PREAMBLE

THIS AGREEMENT, effective as of the 1st day of January, 2009, by and between the CITY OF NEWARK, NEW JERSEY, (hereinafter "City" or "Employer") and the NEWARK FIREFIGHTERS UNION, INC. (hereinafter "Union"), is designed to maintain and promote a harmonious relationship between the City and such of its employees who are within the provisions of this Agreement, in order that more efficient and progressive public service may be rendered.

ARTICLE I RECOGNITION CLAUSE

SECTION 1. The City hereby recognizes the Union as the exclusive and sole representative for collective negotiations concerning salaries, hours and other terms and conditions of employment for all Firefighters, Fire Alarm Operators, Lineworkers, and Fire Signal Systems Repairer, wherever assigned, or similar titles, if created, of the Newark Fire Department including all Firefighters in specializations such as Community Relations, Labor Relations, Arson Squad, Special Services and Supply, Training Academy, Communications, Planning and Research and Fireboat. C.E.T.A. employees and any other similar employees are included.

SECTION 2. Unless otherwise indicated, the terms "firefighter", "firefighters", "employee", or "employees", when used in this Agreement, refer to all persons represented by the Union in the above defined negotiating unit.

SECTION 3. Effective December 31, 1991 new appointees assigned duties and responsibilities under the civilian position titles of Fire Prevention Specialist, Lineworker and Communications Operator shall not be entitled to the representation by the majority representative.

ARTICLE II DUES CHECKOFF

SECTION 1. All employees covered by this Agreement who are members of the Union at the time this Agreement is ratified or who hereafter become members during the term of this Agreement must retain their membership in the Union for the duration of this Agreement, in accordance with the qualifications noted in this paragraph, by offering to pay regular bi-weekly dues and initiation fees assessed against all members of the Union. Any member may resign from the Union effective January 1 or July 1, in accordance with the noted requirements of N.J.S.A. 54:14-15.9e. In the event the member fails to notify the City on January 1 or July 1 of any year to cease dues deductions, such deductions shall continue for six (6) month periods thereafter. Notice of withdrawal must be submitted by the employee to the Union in writing and a copy thereof furnished to the City.

SECTION 2. The Union agrees that it will indemnify and save harmless the City against any and all actions, claims, demands, losses, or expenses (including reasonable attorneys' fees) in any matter resulting from action taken by the City at the request of the Union under this Article.

SECTION 3. Upon the written authorization by an employee covered by the Agreement, the City agrees to deduct bi-weekly from the salary of each employee the sum certified as union dues and forward the sum to the Union Treasurer and/or any other duly authorized officer.

SECTION 4. REPRESENTATION FEE.

(a)Amount of Fee. If an employee in the bargaining unit is not a member of the Union during the term of this Agreement and during the period, if any, between successive Agreements, such employee shall be required to pay a representation fee to the Union during such term or period. The purpose of the representation fee is to provide for payment to the Union of a fee in lieu of dues for services rendered by the Union, and thereby to offset the cost of services rendered by the Union as majority representative. In order to adequately offset the cost of services rendered by the Union the representation fee shall be eighty-five percent (85%) of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members. The foregoing 85% is set forth solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be changed to the maximum allowed.

(b)Notice. The Employer shall submit an up-to-date list of all employees in the unit to the Union at least quarterly. The Union shall submit to the Employer a list of those employees in the unit who are not members of the Union. The Employer shall deduct from the salary of such employee in accordance with "(c)" below the full amount of the representation fee and shall transmit promptly the amount so deducted to the Union. The Union shall notify the Employer in writing of any changes in the list and/or the amount of the representation fee, and such changes shall be reflected in any deduction.

(c)Payroll Deduction Schedule. The Employer shall deduct a representation fee in equal installments, as nearly as possible, from the pay checks paid to each employee on the aforesaid list during the membership period fixed by the Union. The deduction will begin with the first pay check paid ten (10) or thirty (30) days after the employee begins his or her employment in the bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Employer in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first pay check ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later. Except as otherwise provided herein, the mechanics for the deduction of the representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues paid to the Union by payroll deduction.

(d)The purpose of this Article is to provide for payment of representation fees as set forth in Chapter 477 P.L. 1979 of New Jersey or any amendments thereto, and anything herein which may be inconsistent with said law shall be deemed to be changed to conform with said law.

SECTION 5. Demand and Return Procedure. The Union represents that it has in place a demand and return procedure for representation fee payers which complies with all state statutes and

regulations. The City's continued deduction of a representation fee in lieu of dues is conditioned on the Union's continued maintenance of this procedure.

ARTICLE III BULLETIN BOARDS

Subject to prior approval of the Director, which approval shall not be unreasonably withheld, the City shall permit the Union reasonable use of Bulletin Boards in each Firehouse and other appropriate locations including locations of special units for the posting of notices concerning Union business and activities and concerning matters dealing with the welfare of the employees.

