ARTICLE I
RECOGNITION

A. Unit

The Board hereby recognizes the Bergen County Special Services 192-193 Association hereinafter the "Association", as the exclusive and sole representative for collective negotiation concerning grievances and terms and conditions of employment for all certified personnel, whether under contract or on leave, employed or hereafter employed by the Board, but excluding supervisory and administrative personnel, Child Study Team members, consultants and any employee who is represented by another bargaining representative.

B. Definition of Teacher

Unless otherwise indicated, the term "teachers", when used hereinafter in this Agreement, shall refer to all professional employees represented by the Association in the negotiating unit as above defined, and references to male teachers shall include female teachers.

ARTICLE II
NEGOTIATION OF SUCCESSOR
AGREEMENT

A. Deadline Date

The parties agree to enter into collective negotiation regarding a successor Agreement in accordance with Chapter 123, Public Laws, 1974, in a good faith effort to reach agreement concerning terms and conditions of teachers' employment. Such negotiations shall begin at such times as established by P.E.R.C. Any Agreement so negotiated shall be reduced to writing during the process of negotiations and shall be subject to ratification by the Board and Association, in its final form.

B. Modification

This agreement shall not be modified in whole or in part except by an instrument in writing, ratified and agreed to by both parties.

ARTICLE III
GRIEVANCE PROCEDURE

The term "grievance" means a complaint by any employee of the Association that there has been an inequitable, improper application or interpretation of the rules, regulations, or contracts bearing on the employee relationship, and the procedure relative thereto shall not be deemed applicable in the following instances:

- (a) The failure or refusal of the Board to renew a contract of a non-tenure teacher.

- (b) In matters where the Board is without authority to act.
- (c) In matters where a method of review is prescribed by law or by any rule, regulation or direction or by law of the State Commissioner of Education and State Board of Education.

Step 1: Information discussed by the immediate program administrator of the grievant. If no agreement is reached, the grievance and answer shall be reduced to writing within ten (10) school days. No grievance shall be filed later than thirty (30) school days after the alleged grievance became known or should have been known.

Step 2: If the grievant or the Association is not satisfied with the resolution of the grievance at Step 2, or if no response is received within ten (10) school days, the grievance, presented in writing, shall be discussed at the meeting of the Board of Education with the grievant and/or the Association. This meeting shall occur within twenty (20) school days of the grievance and the Board's response in writing will be presented within ten (10) school days thereafter.

Step 3: (a) If the grievant is not satisfied with the disposition of the grievance by the Board, and the grievance is an arbitrable grievance as hereafter defined, the grievant may submit the matter in the manner hereafter provided by serving a written notice upon the Board of grievant's intention to arbitrate within fifteen (15) school days after decision by the Board. If timely notice is not served upon the Board, the decision at Step 3 shall be final.

(b) The Association shall petition PERC for services of an arbitrator. The parties shall then be bound by the rules and procedures of PERC in the selection of an arbitrator.

(c) The arbitrator so selected shall confer with the representatives of the Board and the grievant and hold hearings promptly and shall issue his or her decision not later than thirty (30) days of the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted. The arbitrator's decision shall be in writing and shall set forth the arbitrator's findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this agreement. The authority of the arbitrator is limited to the interpretation, application, or the compliance with the provisions of this agreement, and the arbitrator shall have no authority in any way to alter, modify, substitute, change, add to or delete from any of the terms of this Agreement. The arbitrator shall be bound by and decide in accordance with all applicable New Jersey and Federal Statutes, Constitutions of the State of New Jersey and of the United States, and all applicable decisions of the Commissioner of Education, the State Board of Education, the Public Employment Relations Commission, the Courts of the State of New Jersey and the Federal Courts having jurisdiction over matters arising with the State of New Jersey. The decision of the

arbitrator shall be submitted to the Board and the grievant and shall be final and binding on the parties.

- (d) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the grievant. Any other expenses incurred shall be paid by the party incurring same.

Step 4: The only grievances which may be arbitrated under this Step 4 are those alleging that there has been a violation of the express written terms of this locally negotiated agreement. No grievances shall be arbitrable that involve the interpretation, application, or alleged violation of Board policies and administrative decisions affecting terms and conditions of employment or of the statutes and regulations setting terms and conditions of employment.

A. Representation Fee

If a nonmember of the Association who is an employee within the bargaining unit (see Article 1), hereinafter referred to as "nonmember", does not become a member of the Association during a membership year which is covered in whole or in part by the Agreement, said employee shall be required to pay a representation fee in lieu of dues not to exceed eighty-five (85%) percent of regular union dues, fees and assessments to the Association for that membership year. It is expressly understood that this Article becomes effective on July 1, and applies retroactively thereto.

