- E. Selected vacation may be changed at the employee's request with forty-eight (48) hours advance notice and permission of the Chief of Police or his designee.

An employee shall reimburse the Borough for paid Personal Leave Time used in excess of his or her pro-rated entitlement.

ARTICLE FOURTEEN

RESPONSE TIME ON TIME OFF REQUESTS

The Borough shall respond to an employee's written request for time off by approving or denying the request within seventy-two (72) hours of receipt of the request.

ARTICLE FIFTEEN

SICK LEAVE

A. If an employee is incapacitated and unable to work because of an injury incurred while on duty, he shall be entitled to injury leave with pay and full employment entitlement during the period in which he is unable to perform his duties and compensation provided for under the New Jersey Workers Compensation Act and as set forth below. Such injury leave shall be limited in duration to one (1) year as specified by state statute. The Borough reserves the right to have an injured employee evaluated by a doctor of its choosing to determine the employee's extent of injury and ability to work. The employee may seek the opinion of a physician of his own choosing to render such an evaluation with any conflict between the two physicians decided by a third physician jointly chosen.

1. The Borough will provide incapacitated employees compensation at 70% of the employee's pensionable wage.

2. When compensation to employees is in excess of the annual statutory cap under the Act, the Borough will continue to pay the incapacitated employee 70% of their pensionable wage irrespective of the statutory cap.

The Borough will reimburse the employee for the federal and state tax on the amount paid over the statutory cap. The reimbursement will be based upon the withholding percentage in place for the employee times the amount paid over the statutory cap.

3. The Borough will continue their obligation to make pension payments on the employee's contractual wage.
 4. The employee will continue to be covered under the health benefit plan established in this contract, but their contractual contribution towards health care during this period will be based on the amount they receive under the Worker's Compensation Act or the net amount paid in excess of the statutory cap.
 5. Notwithstanding #4 above, if the employee is working in a "transitional" or "modified" capacity the officers' health benefit contribution will be based upon their contractual regular pay.
- B. All permanent employees shall be entitled to sick leave with pay based on their aggregate years of service. Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, accident or exposure to a contagious disease.
- C. Sick leave shall accrue to any full-time employee on the basis of ninety-six (96) hours per year for each calendar year of employment. An unlimited amount of sick leave may be accumulated. On retirement, accumulated sick leave shall be paid for on the basis of one-half (1/2) hour for each hour accumulated to a maximum of \$12,000.00; and then one-quarter (1/4) hour for each hour accumulated thereafter. At the employee's option, unused sick leave may be converted to terminal leave according to the same prorated formula as for cash out and used prior to retirement. During the time that the employee is on terminal

leave, he shall be considered retired from active service and no additional vacation, holidays or sick leave shall accrue after the calendar year in which he becomes inactive.

- D. An employee assigned to work a twelve (12) hour tour of duty who shall be absent on sick leave for three (3) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness. An employee assigned to work an eight (8) hour tour of duty who shall be absent on sick leave for four (4) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness. The Borough may also require proof of illness when patterns of use or other evidence make abuse of sick leave likely, notwithstanding the respective three (3) or four (4) day limitations set forth above. The Borough reserves the right to have an employee so utilizing sick leave evaluated by a doctor of its choosing to determine the extent of incapacity. The employee may seek the opinion of a physician of his choosing with any conflict between the two physicians decided by a third physician jointly chosen. Abuse of sick leave shall be cause of disciplinary action.
- E. If an employee is absent for reasons that entitle him to sick leave, the police desk shall be notified prior to the employee's starting time of the intended use of such sick leave on each day of use.
- F. In the event of a serious illness, including childbirth, in the employee's immediate family which requires the attendance of that employee at home during work time, the employee shall

ARTICLE SIXTEEN
INSURANCE, HEALTH AND WELFARE

A. Hospitalization and Medical Insurance.

The Borough shall provide comprehensive medical and health insurance for all members of the bargaining unit through the New Jersey State Health Benefits Plan as it exists or as modified by the New Jersey State Health Benefits Plan (or any other substantially similar health benefit plan), including any changes in co-pays or deductibles that may be implemented by the New Jersey State Health Benefits Plan, for all employees and eligible dependents covered by this Agreement. Effective January 1, 2016, the Borough agrees to pay the full cost of the NJSHBP Direct 15 Plan for all employees and their eligible dependents. When providing the NJSHBP Direct 15 Plan, an employee may select coverage of another Plan offered by the NJSHBP and in the event the selected plan costs more than the Direct 15 Plan then the Employee shall be responsible for the paying of costs of the increased premium for the selected coverage. Payment shall be made by equal payroll deductions.

