PREAMBLE

This Agreement is entered into this first day of July 2011 by and between the Board of Education of Manalapan-Englishtown Regional School District, Township of Manalapan, Borough of Englishtown, New Jersey, hereinafter called the "Board", and the Transport Workers Union of America, AFL-CIO, Local 225 Branch 4, 1451 Highway 88 West, Brick, New Jersey, hereinafter called the "Union", for and on behalf of itself, its members now employed or hereinafter to be employed by the Board. References to male members shall apply equally to female members. Whereas, the Board recognizes the Union aforesaid as the only Union representing its employees as designated below, and agrees to deal collectively only with this Union. Now, therefore, a consideration of the mutual covenants, promises and agreements herein contained, the parties do hereby agree as follows:

ARTICLE I RECOGNITION

The Board hereby recognizes the Union as the only negotiating agent for the purpose of collective negotiations in any and all matters relating to terms and conditions of employment on behalf of all regular bus drivers, rotating drivers, suburban drivers, mechanics, and all substitute drivers who work at least (20) days during a school year pursuant to recognition granted by the Board on January 3, 1989.

ARTICLE II UNION SECURITY

- A. The Board agrees it will give effect to the following form of Union Security: All present employees who are members of the Union on the effective date of this Agreement shall remain members of the Union in good standing, provided said members agree that they wish to join the Union, and maintain such membership.
- B. The Chairperson will be notified no later than the end of the third working day of the name and address of any newly hired employee.

ARTICLE III PAYROLL DEDUCTIONS

- A. Upon written notice from the Union, the Board will deduct monthly all Union membership dues and initiation fees as employees individually and voluntarily authorize the Board to deduct. Such deductions shall be made in compliance with Chapter 233, Public Laws 1969, (N.J.S.A. 52:14-15.9e) and under rules established by the State Department of Education. At the time of such notice the Union shall furnish the Board with a written authorization card signed by the employee. Said Monies together with current records of any corrections shall be

transmitted to the Union by the 15th of each month following the monthly pay period in which deductions were made.

B. The Board will notify the Union promptly of any revocation of such authorization received by the Board.

C. Employees may elect in writing to have deductions taken from their pay for participation in the Mon-Oc Credit Union without any financial participation on the part of the Board.

D. Employees may elect in writing to have deductions taken from their pay for a voluntary contribution to the TWU Committee On Political Education.

E. Representation Fee:

1. If an employee does not become a member of the Union during any membership year which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Union for that membership year or applicable portion thereof. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Union as majority representative.

2. a. Prior to the deduction of the representation fee in any membership year, the Union Local Representative will certify to the Board in writing that the Union has met the requirements of N.J.A.C. 19:17-3.1, et seq. Such certification shall provide that:

(1) The Union has provided each non-member with a statement of expenditures for the Union's most recently completed fiscal year.

(2) The Union has established a demand and return system in compliance with law.

(3) The Union has provided to each non-member a copy of the demand and return system, along with instructions for use.

(4) The Union has established and notified each non-member of a financial account to escrow portions of representation fees which are reasonably in dispute.

(5) The Union has notified each non-member of the amount of the representation fee and the schedule for its collection.

b. The Union shall also provide to the Board, prior to the deduction of representation fees, a copy of the demand and return system. The Board will provide the Union with names and addresses of all non-members in the bargaining unit.

c. Except as otherwise provided in this Article, the mechanics for the deductions of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

ARTICLE IV

POSTING

- A. 1. Within three (3) days all vacated positions which the Board intends to fill and newly created positions shall be posted for five (5) days, (excluding Saturday, Sunday or Holidays), prior to the closing date for submitting applications. When a vacant or newly created position is posted all drivers may bid on the position if he/she so chooses. The position will be awarded to the senior qualified driver who bids. The position left vacant by the successful bidder shall then be awarded to the next senior qualified driver who bid on the position that was initially posted. The process shall continue until the open position has no qualified bidders. This vacancy shall then be filled from outside the district. Only those drivers who will increase or decrease their hours or drivers who will remove a mid-day run may bid, lateral transfers shall not be permitted.
2. Transportation vacancies shall be posted on the District Website and in the Transportation Office on the bulletin board. Drivers whose absence will extend beyond the school year will not be eligible to bid on vacant jobs.
- B. TWU Local 225, Branch 4, will be notified of all job openings.