B. Procedure

1. Notification-Prior to November 1 each year, the Association will submit to the Board a list of those employees who have neither become members of the Association for the then current membership year or not paid directly to the Association the full amount of the representation fee for that membership year. The Board will deduct from the salaries of such nonmember employees, in accordance with Paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.
2. Payroll Deduction Schedule-The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each nonmember employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:
 - (a) Ten (10) days after receipt of the aforesaid list by the Board; or
 - (b) Thirty (30) days after the nonmember employee begins his or her employment in a bargaining unit position.

3. Termination-If a nonmember employee who is required to pay the representation fee terminates his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck to said nonmember employee during the membership year in question. The procedure, as described herein, shall apply only if it is equally applied under the same circumstances to members of the Association for purposes of dues collection.
4. Mechanics of Deduction & Transmission of Fees-Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.
5. Changes-The Association will notify the Board in writing of any changes in the list provide for in Paragraph 1 above, and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board receives said notice.
6. Indemnification-The Association shall indemnify and hold the employee harmless against any and all claims, demands, suits, and other forms of liability, including liability for reasonable counsel fees, and other legal costs and expenses that may arise out of, or by reason of any action taken or not taken by the employer in conformance with the provision.

Such request shall include the anticipated date of birth and the anticipated date on which

said employee expects to return. The Board shall honor the paid or unpaid leave for maternity disability subject to the following conditions:

1. The Board may require as a condition of the employee's return to service the production of a certificate from the employee's physician certifying that the employee is medically able to resume her duties.
2. If the employee's physician certifies that the employee's physical condition or capacity is such that the employee's health would be impaired if she were to return to work, said leave may be continued for such additional period of time as shall be deemed necessary by the employee's physician.
3. Employees returning from maternity disability leave shall be entitled to all benefits to which employees returning from other types of leaves would be entitled.
4. No employee shall be required to leave work because of pregnancy at any specific time prior to the expected birth. No employee shall be prevented from returning to work prior to the end of the maternity disability leave provided that medical certification is submitted to the Board to support the return to work. The Board shall not remove any employee from her duties due to pregnancy.

All benefits to which an employee was entitled at the time his/her leave of absence commenced, including unused accumulated sick leave, vacation eligibility, and seniority rights shall be restored upon the employee's return and he/she shall be assigned to the same position which he/she held at the time said leave commenced, if available or, if not, to a substantially equivalent position.
6. A staff member returning from maternity leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the District experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not have been on leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

Within the first year, after birth or placement for adoption, up to twelve (12) weeks of such leave may be taken in accordance with C.261, P1 1989, New Jersey Family Leave Act, and Federal Family Leave Act and New Jersey Administrative Code. In the case of a birth or adoption of a child, any staff member shall have the right to apply for a leave without pay and other fringe benefits for childrearing purposes and time spent on childrearing leave shall not count toward placement on the salary guide, tenure or seniority.

4. In cases where both husband and wife may be employees who are in the same bargaining unit, only one of said persons shall be entitled to such leave at any given period of time.
5. In the case of female teachers, the application for childrearing leave may be made to become effective immediately upon the termination of the pregnancy leave.
6. Childrearing leave may be granted for a period of up to the end of the school year in which the birth or adoption of the child occurs, but such leave may at the option of the Board, upon the request of the teacher, be extended for one (1) additional school year. Requests for extensions of such leaves must be made at least three (3) months prior to the expiration of the first period thereof.
7. Where the birth or adoption of a child is anticipated during the first (1st) month of the school year and a childrearing leave is being requested, the childrearing leave must commence at the start of the school year.
8. Where a childrearing leave is requested, the teacher requesting such leave shall not be permitted to return to the school system following such leave during the last month of the school year.

C. Personal Leaves of Absence

The Board for good reason may grant other leaves of absence without pay. All extensions or renewals and requests of leave shall be applied for and granted in writing.

2. Employees requesting a personal leave of absence without pay under the provisions of this Section shall specify the date on which he/she shall commence and shall return to employment.
 3. Except in cases of emergency, application for personal leave of absence for other than health disability reasons shall be filed with the Superintendent of Schools and/or his/her designee by March 1st of the school year preceeding the school year for which the leave is requested. Such application shall set forth the reasons for the leave and the period for which the leave is requested.
 4. Based upon the recommendation of the Superintendent of Schools, the Board, in its sole discretion, may approve or disapprove a request for personal leave of absence based upon its determination as to the impact such leave will have upon the program or with the education of the children in the program.
 5. The provisions of this regulation and policy shall not be deemed to impose on the Board any obligation to grant a personal leave of absence to any tenured or non-tenured employee.
- D. Personal Days
