C. It is further understood that the following certificated personnel are specifically excluded from this recognition:

1. Superintendent
2. Principals/Assistant Principals
3. Supervisors
4. School Business Administrator

D. All other individuals employed by the Board not specifically enumerated above are excluded from the negotiations unit.

## **ARTICLE II**

### **NEGOTIATIONS PROCEDURE**

A. The parties agree to enter into collective negotiations over a successor agreement in accordance with N.J.S.A. 34:13A-1, et seq., in a good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall begin at a mutually agreeable time, but no later than November 15<sup>th</sup> of the calendar year preceding the calendar year in which this Agreement expires. Any Agreement so negotiated shall apply to all certificated teacher personnel belonging to the Association, be reduced to writing, and be signed by the Board and the Association after ratification by the Association and the Board.

B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

C. The following procedures are to be followed as a means of reaching agreement on matters in negotiations:

1. The Board representatives agree to meet with the representatives of the Association at a mutually agreeable time, but no later than November 15<sup>th</sup> of the calendar year preceding the calendar year in which this Agreement expires.

2. At the initial meeting, there shall be an exchange of proposals and an establishment of ground rules for negotiations regarding future meetings.

3. The Board and the Association agree upon reasonable request to share statistics and information that relate to topics being negotiated, including public information pertaining to the budget which is approved by the Board of Education.
4. Whenever tentative agreement is reached upon any provision to be incorporated in the Agreement, the parties shall endeavor to have said agreement reduced to writing and incorporated as part of the final draft of the Agreement to be entered into between the parties and approved. It is understood and agreed that all tentative agreements and the final Agreement are subject to ratification by the Board and the Association membership.
5. The negotiation teams of both the Board and the Association shall consist of no more than seven (7) members. Either negotiation team shall have the right to utilize the services of consultants in its deliberations.
6. In computing the cost of salaries in any negotiated settlement, only the increase in the guides and the increments earned by individuals who are moving up on the guides shall be included. In no case whatsoever shall movement of personnel from one guide to another (i.e., from the BA scale to the MA scale) be considered part of the settlement, or included in the overall cost or percentage of increase. Personnel moving to another scale on the guide must comply with the notification requirements pursuant to Article XVIII B of this Agreement.

**ARTICLE III**  
**GRIEVANCE PROCEDURE**

A. Definition

1. A grievance is hereby defined as any appeal by a teacher, group of teachers or the Association over the interpretation, application, or a violation of policies, agreements, and administrative decisions which affect employees' rights and terms and conditions of employment.

2. Principal is hereby defined as the principal of the school wherein the grievance originates. Superintendent is hereby defined to be the Superintendent of Schools or his/her designee.

3. Representative is hereby defined to include any organization, agency, or person authorized or designated by any teacher or by any group of teachers, or by the Association, or by the Board to act in its or their behalf and to represent it or them.

4. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without the intervention of the Association. However, a teacher has the right to have a representative present when discussing a grievance informally.

5. The term "grievance" and the procedure relative thereto shall not be deemed applicable in the cases of the failure or refusal of the Board to renew the contract of a nontenure employee, except for non-renewal for disciplinary reasons. Neither shall the

grievance procedure be invoked by any individual claiming tenure under the provisions of N.J.S.A. 18A:28-5, et seq., where charges have been brought against such individual pursuant to the provisions of the Tenure Employees' Tenure Law, N.J.S.A. 18A:6-10, et seq. In such cases, the procedure to be followed shall be set forth in N.J.S.A. 18A:6-10 et seq.

6. In cases involving the withholding of increments pursuant to N.J.S.A. 18A:29-14, an individual affected by such action shall have the right to invoke the grievance procedure up to and including Board level. From the final determination by the Board, the method of review shall be in accordance with law.

B. Procedure:

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level of this grievance procedure shall be considered as maximum and every effort should be made to expedite the process. The time limit specified herein may, however, be extended by mutual agreement. Nevertheless, failure to abide by the time limits set forth herein, or to any mutually agreed to extensions, shall be considered an abandonment of the grievance. Grievances shall be signed and dated. Faxes are acceptable. Grievances must be submitted during regular business hours. Business hours are 8:00 a.m. to 4:00 p.m. when school is in session and 9:00 a.m. to 3:00 p.m. when school is not in session.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps of this grievance procedure by the end of the school year, and, if left

unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limit set forth herein shall be reduced upon mutual agreement of all parties, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One: A grievance shall first be presented within twenty-one (21) calendar days of the date upon which the grievant should reasonably have become aware of the event complained of, to the Principal of the school or the Supervisor. The Principal or Supervisor shall informally discuss the matter with the grievant and shall render a decision within seven (7) calendar days from that discussion.

