**Article IV  
Teachers' Rights**

**A. Statutory Savings Clause**

Nothing herein contained shall be construed to deny or restrict to any member such right as he may have under New Jersey School Laws or other applicable laws of the State of New Jersey. No grievance will go to arbitration because of this paragraph.

**B. Required Meetings or Hearings**

Whenever any member is required to appear before the Board, or any member or committee thereof, concerning a matter known beforehand which could or might adversely affect the continuation of the member in his office, position or employment, or the salary or any increments pertaining thereto, such member shall be notified of the reasons for such meeting or interview and he shall be entitled to have a person or persons of his choice present at such meeting or interview to represent and advise him. In cases where the appearance is before the Board, or a member or committee thereof, written notice shall be provided to the member not less than three (3) school days before the time of the proposed appearance.

It is understood that pre and post observation conferences between authorized supervisors and teachers and the annual summary conference between the authorized supervisor and teacher are not covered by the provisions of this article.

**C. Information**

The Board shall furnish to the President of the Association the following materials and information:

1. The annual audit report when received and accepted by the Board.
2. One copy of the minutes of each regular or special meeting of the Board after approval thereof by the Board.
3. One copy of the agenda for each regular and special meeting of the Board in advance of the meeting whenever possible.
4. One copy of the line item budget for the following school year within one week following approval of the Passaic County Superintendent of Schools.
5. One copy of Board Policy Manual and subsequent updates.

**D. Non-renewal of Contract for Non-tenured Teachers**

In the event the Board determines not to renew the contract of a non-tenured teacher, the teacher may, within ten (10) days of notification of such determination, request from the Board a statement of its reasons for non-renewal of his contract. The Board shall, within ten (10) days after its receipt of such request, notify the teacher in writing of its reasons for non-renewal.

Such non-tenured teacher may, within five (5) days after the receipt by him of the Board's reasons for non-renewal, request an informal appearance before the Board to discuss the matter. A date for such informal appearance shall be fixed by the Board as soon as reasonably possible thereafter. Within fifteen (15) days following the informal appearance, the Board shall notify the teacher whether or not it has reconsidered its decision not to renew the contract. The Board's refusal to renew such teacher's contract shall not be considered a grievance under this agreement or subject to the grievance procedure under Article III hereof.

**E. Additional Privileges**

No religious or political activities of any teacher shall be grounds for discipline or discrimination with respect to the professional employment of such teacher, provided, however, that any such activities do not violate any local, state or federal law, or affect the teacher's responsibilities as an employee of the Lakeland Regional High School District.

Within a period of ten (10) days from the filing of the appeal with the Superintendent, he shall grant the member a hearing and shall submit his decision in writing, with supporting reasons, to the member and shall forthwith deliver a copy of such decision to the Principal.

In the event the member is not in agreement with the decision of the Superintendent, such member may, within ten (10) days after receipt of the Superintendent's decision, file a written appeal with the Board. The Board, or a committee of the Board, may grant the aggrieved member a hearing and render a decision within twenty (20) days of receipt of such request.

If the aggrieved person is not satisfied with the disposition of his grievance by the Board, or if no decision has been rendered within twenty (20) days of receipt of such request, he may, within five (5) days request in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) days after receipt of a request by the aggrieved person.

Within ten (10) days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrators to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. Said request shall be made within five (5) days. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission. The arbitrator's decision shall be in writing and shall be submitted to the Board and the Association and shall be advisory only.

In the event that the arbitrability of a grievance is at issue between the parties, jurisdiction to resolve the issue shall rest with the arbitrator selected in accordance with the provision of this article, or with the Public Employment Relations Commission or the courts where appropriate.

The costs of the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the expense.

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operations of the grievance procedure.

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this article.

At any and all of the hearings and during any and all of the steps hereinabove outlined, the member shall have the right to be represented by a person or persons of his choosing.

If a member objects to the opinion rendered by the Principal, he may, within five (5) days after receipt of the Principal's written decision, appeal the same to the Superintendent. Such appeal shall be in writing and shall set forth the grounds upon which the objection is based. A copy of any such appeal shall be promptly submitted to the Principal.