ARTICLE IV GRIEVANCE PROCEDURE AND ARBITRATION

SECTION 1. PROCEDURE:

STEP #1. In the event that any difference or dispute should arise between the City and the Union or any employee(s) over the application and interpretation of the terms of this Agreement, or over the interpretation, application or violation of departmental policies, agreements, or administrative decisions, which affect working conditions of any employee(s), an earnest effort shall be made to settle such difference(s) between the aggrieved employee(s) and his/her or their immediate superior within thirty (30) calendar days of the occurrence giving rise to the grievance.

STEP #2. If no satisfactory agreement is reached within the prescribed thirty (30) calendar days, then the grievance shall be reduced to writing and submitted to the employee's Battalion Chief and Deputy Chief.

STEP #3. If no satisfactory agreement is reached within five (5) calendar days, then a conference will be arranged with the Chief of the Department.

STEP #4. Should no acceptable agreement be reached within an additional five (5) calendar days, then the matter shall be submitted to the Director who shall have ten (10) days to submit a decision.

The aggrieved employee has the right to representation by an official of the Union in Steps #2, #3 and #4 above.

STEP #5. Arbitration. Within two (2) weeks of the transmittal of the Director's written answer, and if the grievance is not settled to the satisfaction of both parties, either party may request that the grievance be submitted to arbitration as hereinafter set forth.

However, no arbitration hearing shall be scheduled sooner than thirty (30) days after the final decision by the Director. In the event the aggrieved elects to pursue Civil Service Procedure and invokes his/her rights and remedies under Civil Service Law, Rules and Regulations and

Procedures, the arbitration hearing shall be canceled and the matter withdrawn from arbitration. An employee who elects to proceed to arbitration shall be deemed to have waived his/her right to proceed under Civil Service Law, Rules, Regulations and Procedures.

In the event of any unresolved grievance, either party may submit such grievance to the New Jersey State Board of Mediation for the appointment of an impartial arbitrator in accordance with its Rules and Regulations. The arbitrator shall have the authority to hear and determine the grievance, and his/her decision shall be final and binding on all parties. The arbitrator shall have no right to vary or modify the terms and conditions of the Agreement and shall decide the dispute within thirty (30) days after the hearing has been closed. The expense of arbitration shall be borne equally by the parties.

SECTION 2. City Grievances.

Grievances initiated by the City shall be filed directly with the Union within ten (10) days after the event giving rise to the grievance has occurred, except that disciplinary grievances may be brought within ninety (90) days after the event giving rise to the grievance has occurred. A meeting shall be held within ten (10) days after filing a grievance between the representatives of the City and the Union in an earnest effort to adjust the differences between the parties. In the event no such adjustment has been satisfactorily made, either party may file for arbitration in accordance with the provisions of this Article.

SECTION 3. General Provisions.

- (a) The steps provided for herein may be waived by mutual agreement of the parties.
- (b) If the City fails to meet and/or answer any grievance within the prescribed time limits as hereinbefore provided, such grievance may be processed to the next step.
- (c) Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. The Union's decision to terminate a grievance at any step except Steps #1 and #2 shall be final.

SECTION 4. Union Grievances.

The Union may initiate a grievance within thirty (30) calendar days of the occurrence giving rise to the grievance or within thirty (30) calendar days of the time the occurrence is known to the Union, whichever is later. The Union may submit a grievance at Step #4 by submission directly to the Director upon mutual written confirmation of the parties and the time limits set forth therein shall prevail.

SECTION 5. Disciplinary Grievances.

A grievance over minor disciplinary action, as this term is defined by Department of Personnel rules and regulations, shall proceed through the grievance arbitration procedure provided by this Article. All major disciplinary action shall proceed through the hearing procedures provided by

Civil Service statutes and Merit System Board and Office of Administrative Law rules and regulations.

ARTICLE V UNION BUSINESS LEAVE

SECTION 1. The members of the Union Negotiation Committee not to exceed four (4) in number shall be granted time off from duty and shall suffer no loss of regular pay for all meetings between the City and the Union for the purpose of negotiating the terms of an Agreement, when such meetings take place at a time during which such members are scheduled to be on duty.

SECTION 4. Five (5) members of the Board of Directors of the Union shall be granted time off from duty, and shall suffer no loss of regular pay, to attend meetings of the Board of Directors.

SECTION 5. The Union agrees to use every effort to schedule meetings so as to minimize the number of employees granted time off from duty, but in no case will more than the above-mentioned eight (8) or five (5) employees, provided in Sections 3 and 4, be granted time off. It is understood that such time off refers solely to the time period required to attend such meetings.

SECTION 6. Three (3) members of the Union (President, Vice President, and one additional firefighter, designated by the President) shall be assigned to the Labor Relations unit so as to enable them to perform the duties of their respective offices and other Union activities. The City shall continue to provide other benefits to the Union which are presently provided.