4. Level Two: If the grievance is not resolved to the grievant's satisfaction within seven (7) calendar days of the informal discussion with the Principal or Supervisor, or if no decision is forthcoming within the seven (7) calendar day period, then the grievant may submit his/her grievance to the Superintendent of Schools, in writing, specifying:

- (a) The nature of the grievance;
- (b) The results of the previous discussion with the Principal;
- (c) The basis of his/her dissatisfaction with the Principal's determination; and
- (d) A copy of the writing called for in this paragraph shall be furnished to the school Principal or Supervisor and to the Association.

The Superintendent will try to resolve the matter as expeditiously as possible, but within fifteen (15) calendar days. The Superintendent shall communicate the decision in writing, indicating the reasons for his action to the person who initiated the grievance.

5. Level Three: If the grievant is not satisfied with the determination of the Superintendent, or if the Superintendent does not render a decision within fifteen (15) calendar days, the dissatisfied grievant may, within fifteen (15) calendar days of the Superintendent's determination or lack thereof, appeal to the Board of Education.
6. Level Four: Any appeal to the Board of Education shall be in writing and shall contain the information specified in paragraph 4 above. Copies of the appeal to the Board of Education shall be served upon the Principal of the school or the Supervisor, the Superintendent and the Association.
7. The Board of Education or a committee thereof may at the next available Board meeting or within twenty one (21) calendar days of receipt of the written appeal, conduct a hearing at which all parties in interest may be heard. Grievance hearings shall be held at 7:00 p.m.
8. Within fifteen (15) calendar days of the hearing, if a hearing has been scheduled, or within twenty one (21) calendar days of receipt of the written appeal, the Board of Education or its committee shall render a decision, in writing, and shall serve a copy of that decision on the grievant, the Principal of the school or the Supervisor, the Superintendent and the Association.
9. Any and all such hearings authorized under this Article shall be limited to the parties in interest.
10. Level Five: In the event the grievant is dissatisfied with the determination of the Board, he/she shall have the right to request binding arbitration pursuant to the rules

and regulations established by the Public Employment Relations Commission, under the provisions of N.J.S.A. 34:13A-1, et seq.

11. A request for arbitration shall be no later than ten (10) calendar days following the determination of the Board. Failure to file the request within this ten (10) calendar day period shall constitute a bar to such arbitration unless the grievant and the Board shall mutually agree upon a longer period of time within which to file the request for arbitration.

12. A request for arbitration shall be filed with the Public Employment Relations Commission and a copy shall be served upon the Superintendent of Schools.

13. The right to arbitration shall apply only to those grievances challenging the interpretation and/or application of this negotiated Agreement or pursuant to N.J.S.A. 34:13A-1 et seq. All other grievances, including but not limited to those listed below, are specifically excluded from the arbitration process set out in this Article:

- (a) Disputes involving Board policies or administrative decisions;
- (b) Disputes over matters which have been declared non-negotiable by the Courts or administrative agencies of the State;
- (c) Disputes wherein a specific statutory method of review is provided; and
- (d) Disputes wherein the remedy sought is beyond the power of the arbitrator and/or the Board of Education.

14. The authority of the arbitrator shall be subject to the following:

(a) He/she shall have no authority to modify, add to, subtract from, or in any way whatsoever alter the terms and provisions of this Agreement;

(b) He/she shall be bound by the decisions of the Commissioner of Education, the Public Employment Relations Commission, and any other administrative agency of this state, the Courts of this state and the United States, and all New Jersey Statutes.

15. Arbitration hearings shall be conducted in private, at a site mutually convenient to both grievant and the Board, and shall be limited in attendance to parties in interest.

16. The cost of the arbitrator's services shall be shared equally by the Board and the Association. Each of the parties shall bear its own costs and expenses.

17. The decision and award of the arbitrator shall be final and binding on both parties.

18. Failure to respond within the time limits by the Board or its agent shall be considered a denial of the grievance allowing the grievance to be processed through the next step, if applicable.

