ARTICLE III

GRIEVANCE PROCEDURE

A. Definitions

A "grievance" is a complaint by which an employee or employees in the bargaining unit may appeal the interpretation, application or violation of this agreement, board policy, and administrative decisions affecting terms and conditions of employment except that the term "grievance" shall not apply to:

1. Any matter for which a method of review is prescribed by law or which by law is exclusively within the discretion of the board.
2. Any rule or regulation of the State Department of Education or the State Commissioner of Education having the force and effect of law.
3. Any matter which according to law is beyond the scope of Board authority.

B. Principles

1. A grievance to be considered under this Procedure shall be presented by the grievant not later than fifteen (15) calendar days after the occurrence of the grievance. The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be made to resolve grievances as quickly as possible.
2. A grievant may present and process his grievance personally or through an appropriate representative. In either event, the grievant shall be personally present at all steps of the grievance procedure. Should a grievant want to process his grievance personally or through an appropriate representative of his own choosing he may do so; however, the majority unit shall be so notified and shall have the right to have its own representative present.
3. No reprisals shall be taken by the Board or Administration against any participant because he utilizes the grievance procedure.
4. Should a grievance result from action taken by the Superintendent or the

Board, a grievant may present his grievance initially at the second step of the grievance procedure.

C. Procedure

1. STEP ONE:

- a. A grievant may initially discuss the matter, identified as a grievance, with the Immediate Supervisor in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B, Subsection 1.
- b. A grievant shall file his grievance in writing by presenting the written grievance to the Immediate Supervisor and forwarding copies to the Superintendent of Schools. In the event that the grievant's immediate supervisor is the Superintendent then the grievance shall be filed at step Two within the same fifteen (15) calendar days after the occurrence of the grievance as indicated in Section B. 1 of this article.
- c. The grievant and the Immediate Supervisor shall meet in an attempt to resolve the grievance not later than five (5) work days following the date on which it is filed.
- d. The Immediate Supervisor shall communicate his decision in writing to the grievant not later than five (5) work days following the hearing.

2. STEP TWO:

- a. If the grievance has not been resolved at Step One, the grievant may proceed to Step Two by submitting the grievance to the Superintendent not later than five (5) work days following the written decision of the immediate supervisor.
- b. The grievant and his representative and the Superintendent shall meet in an attempt to resolve the grievance not later than five (5) work days following the date on which the grievance was filed at Step Two.
- c. The written decision shall be communicated to the grievant not later than ten (10) work days after the meeting.

3. STEP THREE:

- a. If the aggrieved person is not satisfied with the disposition of his grievance by the Superintendent, or if the Superintendent has not communicated his decision in writing to the grievant as provided, the grievant and his representative may proceed to the Step Three. The hearing at the Board level may be with the Board or the Board's representative(s). The request of the grievant shall clearly explain the grievance and be made in writing not later than five (5) work days following the decision of the Superintendent, or if no decision has been rendered, then not later than five (5) work days following the expiration of the ten (10) work day period provided for a response at Level Two and shall be submitted to the Board Secretary.
- b. The grievant and his representative(s) and the Board and/or its representative shall meet in an attempt to resolve the grievance not later than ten (10) work days following the date on which the grievance was filed. The grievant may have three (3) representatives present when his grievance is reviewed by the Board or its representatives. The Superintendent of Schools shall be present at this step.
- c. The Board shall communicate its decision in writing to the grievant not later than fifteen (15) work days following the meeting. A copy of the decision shall also be forwarded at the same time to the Superintendent and the Grievance Committee.

4. STEP FOUR:

- a. In the event the grievant is dissatisfied with the determination of the Board of Education aforesaid, and in the further event that the grievance involves the interpretation or application of this contract, the matter may be submitted to arbitration. A request for arbitration shall be made in writing no later than fifteen (15) work days following the determination of the Board. Failure to request arbitration within said period of time shall constitute an absolute bar to such arbitration unless the Board of Education and the Marlboro Township Administrators' Association (M.T.A.A.) shall mutually agree upon a longer time period within which to assert such a demand.
- b. The Board may also request arbitration concerning any dispute regarding the interpretation or application of this contract. The time limits applicable to the Association are also applicable to the Board

of Education.

- c. The arbitrator shall have no power or authority to add to, subtract from, change or modify any of the terms of this agreement.
- d. Within ten (10) work days after the M.T.A.A. shall have delivered the written request for arbitration, the Board and the M.T.A.A. shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified time period, a request for a list of arbitrators shall be made from the Public Employment Relations Commission in the selection of an arbitrator. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.
- e. The arbitrator so selected shall confer with the representatives of the Board and the M.T.A.A. and hold hearings promptly, and he shall issue his decision not later than twenty (20) days from the close of hearings, or if oral hearings have been waived, then from the date that the final statements and proofs are submitted to him. The arbitrator's decision shall be submitted to the Board and the Association and shall be advisory only.
- f. The costs for the services of the arbitrator, including per diem expenses, if any, and the cost of the hearing room, if any, shall be borne equally. Any other expenses incurred shall be paid by the party incurring such expense.

D. Miscellaneous

- 1. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
- 2. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.
- 3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be

kept in the personnel file of any of the participants.

