C. Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under NJSA Titles 11, 11A, 40 and 40A, or any other national, state, county or local laws or ordinances.

ARTICLE VI

GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss this matter informally with any appropriate member of the departmental supervisory staff and having the grievance adjusted without the intervention of the PBA.

B. Definition

The term "grievance" as used herein means any controversy arising over the interpretation, application or violation of any of the provisions of this Agreement.

C. Steps of the Grievance Procedure

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, with the exception of Township initiated grievances which will proceed in accordance with Section D, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One:

The aggrieved shall institute action in writing under the

provisions hereof within fourteen (14) calendar days (excluding the grievant's vacation and holiday leave) after the event giving rise to the grievance has occurred and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor for the purpose of resolving the matter informally. Failure to act within the said fourteen (14) calendar day limitation may be extended upon presentation to the Police Chief of a physician's certificate attesting to the incapacity of the grievant to file within the prescribed time. The Police Chief, or his designee, shall render a decision in writing within ten (10) calendar days after receipt of the grievance.

Step Two:

If the grievance is not settled at the first step, the grievant may make written request for a second step meeting within seven (7) calendar days after the answer at the first step. The Township Administrator, or his designee, may at his option set a meeting. Said second step meeting, if scheduled, shall be between the Township Administrator and the Police Chief with the PBA representative and the PBA Attorney, if requested by the grievant. The Township Administrator's written answer to the second step shall be delivered to the PBA within ten (10) calendar days after receipt of the written grievance in Step Two.

Step Three:

If the aggrieved person is not satisfied with the handling or result of the grievance on the second level, he may within

seven (7) calendar days notify the Township Administrator in writing that he wishes to have the Township Law Enforcement Sub-Committee (consisting of two (2) members of the Township Committee and a third person designated by the Township Committee who is not the Township Administrator) rule on the aggrieved matter. A meeting shall be set within fourteen (14) calendar days after the Township Law Enforcement Sub-Committee (through the Township Administrator) has received the request that it rule on the matter. At such meeting, the aggrieved may appear with a representative of the PBA and the PBA Attorney, if requested by the grievant. The Township Law Enforcement Sub-Committee's written answer to the third step shall be delivered to the PBA within seven (7) calendar days after said meeting.

Step Four:

Should the aggrieved person be dissatisfied with the decision of the Township Law Enforcement Sub-Committee, the PBA may file in writing for arbitration as noted below.

Step Five:

If the PBA should elect to file for arbitration, the matter may be referred to arbitration within fourteen (14) calendar days of the decision of the Township Law Enforcement Sub-Committee. An arbitrator shall be selected in accordance with the procedures of the Public Employment Relations Commission. However, no arbitration shall be held for a period of thirty (30) days. In the event the aggrieved files for a review by the Civil Service

Commission, the matter shall be withdrawn from arbitration and all filing costs shall be borne by the aggrieved or the Union.

1. Unless the parties agree otherwise, no more than one (1) issue shall be presented to an arbitrator in any single case.

2. The fees and expenses of the arbitrator shall be borne equally by the parties. Any other expenses incurred by the parties, including but not limited to the presentation of witnesses, shall be borne by the party incurring same.

3. The arbitrator shall be bound by the terms and conditions of this Agreement and shall not have any power to add to, subtract from or in any way modify any of the terms of this Agreement.

4. The decision of the arbitrator shall be in writing with the reasons therefor and shall be binding upon the parties; subject, however, to any applicable statutes and case law available to the parties.

5. Either the Township or the PBA may waive any of the steps of the grievance procedure, but said waiver can only be done in writing with the consent of the other party in question.

6. The time limits set forth herein shall be strictly adhered to. If any grievance has not been initiated within the time limit specified, the grievance shall be deemed to have been waived. If any grievance is not processed to the succeeding step in the grievance procedure within the time limits prescribed, then disposition of the grievance at the prior step shall be

deemed to be conclusive. In the event the Township fails to respond within the time limits specified, then the grievance shall proceed to the next step in the grievance procedure. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the grievance procedure.

D. Township Grievances

Grievances initiated by the Township shall be filed directly with the PBA within fourteen (14) calendar days after the event giving rise to the grievance has occurred. A meeting shall be held within fourteen (14) calendar days after the filing of the grievance between representatives of the Township and the PBA and its attorney in an earnest effort to adjust the differences between the parties.

ARTICLE VII

2. This Article will apply to all aspects of medical care benefits, including prescription, dental, vision and hospitalization. In conjunction with the Law, all participating members will be required to pay a premium contribution toward their health coverage, as it was originally established under Chapter 78, P.L 2011. B. If any such provision is declared invalid by operation of law, parties to this Agreement will forthright entertain renegotiations on the invalid provisions.

