B. Purpose:

The purpose of this procedure is to seek at the lowest possible level, equitable solutions to the problems which may from time to time arise which affect the terms and conditions of the within Agreement. Both parties agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Exclusive Remedy:

Any disciplinary action taken by the Borough against a Policeman covered by the terms of this Agreement shall be processed exclusively through the Grievance and Arbitration Procedure herein provided.

1. **First Step:**

All grievances shall be asserted within twenty (20) days after the right to assert such a grievance becomes known to the grievant. An aggrieved employee shall present his grievance to the Chief of Police or his designee for the purpose of resolving the matter informally. The grievant shall present the grievance in the presence of a member of the Association who shall represent the aggrieved employee. The Chief of Police or his designee shall render a written decision within fifteen (15) days after receipt of the grievance. In the event the Chief of Police or his designee does not render a decision within the time provided herein, then the grievance shall automatically be processed to the next step of the Grievance procedure.

2. **Second Step:**

Any grievant who has not had his grievance settled in the First Step of the Grievance Procedure shall proceed within twenty-eight (28) days after the presentation of the same in the First Step to the Second Step of the Grievance Procedure by presenting the same to the Business Administrator. All grievances in the Second Step level and/or answers to grievances in the Second Step level must be in writing. If requested the Grievant may meet with the Business Administrator to present the grievance and/or attempt to resolve the grievance. Second Step grievance meetings shall be conducted within fifteen (15) days after presentation of a grievance in this Step. If no satisfactory written solution is given within ten (10) days after the Second Step meeting, or if no written answer has been given within ten (10) days after the Second Step Meeting, the grievance shall proceed to the Third Step Grievance Procedure.

- a. Forms for the filing of the grievance shall be prepared by the Borough and shall be given to the Association. A sample of the form to be used is attached and made a part of this Agreement.

3. **Third Step:**

If a satisfactory settlement is not reached in the Second Step the grievant may proceed to arbitration no later than six (6) months from the date of the written answer (which will not be effective until after the signing of the within Agreement and shall have no retroactive effect prior to the signing of this Agreement) by the Borough, as follows:

a. The representative of the grievant may request arbitration by submitting their request in writing to the Public Employment Relations Commission, copy to be sent to the Borough Clerk. The Public Employment Relations Commission shall be requested to furnish panels of arbitrators to the respective parties and the parties shall select their choice of arbitrator in accordance with the Rules and Regulations of the Public Employment Relations Commission.

4. All grievance meetings and/or hearings as provided for in the within Article shall be conducted in private and shall include the grievant and his representatives, the Chief of Police, the Police Committee, the Business Administrator and their representatives and any witnesses that either party wishes to produce.

5. The fees and expenses of arbitration shall be born equally by the Borough and the Association.

6. It is understood and agreed that if either party uses the services of an attorney, the expense incurred will be born by the party requesting such services.

7. Expenses of witnesses for either side shall be born by the parties producing such witnesses.

8. The total cost of stenographers' records which may be made and transcripts thereof shall be paid by the party ordering same.

9. The arbitrator shall have no power or authority to add to or subtract from or modify in any way the terms of this Agreement.

10. The arbitrator will be required to issue his decision within thirty (30) calendar days from the date of the closing of the hearing, and the arbitrator will set forth his findings of fact, and conclusions on the issues submitted. The decision of the arbitrator shall be final and binding upon the parties.

11. Any grievant, or members of the Association who process grievances shall suffer no loss of pay for the processing of grievances during his regular work schedule. Employees covered by the terms of this Agreement will not be paid for processing grievances outside of their regular work schedule.

12. In the event that arbitrability of a grievance is at issue between the parties hereto, jurisdiction to resolve the question of arbitrability shall rest solely with the arbitrator selected in accordance with the provisions of Paragraph "4" of the within Article.

