- D. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

### III. GRIEVENCE PROCEUDURE

#### A. Definition

"Grievance" shall mean a complaint by a supervisor, group of supervisors or the Association that there has been a misinterpretation, misapplication, or violation of policy, agreements affecting the individual or group. To be considered under this procedure, a grievance must be initiated by the supervisor, group of supervisors or the Association within fifteen (15) days of when the grievant or grievants knew or should have known of its occurrence. Any failure to initiate a grievance within the time specified shall constitute a waiver of the right to grieve.

#### B. Procedures

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved supervisor to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

(b) It is understood that supervisors shall continue to observe all assignments and applicable rules and regulations of the Board until such grievance has been fully determined.

(c) At all stages of this procedure, copies of responses will be forwarded simultaneously to the Association.

2. (a) The grievant shall present his/her grievance informally to the party against whom the grievance is directed within fifteen (15) days of occurrence. This discussion shall be an attempt to resolve the matter informally.

(b) In the event that the matter is not resolved informally, it shall be reduced in writing specifying (a) the nature of the grievance; (b) the nature and extent of injury or loss; (c) the result of the previous discussion; (d) the dissatisfaction with the decisions rendered; and (e) the relief sought. It shall then be filed with the person to whom it was informally directed or to the immediate supervisor if he/she is not the person against whom it was directed. The respondent shall have five (5) work days in which to answer the grievance.

(c) If the grievance is not resolved at the level of the immediate supervisor, it shall be filed with the Superintendent of Schools within five (5) work days. A meeting shall be held within five (5) work days by the Superintendent or his/her designee with the grievant and the Association representative. The Superintendent or his/her designee shall have five (5) days in which to render his/her decision in writing following the conference.

(d) In the event that the grievance is directed against a Central Administrator or District Supervisor, the written grievance shall be filed at that level, and failing to be resolved, then to the Superintendent. The time limitations outlined above shall apply to this step.

(e) If the grievance is not resolved to the grievant's or the Association's satisfaction, the grievant or the Association, not later than five (5) work days after the receipt of the Superintendent's decision may request a review by the Board. The Board of Education in its sole and absolute discretion may request that the grievance be jointly considered by the Association's grievance committee and the Board or such subcommittees as either shall designate. The Board, may at its option, hold a hearing with the grievant and the Association and shall answer such grievance in writing no later than five (5) work days following the Board of Education's next regular meeting after receipt of such grievance at its previous regular meeting; if the Board elects not to review the grievance under this provision, it shall notify the grievant and the Association in writing not later than one (1) day after the decision has been made and the Association shall be permitted to immediately proceed if it so desires to the next level.

(f) If the decision does not resolve the grievance to the satisfaction of the grievant, notice of intention to proceed to arbitration shall be given to the Board through the Superintendent within fourteen (14) calendar days after the receipt of the decision which is being appealed. The arbitrator shall have no authority to rule on grievances which concern the interpretation, application, or alleged violation of board policies or administrative decisions affecting the terms and conditions of employment or of statutes and regulations setting terms and conditions of employment. Arbitration shall be limited to those grievances challenging the imposition of reprimands or discipline. The appealing party shall file a request for an arbitrator, subject to the rules of the New Jersey Public Employment Relations Commission, within five (5) work days of the notification of appeal to arbitration.

(g) The arbitrator's decision shall be final and binding.

(h) It is understood that the Association and the Board may settle or reach a compromise on any grievance reduced to writing at any step so long as such settlement does not discriminate against the employee involved nor deprives the employee of any right available to other members of the unit.

C. Right of the Grievant

The Board and the Association shall assure the grievant freedom from restraint, interference, coercion, discrimination and reprisal in presenting his/her appeal with respect to his/her personal grievance.

D. Cost

Each party shall bear its own expenses for the entire grievance procedure, but the cost of the arbitration will be borne equally by both parties.

#### IV. EMPLOYEE RIGHTS