C. Rights of Teacher Employees to Representation:

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself or at his/her option, by the Association, or by a representative selected or approved by the Association.

2. No reprisals of any kind shall be taken by the Board or any member of the administration against any party in interest, any representative, any member of the

Association or any other participant in the grievance procedure by reason of such participation.

D. Miscellaneous:

1. Group Grievances: Any grievance which is common among a group or class of aggrieved teachers may be represented in writing, by the aggrieved teachers or by a representative selected by them, to the level of authority at Level Two without first having been processed through the previous steps of the grievance procedure. Such group grievance shall be processed at Level Two and thereafter in accordance with the procedures set forth above.

2. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representative or any representative of the Association entitled to be present.

Pursuant to N.J.S.A. 34:13A:1 et seq., the Board hereby agrees that all teachers covered by the terms of this Agreement, as particularly delineated in Article I, shall have the right to join and support the Kenilworth Education Association for the purpose of engaging in collective negotiations and bargaining as defined and provided for by the aforesaid legislation of the State of New Jersey.

A teacher may only be involuntarily assigned to an extra-curricular position after the Board has posted within the district for a qualified volunteer for the position and if no qualified volunteer is found from within the district, the Board has advertised for a qualified person from outside the district and no qualified person from outside the district applied. Where the extra-curricular position requires a teaching assignment within the school day, there is no requirement for the Board to first advertise outside the district before involuntarily assigning a teacher to an extra-curricular position.

2. When the Board seeks volunteers for an extra-curricular position, teachers shall have, and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal or coercion, to volunteer or to refrain from volunteering for any extra-curricular position.

### SICK AND TERMINAL LEAVE

A. All teachers employed shall be entitled to fifteen (15) days sick leave each school year as of the first official day of said school year, whether or not they report for duty on that day. Unused sick leave days shall be accumulated from year to year with no maximum limit.

B. Terminal leave compensation will be approved for all teachers who submit their form to the State Pension and Annuity Fund for retirement purposes and who have twelve (12) years' service in the Kenilworth school system.

1. The formula for calculating terminal leave compensation shall be as follows:

(a) One half (1/2) day's pay for each accumulated sick day. A day's pay is defined as one three-hundredths (1/300) of the member's final annual salary.

Tier I: Employees whose first day of employment was prior to July 1, 2001 and with twelve (12) years of service as of July 1, 2000, shall receive a maximum payment of 50% of the employee's final annual salary.

Tier II: Employees whose first day of employment was prior to July 1, 2001 and with less than twelve (12) years of service as of July 1, 2000, shall receive a maximum payment of 40% of the employee's final annual salary.

Tier III: Employees whose first day of employment is on or after July 1, 2001 and with twelve (12) years of service shall receive a maximum payment of \$20,000.

Effective July 1, 2013, the aforementioned language for Tiers I through III shall be replaced by the following:

Tier I: Employees whose first day of employment was prior to July 1, 2001 and with twelve (12) years of service as of July 1, 2000, shall receive a maximum payment of \$50,000.

Tier II: Employees whose first day of employment was prior to July 1, 2001 and with less than twelve (12) years of service as of July 1, 2000, shall receive a maximum payment of \$40,000.

Tier III: Employees whose first day of employment is on or after July 1, 2001 and with twelve (12) years of service shall receive a maximum payment of \$20,000.

In order to provide timely budget planning, whenever possible, an employee who will be retiring on or before the end of a contract year will be expected to give the Board notice of the pending retirement by the preceding January 1. Such terminal leave shall be paid within thirty (30) days of the employee's retirement date.

(b) The estate of the teacher who dies during the duration of this contract after twelve (12) years of service in Kenilworth, shall receive terminal leave pay for sick days accumulated, computed on the same basis as paragraph (a).

(c) Sick leave is hereby defined to mean the absence from his/her post of duty of any person because of personal disability due to illness or injury, or because he/she has

been excluded from school by the school district's medical authorities on account of any contagious disease.

(d) Absences in excess of the annual allowance shall be charged to the employee's accumulated leave, if any.

(e) When absence, under the circumstances described under section (c) above, exceeds annual sick leave and the accumulated sick leave, the Board of Education may pay such person each day's salary less the pay of a substitute, if a substitute is employed or the estimated cost of the employment of a substitute if none is employed, for such length of time as may be determined by the Board of Education in each individual case. For that purpose, a day's salary is defined as one two-hundred (1/200) of the annual salary.