13. No reprisals of any kind shall be taken by the Borough or by any supervisory personnel against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

14. If in the judgment of the Association and the Borough the grievance affects a group or class of policemen, because the grievance concerns a matter of general application, the Association may submit such grievance or grievances, in writing, to the Mayor and Council directly and the processing of such grievance or grievances shall commence at Step Two of the Grievance and Arbitration Procedure hereinabove provided for. The Association may process such a grievance or grievances through all levels of the Grievance Procedure even though the aggrieved person or persons do not wish to do so.

16. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

- A. Accredited representatives of the Association may enter the Borough facilities or premises at reasonable hours for the purpose of observing working conditions or assisting in the adjustment of grievances. The time permitted to be spent at conventions shall include the dates of the convention and a reasonable amount of travel time to get to the convention and return to the employee's home. In addition to the foregoing rights conferred on the State Delegate and to P.B.A. authorized representatives, the President of the P.B.A. shall be given the same time off as the Delegate and the representatives to attend the annual P.B.A. convention and, in addition, the P.B.A. President shall be permitted to attend the annual mini convention, and six (6) additional days off per year to attend meetings, seminars and workshops relating to P.B.A. business at no loss of pay. The P.B.A. in designating members to attend the annual P.B.A. convention and the annual mini convention will make every effort to insure that all members designated to attend are not from the same shift.
- F. The P.B.A. State Delegate, so long as he is a State officer, shall when necessary, be excused from normal duty three (3) days per month to carry out Association business with no loss of pay and further, said delegate shall be given sufficient time off with no loss of pay to attend an International Police Association Conference and may attend a mini-convention of said Association without loss of regular pay. The time to attend the convention as stated aforesaid shall include the designated days that the convention is in session and, in addition thereto, a reasonable amount of time to travel to and from the convention from the representative's home.

ARTICLE VII
DEDUCTIONS FROM SALARY

- A. The Borough agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deductions shall be made in compliance with Chapter 210, Public Laws, 1967, N.J.S.A. (C.R. 52:140-15.9(c), as amended. Said monies, together with records of any corrections, shall be transmitted to the Association's Office by the fifteenth (15th) of each month following the monthly pay period in which deductions were made.
- B. If, during the life of this Agreement, there shall be any change in the rate of membership dues, the Association shall furnish the Borough written notice prior to the effective date of such change and shall furnish to the Borough new authorizations from its members showing the authorized deduction for each employee.
- C. The Association will provide the necessary "Check-Off Authorization" form and deliver the signed forms to the Borough Treasurer. The Association shall indemnify, defend, and save the Borough harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Borough in reliance upon salary deduction authorization cards submitted by the Association to the Borough.
- D. All employees covered by the terms of this Agreement who are not members in good standing of the P.B.A. at any time during the term of this contract, shall, as a condition of their employment, be required to pay to the P.B.A. the fair share fee for services rendered by the P.B.A., which sum shall be in an amount equal to the regular membership dues, initiation fees and assessment, less the cost of benefits financed through the dues and available only to members of the P.B.A., but in no event greater than eighty-five (85%) percent of the regular dues, fees and assessments.
1. The P.B.A. shall provide advance written notice of the amount of the fair share fee assessment as aforementioned to the Borough and to all employees within the bargaining unit.
 2. The Borough shall deduct the fair share fee aforementioned from the gross earnings of the employee and shall transmit said fair share fee to the P.B.A on the thirtieth day following notice to the Borough and employees of the

In the event an employee is laid off, and subsequently reemployed, then deduction of the fair share fee shall be made and forwarded to the P.B.A. on the tenth day following such reemployment. In the event a temporary employee is hired by the employer, then payment of the fair share fee assessment shall be deducted and forwarded to the P.B.A. upon a satisfactory completion of any probationary period established by the Borough or the completion of a three month period following the beginning of employment, whichever is sooner; provided, however, that no employee in the employ of the Borough at the time this Agreement becomes effective shall be required to have deducted from his/her salary the fair share fee before the thirtieth day following the date this Agreement becomes effective. The Association shall notify the Treasurer of money due and the Association shall hold the Borough harmless in the event that wrong information is given to the Borough.