ARTICLE V SENIORITY AND PROBATION

- A. Seniority for the purpose of this Article shall be based upon an employee's continuous length of service with the Board, from the last date of hire.
- B. 1. Seniority shall begin for all employees on the date of the Board's action appointing the employee. There shall be two seniority rosters, one for contracted drivers and one for substitutes. When a driver's status changes from substitute to regular driver, the date of the Board's action effectuating the change shall be the driver's seniority date. When two or more regular drivers have the same seniority date, the amount of time spent as a substitute driver shall be the tiebreaker. Thereafter, date of license is the tiebreaker.
2. Probationary periods for all employees are as follows:
- a. Substitutes – (ninety (90) driving days.)
 - b. Regular drivers who have not completed the substitute probation period – (five (5) working months.)
 - c. Regular drivers who have completed the substitute probation period – (sixty (60) calendar days from the start of regular employment.)
 - d. Mechanic and Mechanic Assistant shall have a probationary period of ninety (90) calendar days.

3. Probationary employees may be disciplined or terminated at any time during their probationary period, at the sole discretion of the Board, without recourse to the provisions of the grievance procedure of this Agreement.
4. Probationary employees and part-time employees who work less than four (4) hours per day shall be paid the rate of pay for the classification for which hired, but shall not be entitled to any insurance benefits as provided in Article XXIV, (Insurance). Probationary regular drivers will become eligible for insurance benefits after sixty (60) calendar days of employment, or as determined by the insurance carrier.
5. Substitutes shall be offered regular appointment contracts in seniority order in accordance with date of hire.

- C. For contracted regular drivers, excluding substitutes, seniority will be credited on the basis of:
1. Actual time worked.
 2. Time spent on paid leave of absence.
 3. Time spent on unpaid leaves of absence of up to one (1) year inclusive of the State and or Federal Family Leave Acts, but excluding time spent on child rearing leave that is not covered by either Family Leave Act.
 4. Time spent on worker's compensation.

Any time an employee in the bargaining unit is absent without pay for thirty (30) or more days, except as stated above, the employee's seniority will stop accruing as of the first day of such absence.

1. Resignation or retirement.
 2. Discharge for cause.
 3. Continuous lay-off for a period exceeding twelve (12) months.

5. Failure to report to work for a period of three (3) consecutive scheduled working days without notification to the Board of a justifiable excuse for such absence.

- E. Should the Board determine that a reduction in force is required for the efficient

operation of the School District, employees shall be laid off from their jobs in the following manner:

1. The employee with the least seniority shall be the first employee laid off in the job affected.
 2. In the rehiring the same principle shall apply, namely, the last person separated shall be the first to be rehired.
 3. The above shall also apply to reductions in individual's weekly work schedules.
 4. Whenever the Board shall require new workers, it shall first offer employment to those of its workers who may have been laid off in accordance with the seniority provisions of this Agreement.
- F.
1. There shall be a single seniority roster including regular bus and mini-bus drivers (those who drive the same route every day); rotating drivers (those who drive various bus and/or van routes); van drivers.
 2. Placement on the seniority roster will be based on most recent date of hire with a contract.
 3. Drivers will be able to change classification (regular bus/mini-bus, van, rotating) whenever a vacancy occurs.

ARTICLE VI EMPLOYEE RIGHTS

A. Pursuant to N.J.S.A. 34:13A-1 et. seq., the Board hereby agrees that every employee of the Board shall have the right to freely organize, join and support the Union and its affiliates for the purpose of engaging in collective negotiations and other concerted legal activities for mutual aid and protection. (Note: motor vehicle violations are not covered by this clause.)

E.1. Employees are to be notified in writing of the results of their evaluations. Employees shall receive a copy when reprimands, complaints, or other derogatory material pertaining to work performance in writing is going in their personnel file. The employee shall sign a copy to acknowledge receipt only. With the employee's consent, a copy will be forwarded to the Chairperson.

The exercises of the foregoing powers, rights, authority, duties and responsibilities of the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, provided the Union is notified prior to implementation of changes in terms and conditions of employment, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and the United States.

C. Nothing contained herein shall be construed to deny or restrict the Board with respect to its power, rights, authority, duties, and responsibilities under N.J.S.A. 18A and N.J.A.C. 6 or any other national, state, county or local laws or ordinances.

ARTICLE VIII **DISCHARGE**

ARTICLE IX **AGREEMENT AND NEGOTIATION**

A. The parties agree to enter into negotiations over a successor Agreement in accordance with the procedures and guidelines of the Public Employment Relations Commission.

B. Any Agreement so negotiated shall apply to all members of the negotiating unit and shall be reduced to writing and signed by both sides.

C. It is specifically understood that this Agreement may not be modified in whole or in part without the joint written consent of both Union and the Board.