(f) Each teacher assigned to the High School or Middle School must notify the District online system of his/her illness by 6:00 a.m. and each teacher assigned to the Elementary School must notify the District online system of his/her illness by 7:00 a.m. if he/she will be absent for that day or any succeeding days.

(g) In all cases of personal illness, a doctor's certificate is required after five (5) days of continuous illness.

(h) In the case of frequent or intermittent illness, the Board or Superintendent may require the employee to submit a certificate of illness signed by the attending doctor, or submit to an examination or series of examinations by the school doctor.

(i) In the case of pregnancy, the terms and procedures of Article XVI of this Agreement shall be controlling.

(j) Five (5) of the fifteen (15) days designated as sick days each year may be used for family illness days, if necessary, otherwise, they remain as personal sick days.

## ARTICLE XV

### TEMPORARY LEAVE OF ABSENCE

A. Absence for personal reasons as set forth in the following categories 1, 2 and 3, shall be requested in writing at least one (1) working day in advance to the Principal, except in cases of emergency. Absences for personal reasons as set forth in the following categories 4, 5, 6 and 7, shall be requested in writing at least one (1) week (7 days) in advance to the Principal. Such requests must state the reasons the personal leave will be used for. Two (2) personal leave days requested under category 8 shall be approved without the necessity of being submitted in writing or being submitted at least one week (7 days) in advance. An employee may be allowed one (1) personal day per category, with a maximum of three (3) days each school year, unless otherwise provided in this Agreement, subject to the approval of the Superintendent. Personal leave will not be granted before or after a holiday or school vacation unless the leave is for religious observance or an emergency. Personal days may not be continuous in nature when requested. No more than 5% of the staff may receive the same day off for personal leave except in cases of emergency. No deductions shall be made from teachers' salaries when requests are granted for absences for personal reasons as set forth in the following categories:

Categories:

1. Death of parent, de facto parent, spouse, or child, not to exceed five (5) consecutive school days in any one instance;
  2. Death of brother, sister, mother-in-law, father-in-law, grandparents, grandchild, daughter-in-law, and son-in-law, not to exceed four (4) consecutive school days in any one instance;

  4. For serious illness of a member of the immediate family (mother, father, spouse, sister, brother, son-in-law, daughter-in-law, son or daughter);
  5. Court Order. Absence by reason of subpoena by any court, providing the employee is not a party of the suit and upon the presentation of proper written evidence to the Superintendent;

  8. Personal business (one day per request; not to be consecutive). Two requests not subject to the approval of the Superintendent.
- B. Professional Days. Each teacher, with the approval of the Superintendent, may request permission to observe other schools at the same grade level during the school year. A maximum of two (2) days may be used for this purpose without deduction in pay. A written report of the observation shall be filed with the Superintendent.

C. Military Leave for Training Purposes. Leave for military purposes shall be granted only after the Board has been satisfied that it is not possible for the staff member to carry out his normal military responsibilities on non-school time, and after representations have been made to the Armed Services to alter the time required duties so that it shall not conflict with the school duties. The Board shall supplement pay received from the government to equal the regular salary for the period served.

D. Jury Duty. Teachers shall make a reasonable attempt to be excused from jury duty. Within forty-eight (48) hours of being notified of jury duty, a teacher shall submit a written request to the appropriate court to be excused from jury duty and notify the Building Principal of having received notice of jury duty. If a teacher is required to attend jury duty during normal work year, the Board of Education will continue to provide full salary less any jury stipend.

### EXTENDED LEAVES OF ABSENCE

#### A. Disability Leaves

To promote equality among all teachers, the policy regarding employees who become pregnant while employed under the terms of this contract are as follows:

1. An employee who anticipates a disability leave shall notify the Superintendent, in writing, of the anticipated commencement of the disability leave at least two (2) months prior to the commencement of the disability leave. In the case of pregnancy, the employee shall inform the Superintendent of the anticipated delivery date. The Board shall not remove any teacher from her regular teaching duties during her pregnancy inconsistent with the terms set forth herein unless, as provided by a physician's certification, her teaching performance has declined or her health would be impaired if she continued teaching.

2. As provided by a physician's certification, the Board shall grant sick leave as set forth herein because of disability due to pregnancy to every pregnant teacher upon the written request of said pregnant teacher. The Board shall also grant sick leave as set forth herein because of disability due to pregnancy to every teacher upon the recommendation of the Superintendent and a supporting physician's certification.