Within a period of ten (10) days from the filing of the appeal with the Superintendent, he shall grant the member a hearing and shall submit his decision in writing, with supporting reasons to the member and shall forthwith deliver a copy of such decision to the Principal.

In the event the member is not in agreement with the decision of the Superintendent, such member may, within ten (10) days after receipt of the Superintendent's decision, file a written appeal to the Board, and notify the Superintendent of the appeal.

The member or the Association and the Superintendent shall submit memoranda to the Board stating their positions relative to the grievance. Discussion of the grievance and the memoranda shall be held by the Board, with a quorum of the Board members present.

After such discussion, if a minimum of (3) Board members present agree that the grievance has merit, the Board shall grant the aggrieved member a hearing and tender a decision within twenty (20) days of receipt of such appeal. At any and all of the hearings and during any and all of the steps hereinabove outlined, a member shall have the right to be represented by a person or persons of his own choosing.

Upon the recommendation of the Superintendent and at the discretion of the Board, a leave of absence with pay may be granted for the purposes of professional development for a period of up to one year.

Upon return from a leave, the member shall be placed on the salary guide at the next higher step beyond the step he was on during the last previous year of teaching.

Upon return from a leave, a member shall be credited with all benefits which had accrued to him at the time of the commencement of such leave provided the member actually works in the Lakeland Regional High School District for at least one (1) year following his return from the leave.

During the term of a leave, a member shall be covered by all insurance protection outlined in Article XXIII of this contract, the premiums for such coverage shall be paid by the Board of Education.

**F. Return from Leave**

Any and all benefits to which a member was entitled at the time of the commencement of a leave of absence, including unused sick leave, shall be restored to him upon his return, and he shall, if reasonably possible, be reassigned to the same position which he held at the time said leave commenced.

The return of a member to the school system shall not be restricted to a return to the same positions, service or assignment where circumstances prevent the member's acting in such capacity because of the nature of the leave.

**G. Extensions or Renewals**

All applications for extensions or renewals of leaves of absence and any Board action taken thereon shall be in writing.

**Article XX**  
**Professional Development**

**A. Reimbursement of Tuition Fees**

The Board, to the extent hereinafter set forth, shall reimburse for tuition expended by any teacher member who has not attained placement on the MA+30 step of the salary guide (with such exceptions as noted below). Such reimbursement shall be for tuition expended by such teacher for graduate or undergraduate courses for the purposes of his/her professional development and education improvement provided that:

1. If on the MS+30 step of the guide, the teacher is engaged in a program of professional development approved by the Superintendent.
2. The course for which tuition reimbursement is sought must be:
  - a) Directly related to the area for which the member is responsible,
  - b) Part of a master's or doctoral program approved by the Superintendent,
  - c) Part of a professional development program approved by the Superintendent, or
  - d) Demonstratively related to the member's area of expertise even though the courses are in an area not directly related, and
  - e) Earned at a regionally accredited college or university.

3. Courses for which reimbursement of tuition will be requested must be approved by the Superintendent prior to enrollment in the course(s), if at all possible.

4. No reimbursement for tuition shall be made without approval of the application by the Superintendent and certification in the form of an official transcript or grade report that shows a grade acceptable to the college in which it was earned in a graded course or a "P" in an un-graded course.

5. Reimbursement for tuition costs per credit shall not exceed the amount per credit charged by the New Jersey State College or University where he is enrolled. If a course is taken at a private institution, the cost will be paid at the average per credit rate being charged by William Paterson University, Montclair University and Ramapo State College.

6. Reimbursement for any one member shall be limited to nine (9) semester hours or credits per contract year.

7. The sum total to be reimbursed shall not exceed the amount of \$35,000 for each of the contract years. These funds will be distributed according to the following formula:

A member shall receive one-half of the amount approved upon presentation of proof of registration for the approved course(s). At the end of the school year and after all members who have completed approved courses have been paid for one-half of their tuition, the remaining funds will be divided by the total number of credits approved for reimbursement but not paid for and each member will receive a pro rata amount, not to exceed 100%, for each approved credit earned.

