Any agreement so negotiated shall apply to all members of the Association, be reduced to writing, and be signed by the Board and Administrators' Association.

### ARTICLE III

#### GRIEVANCE PROCEDURE

A. Definition

1. A grievance is a claim involving the terms and conditions of employment by an employee or his representative that he has suffered harm by the interpretation, application or violation of this Agreement affecting him.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the appeal and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to resolve, at the lowest possible level, any grievance presented. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Any individual employee at any time may present grievances to his

employer and have the grievance adjusted, without intervention of the bargaining representative, so long as such adjustment is not inconsistent with the terms of the Agreement.

C. Procedure

1. Informal

An employee with a grievance shall first discuss it with his/her immediate superior. At this stage, both parties shall make a strong effort to resolve the matter informally.

2. Level One

If no resolution is reached informally, the grievance shall be reduced to writing and submitted to the immediate superior. He may at his option, designate a representative to be present. All Level One grievances shall be initiated within five (5) school days after the event or circumstances being grieved takes place.

3. Level Two

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after presentation of the grievance, he may file the grievance in writing with the Association within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association may refer it to the Superintendent of Schools.

4. Level Three

If the aggrieved person is not satisfied with the disposition of his grievance at the Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Superintendent, he may, within five (5) school days after the decision by the Superintendent or fifteen (15) school days after the grievance was delivered to the Superintendent, whichever is sooner, request in writing that the Association submit his grievance to the Board of Education. If the Association determines that the grievance is meritorious, it may submit the grievance to the Board of Education within fifteen (15) school days after the receipt of a request by the aggrieved person. A complaint of a non-tenured employee which arises by a reason of his not being reemployed shall not be carried beyond Level Three of the grievance procedure.

5. Level Four

- a. If the grievance as defined under 1.a. of definition of a grievance and if the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within fifteen (15) school days after the grievance was delivered to the Board, the aggrieved person may, within five(s) school days, request in writing that the Association submit his grievance to advisory arbitration. If the Association determines that the grievance is meritorious, it may elect to submit the grievance to arbitration within fifteen (15) school days after receipt of the request from the aggrieved person, but shall first notify the Board of such decision.
  - b. The arbitrator shall then be selected under the rules of the Public Employees Relations Commission. (PERC).
6. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
7. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
8. It shall be the general practice of all parties in interest to process grievance procedures during times which do not interfere with assigned duties, unless it is agreed by the Board to hold the proceedings during working hours.

D. Rights to Representation

Any individual employee of the district shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his appeal. He shall have the right to present his own appeal at any step or to designate a representative(s) of the Association.

E. Miscellaneous

1. Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and

shall be transmitted promptly to all parties in interest and to the Superintendent and the Chairperson of the Grievance Committee.

2. Every effort shall be made to resolve all grievances before they reach Level Three.
3. An employee shall continue to perform all assigned duties before and during any grievance procedures initiated, but shall advise his superior that he is performing these duties under protest.
4. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
5. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be designed jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
6. All meetings and hearings under this procedure shall not be conducted in public.
7. Any grievance not filed within the prescribed time limits at any level shall be considered as waived.
8. If a grievance affects one administrator, the Association shall submit such grievance, in writing at the First Level. If a grievance affects a group of administrators in more than one job site, the Association may submit such grievance in writing at the First Level or Second Level, whichever is appropriate.
