THIS AGREEMENT, made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2017, by and between the TOWNSHIP OF WOODBRIDGE, a Municipal Corporation of the State of New Jersey (hereinafter known and designated as the "Employer"), and Teamsters Local 469, Division of Streets and Sewers Supervisor (hereinafter known and designated as the "Union")

WHEREAS, it is the purpose of this Agreement to prescribe the legitimate rights of those municipal employees who are Supervisors working in the Division of Streets and Sewers of the Public Works Department, who are members of the Union, and to provide orderly and peaceful procedures for presenting employee grievances and proposals, and to protect the rights of the public in the Township of Woodbridge.

NOW, THEREFORE, it is agreed as follows:

**ARTICLE I**  
**RECOGNITION**

Section 1: The Employer hereby recognizes the Union as the representative of the Supervisors of the Division of Streets and Sewers of the Public Works Department who have elected to be represented by the Union for the purpose of presenting and making known to their Division Head, or such person as may be designated by the Mayor, their grievances and proposals.

Section 2: It is further provided that any individual Supervisor shall have the right, at any time, to present his own grievance or proposal. Any Union Supervisor shall have the right, at any time, to present his own grievance or proposal and to have a Union representative present, at the Foreman's request.

Section 3: The Employer agrees to deduct the initiation fee and/or dues from the wages of each Supervisor who is a member of the Union and to forthwith remit the same to the Union office.

Section 4: The Union agrees to file a dues deduction authorization form with the Employer for each Supervisor prior to such deductions.

Section 5: The parties understand that the Supreme Court decision in Janus v. Am. Fed'n of State, Cty., & Mun. Employees, Council 31, 138 S. Ct. 2448 (2018) prohibits the deduction of a representation fee without an employee's express, written consent. If an employee consents in writing, such fees will be calculated in accordance with N.J.S.A. § 34:13A-5.5.

The Union further acknowledges and states that any employee who pays the representation fee in lieu of dues shall have direct access to the Union Business Agent. If and when any questions arise as to the actual use by the Union of the representative fee, said employee has the

right to obtain a review of the representation fee and if, in fact, any part of the representation fee is used for purposes prohibited by this Act, the Union will return a pro rata share of the representation fee to said employee.

If, after a review is made as a Supervisor and the employee is unsatisfied with the results thereof, said employee has the right to appeal to a Board appointed by the Governor to hear such appeals as set forth in Section 3 of the Act.

The Employer and the Union further acknowledge that this Article is subject to any rules and regulations promulgated by the Commission to effect the purposes of this Act.

**ARTICLE II**

The Shop Steward shall be permitted reasonable time during working hours to process complaints, at no loss of pay.

Step 2: The Steward will discuss the grievance with the Head of the Division of Streets and Sewers. In the event that the grievance is not satisfactorily adjusted within three (3) additional working days, both parties shall complete and sign the grievance record form

and forward the matter to the next step in the procedure.

If the grievance is not resolved by the Director, then the Union may forward the matter to the next step in the procedure.

Step 4: If the foregoing steps do not effect the settlement of the grievance, either party may refer the dispute to the Business Administrator within seven (7) days of the receipt by him of the decision of the Grievance Committee. The Business Administrator may hold hearings and gather any information necessary for a decision. The Business Administrator must announce his decision within fifteen (15) days of the receipt of the notice of appeal from the decision of the Grievance Committee.

If the grievance is not resolved by the Business Administrator, then the Union may submit the matter to arbitration before an arbitrator appointed by and in accordance with PERC practices and procedures for arbitration.

Section 5: It shall be the intention of the parties to settle all differences between the Employer and the Union through grievance procedures of this Agreement. Therefore, the Employer agrees that it will not lock out its Supervisors and the Union agrees that they will not strike, slow down, or cause a slow down or engage in any work stoppage during the term of this

Agreement. Any Supervisor who violates the terms of this section shall be subject to discharge.

Section 6:     Discipline. No employee shall be disciplined except for just and proper cause.

In the event of a suspension in excess of five (5) working days or in the event of a termination, the employee shall be entitled to notice and hearing. At any such disciplinary hearing, the employee may be represented by the steward, the local Union President, or designee, and a council representative.

In the case of a suspension of five (5) working days or less, the employee may grieve the action through the Grievance Machinery as set forth herein. However, for a lesser disciplinary action which does not involve a suspension or greater discipline, employees may grieve the issue, but cannot take the matter to arbitration.