ARTICLE X **UNION RIGHTS AND PRIVILEGES**

- A. The Union's representative may visit the Board's premises for the purpose of investigating working conditions or conferring with the Board or Administration or the employees provided such visitation or conferring does not interfere with the work performance of the employees.
- B. The Board shall provide space for a Union bulletin board in a reasonably accessible place for Union notices. The Board will post the dates of public and work meetings of the Board on this bulletin board. The Board of Education meeting agenda is posted on the District Web-site. The Chairperson may request a copy of the agenda on the day of the meeting if he/she is unable to access the District Web-site.
- C. The Union and its representatives may be permitted to use school buildings at reasonable hours for meetings. The transportation coordinator shall be notified in advance of the time and place of all such meetings and the Union shall seek approval for the use of the building from the business office.

ARTICLE XII **EXTENDED LEAVES OF ABSENCE**

- A. 1. An employee shall notify the Business Administrator or his/her designee of her pregnancy in writing as soon as it is medically confirmed. Such employee shall be placed on childbearing leave in accordance with State regulations following presentation of medical certification concerning her inability to work. In the event of stillbirth or death of the child, the employee, if she elects, shall return to her position when physically able to perform her duties with two (2) weeks prior notice to the Board.
2. An employee must provide medical certification of her ability to perform her duties prior to returning to work.
3. Any employee adopting an infant child shall receive similar leave which shall commence upon his/her receiving actual custody of said infant or earlier, if necessary, to

fulfill the requirements of the adoption.

4. No employee on maternity leave shall, on the basis of said leave, be denied the opportunity to substitute in the school district. Subject to the laws in the State of New Jersey, the driver must present a physician's certificate to the effect that she may drive a school bus.

In the event that the Board challenges the driver's medical certification, a second medical opinion will be obtained at Board expense by a mutually agreeable doctor.

5. Employees may apply for, and shall be granted, an unpaid leave of absence for child rearing purposes immediately following the conclusion of the period of disability. The child-rearing leave shall terminate at the beginning of a school year. Child-rearing leaves shall not exceed twenty-four (24) months.

B. All benefits to which an employee was entitled at the time his/her leave of absence commenced, including unused accumulated sick leave, shall be restored upon return from leave and he/she shall be assigned to the same position which he/she held at the time said leave commenced, if available, and if not, to a substantially equivalent position if available.

C. All extensions or renewals of leave shall be applied for in writing and judged by the same standards as specified in this Article.

1. for personal illness, an employee must use accumulated sick leave as part of FMLA leave.

2. for illness of a family member, an employee must utilize personal leave (2 days) as part of FLA leave.

ARTICLE XIII **GRIEVANCE PROCEDURE**

A. Definition: Adjustment of all complaints, disputes, controversies and grievances of any

type arising between the Board and the Union concerning the interpretation, operation, application or performance of the terms of this Agreement shall be undertaken in accordance with the procedures set forth below.

B. A grievance to be considered under this procedure must be initiated in writing on the grievance form shown in Appendix B of this Contract, within thirty (30) calendar days of its affecting the employee except regarding payroll matters when the grievance shall be submitted within five (5) days after the end of the month in which the pay dispute occurs.

C. Days when used in this Article shall mean work days for the bus drivers except during the period between the close of school in June and the opening of school in September when day shall mean day on which the district's business office is open.

D. Failure at any step of this procedure to communicate the decision of the grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision.

E. Written grievances shall be filed by the Union Representative.

F. A grievance hearing shall be mandatory in Steps 1, 2, and 3 of this procedure if requested by either the Union or the Administrator at that Step.

G. The time limits set forth in the following Steps may be extended by mutual agreement, in writing, between the Board and the Union.

H. Nothing in this procedure shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted provided the adjustment is not inconsistent with the terms of this Agreement and that the Union has been given the opportunity to be present at such adjustment to state its views.

Step 1:

The aggrieved employee shall submit his/her written grievance, as specified above, to the Transportation Coordinator. The Transportation Coordinator shall attempt to resolve the matter as quickly as possible, and shall submit a decision in writing to the employee and Union within five (5) workdays of receipt of the grievance.

Step 2:

If the grievance is not resolved to the Union's satisfaction at Step 1, not later than five (5) workdays after receipt of the Step 1 decision, the employee may appeal the decision to the Assistant Superintendent. The Assistant Superintendent shall review the grievance and render a decision, in writing, within five (5) workdays of receipt of the grievance. The Assistant

Superintendent's decision shall be forwarded to the aggrieved employee and the Union.

