§3. Reporting of Absence on Sick Leave. If an employee is absent for reasons that entitle him/her to sick leave, the Chief of Police or designee shall be notified in accordance with the Department's rules and regulations.

- a. Failure to so notify the Chief of Police or designee may be cause for denial of the use of sick leave for that absence and constitute cause for disciplinary action.

- b. Absence without notice for five consecutive days shall constitute a resignation not in good standing.

§4. Verification of Sick Leave. An employee may be required to submit medical evidence substantiating the illness from a physician acceptable to the City when the employee is absent on sick leave for five or more consecutive days, 10 or more days in one calendar year or whenever there is reason to believe that the employee is abusing sick leave. The City may also require such an employee to be examined by a physician designated and paid for by the City.

Should the funeral service for the deceased hereunder be held more than 500 miles away from the City of Vineland, then such funeral leave shall be for a maximum of 40 hours.

- §3. The employee must attend the funeral service to receive funeral leave. At the discretion of the employee, funeral leave shall be contiguous and consecutive to either the date of death or the date of the funeral service, whether the days are working or non-working. Funeral leave requests shall be subject to the approval of the Chief of Police, which shall not be unreasonably denied.

Article 18 - Personal Leave

Each employee shall receive 32 personal leave hours annually to be granted upon five days prior written request of the employee to the Chief of Police or designee with a copy to the immediate supervisor. The five day requirement may be waived in emergency and unusual circumstances. However, the employee shall provide as much written notice as possible in accordance with the procedure outlined above. Personal leave shall not accumulate from year to year.
- §2. New employees and employees in their final year of service shall earn eight personal leave hours every three months provided the employee is on the payroll for at least 60 consecutive days between each three month period as follows:

- §4. If an employee takes more leave than earned, the value of the leave will be withheld from the last paycheck. If the deficiency exceeds the last paycheck, the City will seek reimbursement for the deficient amount.

Article 19 - Leave of Absence and Military Leave

- §1. Any employee desiring leave without pay for personal reasons shall make a request in writing to the Chief of Police not less than two weeks in advance of the date for which such leave is desired, except in the event of an emergency, stating the reasons for the leave and the time requested. Leaves may be granted or denied at the discretion of the City and shall not be unreasonably or arbitrarily denied.

Employees may not be gainfully employed during the period of such leave. Falsification of the reason for leave or failure to return promptly at the expiration of a leave shall be considered reason for summary discharge. Leave shall be granted or denied in writing.

The arbitrator shall hear the matter on the evidence and within the meaning of this Agreement and applicable CSC rules and regulations, and render his/her award in writing, which shall be final and binding. The cost of the arbitrator's fee shall be shared equally by the parties. Advanced training and education achievement are considered important factors in the professional development of employees. The base salaries in this Exhibit shall reflect the successful attainment of college credits or degrees. Employees must submit a certificate of successful attainment of credits or degrees before any salary adjustments are made. Education increments shall be incorporated in the employee's salary by the City on or about the 1st day of January or the 1st day of July following the attainment of approved credits or degrees. Approved college credits or degrees hereunder are those earned under an accredited police science, criminal justice or other police related program.

A 24 step wage schedule based on approved accredited college credits earned shall be created.