ARTICLE VIII
HOURS OF WORK AND COMPENSATION

- A. A work day for Captains assigned to Patrol Division shall consist of nine and one-half (9 ½) hours on a four (4) day on and three (3) day off schedule. It is understood and agreed that Paragraph A, B and C shall not be violated if because of a change in shift an employee works more than his scheduled hours in twenty-four (24) hour period.

In addition, as vacancies occur during any year, the Borough may have the right to fill them with a temporary transfer, so as not to disrupt police services. That temporary transfer will end when the vacancy is filled or at the next bid cycle (January 1st of each contract year, whichever event first occurs). In such a way, the Borough will retain the right to assign personnel on a temporary basis and Captains will also retain the right to bid permanently on positions, which arise during the course of a calendar year.

Effective January 1, 2009 the Captains will work eight (8) hour days in a 5-day on and 2-day off schedule, Monday thru Friday. Therefore, workday and benefit leave days shall be calculated on an 8-hour basis. In this conversion, the Captain's shall not lose the accumulated leave time hours that were earned through calendar year 2008. A calculation of said time shall be prepared by the Borough and acknowledged by the Captains, Chief and Business Administrator and placed in the employee's personnel file for future reference. Said calculation shall be completed by January 31, 2009.

Effective January 1, 2010, the schedule for Captains shall be as follows:
Workweek of 40 hours per week. Five days on – two days off.

- B. Straight time shall be paid for the first nine and one-half (9 ½) scheduled hours to Captains.
- C. Effective January 1, 2003, Captains will no longer be paid time and one-half (1 ½) for hours worked in excess of nine and one-half (9 ½) hours (which shall include a lunch period in any twenty-four hour period).
- D. In the event of any changes in the starting or finishing times of shifts, or addition of new shifts, the Borough will give not less than ten (10) calendar days notice to the Association of such changes so that the Association may negotiate the same to and with the Borough.

The Borough will also give the PBA and officers at least ninety-six (96) hour's notice for changes in shift assignments. The Borough may not make said changes for the purpose of avoiding the payment of overtime or for the purpose of avoiding the hiring of full time personnel. In the event of an emergency, which shall be defined as an occurrence or act beyond the ability of the Borough to control, then such notice and negotiation procedure, as hereinabove provided, shall be waived for the period of the emergency. Failure to hire sufficient personnel to maintain full shifts shall not be considered an emergency.

E. All members covered by the terms of this Agreement if required on off duty hours, to attend a Criminal Court proceeding or to appear at a Grand Jury proceeding shall be paid at a premium rate of pay. All members who live in Sayreville shall report to Police Headquarters and all members who reside outside of Sayreville will either report to Police Headquarters or will call in to Police Headquarters as ordered before departing and all members shall be paid from the time they report or telephone, as the case may be, and shall be further paid until the time they return to Police Headquarters or report by telephone, as the case may be. The premium rate of pay shall be determined in accordance with the terms of this Agreement and the total time spent going to and from the Court or Grand Jury shall be added to the regular shift worked in the twenty-four (24) hour period in which the appearance was required to determine the appropriate premium rate of pay. At the employee's option there shall be compensatory time given or payment. Payment of compensatory time shall be calculated in accordance with the appropriate premium rate of pay. The provisions of Paragraph "E" relate to going to, attendance at or leaving from Court and are to be paid for on a premium basis only if the attendance or traveling to Court or from Court is outside of the regular shift hours of the Superior Officer.