8. In order to receive the initial one-half reimbursement for a course, the teacher should submit to the Board Secretary a copy of the approval of the course by the Superintendent, and either a bursar's receipt or a canceled check for the tuition that they have paid for the course. To receive final reimbursement, the teacher must submit the request for

reimbursement form and an official grade report or transcript or copy of an electronically submitted grade report to the Superintendent for inclusion on the agenda of the earliest Board meeting following submission.

9. In the event the Superintendent does not receive proof indicating the successful completion of a course by the dates indicated below, he shall inform the Board so that the amount of money paid to the teacher for the initial one-half reimbursement may be deducted from the teacher's salary:

Fall semester	March 15th
Spring semester	September 15th
Summer semester	November 15th

If, after deducting money for failure to successfully complete a course, the Board receives proof indicating that the course has been successfully completed, the amount deducted shall be reimbursed within thirty (30) calendar days. The remaining balance shall be paid in accordance with Article XX, Section A.

10. Provided that proof of successful completion of the course is submitted to the Board no later than June 1 of the contract year, tuition reimbursement payment for that contract year shall be paid no later than the last pay period in June.

**B. In-Service Program**

The Board shall provide annually in-service programs for credit to members at no cost to members. The administrative and/or instructional costs of in-service programs and courses will be part of the appropriation by the Board for in-service and be disassociated from any other payment reimbursement outlined in this article.

Members may accumulate any number of in-service credits. However, only 15 of these will apply toward advancement on the salary guide.

In-service credit will be awarded at a rate of 1/10 credit for each hour spent, upon certification that the member has fulfilled the time requirement outlined above.

**Article XXI**  
**Teacher Facilities**

**A. Listing of Facilities**

The following facilities shall be and remain available to the members for use during school hours:

1. An appropriately furnished room for the exclusive use of teachers as a faculty lounge. Although teachers shall be expected to exercise reasonable care in maintaining the appearance and cleanliness of said lounge, it shall be regularly cleaned by the school custodial staff.
2. A serviceable desk, chair and filing cabinet for the use of each teacher.
3. Copies, exclusively for each teacher's use, of all texts used in each of the courses he is to teach.
4. Adequate books, paper, pencils, pens, chalk, erasers, and other similar material required in daily teaching responsibilities.
5. Every effort will be made to provide adequate space for an Association office.
6. Every effort will be made to provide a quiet, private area for phone conferencing with parents.

**Article XXII**  
**Protection of Teachers, Students and Property**

**A. Unsafe and Hazardous Conditions**

Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which would or could endanger their health or safety.

**B. Reasonable Force**

As specified in the N.J.S.A. 18:6-1, a teacher may, within the scope of his employment, use and apply such amount of force as is reasonable and necessary to quell a disturbance threatening physical injury to others; to obtain possession of weapons or other dangerous objects upon the person or within the control of a pupil; for the purpose of self-defense; and for the protection of persons or property.

**C. Assault**

1. Legal Assistance

The Board shall, provided a member has not violated any state or federal law, give full support and assistance for any unprovoked assault upon the member while acting in the discharge of his duties.

2. Leave

If and when absence arises as a result of any assault upon, or injury to, a member, he shall be entitled to full salary and other benefits for one calendar year and shall not be deemed to forfeit any sick or personal leave. Any weekly Workmen's Compensation recovery shall be returned to the District as indicated in N.J.S.A. 18A:30-2.1

3. Reimbursement for Personal Property Damage

The Board shall reimburse members for the reasonable cost of any clothing or personal property damaged or destroyed as a result of an assault suffered by a member while acting within the scope of his employment and in the discharge of his duties.

**D. Reporting Assaults**

Members shall immediately report cases of assault suffered by them in connection with their employment to their Principal or immediate supervisor.

