AGREEMENT

This collective bargaining Agreement, executed this 24 day of April 2013 between the Board of Chosen Freeholders of the County of Ocean, State of New Jersey, a public employer with its main office at 101 Hooper Avenue, Toms River, New Jersey, hereinafter referred to as the "Board" and the Communications Workers of America, comprised of Ocean County Blue Collar employees, hereinafter referred to as the "Union". Wherever the terms "Blue Collar" or "Blue Collar employees" are used in this Agreement, both designations shall be interchangeable and have the same meaning and effect.

ARTICLE 1

PURPOSE

The purpose of this Agreement is to set forth herein negotiable terms and conditions of employment to be observed between the Board and Union during the period April 1, 2011 through March 31, 2014 or until negotiation of a successor Agreement.

ARTICLE 2

RECOGNITION OF UNION

The Board recognizes the Communications Workers of America, as the exclusive representative of all Blue Collar employees including full-time, permanent part-time and intermittents, as set forth in the certification of the elections held by the Public Employment Relations Commission. Said Union is permitted to negotiate with the Board for the purposes provided for under Chapter 303, Public Laws of 1968 and Chapter 123, Public Laws of 1974, with respect to salary, hours and those terms and conditions of employment permitted by those statutes. Pursuant to State law, the Board has granted an Agency Shop. Covered titles are listed in Appendix A.

ARTICLE 3

UNION RIGHTS

1. Access to Premises

Union representatives shall be admitted to County premises on Union business. Requests for such visits shall be directed with reasonable advance notice to the Employee Relations Director and shall include the purpose of the visit, proposed time and date and specific work areas involved. Permission for such visits shall not be unreasonably withheld. Provided such requests are approved, the representative shall have the opportunity to consult with employees in the unit before the start of the work shift, during lunch or breaks or after completion of the work shift.

The above is not intended to restrict Union representatives from exercising their ordinary right as citizens as regards access to the public premises of the County.

The work environment should be characterized by mutual respect for the common dignity to which all individuals are entitled. It is agreed that verbal and/or physical harassment of an employee is inappropriate.

2. Bulletin Boards

The Union will have access to bulletin boards in work areas where Blue Collar employees are employed. The Union may post notices of Union activities and information pertinent to its collective bargaining relationship with the Blue Collar employees on these bulletin boards. Copies of information to be posted on the bulletin boards will be forwarded to the office of the Employee Relations Director.

3. Union Leave

Members of the bargaining unit may use up to a total of sixty (60) aggregate days for union business each contract year, forty (40) paid and twenty (20) unpaid. Up to ten (10) unused "paid" Union Leave days may be carried into the succeeding contract year. Days carried from one contract year to the next are not cumulative. Union Leave will be granted to individuals authorized by the President or designee to the Director of Employee Relations at least forty-eight (48) hours before it is to commence and, when taken, such leave shall not impede the operation of any County Department. Use of paid Union Leave must directly pertain to Blue Collar employees represented by this contract, union training or union conferences. Joint County/Union discussions, authorized by the Director of Employee Relations, about matters of mutual concern shall not be applied against this benefit.

4. Dues Checkoff

1. The Employer agrees to make deductions of monthly Union membership dues each payroll period from the pay of an employee who has signed a dues deduction authorization card. Such deductions shall begin as soon as possible after receipt of the authorization card by the Department of Finance in accordance with the Employer's normal payroll procedures.

2. The amount of dues to be deducted will be certified to the Employer by the Secretary-Treasurer of the Union. The amount of dues shall be changed as may be certified to the Employer by the Union at least thirty (30) days prior to the date on which the deduction of Union dues is to be made.

3. In accordance with P.O. 1979, Ch. 477 as it relates to the Agency Shop provisions, a representation fee of eighty-five percent (85%) shall be deducted from all non-union members. The Union agrees to implement a demand and return system set forth in the statute, and in addition, the Union shall indemnify and hold the Employer harmless against any and all claims, demands, suits and other forms of liability, which may arise from the implementation of this Article.

