The Association Treasurer shall disburse such monies to the appropriate association or associations.

- C. The Association guarantees that the Board will be saved harmless from any and all legal actions that may arise regarding the collection, transfer, assessment, disbursement, misappropriation, loss or theft of these monies.

**ARTICLE 14**  
**AGENCY FEE**

A. Purpose of Fee

If an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

B. Amount of Fee

1. Notification

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law.

2. Legal Maximum

In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee may be set up to eighty-five percent (85%) of that amount as the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Association membership year immediately following the effective date of the change.

C. Deduction and Transmission of Fee

1. Notification

Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees in accordance with paragraph 2. below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. Payroll Deduction Schedule

The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- a. ten (10) days after receipt of the aforesaid list by the Board; or
- b. thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a nonbargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. Termination of Employment

If an employee who is required to pay a representation fee terminated his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. Changes

The Association will notify the Board in writing of any changes in the list provided for in paragraph 1. above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.

- D. The parties agree that per diem substitutes and hourly employees are excluded from this agency fee payment.

E. Indemnification and Save Harmless Provision

1. Liability

The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article, provided that:

- a. the Board gives the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph; and
- b. if the Association so requests in writing, the Board will surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering evidence, securing witnesses and in all other aspects of said defense.

2. Exception

It is expressly understood that paragraph 1 above will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type of willful misconduct by the Board or the Board's imperfect execution of the obligations imposed upon it by this Article.

**ARTICLE 15**