The Union may elect to appeal the matter to an arbitration provided that such an appeal is joined in by the employee in writing. Matters for which an appeal mechanism is prescribed by law to the Civil Service Commission shall not be submitted to arbitration.

In the event any employee involved elects the Civil Service Procedure, such election will be deemed final and binding and constitute an absolute waiver of the option to appeal the matter to arbitration.

The person initiating any such charges shall not be the presiding officer at the disciplinary hearing.

Section 7:     Discharge or Suspension

A.     The Employer shall not discharge or suspend any employee without just cause. In all cases involving the discharge or suspension of a Foreman, the Employer must immediately notify the Supervisor in writing of his discharge or suspension and the reason

therefor. Such written notice shall also be given to the Shop Steward, and a copy mailed to the local Union office within one (1) working day from the time of discharge or suspension.

B. If it is determined that no disciplinary action should be taken, then any and all papers, inclusive of the complaint and other materials, must be removed from the personnel file within five (5) days of the date that it is determined that no action should be taken. If the action is taken, and if the employee is successful, either by way of mediation, arbitration or litigation, then the complaint and other related papers must be removed from the file within five (5) days of the date of the adjudication in favor of the employee.

For any mail order prescription, each employee shall pay \$0.00 for generic drugs, \$26.00 for preferred name brand drugs, and \$37.50 for non-preferred name brand drugs. If there is a single source brand drug for which there is no chemical or therapeutic equivalent, the source brand drug shall be provided at the preferred drug co-pay rate, even if the drug falls under the non-preferred status.

H. Effective January 1, 2017, the Township's prescription drug plan shall exclude the medications set forth in Exhibit B to this Agreement. The Township agrees to distribute any update to the prescription drug plan's formulary drug list as soon as administratively possible. Within 90 days of the date of such distribution, the Union may accept or reject such update with due notice to the Township. If the Union chooses to reject the update, then the Union shall begin participating in a prescription drug plan without a formulary drug list which will result in higher contribution rates.

I. Retirees who retire with 25 or more years of service are eligible for medical and hospital benefits in retirement, with contribution rates based on c.78 rates applied to the pension benefit. Notwithstanding the above sentence, employees who had 20 years of service with the Township on June 28, 2011, and who retire with 25 or more years of service, shall continue to be eligible for medical and hospital benefits in retirement, at no cost to the employee. Effective January 1, 1991, a minimum of ten (10) years of service with the Township is required for retiree eligibility to participate in the group plan at the retiree's own cost.

Effective January 1, 2014, there shall be no lifetime maximum medical benefit for major medical under the POS Plan and the Traditional/PPO plan for retirees. The Township agrees to provide retirees Prescription Plan Drugs card coverage in which the covered person will pay 20%

Once the \$1,200.00 maximum prescription out-of-pocket is reached, the retiree may submit the co-pays to the Township for reimbursement.

J. The 80<sup>th</sup> percentile Usual and Customary out-of-network payment schedule shall be replaced with an out-of-network payment schedule based on the 200% of Medicare fee standard.

K. The Traditional Dental Program coverage will be \$2,000.00 per year, per person. The orthodontic service coverage will increase to \$3,000.00, effective January 1, 2012. P. All insurance payments and contributions to be deducted from employee's paycheck on a pre-tax basis.

Q. The Employer reserves the right to terminate the existing health insurance plan and provide the employees with an equal plan with no reduction in benefits.

R. Mandatory Generic Program: If a Brand medication is prescribed for a maintenance drug, and a Generic equivalent exists for that Brand medication, the Generic equivalent must be accepted by the insured individual in order to be covered by the plan. If the insured individual's physician believes there are special circumstances under which the insured must take the brand medication as prescribed, the insured's physician may request a coverage review and appeal. During the pendency of the appeal, the employee may pay the appropriate copay for the Brand medication.

S. Walgreens Smart 90 Plan: Maintenance drug prescriptions must be filled at a Walgreens retail pharmacy (or such other pharmacies as the Township may subsequently identify) or through mail order to be covered by the plan. Non-maintenance drug prescriptions may be filled at any participating pharmacy as always.

T. Health Care Contributions: Employees and retirees shall make contributions to health care plans in accordance with the percentage of premium that was required under full implementation under P.L. 2011, c. 78.

