GRIEVANCE PROCEDURE

A. Definitions:

1. A “grievance” shall mean a complaint by an employee or the Association that there has been a violation, misinterpretation or inequitable application of any of the provisions of this Agreement or that an employee or group of employees has/have been treated unfairly or inequitably by reason of any act or administrative decision affecting employees’ terms and conditions of employment.
2. An “aggrieved person” is the person, persons, or the Association making the claim.
3. A “party in interest” is the person or persons making the claim and any person, including the Association or the Board, who may be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose:

The purpose of this procedure is to secure, at the lowest possible level, solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept informal and confidential as may be appropriate at any level of the procedure.

C. Procedure:

1. Time Limits:

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. Failure of the grievant to meet the next step within the specific time limit should be deemed as a waiver of further appeal.

2. Year End Grievances:

In the event a filed grievance is not resolved, said grievance should be resolved prior to the beginning of the new school year.

3. Level One - Principal:

An employee with a grievance shall first discuss it with his/her principal or immediate supervisor within thirty (30) school days of the date the alleged grievance occurred, either directly or through the Association's designated representative with the objective of resolving the matter informally. If the matter cannot be resolved informally, the aggrieved may file a formal written grievance with the principal within ten (10) days after the initial discussion. The principal shall give his decision in writing, within five (5) school days of receipt of the written grievance.

4. Level Two - Superintendent:

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he/she may file the grievance in writing with the Superintendent within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Upon receiving the written grievance the Superintendent shall schedule a hearing with the employee and his representative(s) prior to rendering a decision. The written grievance should specify the following:

- a. The nature and date of the alleged occurrence in reasonable detail;
- b. The specific provision(s) of this Agreement or the specific act or administrative decision which gave rise to the grievance;
- c. The nature and extent of injury and/or loss;
- d. The remedy which the employee seeks;
- e. The date the grievance was discussed at Level One.

5. Level Three - Board of Education:

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Superintendent, he may, within five (5) school days after a decision by the Superintendent or fifteen (15) school days after the grievance was delivered to the

Superintendent, whichever is sooner, request in writing that the Association submit its grievance to the Board.

- b. If the Association determines that the grievance is meritorious it may submit the grievance to the Board within (10) school days after receipt of a request by the aggrieved person. The Board should render a decision within thirty (30) calendar days. If the Association is not satisfied with the decision of the Board or if no decision has been reached within forty-five (45) calendar days, the Association may submit the matter to impartial review by an arbitrator who has been mutually selected by the parties.

6. Level Four - Arbitration:

If the Association determines the grievance is meritorious and is not satisfied with the Board's decision or if no decision has been rendered, the Association may submit the matter to arbitration within fifteen (15) calendar days after the Board's decision provided that the Association notifies the Board of Education in writing of its intent to proceed to arbitration within the prescribed fifteen (15) days set forth herein.

- a. The arbitrator shall be selected from a panel of arbitrators provided by the Public Employment Relations Commission (PERC) in accordance with the rules required by PERC.
- b. Only matters relating to employees' terms and conditions of employment as set forth in this Agreement may be submitted to arbitration. The arbitrator shall be limited to the issue(s) submitted and shall consider nothing else. The arbitrator can add nothing to, subtract anything from, nor modify the express terms of this Agreement. The arbitrator's recommendations shall be submitted in writing to the Board and the Association, and shall be advisory except in those disciplinary matters covered by N.J.S.A.34: 13A-29 in which case arbitration shall be binding.
- c. The fees and expenses of the arbitrator shall be shared equally by the parties. Any other expenses incurred shall be paid by the party incurring same.

D. Representation:

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by representative(s) selected or approved by the Association. When an employee is not a

member of the Association, the Association shall have the right to be present.

2. Reprisals: No reprisals of any kind shall be taken by any party against any participant in the grievance procedure by reason of such participation or by reason of the outcome.

E. Miscellaneous:

1. All employees, including the grievant are required to follow administrative directives and Board policies under the direction of the Superintendent and administration regardless of the status of any grievance until such grievance is properly determined.

It is understood and agreed that such use shall not interfere with the educational programs. However, in no event shall the Association have access to the Board's computer equipment or computer systems for Association business or for personal use.