4. The Employer agrees to remit such deductions to the Union prior to the 10th of the month following the month for which such deduction is made together with a list of employees from whose pay such deductions were made. However, the Union recognizes that errors and delays may and will occur and, in using the information furnished, assumes all risks associated therewith. Remittance shall be sent to the Communications Workers of America, AFL-CIO, 501 3rd Street NW, Washington, D.C. 20001-2797.

5. Management agrees to forward to the Union, upon request, a report containing the following information: employee's name, home address, job title, department, salary and other compensation.

6. Labor/Management Meetings - The County and the Union agree to meet for the purpose of reviewing the administration of the Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered collective negotiation meetings but rather are intended as a means of continuing good and sound employee relations through communications. Either party may request a meeting, to be mutually scheduled. Either party shall give the other the topics to be discussed, in order to have a productive meeting. Topics may include matters of productivity, work rules, efficiencies, as an example, but not an exclusive list.

ARTICLE 4

LEGAL AID

The Employer shall provide legal aid to all personnel covered by this Agreement as provided for in an Ocean County Resolution adopted by the Board of Chosen Freeholders on July 7, 1982; Indemnification of Employees.

ARTICLE 5

MANAGEMENT RIGHTS

The Board hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the Laws and Constitution of the State of New Jersey and the United States of America; except as may be specifically modified by this Agreement. These rights will include, but not be limited to, full operation efficiency and productivity in the direction of the work force. All of the terms and conditions of employment not specifically set forth herein or not specifically covered by existing statutes, are hereby reserved by the Board as its management prerogatives and rights.

ARTICLE 6

NON-DISCRIMINATION

No employee will be discriminated against because of race, creed, color, religion, sex, sexual orientation, disability, union affiliation or age. No employee, because of sex, shall be denied or discriminated against in the employment of any job position within the bargaining unit or our Agreement. No title shall be created to evade the employment of an individual because of sex in an existing job title and no discrimination in promotional opportunities shall be denied an individual because of sex.

ARTICLE 7

GRIEVANCE PROCEDURE

1. Definitions

A. A "grievance" is an allegation by an employee or the Union that a specific provision of this Agreement has been violated. These grievances only may be submitted to binding arbitration as a final step in the procedure.

B. All other allegations that there has been a violation, a misinterpretation or a misapplication of policies, rules and administrative decisions may be submitted to all steps of the grievance procedure up to the County Administrator level and the County Administrator's decision on these matters will be final and binding. These non-contract grievances may not be submitted to binding arbitration.

C. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration or to represent any employee before the Merit System Board. The Union's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

When an individual grievant initiates a contractual grievance, such grievance shall only be processed through Union representation.

D. A "grievant" is an employee who files a grievance.

E. "Representative" is a person or agent designated to represent either party in this procedure.

F. "Day" means a work day.

G. "Party in interest" is a person, agent or agency with an interest in the grievance.

H. "Class grievance" is a formal grievance that directly involves two (2) or more people.

I. "Union grievance" is a formal grievance filed on behalf of one or more employees by the Union or on site shop steward.

2. Procedures

B. Grievances shall be adjudicated according to the terms of this procedure, time of filing notwithstanding.

C. Formal grievances and appeals shall be filed in writing.

D. Communications and decisions concerning formal grievances shall be in writing.

E. A grievant shall be permitted a representative at all levels of the procedure. Witnesses can be presented, (as determined by the hearing officer) provided requests for such are filed two (2) days prior to the hearing/meeting.

F. Any designated Union Representative/Steward, whether he/she is on the County payroll or not, has the right to represent the grievant in any step of the grievance procedures.

G. Failure by a grievant to process a grievance within the specified time limit shall render the grievance as settled in favor of the Board.

H. Failure by the Board to issue a decision within the specified time limit shall render the grievance advanced to the next level.

I. Grievances may only be formally filed and processed by the Union through a Shop Steward, Union Officer or Union Representative.

J. The Union and Director of Employee Relations may waive Step 1 by mutual agreement.

K. Time Limit - The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual consent of the parties.

3. Processing

A. Informal Step - Grievances shall be presented by the Steward or Union Representative to the immediate supervisor prior to submission to Step 1. The purpose for this step is to resolve problems through informal discussion at the lowest level possible.

