C. 1. The term "grievance" as used herein means an appeal by an individual employee or the Association on behalf of an individual employee or group of employees, from the interpretation, application, or alleged violation of this Agreement, policies, rules and regulations or administrative decisions affecting an employee, or the Association.

No grievance may proceed beyond **Step Three** herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions of employment controlled by statute or administrative regulation incorporated by reference in this Agreement either expressly or by operation of law, shall not be processed beyond an individual employee or group of employees, interpretation, application, or alleged violation Agreement, policies, rules and **Step Three** herein the following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual written consent:

F. Upon prior notice to and authorization of the City Manager, the designated Association representatives shall be permitted as members of the Grievance Committee to confer with employees and the City on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the City of Brigantine Police Department or require the recall of off-duty employees.

G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. ARTICLE 7

DUES DEDUCTION AND AGENCY SHOP

A. The City agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deduction shall be made in compliance with Chapter 123, Public Laws of 1974, N.J.S.A. (R.S.) 52:114-15.9e, as amended.

B. A check-off shall commence for each employee who signs a properly dated authorization card, supplied by the Association and verified by the City Treasurer during the month following the filing of such card with the City.

C. If during the life of this Agreement there shall be any change in the rate of membership dues, the Association shall furnish the City written notice thirty (30) days prior to the effective date of such change and shall furnish to the City either new authorizations from its members showing the authorized deduction for each employee, or an official notification on the letterhead of the Association and signed by the President of the Association advising of such changed deduction.

D. The Association will provide the necessary "check-off authorization" form and the Association will secure the signatures of its members on the forms and deliver the signed forms to the Payroll Dept.

E. Any such written authorization may be withdrawn at any time by the filing of notice of such withdrawal with the Payroll Dept. The filing of notice of withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.9e, as amended.

F. The City agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Association and transmit the fee to the majority representative.

G. The deduction shall commence for each employee who elects not to become a member of the Association during the month following written notice from the Association of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission.

H. The fair share fee for services rendered by the Association shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Association, less the cost of benefits financed through the dues and available only to members of the Association, but in no event shall the fee exceed eighty-five percent (85%) of the regular membership dues, fees and assessments.

I. The sum representing the fair share fee shall not reflect the costs of financial support of political causes or candidates, except to the extent that it is necessary for the Association to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration, and to secure for the employees it represents advances in wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the City.

J. Prior to January 1st and July 31st of each year, the Association, if there is a change in the cost of membership, shall provide advance written notice to the City and any non-member of such increase. Upon written request, any information necessary to compute or validate the fair share fee for services enumerated above will be forwarded to the City or employee requesting same.

K. The Association shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Association. This appeal procedure shall in no

way involve the City or require the City to take any action other than to hold the fee in escrow pending resolution of the appeal.

L. The Association shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the City in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Association to the City, or in reliance upon the official notification on the letterhead of the Association and signed by the president of the Association, advising of such changed deduction.

M. Membership in the Association is separate, apart and distinct from the assumption by one of the equal obligations to the extent that he has received equal benefits. The Association is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally, without regard to Association membership. The terms of this Agreement have been made for all employees in the bargaining unit, and not only for members in the Association and this Agreement has been executed by the City after it has satisfied itself that the Association is a proper majority representative.