3. When the Board approves any sick leave because of disability due to pregnancy, it shall do so by resolution designating the term of the leave, the beginning

date of the leave and the return date for the teacher to return to work.

4. Sick leave for disability due to pregnancy shall normally be for a period of four (4) weeks immediately prior to the expected date of delivery and the four (4) weeks following the termination of the pregnancy. It may be granted for such other period of time as may be necessary for the teacher's physical health and safety upon written certification from the teacher's attending physician.

5. Sick leave due to pregnancy may extend for such period as may be required, but in no case shall the leave of absence extend for more than one hundred eighty (180) calendar days or the total number of sick leave and accumulated sick leave days the teacher may have, whichever is longer, subject to a physician's certification. In a case of sick leave extending more than four (4) weeks before or four (4) weeks after the termination of the pregnancy, the Board and the Superintendent, at such time and every six (6) calendar weeks thereafter, may require the employee to submit an updated certificate of physical disability signed by the attending physician or to submit to an examination or series of examinations by the school doctor or such other doctor as the Board may designate.

6. The Board shall grant leave without pay except that the teacher may use her sick leave and accumulated sick leave, if any, and receive full pay and benefits for the period so covered by her said leave, as provided by a physician's certification. The time of such leave in excess of sick leave and accumulated sick leave days used shall not count as teaching time for salary purposes. A tenured teacher may, at the Board's

discretion, be paid the difference between her salary and a substitute's pay for excess days not covered by her accumulated sick leave days. The Board's decision shall be final with respect to this determination.

7. Upon return from sick leave because of disability due to pregnancy, the teacher shall be reinstated to a teaching position for which she is certified. Failure of the teacher to report to work on the designated return date shall automatically terminate the teacher's employment.

#### B. Family Leave of Absence

1. Where foreseeable, a request for a family leave of absence shall be submitted to the Superintendent at least two (2) months prior to the commencement of the leave. The request shall specify the date on which the leave commences and the date on which the leave terminates. In the case of a family leave due to pregnancy, the request shall specify the anticipated delivery date. The Board shall not remove any tenured teacher from her regular teaching duties during her pregnancy, or a non-tenured teacher during those months of her pregnancy which occur during the school year for which she is contracted, unless, as provided by a physician's certification, her teaching performance has declined or her health would be impaired if she continued teaching.

2. The Board shall grant a family leave of absence due to pregnancy to any teacher wishing to return within a school year, provided she indicated this in her request for family leave.

3. When the Board approves a family leave of absence due to pregnancy, it shall do so by resolution designating the term of the leave and a return date for the employee to return to work.

4. The Board shall grant the leave without pay. The time of such leaves shall not count as teaching time for salary purposes unless the employee works at least 90 days in the school year in which the leave commences or terminates.

5. Upon return from family leave due to pregnancy, the teacher shall be reinstated to a teaching position for which she is certified.

6. Adoption. Any teacher adopting an infant child shall receive similar leave which shall commence upon her receiving de facto custody of such infant or earlier, if necessary, to fulfill the requirements for adoption.

#### C. Child Care Leaves of Absence

1. A request for contractual child care leave of absence shall be submitted to the Superintendent at least two (2) months prior to the commencement of the leave. The request shall specify the date on which the leave commences and the date on which the leave terminates.

2. The Board shall grant a contractual child care leave of absence to any tenured teacher for a period of one (1) school year following the year in which the family leave of absence due to pregnancy commences.

3. When the Board approves any contractual child care leave of absence it shall do so by resolution designating the term of the leave and a return date for the

employee to return to work.

4. The Board shall grant the leave without pay. The time of such leaves shall not count as teaching time for salary purposes.

5. An employee on a contractual child care leave must notify in writing, the Superintendent, on or before April 1<sup>st</sup> of the year immediately preceding the return date set forth in the leave that she is returning to work as scheduled. Failure to give such written notice shall automatically terminate the employee's employment on the aforesaid April 1<sup>st</sup>.

**ARTICLE XVII**

**INSURANCE**

A. As of the beginning of each school year, the Board shall provide yearly health care insurance protection as designated.

1. Effective July 1, 2010, insurance coverage for all full-time employees of the Board and their families shall be provided by the Board under a PPO plan that provides coverage that is equal to or better than the current provider's PPO policy. The Board of Education may offer additional insurance coverage plans at its sole discretion. The enrollment of employees in such additional plans shall be voluntary.