D. Bulletin Boards:

ARTICLE 8
EXTENDED LEAVE

A. Disability Leaves:

1. The Board shall not discriminate against any person in violation of the Law Against Discrimination.

- a. The Board shall not maintain or enforce any policy or practice for removal of any tenured or non-tenured employee from his/her employment that is based solely on the fact of a specific number of months of disability.
 - b. The Board may request a disabled employee to produce a certificate from his/her physician that he/she is medically unable to continue employment. The Board reserves the right to have its physician examine the employee. If there is a difference of medical opinion between the Board's physician and the employee's physician, then the Board's physician and the employee's physician shall agree on a third impartial physician who shall examine the employee and whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue employment.
2. An employee who anticipates a disability shall notify the Superintendent in writing of the anticipated commencement of the disability as soon as the employee knows about it.
- a. In the case of pregnancy, the employee shall inform the Superintendent of the anticipated delivery date.
 - b. No later than sixty (60) days prior to the anticipated delivery date of the child, the employee shall request either:
 - (1) A disability leave for which accumulated sick leave may be utilized or;
 - (2) A disability leave for which accumulated sick leave may be utilized followed by an unpaid childcare leave as described below or;
 - (3) An unpaid leave of absence commencing prior to the period of actual disability without use of accumulated sick leave.
 - c. To the extent permitted by law and relevant judicial administrative agency decisions, employees on pregnancy-related disability leave shall be presumed to be disabled for purposes of sick leave eligibility thirty (30) calendar days prior to the anticipated date of the birth of the child and thirty (30) calendar days following the actual date of birth of the child. This eligibility requirement shall be construed as a minimum guideline subject to revision based on the actual disability of the

individual involved. The Board reserves the right to request verification of a disability by a licensed, practicing physician.

3. The Board of Education reserves the right to regulate anticipated disability leaves so that the commencement and termination dates precede or follow the period of actual disability in order to preserve educational continuity. When this occurs, an employee who is placed on an involuntary unpaid leave shall be entitled to all sick leave and insurance benefits during the period of actual disability, according to the negotiated agreement and the rules of the insurance carrier. However, time spent on an involuntary unpaid leave shall not cause an employee to be denied any contractual or statutory benefit which the employee would have been entitled had the board not exercised its discretion pursuant to this section.

B. Childcare Leaves:

1. The Board may grant unpaid leaves of absence for the purposes of child care of an infant to employees who fulfill the requirements set out below. No requests will be disapproved arbitrarily, discriminatorily or capriciously.
2. Except as provided in Section B.3., below, leaves of absence shall commence immediately following the end of the period of actual disability and shall terminate at the end of the school year in which the disability occurred. An employee who wishes to return to work before the end of a school year may only do so on the first school day in January following the Winter recess. Written notification of such intention to return to duty in January must be included in the employee's initial request for childcare leave.
3. When an employee requests a voluntary unpaid leave of absence which begins prior to the period of actual disability, the Board may alter the requested starting date of said leave in order to maintain continuity in the educational programs.
4. At the request of the employee and with the approval of the Board, extensions of childcare leaves may be granted for one full school year.
5. An employee on a voluntary unpaid leave of absence shall not be eligible to either receive or accrue benefits except as statutorily required. When on unpaid leave, an employee may not use sick days.

6. Nothing stated herein shall require the Board of Education to extend the leave of absence of a non-tenured employee beyond the end of the school year in which the leave occurs.
7. All requests for extensions of unpaid leaves of absence under Section B herein shall be in writing. Requests for extensions for unpaid leaves commencing September 1 shall be made by April 1 of the previous school year.
8. In the case of an adoption, notice shall be given to the Superintendent when application for the adoption is approved by the adopting agency. Request for unpaid leave shall be made for a specific period as soon as the employee is informed of the custody date. Said leave shall commence on a date mutually agreeable to both the employee and the Superintendent and shall terminate at the end of the school year in which the leave is taken. Except as otherwise provided herein, all conditions and requirements set forth in subsections B.4, B.5, B.6 and B. 7 of this Article shall be so applicable to this subsection - i.e., B.8.

REPRESENTATION FEE

A. The provisions of this Article only apply to individuals hired after the execution of the 1989-1992 Agreement.

B. Purpose of Fee:

If an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law.

representation fee and promptly will transmit the amount so deducted to the Association.

2. Payroll Deduction Schedule:

The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid ten days after receipt of the aforesaid list by the Board.

3. Mechanics:

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

4. Changes:

The Association will notify the Board in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than thirty (30) days after the Board received said notice.

5. New Employees:

On or about the last day of each month, beginning with the month this agreement becomes effective, the Board will submit to the Association, a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles, and dates of employment for all such employees.
