## AGREEMENT

This agreement date as of January 2008 by and between The North Jersey District Water Supply Commission, hereinafter referred to as "North Jersey", and Teamsters Industrial and Allied Workers, Local 97, hereinafter referred to as the "Union".

## WITNESSETH

Whereas, this agreement is designed to maintain and promote the harmonious relationship between North Jersey and such of its employees who are within the provisions of this agreement; and

Whereas, the employment relationship between North Jersey and its employees is subject to the provisions of Chapter 303 of the Laws of 1986, N.J.S.A. 34:13A-1, et seq. commonly known as "The New Jersey Employer/Employee Relationship Act" (the "EERA"); and

Whereas, North Jersey is a public entity existing and operating pursuant to N.J.S.A. 58:5-1, et seq. as amended and supplemented, and is engaged in a vital public service in supplying potable water to the public which affects the public's health and general welfare, and the operations of which the parties to this agreement mutually agree cannot be interrupted; and

Whereas, North Jersey has for many years recognized and continues to recognize the Union as a majority representative of an appropriate unit of employees, composed of employees in job titles listed on Schedules "A" and "B" attached hereto and made a part hereof, but excluding the supervisors, assistant supervisors, foremen, assistant foremen, clerical, administrative, professional, probationary and temporary employees (the "Unit"); and

Whereas, the parties hereto have agreed to enter into an agreement consistent with the provisions of the EERA; and

Whereas, the Union has presented proof that it represents a majority of the North Jersey employees in the aforementioned appropriate unit established by prior practice;

Now, therefore, it is hereby agreed as follows:

**ARTICLE I**  
**RECOGNITION**

North Jersey recognizes the right of the Union and its members to be protected in their right, freely, and without fear of penalty or reprisal, to join in any such employee organization; provided, however, that this recognition is subject to the provisions of the EERA and shall not extend to persons excepted therefrom as provided in the EERA and the established practice of North Jersey.

**ARTICLE II**  
**UNION SECURITY**

All present employees who are members of the Union on the date of execution of this agreement may become or remain members of the Union. All new employees who are hired during the period of this agreement, may voluntarily and without intimidation become and remain members of the Union. North Jersey shall in no way interfere with the solicitation of membership nor discourage the same, provided such solicitation is not done during working hours nor on North Jersey's premises.

(a) Representation Fee - Within thirty (30) days after execution of this contract and commencing at the start of a payroll period, all included nonmember employees in the unit will be required to pay the Union a representation fee in lieu of dues for services rendered by the Union. Nothing herein shall be deemed to require any employee to become a member of the Union.

(b) Amount of Fee - The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the Union to its own members, less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

(c) Deduction and Transmission of Fee - After verification by North Jersey that an employee must pay the representation fee, North Jersey will deduct the fee from the wages of each such employee in accordance with this Article.

The mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

North Jersey shall deduct the representation fee as soon as possible after the tenth day following reentry into the Unit for employees who previously served in a position identified as excluded or confidential for individuals re-employed in this Unit from a re-employment list, for employees returning from leave without pay, and for previous employee members who became eligible for the representation fee because of nonmember status.

North Jersey shall deduct the representation fee from a new regular employee at the beginning of the bi-weekly payroll after thirty (30) days from the beginning date of regular employee in a position in the Unit.

(d) Demand and Return System - The representation fee in lieu of dues only shall be available to the Union if the following procedures hereafter are maintained by the Union. The burden of proof under this system is on the Union.

Any public employee who pays a representation fee in lieu of dues shall have the right to demand and receive from the Union, under proceedings established and maintained in accordance with N.J.S.A. 34:13A-5, 6, a return of any part of that fee paid by him which represents the employee's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of partisan political or ideological nature only incidentally related to the terms and conditions of employment or applied toward the cost of any other benefits available only to members of the Union. The pro rata share subject to refund shall reflect however, the costs of support of lobbying activities designed to foster policy goals in collective negotiations and contract administration or to secure for the employees represented advantages in wages, hours, and other conditions of employment in addition to those secured through collective negotiations with the public employer.

