ARTICLE I

PURPOSE

THIS AGREEMENT is entered into pursuant to the provisions of the New Jersey Employer-Employee Relations Act, N.J.S.A. 34:13a-1, et seq., Chapter 303, Laws of 1968 (N.J.S.A. 34:13A-5) of the State of New Jersey, to promote and ensure harmonious relations, cooperation, and understanding between the City and the Employees; to prescribe the rights and duties of the City and the employees; to provide for the resolution of legitimate grievances, all in order that the public service shall be expedited and effectuated in the best interest of the people of the City of Atlantic City and its employees and the City.

ARTICLE II

INTERPRETATION

A. It is the intention of the parties that this Agreement be construed in harmony with the Rules and Regulations of the Civil Service Department, Chapter 303 of the Laws of 1968, the Statutes of the State of New Jersey, the Ordinances of the City of Atlantic City and the Rules and Regulations of the Police Department.

B. The City recognizes the Policemen's Benevolent Association, Local No. 24, as the exclusive negotiating agent and representative for all uniformed police, detectives, and other

special police units, excluding Chief, Deputy Chief, Inspectors, Captains and all other employees employed by the City.

C. The City agrees that the Association has the right to negotiate as to rates of pay, hours of work, fringe benefits, working conditions, safety of equipment, procedures for adjustment of disputes and grievances, and all other related matters.

ARTICLE III

It is the right of the City through and by the Director of the Department of Police and any of its designated representatives to determine the standards of selection for employment; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for any other legitimate reason; maintain the efficiency of its operations; determine the methods, means and personnel by which its operations are to be conducted; determine the content of job classifications; schedule the hours; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work. The practical impact of the decisions on the above matters are subject to the grievance procedure. Nothing in this Article shall alter or relieve the City of any of its obligations undertaken by this Agreement.

ARTICLE IV

The parties agree that the Officers shall exercise their duties faithfully irrespective of the fact that they are covered by this Agreement.

ARTICLE V

GRIEVANCE PROCEDURES

A. Definition

Any party wishing to move a grievance to arbitration shall notify the Public Employment Relations Commission that they are moving a grievance to arbitration and request that a list of arbitrators be furnished to the employer and the P.B.A. If the City and the P.B.A. cannot mutually arrive at a satisfactory arbitrator within thirty (30) working days after receipt of the list from the Public Employment Relations Commission, the Commission shall select an arbitrator. The arbitrator shall hear the matter on the evidence and within the meaning of this Agreement and such rules and regulations as may be in effect by the Civil Service Department by the State of New Jersey which might be pertinent and render his award in writing which shall be shared by the City and the P.B.A. Any steward or officer of this P.B.A. required in the grievance procedure to settle disputes on any arbitration shall be released from work without loss of pay for such purpose and any witness reasonably required shall be made available during working hours without loss of pay for the purpose of disposing of any grievance or arbitration matter.

ARTICLE XV

LONGEVITY

A. Payment for longevity shall commence on the anniversary date of the employee.

Payment shall begin the following pay period.

B. For all employees hired before January 1, 2013, the practice governing longevity shall be as follows:

Continuous for the purposes of this Agreement means employment immediately prior to the date of the officer's appointment to the Police Department. Officers hired after March 1, 1994 shall receive credit for years of service only for that period of time the officer was employed by the City of Atlantic City as a police officer. This paragraph is intended to implement a certain "Agreement Between the City of Atlantic City and P.B.A. Local No. 24 to Resolve Grievances on Calculation of Longevity Payment Under Article XV of the Contract" entered in 1993. Pursuant to that agreement, even officers hired prior to

March 1, 1994, who would otherwise be entitled to credit for non-police employment who did not file the appropriate claim for such prior credit pursuant to the terms of that agreement will not be entitled to such credit notwithstanding their hiring date.

E. The following longevity schedule shall apply to all employees newly hired after January 1, 2013:

<u>Years of Service</u>	<u>Payment</u>
5 Years	\$1,400
10 Years	\$3,600

2. The complete cost of paying the premiums for the Hospitalization and Medical-Surgical Insurance shall be paid by the City of Atlantic City. 7. The City agrees to continue to provide health benefits under the New Jersey State Health Benefits Plan at the City's expense less premium contributions by employees in accordance with Chapter 78, P.L. 2011. The City agrees that the health benefits provider may only be changed if

the benefits remain equal to or better than the existing coverage and the City provides ninety (90) days advance notice to the PBA.

Retiree Health Benefits

Unit employees shall be provided retiree health benefits to correspond with Ordinance No. 85 that was adopted by the Council of the City of Atlantic City on August 11, 2004 and approved by the Mayor on August 13, 2004 with the following modification. Those eligible for this benefit shall be police officers who retired after January 1, 2003. Implementation and payment of the program by the City for eligible police officers shall commence on January 1, 2007.