2. Superintendent

Such notification shall immediately be forwarded to the Superintendent, who shall comply with any reasonable request from the member for information in the possession of the Superintendent relating to the incident or the persons involved, and shall act in appropriate ways as liaison between the teacher, the police and the court.

**Article XXIII**  
**Insurance Protection**

**A. Full Health Coverage**

- a. The Board shall pay the full premium to provide each member employee, and in cases where appropriate for family coverage, for medical insurance coverage in the health plan currently in effect.
- b. If, during the time that this contract is in effect, the Board elects to change insurance carriers, the Board agrees to provide coverage equal to or better than the health plan currently in effect as per (a) above.
- c. Effective upon ratification of this agreement, all new hires will receive the appropriate single or family Non-Traditional PPO Benefit Program with the full premium paid by the Board for the first three years of employment. Those individuals will be eligible to procure any upgrades available by paying the difference between the Non-Traditional PPO Benefit program coverage provided by the Board and the total cost of the upgrade option. After three years they will receive the same health insurance benefits package as those hired prior to September 1, 2007.
- d. Members wishing to take advantage of the provisions identified below will have to declare their intention during the Open Enrollment in June to be effective July 1 of that calendar year.

When a member chooses to decline their current coverage, the Board will pay a stipend of 50% of the school year premium. Said employee shall complete the required forms acceptable to the Business Administrator and provide proof of insurance coverage by the date of the open enrollment deadline. The payments shall be split the 1<sup>st</sup> year 50% employee, 50% Board and each subsequent year shall be 40% employee, 60% Board. The stipend will be paid in two equal payments to be paid in conjunction with the January 30<sup>th</sup> and June 30<sup>th</sup> payroll each year.

Any person in the existing unit, wishing to change from the Traditional to the Non-Traditional PPO Plan must sign up by the open enrollment deadline for the PPO Plan coverage. The savings would be split as follows: a one time payment in the first year of 70% employee and 30% Board. This change will remain for the balance of this contract. This stipend will be paid in the first month of the implementation of this clause.

These conditions listed above shall remain in effect until a successor agreement is ratified by both parties.

**B. Dental Coverage**

The Board shall pay full premium for coverage of the employee only in the current dental plan. Employees may select, in addition to the above plan, a plan which affords family coverage benefits. The Board will share the cost of this plan only to the extent of employee only premium. All additional cost will be paid by the employee.

The details and provisions of both the employee and family dental plans will be kept in the office of the Board of Education.

**C. Description to Teachers**

The Board shall provide to each member a description of the health care insurance coverage provided under this Article, including the conditions and limits of such coverage as furnished by the plans listed in paragraphs A & B above when requested.

**Article XXIV**

**Board Rights**

**A. Powers Vested By Law**

The Board shall possess and exercise all responsibilities, powers, rights and authority expressly or inherently vested in it by the laws of the Constitution of New Jersey and the United States.

**B. Jurisdiction**

The Board reserves itself sole jurisdiction and authority over matters of policy and retains the right, subject only to the limitations imposed by the language of this agreement and in accordance with the applicable laws and regulations: (a) to direct employees of the school district; (b) to hire, promote, transfer, assign and retain employees in positions in the school district and to suspend, demote, discharge, or take other disciplinary action against its employees in accordance with the law; (c) to reduce the number of employees from duty because of lack of work or for reasons of economy or for other legitimate reasons as permitted by law; (d) to maintain efficiency of the school district operations entrusted to it; (e) to determine the methods, means and personnel by which said operations are to be maintained; and (f) to take whatever actions may be necessary to carry out the mission of the school district in situations of emergency.

**C. Rules**

The Board retains the right to establish and enforce reasonable rules and personnel policies relating to the duties and responsibilities of the members and their working conditions which are not inconsistent with any of the provisions of this agreement.

**Article XXVII**  
**Miscellaneous Provisions**

**A. List of Positions and Compensation**

The Board shall furnish to the Association a list of all positions that are to be compensated and the amount of such compensations.