1. Effective January 1, 2003, and for purposes of this Paragraph, "travel time" shall be considered the time it would take to travel to the Court in question from the Borough of Sayreville.
2. If the Captain attends Court or Grand Jury during regular shift hours, there will be no additional pay due the employee except for out of pocket disbursement and travel allowance. There shall be included in the premium rate of pay provisions, the attendance of an officer on his off duty hours in a municipal court whether the appearance is required by subpoena, police department or court directive. Provided, however, that if

an officer is off duty because he has swapped his regular shift with another officer so that his attendance in Municipal Court otherwise would have been on his regular shift or he has scheduled a court appearance on his day off or on his vacation, he shall not qualify for the premium rate of pay or extra compensation because of the municipal court appearance.

- F. If a double shift is assigned then the employee who is assigned shall take a thirty (30) minute meal break after two (2) hours of the start of the second shift and a fifteen (15) minute break after five (5) hours of the start of the second shift. When a double shift is assigned meals shall be paid for by the Borough by making a direct payment to the employee or a meal ticket shall be supplied to the employee and the meal allowance shall be Nine (\$9.00) Dollars effective January 1, 1992 of this agreement. Effective January 1, 2009 no employee shall be paid a meal allowance or a meal ticket.
- G. An employee covered under the terms of this Agreement who is sent home as a result of an injury occurring during regular working hours will receive his normal pay for the full day on which the injury occurred. If medical treatments are required during work days as a result of such injury and provided such employee is actively at work on the day when treatments are required by the Borough doctor, he will suffer no loss of pay during the time he is receiving such treatment, provided he reports to and returns promptly from the place of such treatment.
- H. Employees who are scheduled to work more than two (2) hours beyond their regular scheduled work day shall be given a thirty (30) minute supper period without loss of pay provided they continue to work. Any such employee shall be given a Nine (\$9.00) Dollar meal allowance. Effective January 1, 2009 no employee shall be paid a meal allowance or a meal ticket.
- I. Anything herein stated to the contrary notwithstanding, at an employee's option, he/she will be compensated in pay, or in lieu of a cash payment, in compensatory time on a time and one half basis. Such time may be taken only when scheduled by the Chief or his designee so as not to interfere with departmental operations. No employee may opt to receive compensatory time in excess of a total of two hundred forty (240) hours which is to be calculated at no more than one hundred sixty (160) hours at time and one-half (1 ½) basis. Upon opting to receive compensatory time, the employee may thereafter opt to take forty (40) hours annually, in cash, from his/her accumulated compensatory time.

Upon retirement, termination, resignation or death, in which case the accumulated compensatory time cash value will become part of the employee's estate; the employee shall be compensated for up to one hundred twenty (120) hours of accumulated compensatory time at the employee's rate of pay at the time of the cash-in, which shall become effective January 1, 1992.

J. Any employee covered under the terms of this Agreement called in and reporting for work outside of his regularly scheduled shift, shall receive two (2) hours at time and one-half (1 ½) as of the time that he is called for such work. In addition to the premium rate of pay for the first two (2) hours, the employee shall receive time and one-half (1 ½) times his regular pay for so long as the employee performs work but not less than two (2) hours. The said two (2) hours of call-in time is the minimum amount to be paid to the said employee for being called into work outside of the regular scheduled shift and is not to be determined as a bonus of two (2) hours for call-in time.

K. In each calendar year the Borough may schedule eight (8) training days not to exceed a ten (10) hour day per training day for such purposes. The training days will not be cumulative and will expire on December 31st of each year.

If the training is scheduled for one (1) day in duration the Borough shall make all reasonable effort to ensure that the training day is on the employee's first day or fourth day off of an employee's schedule or in the case of officers assigned to the last shift it shall be scheduled only on the fourth day off. The Borough shall make every effort to ensure that training days will not interfere with vacations or holidays, further, members assigned to a training day will not be used to fill manpower needs on existing work shifts except in case of a declared emergency, nor will they be used to fill in on a work shift to avoid the payment of overtime. The Borough further agrees that assigning training days will not be used for purposes of discipline or punishment. Training days that are scheduled on a regular work day shall not be deducted as a training day.