B. Step 1 - The Department Head or designee shall mutually schedule a hearing/meeting within seven (7) days of the filing of the grievance with the grievant and the Steward or Union Representative in order that both parties discuss all the facts surrounding the grievance.

The grievant must file the written grievance within fifteen (15) working days of the occurrence of the grievance.

The Department Head shall render a decision in writing within seven (7) days after the grievance meeting. All decisions of the Department Head will be copied to the Employee Relations Department and the local Union Representative.

C. Step 2 - If the Union is dissatisfied with the answer submitted by the employee's Department Head at Step 1, then the Union Representative may appeal the Department Head's written answer within seven (7) days after receipt of the answer at Step 1. Documentation should be forwarded with the grievance at the time of appeal to the Employee Relations Director.

The Employee Relations Director or his/her designee shall review the grievance appeal and investigate the facts. He/she may request a meeting of the parties to clarify issues. He/she shall submit a written answer to the grievant within seven (7) days of the submission of the grievance to Step 2.

D. Step 3 - If the Union is dissatisfied with the answer submitted by the Employee Relations Director at Step 2, the Union Representative may appeal the answer of the Employee Relations Director within seven (7) days after receipt of the written answer at Step 2.

The County Administrator or his/her designee shall review the grievance appeal, investigate the facts and submit a written answer to the grievant within seven (7) days of the submission of the grievance to Step 3.

E. Step 4 - If the Union is still dissatisfied with the answer received from the County Administrator and the grievance is a matter of alleged contract violation, then the grievance may be submitted to arbitration.

1. Within twenty (20) days of the decision of the County Administrator, the Union may request arbitration of the grievance by filing notice with the Director of Employee Relations. The Union may request an extension of the twenty day appeal limit and such requests shall not be unreasonably denied.

2. Within forty-five (45) days of such notice, the Union shall request a list of arbitrators from the N.J. Public Employment Relations Commission.

3. The arbitrator must first rule on the arbitrability of the grievance if so requested by either party.

4. The arbitrator shall have no power to add to, subtract from or alter the language of this Agreement. He/she shall have no power to make an award inconsistent with law and he/she shall have no power to entertain grievances that constitute violations of this Agreement. The arbitrator shall rule only on the interpretation of the clause of the Agreement involved.

5. The arbitrator shall not have the power to make an award or in any matter which is not within the Board's power to implement, including monetary awards which require appropriation from governmental agencies other than the Board of Chosen Freeholders.

6. The arbitrator's decision shall be binding on all parties on matters regarding violations of the contract, except that if his/her decision requires Legislative action, such decisions shall be effective only if legislation is enacted.

7. The cost of the services of the arbitrator shall be shared equally by the parties.

4. General Provisions

1. No prejudice will attend any party in interest by reason of the utilization or participation in the grievance procedure.

2. The filing, pendency or hearing of any grievance shall not impede the normal management of the work force or operation of any of the Board's agencies.

3. All records of grievance processing shall be filed separately.

4. Forms for grievance processing shall be mutually agreed upon by the parties to the Agreement. The Union will distribute the forms as required.

5. Parties in interest will cooperate in investigating and providing pertinent information concerning a grievance being processed.

6. The Board agrees that in the presentation of a grievance there shall be no loss of pay for the time spent in presenting the grievance by the grievant and one (1) Union Representative/Steward who is an employee of the Board throughout the grievance procedure. However, no employee (or official) will be permitted to investigate or process grievances during working hours without the approval of the Employee Relations Director.

7. The parties agree that grievance meetings/hearings for employees working the "B" or "C" shifts, will be scheduled no sooner than five (5) hours following the conclusion of the employee's scheduled shift. This provision may be waived by mutual consent.