A. This Agreement represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues which were or could have been the subject of negotiations. During the terms of this Agreement, neither party will be required to negotiate with respect to any such matter whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing only executed by both parties.

ARTICLE XXVIII

CHECKOFF

1. The Township agrees to deduct PBA dues from the salaries of its employees, subject to this Agreement. Such deductions shall be made in compliance with N.J.S.A. 52:14-15.9e, and N.J.S.A. 34:13A-5.5 and N.J.S.A. 34:13A-5.6 regarding the payment of any representation fee.

2. Upon receiving the written voluntary authorization and assignment of the employee covered by this agreement (in the form agreed upon between the Township and the PBA and consistent with applicable statutes, regulations and procedures) in such amounts as shall be fixed pursuant to the By-Laws and Constitution of the Association during the full term of this agreement and any extension or renewal thereof, the Township shall promptly remit quarterly any and all amounts so deducted with a list of such deductions to the Secretary-Treasurer of the PBA.

3. If, during the life of this agreement there shall be any change in the rate of membership dues, the PBA shall furnish to the Township written notice thirty (30) days prior to the effective date of such change.

ARTICLE XXIX

REPRESENTATION FEE

1. Purpose of Fee: If a member of this bargaining unit does not become a member of the PBA during any membership year which is covered by this Agreement, in whole or in part, said employee will be required to pay a representation fee to this Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by this PBA as majority representative.

2. Amount of fee.

a. Notification: Prior to the beginning of each membership year, the PBA will notify the Township Business Administrator in writing of the amount of regular membership dues, initiation fees and assessments charged by PBA to its own members for the membership year. The representation fee to be paid by a non-member will be equal to 85% of the total amount.

b. Legal Maximum: In order adequately to offset the per capita cost of services rendered by the PBA as Majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charges by the PBA to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the PBA membership year

immediately following the effective date of the change. Should the maximum amount be decreased by law, the PBA would have the final say as to whether or not to implement the fee or remove the article.

3. Deduction and Transmission of Fee

a. Notification: Once during each membership year covered in whole or in part by this Agreement, the PBA will submit to the Township Administrator a list of those employees who have not become members of the PBA for the current membership year. The Township will deduct from the salaries of such employees, in accordance with paragraph two (2) below, the full amount of representation fee and promptly will transmit the amount so deducted to the PBA.

b. Payroll Deduction Schedule: The Township will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforementioned non-member list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid: Ten (10) days after receipt of the aforementioned non-member list by the Township Administrator; or Thirty (30) days after the employee begins his or her employment in the bargaining unit position, unless the employee previously served in a non-bargaining unit position and then became covered by this Agreement or was laid off, in which event the deduction will begin with the first paycheck paid to said employee after

the resumption of the employees" employment in a bargaining unit position.

c. Termination of Employment: If an employee who is required to pay a representation fee terminates his/her employment for any reason or cause before the PBA has received the full amount of the representation fee to which it is entitled under this Agreement the Township will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

d. Mechanics: Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the PBA will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues. The Township will, however, indicate in those records transmitted to the PBA which monies are from dues and which monies are receipts from the representation fee.

e. Changes: The PBA will notify the Township Administrator in writing of any changes in the list of non-members provided for in paragraph one (1) above and/or the amount of the representation fee, and such changes will be reflected in any deduction made more than ten (10) days after the Township Administrator received said notification.

f. New Employees: On or about the last day of each month, beginning with the month this Agreement becomes effective, the Township will submit to the PBA a list of all new employees

who began their employment in a bargaining unit position during the proceeding thirty (30) day period. The list will include names, job titles, and dates of employment for all such employees.

4. The PBA shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards and submitted by the PBA to the Township or in reliance upon the official notification on the letterhead of the PBA and signed by the President of the PBA advising of such charged deduction.

ARTICLE XXX

TERM AND RENEWAL

This Agreement shall be in full force and effect as of January 1, 2017 and shall remain in effect to and including December 31, 2021, without any reopening date. This Agreement shall continue in full force and effect from year to year thereafter, unless one party or the other gives notice, in writing, at least ninety (90) days' prior to the expiration date of this Agreement of a desire to change, modify, or terminate this Agreement. The PBA shall submit a copy of its entire proposal to the Township by September 1, 2021. The Township shall, within thirty (30) days after receipt of the PBA's proposals, submit a copy of its proposals to the PBA.

The economic terms of this Agreement, including salaries, benefits, increases and fringe benefit changes shall apply effective January 1, 2017, only for employees on the Township's payroll as of the date of the signing of this Agreement or who retired according to normal retirement or disability retirement under the Police and Firemen's Retirement System since January 1, 2017.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals at Freehold Township, New Jersey on this day of December 21, 2017.