**B. Association Officers Duty-Free Periods**

The LRHSTA shall be provided with 40 consecutive minutes per day release time in lieu of duty or pep assignments during the entire school year. These minutes will be allocated by the president of the LRHSTA and will be utilized by one individual per semester. Within 2 weeks of the start of each semester the president of the LRHSTA will notify the Superintendent of the names of those individuals.

**C. Duration of Agreement**

This agreement shall be and remain in effect from July 1, 2007 through and including June 30, 2010.

**D. Service of Process**

The parties hereto agree that each party shall accept process issued as a result of any action, proceeding or complaint filed in any court of the state of New Jersey, in the United States District Court for the District of New Jersey, or any Agency of the State of New Jersey. Service shall be deemed accepted upon service being made in the following manner:

1. Where the Board is the respondent, by leaving a copy of any pleading or order filed or entered in such proceedings, together with the process, at the office of the Board Secretary.
2. Where the Association or any of its officers or any of its members, either individually or as a class, are respondents, by serving any officer of the Association with a copy of the documents mentioned in paragraph 1 above, or by mailing such documents by certified mail addressed to any two officers of the Association at their last known addresses. Such service shall constitute due and timely service upon all the members of the association and its officers as if each member and officer were duly, timely and personally served with such documents. The within provision shall continue in full force notwithstanding the termination of the within agreement and until a new agreement is substituted for the within agreement.

**E. Provision of Contract Copies**

The Association and the Board shall provide copies to their members independently of each other.

**Article XXVIII**  
**Deduction from Salary**

**A. Association Payroll Dues Deduction**

The Board agrees to deduct from the salary of its employees dues for the local Association and the New Jersey Education Association. Such deduction shall be made in compliance with Chapter 233 N.J. Public Laws of 1969 (N.J.S.A. 52:1415.9e) and under rules established by the State Department of Education. Said monies, together with current records of any corrections, shall be transmitted to such person as may from time to time, be designated by the local Association, by the 15<sup>th</sup> of each month following the monthly pay period in which deductions were made. The person designated shall disburse such monies to the appropriate association or associations.

**B. Representative Fee**

1. Purpose of Plan – If a bargaining unit member does not become a member of the Association during any membership year (i.e. from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year to offset the costs of services rendered by the Association or majority representative.

2. Amount of Fee – Prior to the beginning of each membership year, the Association will notify the Board, in writing, of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members shall not exceed 85% of that amount. The Association will certify to the Board, prior to the start of each membership year, that the amount of the representation fee to be assessed does not exceed 85% of dues, fees and assessments that are expended, (a) for partisan, political, or ideological activities or causes, that are only incidentally related to terms and conditions of employment, or (b) applied toward the cost of benefits available only to members of the majority representative.

3. Deduction and Transmission of Fees – The Board agrees to deduct from the salary of any bargaining unit member who is not a member of the Association for the current membership year, the full amount of the representation fee set forth in #2 above and promptly transmit the amount so deducted to the Association.

The Board agrees to deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each bargaining unit member during the remainder of the membership year in question. The deductions will begin thirty (30) days after the bargaining unit member begins his or her employment in a bargaining unit position. The Association, before any deductions are made will first establish a demand and return system. This system will provide that a non-union member may appeal the amount of the representation fee assessed against him/her. The Association will provide the non-member with a full and fair hearing, and has the burden of proof in justifying the amount of the fees. Non-members who are dissatisfied with the outcome of their appeal at the local level may appeal further.

4. Indemnification and Save Harmless Provision – The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article provided that the Board gives the Association reasonable notice in writing of any claim, demand, suit, or other form of liability in regard to which it will seek to implement this Paragraph.

5. Termination of Employment – If a bargaining unit member who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid position of the fee from the last paycheck paid to said bargaining unit member during the membership year in question and promptly forward same to the Association. The Procedure explained above will apply to all Association members and not just to those who pay a representation fee. This statement is meant to provide equal treatment for Association and non-Association members. The Board will endeavor to comply with the foregoing, but the Board shall not be liable to the Association for any deductions under this Paragraph which it fails to make.

6. Mechanics – Except as provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association, will as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.
