PURPOSE

This agreement is entered into pursuant to the provisions of the Public Employment Relations Act of the State of New Jersey to promote and ensure harmonious relations, cooperation, and understanding between the Township and its employees, to prescribe the rights and duties of the Township and employees; to provide for the resolution of legitimate grievances, all in order that the public service shall be expedited and effectuated in the best interest of the people of the Township of Millstone.

ARTICLE I

RECOGNITION

The Township hereby recognizes Communication Workers of America, Local 1038, as the sole and exclusive negotiating agent and representative for all regularly employed full and part-time non-supervisory, laborer and clerical employees of Millstone Township, but excluding all other Township employees.

Excluded from the bargaining unit are all managerial executives, confidential employees and supervisors within the meaning of the Public Employment Relations Act; craft employees, casual employees, temporary/seasonal employees and other employees of the Township of Millstone.

ARTICLE II

NON-DISCRIMINATION

The Township and the Union agree that there shall be no discrimination against any employee because of race, creed, color, religion, sex, age, disability, sexual orientation, national origin, political affiliation or membership or non-membership or activity in the Union.

ARTICLE III

PENSION

All covered employees of the bargaining unit may be members of PERS/DCRP provided the employee meets the eligibility requirements established by each pension plan. The Township will pay its appropriate share to the Fund for all amounts which the Fund requires to be made on behalf of the employees so covered.

ARTICLE IV

SENIORITY

Section 1

A newly hired employee will be considered probationary and without seniority.

Section 2

A non-probationary employee may be disciplined or discharged only for just cause.

Section 3

Seniority is defined as an employee's length of uninterrupted service with the Township beginning with the employee's first day of employment. Seniority for all rights that are based on seniority will accumulate from the employee's first day of employment with the Township until there is a break in continuous service. Employees will not be entitled to exercise their seniority rights until the completion of their probationary periods.

Section 4

A break in continuous service is defined as voluntary resignation, discharge for cause, retirement, layoff or failure to return upon any leave of absence that is approved by the Township.

Section 5

When two or more employees have the same date of hire the most senior of the employees will be the employee with the earliest month and day of birth. The next most senior employee will be the employee with the next earliest month and day of birth.

ARTICLE V

PROBATION

Section 1

All newly hired employees shall be subject to a twelve (12) month probationary period. The purpose of the probationary period is to enable the Township to evaluate the employee's work performance and conduct in order to determine whether the employee merits permanent employment status. The Township shall have the absolute right to set the working conditions and job duties for employees on probationary status. The Township shall also have the absolute right to discipline or terminate a probationary employee on probationary status, and such decision to discipline or terminate a probationary employee shall not be subject to the grievance procedure beyond Step 2--Township Administrator.

Section 2

All new employees shall be hired at the minimum rate except that the Township may hire employees at a higher rate up to the normal salary rate as follows:

- a) For each year of comparable experience, education and/or training, the Township may hire employees at a rate of up to an additional \$1,000.00 above the minimum.
- b) In no event shall an employee be hired above the normal salary rate as designated in the Township salary ordinance.
- c) Prior to hiring an employee above the minimum, the Township shall indicate in writing to the Union that the employee has the comparable experience, and the Union will, upon seeing such written indication, acknowledge the hiring at the special hiring rate.

Section 3

The seniority date for employees who successfully complete their probation will be their first day of employment with the Township.

ARTICLE VI

LAYOFFS

When the Township reduces the work force, the following procedure will apply:

1. Employees will be laid off in the order of least seniority, provided the remaining employees are then qualified to perform the jobs to be done in the sole opinion of the Township. For purposes of layoff procedure, employees will be divided into three groups: Clerical, Public Works, and Licenses or specialized.
2. Whenever possible, in accordance with applicable federal and state laws, the Township will provide at least sixty (60) days notice of a potential layoff to affected employees.

ARTICLE VII

GRIEVANCE PROCEDURE

To provide for the expeditious and mutually satisfactory settlement of grievances arising with respect to complaints occurring under this agreement the following procedures shall be used:

Section 1—Definition

Any grievance or dispute which may arise between the parties involving the application, meaning, violation, misapplication or interpretation of this Agreement, but shall exclude any alleged understanding, practice or other matters outside the terms of this Agreement.

Section 2—Procedures

STEP 1—Informal—Immediate Supervisor

Within ten (10) working days of the time a grievance arises or within ten (10) working days of the date when the grievant knew or should have known of its occurrence, the employee or the Union will personally present the grievance informally to his or her immediate supervisor. Within ten (10) working days after presentation of the grievance, the immediate supervisor may render a written or oral decision to the employee with a copy to a Union representative. If the employee's grievance is with the immediate supervisor, the employee may bypass this step and proceed directly to Step 2.