Effective July 1, 2013, all employees shall be responsible for contributing an amount established by P.L. 2011, Chapter 78 toward payment of health benefit premiums. The contribution shall be deducted through payroll deduction and shall include pre-tax dollars. Effective the 2011-2012 school year, co-pays shall be \$15.00 per visit.

B. The Board shall provide a dental plan under the current provider or under a different carrier and policy that provides coverage that is equal to or better in all aspects to the current provider's policy. Maximum dental coverage will be \$2,500 and orthodontia will be \$3,000.

C. Health care insurance shall include medical treatment insurance, hospitalization insurance, diagnostic x-ray insurance, major medical insurance, dental insurance, and

any other insurance pertaining to health care. Notwithstanding anything in this Agreement to the contrary, during the term of this Agreement the Board may make changes in health insurance coverage of employees consistent with economic needs of the school district.

D. New employees whose first day of employment is on or after July 1, 2001, shall be enrolled in PPO. Any employee who waives medical coverage shall receive 25% of the premium for the waived coverage on an annual basis

During the course of any year in which an employee has elected to waive insurance coverage, the employee shall be able to terminate the insurance coverage waiver agreement and re-enroll in the Board's insurance plan if one of the major qualifying life events, as defined by the United States Office of Personnel Management, are met. Such major qualifying life events include:

1. Change in family status, including but not limited to, marriage, birth, adoption, divorce or death;
2. Change in employment status; or
3. Loss of coverage.

Re-enrollment shall be in accordance with law. The waiver amount shall be pro-rated when re-enrollment occurs during a contract year.

E. 1. The Board agrees to provide a Long Term Disability Plan as is more fully described in the plan document on file in the Business Administrator's Office.

2. The Board shall have the right to provide a long-term disability plan from a provider of its choice with a benefit level similar to the current plan provided by Met Life.

F. The Board agrees to provide "a Vision Care Plan" as offered by the current provider or under a different carrier and policy that provides coverage that is equal to or better in all respect to the Plan of the current provider. The Vision Care Plan shall provide for \$200 for contact lenses in lieu of glasses at eight (8) boxes per year.

G. For the period July 1, 2013 through July 1, 2014, the above insurance coverage shall be provided to all unit members working an average of more than twenty five (25) hours per week.

H. Effective July 1, 2001, the Board shall implement a Section 125 Plan.

I. Employees receiving insurance coverage must provide written verification to the Superintendent two (2) times annually for all dependents up to the age of twenty six (26) years.

A matriculated program that provides for more than one third (1/3) of the Doctorate program or Master's program online will be reviewed on a case by case basis by the Superintendent. Payment shall be made upon receipt of transcripts, record of payment, and proof of obtaining a final grade average of B or better, for each course in which reimbursement is sought.

(c) Courses will not be approved in the following categories:

(5) The Board will not reimburse for more than twelve (12) credits per year at 85% of the per credit rate charged by Rutgers University. A year will start July 1 of one year to June 30 of the following year. The total amount of funds available shall be capped at \$65,000.00 annually.

(6) A teacher who expects to be reimbursed must obtain a final grade average of B or better, for each course which reimbursement is sought and shall submit

his/her final grade or grades, tuition course and receipt of payment to college or university.

(7) Teachers must outline the number of courses they plan on taking in the following school year by December 1<sup>st</sup> if they seek reimbursement according to this Article.

B. Annual notice must be given to the Superintendent as of the time the employee begins a program to attain the MA or six year level on the salary guide. Failure to comply with this notice requirement shall result in said employee being precluded from placement at the MA or sixth year level for salary purposes until such time as any resulting salary increase to said employee is included in the school budget.

C.1. Teachers who are required to attend conferences and seminars when schools are not in session shall be compensated their per diem rate of pay (1/200th) of their annual salaries and the Board shall pay the Seminar/Conference fee.

C.2. Teachers who request permission to attend conferences and seminars when schools are not in session, and whose request is granted by the Superintendent or Designee, shall only be entitled to have the Board pay for the Seminar/Conference fee.

4. If the total amount requested by all teachers exceeds the total amount of funds for that year, the total amount of funds shall be divided by the amount requested to establish the percent to be used for reimbursement.
5. All reimbursements shall be made within thirty (30) days of June 30.
