WITNESSETH:

WHEREAS, it is the purpose of this Agreement to prescribe the legitimate rights of those Municipal Employees recognized as being represented by the Association and to provide orderly and peaceful procedures for presenting employee grievances and proposals, and to protect the rights of the public in the Township of Clark;

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

ARTICLE 1

RECOGNITION

The Employer hereby recognizes Union Council No. 8, I.F.P.T.E., AFL-CIO as the exclusive representative for clerical and secretarial employees, sanitary inspector, building maintenance employees, communication operators and police records clerk working within the Police Department, of the Township of Clark, but excluding all managerial executives, confidential employees, supervisory employees within the meaning of the Act, police officers, craft employees, secretary to the mayor and secretary to the Business Administrator, all division and department heads, and all other employees employed by the Township of Clark.

ARTICLE 2

REPRESENTATION FEE

a. Notice and Amount of Fee

If an employee in the bargaining unit is not a member of the Association during the term of this Agreement, and during the period, if any, between successive Agreements, such employee shall be required to pay a representation fee to the Association during such term of period. The purpose of the representation fee is to provide for payment to the Association of a fee in lieu of dues for services rendered by the Association, and thereby to offset the cost of services rendered by the Association as majority representative. In order to adequately offset the cost of services rendered by the Association, the representation fee shall be 85% of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members.

The Employer shall submit an up-to-date list of all employees in the unit to the Association at least once each month. The Employer shall advise the Association of any new hires within fourteen (14) days of said employee's hiring. The Association shall submit to the Employer a list of those employees in the unit who are not members of the Association. The Employer shall deduct from the salary of such employee in accordance with "b" below, the full amount of the representation fee and shall transmit promptly the amount so deducted to the Association. The Association shall notify the Employer in writing of any changes in the list and/or the amount of the representation fee, and such changes shall be reflected in any deduction made.

b. Payroll Deduction Schedule

The Employer shall deduct a representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the membership

period fixed by the Association. The deductions will begin with the first paycheck paid ten days after the receipt of the aforesaid list by the Employer (or 30 (thirty) days after the employee begins his/her employment in the bargaining unit position) and every pay check thereafter except where the employee is continued in the employ of the Employer in a non-bargaining unit position or is on layoff, in which event the deductions will begin with the first paycheck paid 10 (ten) days after the resumption of the employee's employment in a bargaining unit position. Except as otherwise provided herein, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues paid to the Association by payroll deduction.

c. Purpose of Article

The purpose of this Article is to provide for payment of representation fees as set forth in Chapter 477 P.L. 1979 of New Jersey or any amendments thereto, and anything herein, which may be inconsistent with said law, shall be deemed to be changed to conform with said law. The Association has represented that it has established a "demand and return" system pursuant to the foregoing law, which is available to employees who pay the representation fee.

ARTICLE 3

ASSOCIATION BUSINESS

Section 1. The Association shall advise the Employer in writing of the names of its representatives.

Section 2. The Association shall neither solicit members nor conduct any business on Employer's property during Employer assigned working schedules of either the representatives of the Association or the employee involved, except for the following:

ARTICLE 14

SICK LEAVE, LEAVE OF ABSENCE AND OTHER LEAVE

Section 1

Sick leave is hereby defined to mean absence from post-of-duty of an employee solely in the event of illness, accident, exposure to contagious disease, attendance upon a member of the employee's immediate family who is seriously ill requiring the care of such Employee. A certificate of a reputable physician in attendance shall be required as sufficient proof of need of leave of absence of the employee or the need of the employee's attendance upon a member of the employee's immediate family. In case of leave of absence due to contagious disease, a certificate from the Department of Health shall be required prior to return to duty. The term "immediate family" is limited to the employee's spouse, children, step-children, grandchildren, parents, grandparents, brothers, sisters or a relative who is part of the household.

Employees are entitled to one day sick leave with pay for each month of service from the date of appointment to December 31 of each year. Thereafter, 15 days of sick leave are granted in each calendar year, or a total of 105 hours. Any employee whose employment has terminated shall have their sick leave prorated in the year of termination at the rate of one day per month, not to exceed 15 days.

Sick time usage is a benefit and is to be used as defined. Sick time is not to be abused, nor is it to be utilized for any other purpose.

