper effectiveness.

Section 10. This Article shall not be deemed to waive any rights of the employee or Dispatcher under the laws of the State of New Jersey existing now or in the future.

ARTICLE 12

COMPLAINTS AGAINST EMPLOYEES

Section 1. Whenever there are any charges or complaints in writing against any Police Dispatcher, they shall be initially investigated by the Chief of Police with the Chief advising the Association that said investigation is being conducted. In the event the Chief determines that discipline beyond a reprimand is warranted, the matter shall be referred to the Public Safety Committee. The Public Safety Committee may return the matter to the

Chief for further investigation, dismiss the matter, or determine that formal charges pursuant to statute may be necessary and refer the matter to the Mayor and Council. In the event of any formal hearing before the Mayor and Council, the Dispatcher shall be notified in writing according to law and given the hearing date, nature of the charges, and the complainant's name and address, and the names and addresses of any and all witnesses. This section shall not be deemed to waive any rights of the Dispatcher under the laws of the State of New Jersey now or in the future.