Step 3:

If the grievance is not resolved to the Union's satisfaction at Step 2, not later than five (5) work days after the Assistant Superintendent's decision, the aggrieved employee may appeal the decision to the Superintendent of Schools. The Superintendent shall review the grievance and render a decision in writing, within ten (10) workdays of receipt of the grievance. The Superintendent's decision shall be forwarded to both the aggrieved employee and the Union.

Step 4:

If the grievance is not resolved to the Union's satisfaction by the Superintendent's decision, not later than five (5) work days after receipt of the Superintendent's decision, the Union may appeal the decision to the Board of Education. The appeal shall be submitted in writing through the Superintendent or his/her designee who shall attach all related papers and forward the request to the Board. The Board shall have the option of holding a hearing on the grievance. The Board shall review the grievance and render a decision in writing within thirty (30) calendar days of receipt of the grievance.

Step 5:

In the event the grievance is not satisfactorily settled by the Board, then both parties agree that within ten (10) calendar days either party may request the New Jersey State Public Employment Relations Commission to aid them in the selection of an arbitrator, according to the rules and regulations of that Commission, who shall have full power to hear and determine the dispute and the Arbitrator's decision shall be final and binding.

1. The arbitrator shall have no authority to change, modify, alter, substitute, add to, or subtract from the provisions of this Agreement. No dispute arising out of any questions pertaining to the renewal of this Agreement shall be subject to the arbitration provisions of this Agreement.

2. The cost of the arbitration, other than the costs incurred individually by the parties in the preparation and presentation of their cases to the arbitrator, shall be shared equally by the Board and the Union.

I. It is understood that employees shall, during and notwithstanding the pending of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

J. The Union shall require its members to comply with the terms of this Agreement. The parties agree that the maintenance of a peaceable and constructive relationship, between them the employer and the employees, requires an establishment and cooperative use of the machinery provided for in this Contract for the discussion and determination of grievances and disputes, and that it would detract from this relationship if individual employees or groups of employees

would either as individuals or groups seek to interpret or enforce the Contract on their own initiative or responsibility. No individual employee may initiate any arbitration proceeding or move to confirm or vacate an arbitration award.

ARTICLE XIV
WORKING CONDITIONS – DRIVERS

- A. 1. The work year for all drivers shall be one hundred eighty-one (181) days and shall consist of those days on which the district's schools and/or the days on which other schools to which the district transports students are open for students. Drivers who are required to drive on more than one hundred eighty-one (181) days will be paid for the additional time at their regular daily or hourly rate.
2. When the student(s) on one or two student vans are going to be absent, the driver shall notify the Transportation Coordinator prior to 5:30 a.m. or as soon as the driver is notified by the parent. The driver shall work as a substitute that day if substitute work is available. When the calendar of a private school does not coincide with the district's calendar, the driver shall have the option of taking the day(s) off or substituting (if substitute work is available). The driver shall notify the Transportation Coordinator of his/her decision at least five (5) working days in advance.
- B. Employees shall be paid at their hourly rate, except for rate work schedule as per Article XXII.
- C. The minimum time assigned on a daily basis will be four (4) hours. In the event a run or four (4) hours requires less than four (4) hours, the driver shall be paid for four (4) hours but shall be available for other driving assignments when required.
- D. All drivers shall select packaged runs on a seniority basis during the first full calendar week in August for the forthcoming school year. Employees will be notified of the selection date not less than two (2) weeks prior to the selection date. Notification will be by mail to the employee's address of record. Runs will be posted for review three (3) days prior to the selection date. Posting for review and run selection shall occur in the same calendar week
- E. Drivers will be assigned a specific time to select their runs on run selection day. Selection for absent drivers shall be made by a driver designated by the absent driver. Any driver on Worker's Compensation that will prevent that driver from returning to work at the beginning of the school year will not be able to select a route during pick it. Upon returning to work full-time the driver will select a route equal in time to their last route selected in pick it. All drivers below will have to re-pick an existing route.
- F. When and if additional work other than driving becomes available for transportation personnel, notice of such work will be posted by the Transportation Coordinator and each driver may apply for such work. Determination of added work assignments will be made

by the Coordinator on the basis of ability and rotational seniority. In the event such work requires a particular expertise the Board may hire personnel from outside the bargaining unit.

G. All temporary set-ups shall be made available to the drivers to bid in seniority rotation order in accordance with the terms of the following provisions:

a. When a temporary vacancy becomes known, the Transportation Coordinator, or his/her designee, shall make one announcement in the a.m. on the first day of the posting and shall post the vacancy on the District Bulletin Board and in each driver's mailbox. Drivers who are interested in the vacancy shall sign the posting. Drivers out sick for three (3) days of a posting will be placed on the temporary vacancy list based on seniority. If the driver is present on the third day when the run is filled, he/she has a right of refusal if he/she is the most senior. If not present on the day the run is filled, he/she will not be considered. At the start of the third working day, the position shall be awarded to the senior driver who can increase their hours in accordance with this provision. Only the driver who is awarded the temporary set-up shall be charged with a turn on the roster and shall not be available for another turn until all drivers have had a turn on the roster or no one bids.

