### III. Grievance Procedure

#### A. Definition

1. A grievance shall mean a complaint by a member of the negotiating unit that there has been to him a personal loss, injury or inconvenience resulting from a violation, misinterpretation or inequitable application of any of the provisions of this Agreement, Board policies, or administrative decisions affecting him.
2. A grievance to be considered under this procedure must be initiated in writing within thirty(30) calendar days from the date when the grievant knew or should have known of its occurrence.
3. An "employee grievant" is the person or persons making the complaint.
4. A "party in interest" is the person or persons making the complaint and any person who might be required to take action or against whom action might be taken in order to resolve the complaint.

#### B. Rights of Members to Representation

1. Any party in interest may be represented at all stages of the grievance procedure by himself, or at his option, by a representative of his own choosing.
2. When an employee is not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the written grievance to the Superintendent or at any later level, be notified by the Superintendent that the grievance is in existence and shall be notified of the result.

#### C. Procedure

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the employee grievant to proceed to the next step. In an emergency situation such as illness, vacation, death in the family, this time limit may be extended by mutual agreement between the parties involved.  
  
(b) It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.
2. (Level One) Any employee grievant who has a grievance shall discuss it first with his principal (or other immediate superior, if applicable) in an attempt to resolve the matter informally at that level, who shall give his decision within five (5) school days.

ARTICLE III, continued

3. (Level Two) The employee grievant, no later than five (5) school days after receipt of the decision of his principal or other immediate superior, may appeal the decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing specifying: (a) the nature of the grievance; (b) the nature and extent of the injury, loss, or inconvenience; (c) the results of previous discussions, (d) his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the date of receipt of the appeal. The Superintendent shall communicate his decision in writing to the employee grievant, to the Association and to the principal or other immediate superior.

4. (Level Three) If the grievance is not resolved to the grievant's satisfaction, he no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, or at the request of the employee grievant, hold a hearing with the employee grievant and render a decision in writing and forward copies thereof to the grievant and to the Association within twenty (20) calendar days of receipt of the appeal by the Superintendent, or if a hearing is held, within twenty (20) calendar days of the date of the hearing. The referred to hearing shall be held within fifteen (15) school days after receipt of the appeal notice.

7. The following procedure shall be used to secure the services of an arbitrator:

(a) Either party may request the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the matter at issue.

(b) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted roster, they may request the American Arbitration Association to submit a second roster of names.

(c) If the parties are unable to determine within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted roster, the American Arbitration Association may be requested by either party to designate an arbitrator.

8. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties, or any policy of the Board of Education. The arbitrator shall have only the power to interpret what the parties to the AGREEMENT intended by the specific clause in the AGREEMENT or Board Policy which is at issue. The recommendations of the arbitrator shall be binding on both parties.

9. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

ARTICLE XII, continued

5. In the event that the Board must close all schools and related facilities because of (a) a withdrawal of services by any employee group or groups or (b) an emergency or disaster other than one resulting from inclement weather or mechanical failure necessitating the closing of a building, any resulting extension of the school year by the Board, in order to meet State requirements for a minimum school year, shall not constitute grounds for a claim for additional salary in excess of any employee's contracted annual salary to be paid for such extended school year.

6. The work year for employees covered by this Agreement shall consist of 180 instructional days for pupil instruction. In addition, employees shall be required to work the following non-instructional days:

One (1) full day of in-service training for all teachers.

One (1) full day of orientation for all teachers.

One (1) full day of orientation for teachers new to the School District.

7. Credit shall be given for full-time teaching experience, up to a maximum of four years, in private and parochial schools or colleges and universities if the teacher was fully certified at the time of such experience. Any teacher presently employed in the district, and having such experience, will be placed on his appropriate place on the salary guide, upon verification of said experience and certification.

8. Any teacher when traveling in his own car on school business approved by Superintendent of Schools shall be recompensed at the rate of 12 cents per mile on presentation to the Board of Education of a detailed voucher.

9. Teachers shall be entitled to the following temporary non-accumulative absences without suffering loss in pay, sick leave or personal business days:

(a) Time necessary for mediation or fact-finding hearings if held during the school day.