U. Plan Costs: Since the Township is self-insured, "plan cost" shall be determined based upon COBRA rate equivalents.

The Committee will be funded by contributions of the Township of ten percent (10%) of the cost savings achieved as a result of a unit member's eligible cost savings idea, as set forth below. The contributions will be used to provide benefits or assistance to unit members not covered by Township provided benefits who the Committee determines are deserving of such assistance. The Committee will set the criteria for eligibility for assistance.

The cost savings idea must be original, must be implemented and must result in a net cost savings to the Township.

But the Union shall not be liable for damages for breach of contract in the event that the Supervisors engage in any activity prohibited by this section, but which the Union has not authorized and which the Union has used its best efforts to prevent and terminate. Union liability, however, shall exist in case, but only in case, the Union calls, sanctions, ignores, disregards, or fails to take affirmative action to terminate such strike activity.

Section 2:     Protection of Rights:   Picket Lines. It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event an employee refuses to enter upon any property involved in a primary labor dispute, or refuses to go through or work behind any primary picket line, including the primary picket lines at the Employer's places of business.

                  The foregoing shall be applicable to the extent permitted by law, nothing herein contained shall be constituted to be a contract or agreement expressed or implied, which in any manner violates Federal or State law as presently enacted or amended or interpreted during the term of this Agreement.

**ARTICLE XXI**

**ARTICLE XXIII**

**HEALTH AND SUBSTANCE ABUSE EDUCATION PROGRAM**

## ARTICLE XXIV

### SAVINGS AND SEPARABILITY

Section 1: If any Article or Section of this Agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with, or enforcement of any Article or Section should be restrained by such tribunal, pending a final determination as to its validity, the remainder of this Agreement and of any rider thereto, or the application of such Article or Sections to persons or circumstances other than those to which it has been held invalid, shall not be affected thereby.

Section 2: In the event any Article or Sections are held invalid or enforcement of or compliance with has been restrained, as set forth, the parties affected thereby shall enter into immediate collective bargaining negotiations, upon the request of either party, for the purpose of arriving at a mutually satisfactory replacement for such Article or Section during the period of invalidity or restraint. If the parties do not agree on a mutually satisfactory replacement, either party shall be permitted all lawful economic recourse in support of its demands, notwithstanding any provision in the Agreement to the contrary.

## ARTICLE XXVII

### FAMILY AND MEDICAL LEAVE

Section A: An employee who requests a leave of absence pursuant to State and Federal family leave laws may be granted up to six (6) months of leave without pay, depending on the nature of the circumstances, consistent with past practice and with Township policy and State and Federal law.

Section B: The employer may require an employee to use their accumulated sick and vacation days concurrently with any leave time granted pursuant to this Article.

Section C: Employees may be granted unpaid maternity or paternity leave as provided for under the Family and Medical Leave Act and the New Jersey Family Leave Act. The employer may require an employee to use their accumulated vacation days concurrently with any leave time granted pursuant to this Article for baby bonding, but employees may not use their sick time concurrently with leave granted pursuant to this Article for baby bonding. Leave time granted pursuant to this Article for baby bonding must be taken consecutively.

Section D: If an employee needs family leave for both a family member (that would qualify under NJFLA) and for themselves (that would qualify under FMLA), such employee can submit a request that their NJFLA and FMLA time not run concurrently. The employee will be required to provide appropriate medical documentation for both injuries and illnesses. Upon reviewing a qualifying request and appropriate documentation, the Township will grant the request upon good cause. Given employer concerns of the potential for abuse, this paragraph shall expire on June 30, 2020. Whether this language, other language, or no language addressing this issue will be placed into a successor agreement upon expiration of this contract, shall be determined at negotiations for a successor agreement. Upon expiration, and

subject to negotiations for a successor contract, nothing herein shall serve to negate the Township's prior past practice of running family leave time that qualifies for NJFLA and FMLA concurrently.

**ARTICLE XXVIII**

**DRUG AND ALCOHOL POLICY**

Employees shall be subject to the Township's Alcohol and Drug Free Workplace Policy. Employees who hold a CDL license shall also be subject to the Township's DOT Alcohol and Drug Free Workplace Policy.

Section 2: This Agreement shall not prevent nor grant the Supervisors of the Division of Streets and Sewers from receiving any general fringe benefits or holidays awarded the employees of the Township of Woodbridge by legislative action of the Mayor or the Municipal Council during the period of this contract.