(e) Indemnification - The Union hereby agrees that it will indemnify and hold North Jersey harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from deductions made by North Jersey in accordance with this provision. North Jersey

shall not be liable to the Union for any retroactive or past due representation fee for any employee who was identified by North Jersey as excluded or in good faith was mistakenly or inadvertently omitted from deduction of the representation fee.

### **ARTICLE III**

#### **BULLETIN BOARDS**

North Jersey shall permit the Union reasonable use of bulletin boards for the posting of notices concerning Union business and activities.

### **ARTICLE IV**

#### **PROBATIONARY, TRIAL OR TEMPORARY EMPLOYEES**

(a) The parties agree that the terms of this agreement shall not apply to any employee during the employee's initial employment period, which shall be for a period of six (6) months, unless extended by North Jersey, nor shall it apply to temporary or special help hired only for portions of a year.

(b) North Jersey shall have the right to discharge any probationary or temporary employee for any reason whatsoever and without cause at any time during or at the end of such employee's temporary period. Any such employee so discharged shall not have recourse to the arbitration procedure as hereinafter set forth.

(c) Any employee temporarily assigned to a higher ranking position and who shall be a regular employee at the time of such assignment shall be assigned to the higher ranking position permanently, if the employee is continuous in the higher ranking position for a period of six (6) months, provided, however, this provision shall not apply where the previous incumbent of the high ranking position is on extended leave of absence.

(d) North Jersey shall not be under any obligation to re-employ any former employee who may have been dismissed during or at the end of a trial, probationary or temporary period of employment.

(e) North Jersey, may, in its judgment, extend the probationary or temporary period of any such employee but each such extension of such period shall not be continued for more than an additional six (6) months without notice to the Union.

(f) Seniority is defined to mean length of the most recent, continuous service with the Commission. The definition of seniority shall apply to the terms and conditions of employment, established by this Agreement for which seniority is a factor.

Seniority shall be used for purposes of determining the most senior employee, the selections of vacations, lay-offs and recalls from lay-off. Where qualifications are equal, persons will be promoted with respect to a position within the bargaining unit on the basis of seniority, first from within the Department, then from within North Jersey, and then from the outside.

(g) The Executive Director shall establish a seniority list which shall be updated on or about January 1<sup>st</sup> of each year and thereafter posted throughout the North Jersey .

(h) Arbitrator Malkin's decision concerning lay-off rights shall be utilized to determine bumping rights. In the event of a lay-off, which is defined as a reduction in the number of employees, elimination of jobs, or otherwise reducing the operations in any classification, no employee may "bump" into a classification or job not previously held by that employee.

(i) North Jersey and the Union shall adopt an approved salary range guide for new hired employees to be effective January 1, 2004.

Nor shall it be construed as a limitation on the number of hours of work, which North Jersey may require. If an employee is required to work on a sixth or seventh consecutive day of the work week following a continuous five (5) day work period, such employee shall be entitled to one and one-half (1 ½) times his regular rate for such sixth day and two (2) times his regular rate for the seventh day of the work week. The sixth and seventh workday must fall in the same workweek as the five consecutive workdays and the employee must have actually worked the five consecutive qualification days in order to qualify for premium pay. 4. In computing overtime, the hourly rate of pay shall be determined by dividing the employee's weekly salary by the number of hours in his regular workweek during which such overtime occurs.

5. Employees who report for their normal daily work shift and are sent home immediately after reporting with orders to report for a later shift, shall be guaranteed four (4) hours pay for reporting to work on their daily shift, in addition to a full day's pay for reporting for work in a later shift. There shall be no pyramiding of premium or overtime payments under any provision of this agreement. 4. Longevity payments shall be considered as part of the employee's salary for pension purpose.

5. Longevity payments shall commence and accrue and be computed on salary earned in the first full pay period following the completion of any of the said cumulative periods of service required for each longevity percentage.

6. North Jersey shall keep a separate and distinct record of the base annual salary apart from the records of longevity payments being paid to each qualifying employee.