4. Meetings and hearings shall be delayed as necessary to accommodate any person who should be present but who is unable to attend due to vacation scheduled when such meeting or hearing should be held. However, such absence shall not constitute reason for extending any time lines pertaining to initial filing or advancing a grievance to the next step.

ARTICLE IV

ADMINISTRATORS' RIGHTS

A. Required Meetings or Hearings

Whenever any Administrator is required to appear before the Board, or any committee or member thereof concerning any matter that could adversely affect the employment of that Administrator, he shall be given prior notice (which will be in written form) of the reasons for such meeting or interview and shall have the right to a representative of the Association or any attorney present to advise him and represent him during such meeting or interview. ARTICLE IX

TEMPORARY LEAVES OF ABSENCE

A. Maternity Leave

1. The Board shall grant leaves of absence for medical reasons associated with pregnancy and birth to pregnant Administrators on the same terms and conditions governing leaves of absence for other illness or medical disabilities, as set forth in N.J.S.A. 18A:30-1 et seq and the rules, regulations and policy statements and this agreement.
2. It is recognized that an employee's maternity leave application involves both a disability phase and a child care phase. The disability phase is that period of time, both pre-natal and post-natal, during which a physician certifies inability to work. The child care phase is that period of time selected by the Administrator which follows the disability phase during which time the Administrator voluntarily suspends her Administrator's career to care for the newborn child.
 - a. **Disability Phase.** Any tenured or non-tenured Administrator seeking a leave of absence on the basis of medical reasons associated with pregnancy or birth shall apply to the Board of Education. At the time of application, which shall be made upon ninety (90) days' notice to the Board, the employee shall specify in writing the date on which she wishes to commence leave and the date on which she wishes to return to work after the birth. The Board shall require any Administrator to produce a certificate from a physician in support of the requested leave dates. Where medical opinion is supportive of the leave dates requested, such request shall be granted by the Board. It is understood that the disability period as certified jointly by the Administrator's and Board's physicians may be treated as compensable sick leave time at the option of the Administrator.

- b. **Child Care Phase.** Where the requested leave dates are beyond the period of disability associated with pregnancy and is for child care purposes as defined above, the tenured Administrator shall be granted, at his/her discretion, a leave for (a) the balance of the school year in which the birth occurred, or (b) the balance of the school year in which the birth occurred and the entire following school year. Any further extensions of child care leave shall be discretionary with the Board of Education. The Board need not grant or extend the leave of absence of any non-tenured administrator beyond the end of the contract school year in which leave is obtained.
3. An Administrator returning from pregnancy leave of absence shall be entitled to all benefits to which administrators returning from other types of sick or disability leave would be entitled. Nothing contained herein shall be construed to require the Board to grant tenure to any non-tenured administrator who would not have been otherwise offered such a contract.
4. No tenured or non-tenured Administrator shall be barred from returning to work after the birth of her child solely on the ground that there has not been a stated or prescribed lapse of time between that birth and the desired date of return except as is provided herein. Nothing contained in this article shall be construed to preclude the Board from requiring any Administrator after birth of her child to produce a certificate from her physician showing that she is physically capable of resuming her duties.
5. **Adoption.** Any tenured Administrator adopting an infant child shall receive child care leave which shall commence upon the receipt of de facto custody of said infant, or earlier if necessary to fulfill the requirements for the adoption. The administrator shall notify the Board of Education of the requested leave of absence as soon as the Administrator has received notice from the placement agency of the impending adoption. If such a tenured Administrator who has received maternity leave under this subsection decides not to return, he/she shall notify the Superintendent of Schools by giving written notice not less than ninety (90) days before the start of the next school year.

The days taken in pursuant to this provision must be consecutive commencing on the day after the day of death unless, at the sole discretion of the Superintendent, another arrangement is approved.
 - b. For grandparent-in-law, aunt, uncle, nephew, niece, sister-in-law or brother-in-law, one (1) day per incident.
3. An allowance of up to a total of four (4) days leave per year shall be granted for personal matters other than above stated. Written requests shall be submitted to the Superintendent for approval three (3) days in advance of date requested. The three (3) day notice requirement shall be waived in emergent matters. This allowance with prior approval may be granted for any of the following reasons:
 - a. Court subpoena.
 - b. Marriage of Administrator or marriage in the immediate family.
 - c. Recognition of a Religious Holiday.
 - d. Personal business which cannot be handled outside of school hours. The application form for leave made pursuant to this subsection shall not require the Administrator to specify the nature of the personal business but shall simply require the Administrator to indicate that the leave is being applied for pursuant to this subsection.
 - e. Any other emergency or urgent reason approved by the Superintendent.

Employees hired after July 1 shall receive leave for personal matters on a pro-rated basis for the first year of employment.

4. Personal leave days shall not be granted on the first or last day of school, except in cases of emergency as approved by the Superintendent of Schools or designee.

accumulated sick leave, shall be restored to him or her upon his or her return.

Pay for vacation time which could have been claimed by an employee who terminates employment shall be paid to the employee's estate in the event that the employee dies. The number of days is limited to days earned and

unused in the year of termination at the rate of 1.666 days per month.