Effective January 1, 2016 and thereafter, the Borough may, at its option, satisfy its agreement to provide coverage under the NJSHBP Direct 15 Plan or a substantially similar plan by providing coverage under the New Jersey Direct Access 2030 Plan together with a Health Reimbursement Account Card which provides for payments of Co-Pays, Coinsurance and Deductibles required in network under the NJDA 2030 Plan. The HRA card provided with the

NJDA 2030 Plan shall cover all out-of-pocket, in network costs associated with both medical and prescription coverage. When providing the NJDA 2030 Plan, the employee shall not have the option to select a plan with a higher premium. The Borough also reserves the right to discontinue providing coverage under the NJDA 2030 Plan, including the provision of the Health Reimbursement Account Card, in which event the Borough will provide coverage under the NJSHBP Direct 15 Plan, or a substantially similar plan. In the event the Borough resorts to the NJSHBP Direct 15 Plan, the employee shall have the option of choosing a plan with a higher premium, provided the employee pays the difference in the cost of the premium.

B. Prescription Plan

The Borough shall provide each active employee, his/her spouse and eligible dependents with a Prescription Drug Insurance Plan as provided under the Horizon Blue Cross Blue Shield of New Jersey (Horizon BCBSNJ) Prescription Drug Program. The benefits being provided and required Co-Payments are described in a Booklet which includes a Schedule of Covered Services and Supplies which has been supplied to each employee. The Co-Payments shall be equivalent to the Co-Pays required under the New Jersey State Health Benefits Plan (NJSHBP) and are subject to future additional changes to reflect the then applicable NJSHBP prescription Co-Pays. The Borough may offer an alternate Prescription Drug Insurance Plan through Horizon Blue Cross Blue Shield of New Jersey with adjusted Co-Pays which employees may elect as their Prescription Drug coverage. Provided the Borough remains in the NJDA 2030 Plan as set forth above, the Health Reimbursement

Account Card shall also pay for all prescription co-pays. The HRA card provided with the NJDA 2030 Plan shall cover all out-of-pocket, in network costs associated with both medical and prescription coverage. In the event the Borough opts out of the NJDA 2030 Plan as set forth above, the Health Reimbursement Account Card shall cease.

Further, when available, a Generic Drug is to be ordered to fill a prescription at Retail Pharmacy or Mail Ordered. If an employee orders a Brand Name Drug in instances when a Generic Drug is available, the employee shall be required to pay the difference between the Brand Name Drug and the Generic Drug unless the employee presents proof to the Borough of medical necessity as required by his/her treating physician.

C. Dental Plan

The Borough shall continue to provide each active employee, spouse and eligible dependent with a dental insurance program with deductible in accordance with the dental expense benefit payment in Schedule "B". The Borough agrees to pay employees up to Five Hundred Dollars (\$500.00) for orthodontic option for the employee and his family, in addition to the orthodontic option of the attached Schedule "B". The dental plan provided by the Borough shall be a Twenty-five Dollar (\$25.00) deductible plan for employees and their dependents.

D. Vision Care Plan

The Borough shall at their expense provide a basic Vision Care Plan for every active employee, spouse and eligible dependent. Vision Care Plan is attached as Schedule "C".

E. Change in Insurance Plans.

The Borough may, at its option, change any of the existing insurance plans or carriers providing such benefits, so long as the level of benefits provided to the employees and their eligible dependents is substantially similar to the current coverages being provided or substantially similar to the plans and coverages provided from time to time under the New Jersey State Health Benefits Plan. For medical and prescription coverage, the NJ Direct 15 Plan shall be the standard used in determining whether any other proposed plan is "substantially similar." The Borough further reserves the right, at its option, to self-insure any of said plans and coverages so long as the level of benefits provided to the employees and their eligible dependents is substantially similar to the current coverages being provided or substantially similar to the plans and coverages provided from time to time under the New Jersey State Health Benefits Plan. Prior notice of intent to make the change must be made to the employees of any change in the above described benefits within 60 days.

F. Cost Contribution.

All employees shall pay a cost contribution for Health Insurance Plan coverages according to the provisions of P.L. 2011, Chapter 78, Pension and Health Benefits Reform Law adopted June 2011. Payments shall be made by the way of withholdings from each employee's payroll checks. The Borough shall establish and adopt a Section 125 Plan so that said contributions would be "pre-tax".