The employee or a member of the employees' family must telephone Police headquarters or other individual designated by the Department Head at least an hour before the employee's starting time to advise that the employee cannot report to work.

The employer may require proof of illness, whenever three (3) or more consecutive days are utilized as to "fitness for duty", or if an employee has a pattern of sick leave use. A pattern is defined as "absences that consistently occur". For example, before or after scheduled days off including holidays and vacations; the same day of the week or month, etc. The Department Head or his/her designee retains the discretion in determining what constitutes a pattern. Failure to provide proof of illness by the employee may result in disciplinary action.

Any employee expending a total of more than five (5) non-consecutive days of sick leave in any one year may be required to provide a doctor's note or submit to a physical examination by a medical doctor selected by the Business Administrator, and the net cost, if any, to the employee for that doctor visit shall be reimbursed by the employer. If such examination determines that no sickness is evident, the employee shall be subject to disciplinary action.

Sick time taken as part of a day shall require the approval of the Department Head to verify that the individual either has a doctor's appointment or is feeling suddenly ill.

An employee absent from work utilizing a day of Sick Leave must be at home during the hours scheduled to work for which Employee is being paid and reported off sick except to go to the doctor. The Township reserves the right to send a physician, visiting nurse or other appropriate official to **confirm the Employee's whereabouts** or to order the Employee to a physician of Township's choice to report on condition of the Employee. If such examination determines no sickness is evident, employee shall be subject to discipline.

During a period of disability, employees may elect, if they so desire, to first utilize all or any part of their accumulated sick leave. In the absence of such elections, leaves of absence provided by this Article will not affect in any manner whatsoever, the accumulated sick leave of the disabled employee.

Where a disability work-connected injury is sustained and causes an extended absence, the Township Council will adopt a resolution granting the injured employee up to one-year leave of absence with pay. If and when such action is taken, the employee shall not be charged with sick time beyond that charged at the time of the disability.

In the event of such action, the employee must agree in writing to reimburse the Township for payments he may receive as Workers' Compensation, insurance benefits or from any settlement or judgment paid to the employee by a person or corporation held responsible for such injury.

All full time employees hired subsequent to November 1, 1981 shall accumulate unused sick time leave to a maximum of \$ 7,500.00 which shall be redeemable upon retirement.

Section 2. – Maternity Leave

The employee shall provide medical certification of her condition in the event of a leave of absence due to pregnancy. The employee shall inform the employer, in writing, of the date the employee will begin her maternity leave.

Section 3. – Military Leave

Any full-time employee, who is a member of the National Guard or a reserve unit of any of the armed forces of the United States and is required to engage in field training shall be granted a military leave of absence with pay for the period of such training. Such paid leave of absence shall not affect vacation entitlement.

When a full-time employee has been called to active duty or inducted into the military or naval forces of the United States, the employee shall be granted an indefinite leave of absence, without pay, for the duration of such military service. Each such employee must be reinstated, without loss of privileges or seniority, provided he/she reports for duty with the Township within ninety (90) days following the employee's honorable discharge from military service.

Section 5. – Leave Because of Death in the Family

Leave with pay, not exceeding five (5) days, shall be granted by the Department Head, with the approval of the Business Administrator, to any employee in the event of a death in his/her "immediate family". The term "immediate family" for all the purposes of this Section shall include only the employee's spouse, child, grandchild, mother or father.

Leave with pay, not exceeding three (3) days, shall be granted by the Department, with the approval of the Business Administrator, to any employee in the event of a death of a grandparent, brother or sister; and in the event of a death of the parent or grandparent, brother or sister of his/her spouse, or other person who is a member of his/her household.

Section 6. – Leave Without Pay

Leave without pay shall be granted only when the employee has used his/her accumulated sick leave in the case of illness. In the event leave without pay is requested for reasons other than illness an employee must have used his/her vacation leave. Written request

for leave without pay must be signed by the employee, endorsed by the Department Head, and approved by the Business Administrator before becoming effective.

Such leave, except for military leave without pay, shall not be approved for a period longer than six months at one time. The Business Administrator with the Department Head's consent may extend such leave for an additional six (6) months or any portion thereof. If any employee is on a Leave of Absence Without Pay, such employee may maintain their Health Benefits and reimburse the Township for those benefits.

