B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may from time to time arise affecting employees. Both parties agree that these proceedings shall be kept informal and confidential at any level of the procedure.

1. Administrative decisions not in violation of the provisions of this agreement may be appealed, terminating with Level III of this procedure and all parties agree to abide by the decision made at that level.

 - (a) any rule or regulation of the state Board of Education;
 - (b) any rules pertaining to the internal management of the Board;
 - (c) a complaint of a non-tenured employee, which arises by reason of his/her not being re-employed;

C. PROCEDURE

1. An aggrieved employee shall initiate action under the provisions hereof within twelve (12) school days after s/he would reasonably be expected to know of its occurrence. Failure to act within said period shall be deemed to constitute an abandonment of the grievance.
2. An employee and Association representative processing a grievance shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal.
3. In the presentation of a grievance, the employee shall have the right to present his/her own appeal or to designate a representative to appear with him/her at any step in his/her appeal. A minority organization shall not have the right to present or process a grievance.

4. Whenever the employee appears with a representative, the Board and/or the Superintendent of Schools shall have the right to designate a representative to participate at any stage of the grievance procedure.

LEVEL I.

5. An employee shall first discuss his/her grievance with his/her immediate Supervisor. The employee may present his/her own appeal or designate a representative of the Association to appear with him/her at this step. A decision shall be rendered by the immediate Supervisor within five (5) school days of said hearing.

LEVEL II.

6. If the grievance is not resolved to the employee's satisfaction, within five (5) school days from the determination referred to in Paragraph 5 above, the employee shall, with appropriate representation from the Association, submit his/her grievance to the Superintendent of Schools in writing, specifying:
 - (a) The nature of the grievance;

9. Within ten (10) school days of said hearing (unless a different period is mutually agreed upon), the Superintendent shall, in writing with reason, advise the employee and his representative, if there be one, of his/her determination and shall forward a copy of said determination to the immediate Supervisor of the aggrieved employee.
10. In the event of the failure of the Superintendent to act in accordance with the provisions of Paragraphs 8 and 9 or, in the event a determination by him/her in accordance with the provisions thereof is deemed unsatisfactory by either party, the dissatisfied party, within ten (10) school days of the failure of the Superintendent to act or within ten (10) school days of the determination by him/her, may appeal to the Board of Education.

LEVEL III.

11. When an appeal is taken to the Board, there shall be submitted to the Board by the aggrieved:
 - (a) The writing set forth in Paragraphs 6 and 9 and a further statement in writing setting forth the appellant's dissatisfaction with the Superintendent's action. A copy of said statement shall be furnished to the Superintendent and to the adverse party.
12. If the grievant, in his/her appeal to the Board does not request a hearing, the Board may consider the appeal on the written record submitted to it, or the Board may, on its own, conduct a hearing, or it may request the submission of additional written material. Where the grievant requests, in writing, a hearing before the Board, a hearing shall be held.

13. The Board shall make a determination within twenty (20) calendar days except during October through February which shall be thirty (30) calendar days from the receipt of the grievance and shall in writing notify the employee, his representative if there be one, the immediate Supervisor, and the Superintendent of its determination with reasons given. This time period may be extended by mutual agreement of the parties.

LEVEL IV.

14. If the aggrieved employee is not satisfied with the decision of the Board, the Association may appeal the decision to Binding Arbitration. Notice of a demand for Binding Arbitration shall be filed pursuant to rules and regulations established by the Public Employment Relations Commission under the provisions of Chapter 303 Law of 1968. However, the Association shall not have the right to arbitrate any matters delineated in Article 3(B)(2) paragraphs (a) to (d).

A request for arbitration shall be made no later than fifteen (15) calendar days following the determination of the Board. Failure to file within said time period shall constitute a bar to such arbitration unless the aggrieved employee and the Board shall mutually agree upon a longer time period within which to assert such a demand. In the event of arbitration, the costs of the arbitrator's services shall be borne equally by the parties and each of the parties shall bear their own costs.

15. (a) Within ten (10) school days after such written notice of submission to arbitration, the Board and the grievant shall attempt to agree upon a mutually acceptable arbitrator, and shall obtain commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Committee (PERC) by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations Committee (PERC) in the selection of an arbitrator.
- (b) The arbitrator so selected shall confer with the representatives of the Board and the grievant and that arbitration shall follow PERC procedure. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be binding on the parties. The arbitrator does not have the power to add, subtract or otherwise change the terms and conditions of this Agreement.
16. (a) Failure at any step of this procedure to communicate the decision on grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step and shall be deemed to constitute an abandonment of the grievance.
- (b) It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