G. Opting-out of Coverage.

Employees who can certify to having health care coverage from another source, such as a spouse's or civil union partner's employment, may elect, in writing, to opt-out of the Borough's group health insurance plan and receive a payment equal to twenty-five (25%) percent of the portion of the annual premium for the insurance that the Borough would pay on behalf of the employee if the employee had not opted out of coverage (the full premium less the amount the employee would have been required to contribute) or Five Thousand Dollars (\$5,000.00), whichever is less. Employees who opt out of the Borough's group health insurance plan will be entitled to receive the opt-out payment for each year that coverage is not provided by the Borough to the employee. Eligible employees may elect to re-enroll in the plan during the yearly open enrollment period or immediately if the employee becomes ineligible for coverage from the other source due to a life event. Payments for opting out will be made on or about December 1st of each year, prorated for that portion of the year the employee was not covered by insurance. This opt-out shall not apply to employees whose spouses are also employed by the Borough and receive their health insurance from the Borough. Employees may also elect to opt-out of dental and eye care and/or any other type of health insurance care offered by the Borough and receive a payment equal to twenty-five percent (25%) of the portion of the annual premium for that insurance that the Borough would pay on behalf of the employee if the employee had not opted out of coverage. Opting out of prescription coverage will not entitle employees to opt-out pay unless they also opt out of basic health insurance coverage.

For the purpose of this regulation the term "life event" shall be defined as the death or

disability of the employee's spouse or civil union partner, termination of the employee's spouse's or civil union partner's employment, or the dissolution of the employee's marriage or the employee's civil union partnership.

H. Retiree Coverage.

The Borough shall provide employee, his/her spouse and eligible dependents with hospitalization and major medical insurance after retirement until age sixty-five (65) or until such time as the retiree is eligible for Medicare. The Borough will continue such coverage after age sixty-five (65) for retiree only, with retiree paying fifty percent (50%) of the premium and the Borough paying fifty percent (50%) of the premium. A retired employee may elect to have his/her spouse covered, in which event the retiree shall pay the full cost of coverage for said spouse. This section shall apply to all employees who have at least twenty-five (25) years of service with the Borough before retirement and have qualified for these benefits before retirement.

The coverage provided to the retiree, his/her spouse and eligible dependents (if applicable) shall be the same coverage provided to current employees. During the term of this Agreement, that coverage shall be the Direct 15 Plan for Medical and Prescription coverage. The Borough may, at its option, satisfy its agreement to provide coverage under the NJSHBP Direct 15 Plan or a substantially similar plan by providing coverage under the New Jersey Direct Access 2030 Plan together with a Health Reimbursement Account Card which provides for payments of Co-Pays, Coinsurance and Deductibles required in network under the NJDA 2030 Plan. The HRA card provided with the

NJDA 2030 Plan shall cover all out-of-pocket, in network costs associated with both medical and prescription coverage. The Borough also reserves the right to discontinue providing coverage under the NJDA 2030 Plan, including the provision of the Health Reimbursement Account Card, in which event the Borough will provide coverage under the NJSHBP Direct 15 Plan, or a substantially similar plan.

A retiree may select coverage of another Plan offered by the NJSHBP and in the event the selected plan costs more than the plan provided (either the Direct 15 or NJDA 2030) then the Employee shall be responsible for the paying of costs of the increased premium for the selected coverage. In the event the Borough is providing the NJDA 2030 Plan with Healthcare Reimbursement Card and the Retiree chooses a Plan with a higher premium (including the NJ Direct 15 Plan) then the Retiree will be responsible for the difference in the premium. Also, in that event, the HRA card will not be provided.

I. Life Insurance.

The Borough shall provide term life insurance to each active employee and each retired employee in the amount of no less than Fifteen Thousand (\$15,000.00) Dollars.

J. False Arrest Insurance.

The Borough shall provide liability insurance coverage for employees acting in the course of their employment, including the operation of their private vehicles in the course of such employment.

In the event that the employee utilizes counsel other than that supplied by the Borough, the fees and costs shall be agreed upon by the attorney and the Borough prior to the attorney performing such services.

The above does not apply for the defense of an employee in a disciplinary proceeding instituted against him by the Borough or in a criminal proceeding instituted as a result of a complaint on behalf of the Borough. If any such disciplinary or criminal proceeding instituted by or on complaint of the Borough shall be dismissed or finally determined in favor of the employee, he shall be reimbursed for the expense of his defense.