XIII. Adult Evening School, Summer School, Home Teaching, and Other Programs

A. Applications for teaching positions in summer school will be accepted after the preceding March 1 and no later than the preceding June 1. Applications for teaching positions in Adult Evening School will be accepted prior to September 1 and January 1 of the fall and spring semesters, respectively. Home instruction openings will be posted as they occur. Applicants for these positions will be notified of the action taken by the Superintendent of Schools as soon as possible after appointments are made.

B. Criteria: In filling such positions, consideration shall be given to a teacher's area of certification, major and/or minor field of study, quality of teaching performance, and attendance record. When all other factors are substantially equal preference shall be given first to teachers who have taught the grade and/or subject in question on a regular basis in the Pennsville School District at any time during the preceding three (3) years.

C. Any teacher teaching in the above programs will be compensated at the tutorial rate effective at that time. (ARTICLE XII-A-1)

D. Each teacher applicant not selected shall, upon request, receive a written explanation from the Superintendent. Announcements of appointments shall be made by posting a list in the office of the central administration and in each school building.

#### XIV. Teacher Transfer

The Board and the Association recognize that teacher transfers and reassignments may be disruptive of the educational process and optimum teacher performance unless there are procedures which assure fairness and guarantee full consideration of the individual interests of teachers as well as the over-all interests of school administration.

##### A. Teacher Request

1. A teacher may request a change of school, grade assignment, or both when such request is made in writing to the superintendent. This request should be submitted as early in the year as possible.
2. The superintendent will determine the disposition of the request, using the following criteria as a guide:
  - (a) Will the transfer be in the best interest of the students?
  - (b) Will the transfer be in the best interest of the school and the teacher?
  - (c) Seniority in the district.
3. When two qualified teachers request the same position, as a general rule, seniority in the district will prevail; however, the superintendent shall have the right to use his discretion in excepting this condition. If, in the considered judgment of the superintendent, this condition should be excepted, that person, or persons, having the greater seniority shall have the right to appeal through the grievance procedure.
4. Upon request by the teacher, the superintendent will furnish to the teacher the reason(s) why he or she was not selected for the position(s) which were specified in the transfer request.
5. A list of known vacancies that will exist for the following year should be posted in all schools so that the teachers may apply for open positions. This list should be kept up to date with new openings added as they occur. During the summer, this list will be kept posted in the office of the superintendent.

##### B. Administrative Decision

1. The superintendent shall assign teachers throughout the district to provide the best possible educational experience for all children.
2. When the superintendent believes that a transfer will be in the best interest of the teacher or the school(s) affected, the teacher will be advised in writing of this decision immediately.
3. If a principal believes that the transfer of a teacher will serve the best interests of the school, he may submit a written request to that effect to the superintendent. If such a transfer is to be made, the teacher will be advised in writing immediately.
4. If an involuntary transfer is to be made, then the grievance procedure agreed upon between the Association and the Board may be followed at the instigation of the teacher involved.

XV. Class Size

The Board agrees to continue its effort to keep class sizes at an acceptable level as dictated by the building facilities available, the availability of qualified teachers, the financial impact on the School District, and the best interests of students and the community. The Board recognizes the class size recommendations of the State Department of Education and takes them into consideration in planning staffing patterns. This shall not hinder, however, administrative flexibility in establishing classes involving team teaching, large group instruction or use of para-professionals and volunteers under the supervision of certified teaching personnel.

XVI. Modification of Agreement and Negotiation of Successor Agreement

The duration of this agreement shall be one(1) year.

XVII. Statutory Separability

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, than such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

XVIII. Duration of Agreement

- A. This AGREEMENT shall be effective as of July 1, 1975 and shall continue in effect until June 30, 1976, subject to the Association's right to negotiate over a successor AGREEMENT as provided in the Negotiation Procedure (ARTICLE II). This AGREEMENT shall not be extended orally and it is expressly understood that it shall expire on the date indicated.
- B. This AGREEMENT will be printed in a convenient folder form, the cost of which shall be borne by both parties. However, the Board's share of the cost shall not exceed \$150.00
- C. In witness thereof the parties hereto have caused this AGREEMENT to be signed by their respective representatives.
