Article VII

Terminal Leave

Policy: The New Jersey Department of Treasury, Division of Pensions, has directed in connection with payment of "Terminal Leave" at retirement that the manner and the items to be included in the payment of terminal leave are to be stated in a declared policy to assure that the policy is applied consistently to all Employee members of the State Retirement System.

Employees who retire from service with the Town of Boonton, after twenty-five (25) years of service with the Town, shall be entitled to receive a retirement contract which will include any provisions for terminal leave.

Terminal leave shall be defined as that time between the date the Employee stops reporting for work and the Employee's effective date of retirement. Terminal leave involves using up of accumulated sick leave, vacation leave, and compensatory time prior to the effective date of retirement.

Procedure: An Employee who is contemplating retirement shall notify his/her immediate supervisor or the Department Head and the Town Administrator no less the three (3) months prior to the date of retirement. At such time, the Employee shall be entitled to enter into a retirement contract with the Town that will include the following provisions for terminal leave:

- A) An Employee can stop working for the Town (stop reporting to work) a length of time prior to his/her official retirement date during which time said Employee will be using up any accumulated sick leave, vacation leave, and compensatory time.
- B) In return for being granted terminal leave, said Employee shall reimburse the Town or give back the following:
 - 1) The number of hours equal to one-third (1/3) of the total terminal leave being taken. These hours will be subtracted from the Employees total accumulated sick, vacation, and compensatory time, subtracting first from the accumulated vacation time, then from accumulated compensatory time, and lastly from the accumulated sick leave.

Example A:

Employee has:	1600 sick hours accumulated
	160 vacation hours accumulated
	40 compensatory hours accumulated
	<hr/>
	1800 total accumulated hours

Employee will be utilizing a total of seven hundred twenty (720) hours as terminal leave. Employee must therefore give back to the Town one third (1/3) of the total hours taken.

Example B:

$$720 \text{ hours} \times \frac{1}{3} = 240 \text{ hours}$$

These two hundred and forty (240) hours will be subtracted from the employee's total accumulated hours as follows:

240	"give back hours"
-160	vacation hours
<hr/>	
80	
-40	compensatory hours
<hr/>	
40	
-40	sick hours
<hr/>	
0	

Employees seven hundred twenty (720) terminal leave hours will then be subtracted or used from the remaining one thousand five hundred sixty (1,560) accumulated sick hours, leaving eight hundred and forty (840) hours to be paid in accordance with the contractual agreements in a lump sum payment. The time of said lump sum payment will be agreed upon between Employee and the Town. At no time shall any Police Officer be permitted to "cash out", or covert any accumulated compensatory time into monetary compensation as part of the lump sum payment.

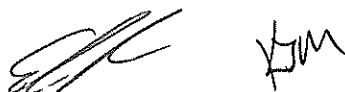

- C) Any Police Officer hired after January 1st, 2000, will be permitted to use a maximum of only eight hundred ninety-six (896) hours of accumulated vacation, sick, and compensatory hours towards terminal leave.

- D) Any Police Officer hired after January 1st, 2003, will be permitted to use a maximum of only eight hundred forty (840) hours of accumulated vacation, sick and compensatory hours toward terminal leave.

- E) Any Police Officer hired after January 1st, 2013, will be permitted to use a maximum of only seven hundred forty (740) hours of accumulated vacation, sick and compensatory hours toward terminal leave.

- F) Terminal leave shall be limited to a total of \$15,000.00 for all officers hired after January 1, 2016.