A Superior Officer assigned to a training day shall receive not less than ten (10) calendar days' notice, unless the Borough first becomes aware of a specific school available so that it cannot give ten (10) days' notice in which case the assignment may be made in not less than five (5) work days in advance.

Further, all employees covered by the terms of this Agreement may break up one of their vacation weeks into day periods with the approval of the Division Commander. The said scheduling of the breaking up of one vacation week into day periods is at the sole discretion of the Division Commander and vacation week periods take precedent and supersedes vacation day periods. In cases where a conflict of vacation schedules exists, the most senior Superior Officer will be given a preference as to selection. Sick leave may also be utilized because of serious illness in the employee's immediate family which requires his attendance upon the person who is ill. For purposes of definition of immediate family, immediate family shall be defined to include: parent, husband, wife, child, brother, sister, grandparents, mother-in-law, father-in-law, stepmother, stepfather, or other member of employee's immediate household. For the purpose of this Article, the employee shall be required to give written notification pursuant to Paragraph A-5 herein.

1. All employees covered by the terms of this Agreement, whether full-time or part-time, shall be entitled to sick leave without loss of pay.
2. The minimum sick leave, sick pay, shall accumulate to all employees covered by the terms of this Agreement on the basis of sixteen (16) working days in a calendar year. The total sick leave entitlement shall accumulate to an employee's benefit on the first day of each year provided, however, if an employee resigns or is terminated from his employment and has utilized all accumulated sick leave and all of the annual sick leave entitlement he shall only receive credit for the annual sick leave of one and one-third (1 1/3) days per month and, if as a result thereof he has utilized more sick leave than earned, the employee shall be charged back such excess and the same shall be deducted from any monies due the said employee.

injury, the Borough may require an employee to provide a note from a physician verifying the illness or injury, the employee's inability to work during the period of absence, and the anticipated date of return. The Borough shall not be arbitrary in requiring these medical verifications. Any employee who abuses the use of sick leave shall be subject to disciplinary action by the Borough.

This provision does not relieve the employee from notifying his immediate superior of his illness on a daily basis pursuant to the Rules and Regulations of the Police Department of the Borough of Sayreville.

5. In case the employee is absent due to illness in his immediate family, the employee shall supply proof of illness of the person in his immediate family which shall be a statement by the employee as to his requirement to attend to the needed family member's illness or that a doctor's or physician's certificate of that immediate family member be supplied to the Borough.
6. If an employee is on sick leave he shall be entitled to receive full pay for each day absent pursuant to his sick leave accumulation as hereinabove defined. Absence on sick leave shall be charged first to the yearly allowance until it is fully exhausted and thereafter to the accumulated credit. The business office of the Borough Clerk's Office shall give written notice to each employee covered by the terms of this Agreement of his accumulated sick leave on or before January 15th each year.

Notwithstanding the above, effective January 1, 2009, employees shall be permitted to use two (2) sick days as Emergent Leave Days, provided the employee has at least three (3) sick leave days available. When an employee uses Emergent Leave, he/she does not

have to provide the reason for the leave, but only needs to provide (1) hour notice to the Shift Commander.

The first four (4) days of personal leave shall be granted without charge to sick leave or vacation allowances and two (2) days shall be charged to the employee's yearly allowance of sick time.

Effective January 1, 2010, the parties agree to eliminate 2 personal days provided in the last Interest Arbitration.

C. **Death in Family.**

1. All employees shall receive four (4) days leave with pay up to and including the day of the funeral in the event of death in their immediate family. Immediate family shall be defined to be: parent, husband, wife, child, brother, sister, stepparents, or other member of the employee's immediate household.
2. All employees shall receive two (2) days leave with pay to include the day of the funeral in the event of death in their extended family. Extended family shall be defined to be: grandparents, grandparents-in-law, mother-in-law, and father-in-law.