STEP 2—Formal—Township Administrator

Within ten (10) working days of the written decision or answer of the immediate supervisor, if the grievance is not resolved, the employee or the Union shall file a written grievance with the Township Administrator. The said grievance shall include a complete recitation of the situation complained of a designation of the section of the contract alleged to have been violated and how the same was specifically violated. The Township Administrator will arrange a meeting with the employee and a Union representative not later than ten (10) working days from his receipt of the grievance to attempt to resolve the same. The Township Administrator shall give a written decision to the employee, with a copy to a Union representative, not later than ten (10) working days after the said meeting.

STEP 3—Binding Arbitration

- A. In the event the grievance is not resolved at Step 2, the union may seek relief at binding arbitration as herein specified. The initiation of binding arbitration must begin within thirty (30) calendar days from receipt of the Township Committee's answer to the grievance.
- B. Arbitration requests shall be directed to the Public Employment Relations Commission subject to the rules then existing of such agency. The aggrieved party will copy the other party on his or her request. The request will specify the particulars of the grievance and the contract provision(s) allegedly violated.
- C. The selection of the independent arbitrator will be made pursuant to the rules then existing of the Public Employment Relations Commission.
- D. An arbitrator will not have the power or authority to add to, subtract from, or modify the provisions of this Agreement or the laws of the State of New Jersey and will confine his or her decision solely to the interpretation and application of this Agreement. The

arbitrator will confine him or herself to the precise issues submitted for arbitration and will have no authority to determine any other issues not so submitted. The arbitrator will not submit observations or declarations of opinions which are not relevant in reaching the determination. The arbitrator may prescribe an appropriate back pay remedy when he or she finds a violation of this Agreement, provided that such remedy is permitted by law and is consistent with the terms of this Agreement. The arbitrator will have no authority to prescribe a monetary award as a penalty for a violation of this Agreement.

- E. Neither the Union nor the Township may withdraw any notice of the desire to arbitrate a case or otherwise discontinue arbitration proceedings, except without prejudice, unless the other party consents that such withdrawal or discontinuance be without prejudice.
- F. The decision of the arbitrator is final and binding upon both parties and the grievance will be considered permanently resolved subject to either party's right to appeal provided by statute and/or enter a judgment on the award in Superior Court.
- G. The expenses of the arbitrator will be borne by both parties equally. Each party is responsible for the expenses of any witnesses it calls to the arbitration.
- H. If the Public Employment Relations Commission is abolished or ceases to handle arbitrable matters, the parties will meet to agree upon another method of choosing an arbitrator.

Section 3

A group grievance, one that may affect a group of employees, may be presented by the Union at Step 2.

Any grievance not processed to the next step in the Grievance Procedure with the time limits provided for such proceeding shall be deemed to have been abandoned by the moving party.

If the Township does not respond to a grievance within the time periods set forth in the grievance procedure, the Union may advance the grievance to the next step.

It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations until such grievance and any effect thereof shall have been fully determined.

ARTICLE VIII

- B. In the event an employee is temporarily assigned higher rated job duties than his or her normal duties for more than ten (10) business days up to a maximum of sixty (60) business days, the employee will receive the higher rate of pay for all hours so assigned. Such pay will be retroactive from the first day the employee assumed his or her temporary position. If the Township considers it necessary, the Township Administrator may request an extension from the Township Committee to keep the employee in the temporary position for an additional sixty (60) days. Employees temporarily assigned to job duties in a lower paid position will suffer no loss of pay during that time period.

- C. Employees shall not apply for promotions or transfers during their probationary periods. The Township may promote employees in its own discretion. In the event any non-probationary employee is promoted, he or she will be subject to a one hundred twenty (120) calendar day probationary period in the new job. Employees who are called into work on Thanksgiving, Christmas or New Year's Day with the approval of the Township Administrator will be compensated at a rate of double their regular rate of pay.

ARTICLE XIII

SICK LEAVE

- A. Sick Leave is defined to mean absence from work by an employee because of illness, accident, exposure to contagious disease, or attendance upon a member of the employee's immediate family who is seriously ill requiring the care or attendance of such employee. A doctor's note may be required after a three (3) day absence as verification for the reason for the leave.
- B. During their first year of employment, full-time employees will accrue one (1) day of paid sick leave for each month of employment from the employee's start date to December 31st of that year. A sick day will not accrue in the first month of employment if the employee's start date is on or after the fifteenth of the month. Employees will receive twelve (12) sick days during each calendar year thereafter. Part-time employees will accrue sick days on a pro-rata basis depending on the number of hours worked.
- C. Employees may accrue sick days indefinitely and can utilize sick days only when being used for the purposes outlined in this section. Employees will not receive compensation for unused accrued sick days. The only exception is that upon retirement, employees who have a minimum of fifteen (15) years of service with Millstone Township can redeem their accrued, unused sick days at one-half (1/2) their value up to a maximum of

fifteen thousand dollars (\$15,000). The rate of pay for this calculation is the employee's rate of pay immediately preceding the retirement date.