ARTICLE XVII

CONTINUATION OF BENEFITS NOT COVERED BY THIS AGREEMENT

All conditions not covered by this Agreement shall continue to be governed, controlled, and interpreted by reference to the City Charter, Ordinances, and Rules and Regulations of the Police Department of the City. Any and all present benefits which are enjoyed by employees covered by this Agreement, that have not been included in the contract shall be continued.

The special salary increments set forth above shall be effective retroactive to January 1, 1993.

Other specialized training (i.e. seminars, special courses) can be used with college credit hours as a basis for increments. ARTICLE XXVIII

SICK AND INJURED

Sick leave shall be one hundred twenty (120) hours per year commencing January 1, 1973, which time shall be cumulative from year to year.

1. One hundred twenty (120) hours shall be credited for each year of employment, prior to the present contract year, deducting sick leave which has already been used by each member during said period of employment.
 - a. In no event shall an employee enter the present contract year with less than one hundred twenty (120) hours credit, or one hundred twenty (120) hours at the beginning of each contract year thereafter.
2. Police Officers hired after March 22, 1999 shall be granted one hundred (100) hours sick leave per year.
 - a. In no event shall an employee enter the present contract year with less than one hundred (100) hours credit, or one hundred (100) hours at the beginning of each contract year thereafter.
3. In the event an employee suffers an illness or injury in the line of duty, that is in the course of employment or as a result of his/her employment, he/she shall be compensated at full pay for a period not to exceed one year. Said employee shall be required to present to the City a doctor's certificate to the effect that the illness or injury requires extended convalescence. In such event, said employee shall not have accumulated sick time deducted.
4. In the event the illness or injury is not service connected, said employee shall have his or her injury or illness reviewed by the City for the purpose of determining the injury or illness to be major and thereby render the employee eligible for sick leave compensation in excess of either the yearly one hundred twenty (120) hours or accumulated sick leave which he or she may have exhausted, or if the City determines that the injury or illness requires convalescing. The sick leave shall not exceed one (1) year. In such event, said employee shall not have any accumulated sick time deducted.

All excuses and notifications of illness shall be submitted to the City for its determination. Ordinary and nonconsecutive sick days after fifteen (15) days in any one year shall result in a loss of pay unless the employee uses his accumulated sick time.

However, in no event shall any employee not be compensated if he is sick or injured and requires convalescing, notwithstanding the nature of the illness or injury, or whether or not the employee has exhausted his yearly or cumulative sick time.

5. In order for an employee to be eligible for the benefits described in Section 3, he shall be a policeman commencing his fourth (4th) year of employment.
6. Each year the City shall make available to each member of the Police Department a current record of sick and injured days taken and the accumulated balance, if any, which record shall be made available to the members with the yearly W-2 statement.
7. In order to prevent and guarantee against the personal abuse of any employee's privilege to paid sick leave, the following administrative procedure will be strictly adhered to:
 - a. Employees calling off-duty sick will be required to notify the Desk Sergeant one (1) hour prior to his/her tour of duty stating the nature of illness.
 - b. Platoon Sergeants with the discretion of the Platoon Commander will personally visit the sick or injured employee to ascertain the validity of said employee's illness or injury and file his/her report with the Chief. In all cases, the Commanding Officer or Captain of the platoon/squad or bureau to which the employee is assigned, will be notified immediately as to the physical status of the employee with particular emphasis to any irregularities that may develop, i.e., drunkenness or simple abuse of sick leave. Accordingly, the Captain or Commander will forward to the Office of the Chief of Police any evidence necessary to substantiate such charges of sick leave abuse. If deemed appropriate, the Chief of Police will

discipline employees who are in direct violation of the rules and regulations that govern personal conduct within the Atlantic City Police Department.

c. If the Police Surgeon or employee's family physician deems it necessary for said employee to miss employment for the remainder of that employee's work week, that physician will be required to notify the Office of the Chief of Police with written notification as to the nature of the illness and/or injury including prognosis. Telephone calls will not be accepted.

d. Upon the third (3rd) consecutive sick day (excluding days off), the sick or injured employee will be required to furnish a certificate of illness and/or injury on the first day of return to the Office of Chief of Police.

e. If an illness continues beyond the balance of sick leave an employee has accumulated, the City may make a determination of a chronic illness or injury for purposes of granting extended leave.

f. Under paragraph 6.b., any employee found to be falsifying medical documents in his/her favor in violation of this section, or is found to be claiming an illness or injury when in reality he/she is not ill or injured when that person has not exhausted his/her sick leave, that employee shall be disciplined by the Director of Police under the guidelines as Departmental Hearing may direct.

g. The City will at its discretion undertake a review of abuse of accumulated sick time and take whatever action the City deems appropriate.

h. At all times during the course of an illness or injury to any member under this Agreement, the injured or sick employee shall keep the Office of the Chief of Police advised at least once a week as to that person's physical and/or mental status with supporting data available from that injured or sick employee's attending physician as well as the Police Surgeon.

i. As under previous agreements such as this, the Police Surgeon will likewise be informed as to any employee who calls off duty sick or injured. This encumbrance shall be borne by that employee requesting a change in status because of illness or injury.