A request for any type of leave, except sick leave or because of a death in the family, shall be made ten (10) days in advance to permit engaging a substitute for the particular position held by the applicant.

ARTICLE 15

PART TIME EMPLOYEES

Section 1.

All part-time employees shall participate in all of the benefits accorded full-time employees with the exception of health benefits as defined herein unless otherwise required by Civil Service Law or other law. Part-time employees are eligible for medical coverage if the workweek is established at thirty (30) hours or more. Sick leave and vacation time shall follow the same schedule as allowed full-time employees, payment therefore being at the same rate of time or pay as provided in the employee's regular work schedule.

ARTICLE 16

MISCELLANEOUS BENEFITS

Medical Benefits are defined as meaning all health premiums paid for Health Benefits; Prescription Benefits; and Dental Benefits. The Township has the right to change benefit providers as long as the benefits are substantially the same.

Any statutory increase over 1.5% contribution by employee of pensionable salary, will be shared on a 50/50 basis with the Township until December 31, 2014. As of January 1, 2015, the total state mandate will be deducted from employee's pensionable salary.

 - (a) If an employee does not wish to be covered by the medical prescription and/or dental insurance programs and furnishes proof of substitute coverage through spouse's

employment or other equivalent plan, the employee shall be permitted to opt out of participation in any one combination or all of the insurance programs. The employee shall opt out using such forms and/or procedures as established by the Business Administrator. In exchange for such non-participation, the employee shall be entitled to receive, in December of each year, the sums set forth in Section b. hereof prorated for the number of months during the preceding year that the employee did not participate in the insurance plan. However, In the case of an employee and their spouse both being entitled to health benefits either through active employment or retirement, only one member of the couple may participate in the health benefit plans. Should the employee's substitute coverage lapse between the time the employee opts out of the Township Insurance Plan and the next enrollment, THE EMPLOYEE SHALL PAY THE COST OF CONTINUING COVERAGE UNDER COBRA PROVISIONS UNTIL THE NEXT ENROLLMENT.

A grievance within the meaning of this Agreement shall be limited to any controversy or dispute arising between the parties hereto relating to any matter of wages, hours, and working conditions or any dispute between the parties involving interpretation or application of any provisions of this Agreement, exclusively.

Section 2. The purpose of this Article is to provide for the expeditious and mutually satisfactory settlement of grievances, and to that end, the following procedures shall be followed:

Step 1. An employee with a grievance shall first discuss it with his Department Head and/or supervisor directly and in the presence of a local Association representative for the purpose of resolving the matter informally. A grievance must be presented under the Grievance Procedure described herein within five (5) working days of the time that the employee knew of the occurrence of the condition giving rise to the grievance. It is understood that time off the job, be it with or without pay, shall be counted as "working days" under Step 1 of the Grievance Procedure. If it is not presented within the aforementioned time period, it shall not thereafter be considered a grievance under this Agreement, unless reason satisfactory to the Employer is given in explanation of the failure to present the grievance within such time.

Step 2. If the aggrieved party is not satisfied with the disposition of his grievance at Step 1, or if no decision has been rendered within three (3) working days after presentation of that grievance at Step 1, the employee may file a grievance appeal in writing to the Business Administrator. A hearing on the grievance shall be held between the Business Administrator and

the Association's designated representative and the employee affected and any witnesses within seven (7) working days of the receipt of the grievance. The Business Administrator shall render a decision in writing within five (5) working days of the hearing.

If the decision at Step 2 fails to result in a satisfactory adjustment of the grievance, then in that event, the Association may within 30 days, request the New Jersey State Board of Mediation to appoint an arbitrator who shall have full power to hear and determine the dispute, and the arbitrator's decision shall be final and binding on all parties.

ARTICLE 23

RETENTION OF BENEFITS

The Township agrees that all benefits, terms and conditions of employment relating to the status of members in Union Council No. 8, I.F.P.T.E., AFL-CIO, not covered by this Agreement, shall be maintained at not less than the highest standards in effect at the time of the commencement of the collective negotiations leading to the execution of this Agreement and as provided for in this Agreement.