ARTICLE 8

DISCIPLINE

A. It is the responsibility of the immediate supervisor to enforce and maintain proper discipline. To ensure that employees are informed when infractions or shortcomings are noted, the progressive steps of discipline set forth in the Personnel Handbook; i.e., personal interview, written reprimand, suspension without pay and dismissal, will ordinarily be followed. In certain severe instances, it may be necessary to bypass one or more of the preliminary steps or combine one or more steps in order to impose suspension or dismissal of an employee as provided by the New Jersey Civil Service Commission regulations.

B. No employee shall be disciplined without just cause. The Union will be informed within 48 hours by mail or "FAX", whichever is more feasible, when major discipline of any nature is to be imposed. Any allegation regarding minor discipline shall be subject to the grievance procedure with the following provisions:

- a. Arbitrators' decisions on disciplinary actions shall only be advisory in nature and in no way bind the parties.
- b. The advisory arbitration step can only be waived by mutual agreement.
- c. The loser shall pay the full cost of the arbitration.

C. If an employee is summoned to a meeting which he/she reasonably fears will lead to disciplinary action, he/she shall have the right to have a Steward or Union Representative at the meeting.

D. In matters of minor disciplinary resulting in suspension, the Employer will fax to the Union a copy of the signed paperwork.

ARTICLE 9

JOB CLASSIFICATIONS

A. An employee will work within his/her own applicable job classification in accordance with the specifications set forth in his/her applicable classification under the New Jersey Civil Service Commission's job description.

B. An employee's permanent applicable job classification shall not include a combination of the New Jersey Civil Service Commission's job descriptions.

C. If an employee is assigned to perform work in a job classification higher than his/her regular title for one (1) or more complete work days, he/she shall be compensated at the rate of \$2.00 per hour (\$16.00 per day) higher than his/her regular base wage for all complete work days, regardless of which title is being temporarily filled.

D. If an employee is required to work in a job classification lower than his/her regular job classification, he/she shall receive his/her regular rate of pay.

ARTICLE 10

SENIORITY

Job Postings/Vacancies -

A. Seniority, which is defined as continuous unbroken service with the Employer, will be given the major consideration by the Employer, with respect to promotions; however, service will be considered broken, for purposes of this clause, if an employee who has served continuously with the Employer for at least one (1) year:

1. Should resign his/her position and not be rehired by said Employer within three (3) months of said resignation.
2. Should an employee retire.
3. Should an employee suffer a validated dismissal.
4. Should an employee request and receive a voluntary transfer out of the bargaining unit of the work force of the Board.
5. Should an employee be absent without leave for more than five (5) days.
6. Should an employee be laid off for more than six (6) months provided that the Board has a right to recall such employees within nine (9) calendar months of the date of their initial layoff.

B. The Employer will try to fill permanent job openings by promoting employees from the next lower rated job titles, provided those employees possess the requirements listed by the New Jersey Civil Service Commission and who are subsequently certified by the New Jersey Civil Service Commission. In all instances, employees promoted must possess the skill, ability and knowledge to perform the duties required of the higher rated job.

C. If there are two (2) or more employees with the equal skill and ability to perform the work at the discretion of the administration, which may not be arbitrarily or capriciously withheld, the employee with the greatest seniority in the next lower rated title, shall be given preference. If the employee with the greatest seniority cannot perform the highest rated job, once promoted to the higher rated job, then the administration shall promote the employee which it deems to be next eligible.

D. Lateral Transfers - A permanent job opening shall not be deemed to occur when a vacancy exists at a particular job level, until all employees at that job level have had the opportunity to transfer to fill the vacancy within five (5) days following the posting of notice of vacancy. Lateral transfers at the same job location shall be limited to once per contract year. Lateral transfers to a different job location are permitted in accordance with the current practice. Requests for lateral transfers may be made to the Department Head in writing and shall state the reason the request is being made.

E. Transfers - No employee shall be transferred without reason or cause and shall be granted a two (2) day notice in which to reply to any notice of transfer. An employee may discuss any transfer with his/her immediate supervisor or the Employee Relations Director. After a necessary discussion, the employee shall comply with the transfer order. If the transfer is necessitated by a vacancy and the Employee Relations Director decides not to transfer the employee, then the vacancy shall be filled through provisions established through the job posting procedure as agreed to in this contract. Employees will not be involuntarily transferred from department to department.

