This AGREEMENT, made this 17 day of April, 2023 by and between the Borough of Old Tappan, a body politic and corporate of the State of New Jersey, hereinafter referred to as the "Employer," and the POLICEMAN'S BENEVOLENT ASSOCIATION, LOCAL 206 (Old Tappan Unit), hereinafter referred to as the "Association."

WHEREAS, the Employer and the Association recognize that it will be to the benefit of both to promote mutual understanding and foster a harmonious relationship between the parties to the end that continuous and efficient service will be rendered to and by both parties.

NOW, THEREFORE, it is agreed as follows:

1.00 PRESERVATION OF RIGHTS

- 1.01 The Employer agrees that all benefits, terms, and conditions of employment relating to the status of Borough of Old Tappan Police Officers, which benefits, terms, and conditions of employment are not specifically set forth in this Memorandum of Agreement, shall be maintained at not less than the existing standards in effect at the time of the commencement of the collective bargaining negotiations between the parties leading to the execution of this Memorandum of Agreement.

- 1.03 The parties agree that during the term of this agreement they shall meet periodically in a good faith attempt to resolve such additional issues as may arise. Failure to meet pursuant to this clause shall not be cause for a grievance.

As a body exercising governmental power under the Laws of the State of New Jersey, the Employer undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any Employee in the enjoyment of any rights conferred by Chapter 303, Public Laws 1968, or other Laws of the State of New Jersey or the Constitution of New Jersey and the United States.
- 2.02 The Employer further agrees that it shall not discriminate against any Employee with respect to

hours, wages, or any terms or conditions of employment by reason of his membership in the Association and its affiliates, his participation in any activities of the Association and its affiliates, collective negotiations with the Employer, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment, as prescribed by the statutes of the State of New Jersey.

2.03 For the purpose of this Agreement, the term "Police Officer" or "Employee" shall be defined as a full-time uniformed Police Officer employed on a permanent basis, and to include the plural as well as the singular, and to include females as well as males; special police, appointed pursuant to N.J.S.A. 40A:14-146 are expressly excluded.

8.00 RIGHTS OF EMPLOYEES

8.01 Police Officers hold a unique status as public officers in that the nature of their office and employment involves the exercise of a portion of the police power of the municipality.

8.02 The security of the community depends to a great extent on the manner in which Police Officers perform their duty, and their employment is thus in the nature of a public trust.

8.03 The wide-ranging powers and duties given to the Police Department and Police Officers involve them in all manner of contacts and relationships with the public.

8.04 Out of these contacts may come questions concerning the actions of the Police Officers.

8.05 These questions may require investigation by superior officers designated by the Chief of Police and the Governing Body.

8.06 In an effort to ensure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

- (a) The interrogation of a Police Officer shall be at a reasonable hour, preferably when the Police Officer is on duty, unless the exigencies of the investigation dictate otherwise, as determined by the Chief of Police. If any time is lost as a result of a departmental investigation, the Police Officer shall be compensated, so long as he is exonerated of the charge.
- (b) The interrogations shall take place at a location designated by the Chief of Police. Usually, it will be at Police Headquarters or the location where the incident allegedly occurred.
- (c) The Police Officer shall be informed of the nature of the investigation before any interrogation commences, including the name of the complainant. Sufficient information to reasonably apprise the Police Officer of the allegations shall be provided. If it is known that the Police Officer is being interrogated as a witness only, he should be so informed at the initial contact.
- (d) The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls, and rest periods as are reasonably necessary.
- (e) The Police Officer shall not be subjected to any offensive language, nor shall he be

threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answer questioning.

- (f) The complete interrogations of the Police Officer shall be recorded mechanically or by a stenographer, if so, requested by him. There will be no "off the record" questions agreed to by the parties. All recesses called during the questioning shall be recorded.
- (g) If a Police Officer is under arrest or is likely to be, that is, if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.
- (h) In all cases, and at every stage of the proceedings, in the interest of maintaining the usual high morale of the force, the Department shall afford an opportunity to the Police Officer, if he so requests, to consult with counsel and/or his Association Representative before being questioned concerning a violation of the Rules and Regulations during the interrogation of a member of the force.

9.00 DATA FOR FUTURE BARGAINING

- 9.01 The Employer and the Association each agree to make available to the other all relevant data that each may require to bargain collectively.
- 9.02 The relevant data noted above shall include, but shall not be limited to, such items as salaries and benefits enjoyed by other employee groups employed by the Borough of Old Tappan, the costs of insurance and other programs, information concerning overtime worked by Employees, the total number of injuries on duty and other data of a similar nature.

The Chief of Police may request an Employee to work a schedule other than the agreed upon 5/2 schedule. The Employee may or may not agree to the schedule change, and no change will be instituted without the Employee's consent. The amount of time worked by the Employee agreeing to the schedule change will not exceed the amount of time required to be worked by an Employee working the 5/2 schedule. 24.03 An Employee may reasonably be required to present proof of any sickness, injury, or illness upon request of the Employer.

25.04 For the purpose of this Article, injury or illness incurred while the Employee is acting in an Employer authorized activity shall be considered in the line of duty.

25.05 In the event a dispute arises as to whether an absence shall be computed or designated as sick leave or as an injury on duty, the parties agree to be bound by the decision of the appropriate Workmen's Compensation judgment, or, if there is an appeal therefrom, the final decision of the last reviewing court.