1. When a regular driver notifies the Transportation Coordinator that he/she will be on a Board approved leave for a period exceeding three (3) weeks or fifteen (15) working days excluding Saturday and Sunday, a driver with less hours shall take the driver's entire package on a rotational seniority basis until the absent driver returns.

2. When a temporary set-up to longer driving time occurs as described in sub-sections above, the driver who claims the longer run will remain on the run until the absent driver returns. The run vacated by the driver who is awarded the temporary set-up will be filled by a regular driver with less hours until the vacant position is a four-hour position. This four-hour position will be filled by a substitute or rotating driver.

3. A driver with a mid-day run would be eligible to bid on vacant runs that do not include midday work even if the vacated run does not increase their total hours; also a driver may change from a full size bus to a van/mini-bus. This would not be considered a lateral move.

4. The positions which become vacant as a result of the transfers in sub-sections above, will be offered to the next senior driver who has less hours. Rotational seniority will be followed until either someone accepts the vacated position or all drivers have been offered the position.

5. When a temporary set-up to longer driving time occurs as described in subsections 1., 2., 3., or 4. above, the driver who claims the longer run will remain on the run until the absent driver returns. The run vacated by the driver who is awarded the temporary set-up will be filled by a regular driver with less hours until the vacant position is a four-hour position. This four

hour position will be filled by a substitute or rotating driver.

6. If a six (6) run hours package, which includes three (3) consecutive runs in the a.m. and three (3) consecutive runs in the p.m. becomes available within the school year, the next senior most driver, even if they currently drive a six (6) hour run, which may include a mid-day run, would be eligible to bid. This would not be considered a lateral move as they would be upgrading their run to a more desirable route, i.e., from morning, mid-day, and p.m. to three (3) consecutive hours in the a.m. and three (3) consecutive hours in the p.m.

7. If a five (5) run hours package, which includes two (2) consecutive blocks of time, one in the a.m. and one in the p.m. becomes available within the school year, the next senior most driver, even if they currently drive a five (5) hour run, which may include a midday run, would be eligible to bid. This would not be considered a lateral move as they would be upgrading their run to a more desirable route, i.e., from morning, mid-day, and p.m., to two (2) consecutive blocks of time, one in the a.m. and one in the p.m.

8. The positions which become vacant as a result of the transfers in sub-sections 6 & 7 above will be offered to the next senior six or five hour driver (respectively) who has less than six or five (respectively) hours. Rotational seniority will be followed until either someone accepts the vacated position or all drivers have been offered the position.

H. 1. Five (5) separate rotational seniority rosters shall be maintained for all drivers for each of the following:

(1) Kindergarten, (2) Field Trips, (3) Out of State, (4) Athletics/After School Activities and (5) Weekend Trips. When insufficient drivers are signed-up, the Transportation Coordinator shall first seek volunteers for the excess field trips. When insufficient volunteers are available the Transportation Coordinator shall have the right to assign additional drivers to the extra runs on the basis of seniority and qualifications.

a. Selection of After-School Activity Runs will be by the season, (fall, winter, spring) with drivers picking a season in seniority order at the start of the school year. A second season selection will be picked after all other drivers on the roster have made a selection.

2. Drivers must sign up to have their name included on the rotational seniority roster. Drivers may add their name to or withdraw from the rotating seniority rosters at any time during the year; withdrawals are for the balance of the school year. Three (3) consecutive refusals or missed turns other than for medical reasons, critical illness of family member, or death in family will cause a driver's name to be removed from the rotational roster.
3. Based upon the needs of the district and financial considerations, all out-of-state trips may be sub-contracted. Should the district determine not to sub-contract any particular run, it will be offered to district drivers on the out-of-state trip rotational seniority list.

Such work shall be paid at the driver's regular hourly rate for the first three (3) hours and at the contractual field trip rate for the remaining hours.

- I. 1. All field trips and after-school runs shall be posted with the name of the assigned driver three (3) days prior to the date of the trip. Drivers will be assigned on the basis of the rotational seniority roster. Refusals shall count as a turn. Field trip notification received by the Transportation Coordinator on less than three (3) days notice will be assigned on the basis of the rotational seniority roster and posted as soon as possible.