F. A job opening or vacancy shall be posted on an appropriate bulletin board for a period of five (5) working days. Postings will include the hours of work (shift) and location of the opening. New Jersey Civil Service Commission job specifications are available for review through the employee's Department Head. Every employee who responds to a posting for a promotion shall receive a written notice of acceptance or rejection for the promotion and, in the case of rejection, an explanation of that decision.

G. Job Posting Promotion - A permanent job opening or vacancy in the bargaining unit constituting a promotion shall be posted on appropriate bulletin boards for a period of five (5) calendar days. During such period of time, the permanent job opening or vacancy shall be posted, a temporary job opening with respect to the posted position shall be deemed to exist. The Employee Relations Director shall have the right, at his/her discretion, to fill any temporary job opening, by transfer or otherwise, until such time as it may be permanently filled. In the event that a permanent job opening is not filled within five (5) days of the posting of a notice, the Employee Relations Director, may in his/her discretion, fill such permanent job opening or vacancy. In the event an opening is not filled within ninety (90) days, it shall be re-posted.

ARTICLE 11

HOURS OF WORK AND OVERTIME

The following guidelines shall apply unless there are specific provisions to the contrary. The Employee Relations Department shall notify the Union in writing of any permanent or temporary change in existing shifts.

1. Hours of Work:

Regular hours of work for all Blue Collar workers, unless otherwise modified in this Agreement, shall be:

7:00 A.M. to 3:30 P. M. – "A" shift

3:30 P.M. to 12:00 A.M. – “B” shift

11:30 P.M. to 8:00 A.M. – “C” shift

The hours of work for CWA employees working in the specified departments of County government are permanently fixed from 7:00 A.M. to 3:30 P.M. The working hours of all other CWA employees will remain unchanged except as modified in accordance with this Agreement. Changes in the above established shifts, will require a minimum of seven (7) days advance notice except in the case of an emergency.

Between Memorial Day and Labor Day, variant scheduling may be approved in the Solid Waste Department and Road Department by the Department Head/designee. A variant schedule must be a regular schedule that does not vary from week to week. Time worked in excess of eight (8) hours per day while on variant scheduling is considered part of the regular work schedule and is never compensated at overtime pay rates.

- A. Meal Break: All workers shall receive a 30 minute unpaid meal period, unless otherwise noted in this Agreement.
- B. Rest Break: All workers shall receive a 15 minute break during every four hour period worked, unless otherwise noted in this Agreement.
- C. Wash-up Time: All workers shall be granted a 15 minute wash-up time immediately preceding lunch and the end of the work day, unless otherwise noted in this Agreement.

2. Overtime

A. Regular or Scheduled Overtime: All employees shall be expected to complete their work in the time allotted during the normal working day. Employees are expected to be able to work a reasonable amount of overtime. Any employee scheduled to work beyond his/her regularly scheduled work day shall be paid at the rate of time and one-half (1-1/2X) of the employee's base pay after the completion of eight (8) hours work in any scheduled work day or forty (40) hours of work in any scheduled work week. Time worked in excess of eight (8) hours per day while on variant scheduling is considered part of the regular work schedule and is never compensated at overtime pay rates.

B. Holiday Overtime: If an employee is required to work on a County recognized holiday, he/she shall receive time and one-half (1-1/2X) for all hours worked plus one (1) day straight time wages for the holiday. If an employee should work beyond a normal eight (8) hour shift, he/she shall be paid double time and one-half (2-1/2X) for those hours worked.

C. Emergency Overtime: When emergency overtime assignments are necessary on days other than normally scheduled work days, i.e., weekends or holidays, the so-called 'normal shift' customarily worked by those employees is not a factor in determining the applicable rate of pay. In other words, work days are treated the same for payroll purposes regardless of the time of day or night they occur.

3. Call-In Pay

A. Blue Collar employees who are called-in to work will not be paid less than four (4) hours wages for the four (4) hour period at the applicable rate at the time of call-in, provided that the response time to his/her designated work site is reasonable. For the purposes of this Agreement, the term "reasonable" is hereby defined as forty-five (45) minutes or less. For those who respond to call-in situations within a reasonable time, the call-in assignment will be deemed to have begun at the time of the telephone call. For those not responding in a reasonable time, the call-in formula will not apply, but those employees will be paid overtime for all hours actually worked.

B. Employees listed on vacation or sick leave need not be called unless said employee listed on vacation or sick leave notified his/her foreman he/she is available to return from vacation or fit to return from sick leave; the next senior employee will be called.

C. When overtime assignments are planned/scheduled in advance, the four (4) hour guarantee associated with call-in pay shall not apply.

D. Emergency Call-In: In general emergency call-in situations, such as snow storms and hurricanes, management will endeavor to assign two (2) employees to each emergency vehicle. The Union acknowledges that success in reaching this objective is largely dependent upon the employee response to the emergency call-in situation. Laborers who are assigned to drive emergency vehicles in a general emergency call-in situation will qualify for out-of-title pay as Equipment Operators immediately without regard of the provisions of Article 9.

In emergency call-in situations on a lesser scale, management will in the interests of safety, assign at least two Blue Collar employees to complete the necessary tasks.

It is understood and agreed that management will use all reasonable efforts to assign two (2) employees to each emergency vehicle in the above described emergency call-in situations, however, under no circumstances will management be required or bound to assign two (2) employees to each emergency vehicle.

E. It is understood and agreed that the unit members, as public employees, have a duty and obligation to respond in an affirmative manner during weather emergencies which may negatively impact on the safety and welfare of the general public, such as snow storms. Employees are expected to notify their supervisors of their availability.

F. The parties understand and agree that CWA members are not eligible for any meal allowance payments.

4. Seniority Lists

A. Seniority lists will be compiled under each foreman and posted at each work location. Detailed reports of date, emergency circumstances, time of call-in, arrival and departure time will be kept on file. Seniority lists shall be kept current at each job location.

B. Each Department Head and a Union Representative will work together to develop appropriate seniority lists for posting at each work location.

5. Overtime Rotation

Overtime at each job location in the Blue Collar unit shall be assigned in accordance with the seniority list which shall set forth the names of the employees at each job location in order of their seniority.

A. The first overtime assignment on a particular occasion shall be assigned to the most senior employee on the seniority list for that location. If the most senior employee is unwilling to accept the overtime assignment, the next most senior employee shall have the opportunity to accept the assignment. Overtime assignments will proceed down the seniority list.

B. If an employee to whom the overtime assignment has been offered shall decline to accept that assignment he/she will be passed and will not be offered any other overtime assignment until his/her turn is reached again.

C. If an employee is offered an overtime assignment and is unable to perform the assignment because he/she is unqualified to do the work assigned, he/she will be offered the next overtime assignment. In the event that all employees who are offered a particular overtime assignment decline to accept the assignment, the least senior employee who is offered the assignment and who is qualified to perform the assignment shall be obligated to accept it. No employee will be permitted to accept an overtime assignment if the employee does not possess the skill and ability to perform the work.

D. Overtime lists shall be kept current at each job location. Management will endeavor to equalize overtime opportunities and shall keep appropriate records of attempts to assign overtime.

ARTICLE 12

SALARY

A. The minimum salaries for titles covered by this Agreement shall be as set forth in Appendix A, which is attached hereto and made part hereof.

B. Effective April 1, 2011 all members in the bargaining unit working a forty (40) hour work week shall receive Six Hundred Dollars (\$600.00) applied to their March 31, 2011 base salary. Members working less than forty (40) hours a week shall be pro-rated.

C. Effective April 1, 2012, all members in the bargaining unit working a forty (40) hour work week shall receive Six Hundred Dollars (\$600.00) applied to their March 31, 2012 base salary. Members working less than forty (40) hours a week shall be pro-rated.

D. Effective April 1, 2013, all members in the bargaining unit working a forty (40) hour work week shall receive one and one-half percent (1.5%) applied to their March 31, 2013 base salary or the new minimum, whichever is greater. Members working less than forty (40) hours a week shall be pro-rated.

ARTICLE 13

NIGHT DIFFERENTIAL

Employees covered by this Agreement shall be eligible for an eight percent (8%) Night Differential if they are "permanently" scheduled to work on a "B" or "C" shift. Night Differential shall not be eliminated when sick leave, vacation leave, personal leave or any other type of leave (except Worker's Compensation Leave) is used. Night Differential shall also not be eliminated when employees who are permanently assigned to a "B" or "C" shift may occasionally be asked to work hours not considered as such. Any shift starting subsequent to 3:30 P.M. will be considered a "B" or "C" shift.

For employees whose shifts vary seasonally, Night Differential shall be paid throughout the "season" to those employees who are assigned to a "B" or "C" shift. For example, the Paint Crew shall receive Night Differential during the cooler weather months when they work at night, but not during the warmer months when they work during the day.

ARTICLE 14

PROMOTIONAL COMPENSATION

Any employee within the bargaining unit who receives a promotion shall receive a minimum salary increase of Two Thousand Three Hundred Dollars (\$2,300.00) or the minimum for the title, effective on the date of promotion, whichever is greater.

ARTICLE 15

UNIFORM ALLOWANCE AND UNIFORM MAINTENANCE

Total compensation to defray the cost of uniform purchase and maintenance shall be \$750.00 in contract years 2011 and 2012, increasing to \$800.00 in contract year 2013, payable as follows:

All full-time personnel who are required to wear a uniform by the County Administrator or his/her designee shall receive payment of Four Hundred and Fifty Dollars (\$450.00) per contract year for the care and maintenance of these uniforms. This maintenance stipend shall be payable in two payments of Two Hundred and Twenty-Five Dollars (\$225.00) each, on or before June 1st and one on or before December 1st of each contract year. Eligibility for this benefit shall begin on the first of next month following the completion of an employee's original working test period. Eligible employees who work less than a full contract year shall receive this benefit on a pro-rated basis.

1. On the first of the next month following the completion of an employee's 90th day, that employee shall be eligible for an initial uniform issue consisting of three (3) long sleeve shirts, two (2) short sleeve shirts, three (3) T-shirts, three (3) pairs of pants and rain gear.

TRANSPORTATION PROVISION

A. While the majority of employees within the department currently work 8:00 A.M. to 4:00 P.M., it is understood and agreed that flexibility in the scheduling of transportation services is essential due to unpredictable changes in the needs of the client population. The Board will provide as much lead time as possible when circumstances require a change in shift assignment. Notification of such a change prior to the end of regular office hours on the previous day shall be deemed adequate notice. An Early Morning Call-In List shall be maintained by the department to provide coverage for call-outs that occur after office hours, which necessitate employee shift changes, for the next work day. Employees who voluntarily sign up for these after regular office hour substitutions shall be eligible for night differential pay as provided for in Article 13, even though they are not permanently assigned. Employees may be added or removed from the Voluntary Call-In List by making such a request in writing to the Ocean Ride Supervisor.

B. It is recognized that down-time is unavoidable for certain drivers and other personnel. Included within the standard eight (8) hour shift shall be a thirty (30) minute meal period and two (2) fifteen minute break periods to be taken at the employee's discretion, during down-time in their scheduled assignment. There shall be no wash-up periods.

C. All employees requesting the use of sick time shall provide advance notice of no less than two (2) hours before the start of their regular assignment. Employees who are on sick leave on the day before a scheduled overtime assignment must verify their availability for that assignment or another employee will be assigned.

In the event it is impossible for an employee to provide advance notice of no less than two (2) hours before the start of his/her regular assignment, the employee shall provide notice as soon as possible. It is understood and agreed that all employees will use all possible means to provide advance notice of no less than two (2) hours.

D. Uniforms - Initial issue and replacement shall be determined by the Director of Transportation. Failure to wear or maintain uniforms shall be grounds for disciplinary action.

E. All drivers who are permanently assigned to work a shift which begins 5:00 A.M. or earlier or 3:30 P.M. or later shall be eligible for an eight (8%) percent night differential payment.