SECTION 7. Appointed Union delegates not to exceed eight (8) in number shall be granted leave from duty and shall suffer no loss of regular pay to attend an annual Union convention (maximum of two (2) twenty-four (24) hour shifts). Notwithstanding the foregoing, leave shall be granted in accordance with applicable statutes, such as N.J.S.A. 40A:14-177, N.J.S.A. 11A:6-10.

SECTION 8. Two (2) employees of the Fire Department shall be selected respectively by the Director and the President of the Union, with the approval of the Director, to assist the next of kin whenever a member of the Fire Department passes away. When the Department is notified of such a death, the Director or his/her designee shall excuse those selected from regular duties where possible without loss of pay. Approvals shall not be unreasonably withheld.

SECTION 9. A legislative delegate, selected by the President of the Union, shall have time off from duties, and suffer no loss of pay, to attend official sessions of the Legislature during which legislation affecting firefighters is being considered for the purpose of presenting the views of firefighters regarding such legislation.

SECTION 2. (a) The City will call for a new examination for firefighters within six (6) months of the expiration date of any existing list.

(b) In the event only ten (10) eligible and qualified individuals remain on an existing list, the City will call for a new examination list.

ARTICLE VII WORK WEEK

SECTION 1. Hours of Work:

(a) The normal work week for all employees who perform firefighting duties shall consist of forty-two (42) hours per week over an eight (8) week cycle. The work schedule will be a twenty-four (24) hour shift on duty immediately followed by seventy-two (72) hours off duty, which is again immediately followed by a twenty-hour (24) hour shift on duty, and so on. The twenty-four hour shift shall commence at 8:00 a.m. and conclude at 8:00 a.m. the following day.

(b) Staff Firefighters. See Section 2.

(c) Conversion of Time Off Under New Schedule. Time off shall be converted to reflect the new schedule and shall be appropriately pro-rated as applicable; this conversion is not intended to add or to reduce Firefighters hours off.

The Director has the option to assign administrative day employees to a five (5) day, eight (8) hour per day workweek instead of a four (4) day, ten (10) hour per day workweek. Nothing in this Section shall limit the Director in regulating or changing the specific hours of work.

SECTION 1. Employees of the Fire Department shall receive personal time consisting of any combination of three (3) 14 hour day or 10 hour night split periods per year, a twenty-four (24) is considered two (2) split periods for purposes of this section. These days shall be regulated by the Chief and Director of the Department. Such days shall not be accumulative on a yearly basis, unless an employee is denied any part of these three (3) day or night split periods by his/her Battalion Chief or Officer of higher rank, in which case the balance shall be added to the following year. Denial of said tours shall not exceed two years successively without financial remuneration for each day accumulated at daily rate of employee.

All personal time accrued under this Article and which would have been payable to the employee during active employment shall, upon his/her demise, be paid pro-rata to the employee's estate.

SECTION 2. Approvals shall not be unreasonably withheld. If there is denial for personal time, then reasons for the denial must be received by the employee in writing at least five (5) days before the scheduled time, provided the employee has made the request at least twelve (12) days before. This does not preclude an employee from being granted or requesting use of personal time on shorter notice.

ARTICLE IX OVERTIME

SECTION 1. Whenever an employee works in excess of his/her regularly assigned work week or work schedule, as provided for in Article VII, he/she shall be paid for such overtime work at one and one-half (1+1/2) times the hourly rate received for regularly assigned duty, except that he/she shall receive no additional compensation when working for another employee on special leave pursuant to Article XVI hereof.

Overtime on a particular shift of less than fifteen (15) minutes duration shall not be compensated for. Overtime on a shift in excess of fifteen (15) minutes and up to and including thirty (30) minutes shall be paid for in the amount of thirty (30) minutes. Whenever overtime work is required, it shall be rotated among employees on the roster with the goal of equalizing firefighting overtime. If an employee refuses an assignment to work overtime, he/she shall be considered as having worked such overtime assignment for the purpose of maintaining a proper order of rotation for future assignment. The Department shall provide to the Union a monthly "print-out" indicating assignment of overtime.

(b)For purposes of overtime work under this Article, an employee when serving in an acting capacity in a higher rank or classification, shall be considered as holding such rank.

(c)Each employee shall be given a minimum of four (4) hours work at one and one-half (1+1/2) times the regular time hourly rate if called back to work after completion of a regular tour of duty.

SECTION 4. All employees working less than a forty-two (42) hour work week shall be paid overtime at one and one-half (1+1/2) times the regular hourly rate of the Firefighting Division only after forty (40) hours have been worked in one week.

(iv)The Newark Fire Department of the City will insure that the names of the persons to be working scheduled overtime will be provided to the Office of the Finance Director, within ten (10) days or by December 15th, whichever is sooner.

(v)In the event that the Union or the City shall violate the terms of this section of this Article of the Agreement and such a determination is made by an arbitrator, administrative agency or any other appropriate agency or court of competent jurisdiction, costs to be paid by either party, shall be appropriately determined by the above mentioned entities in accordance with applicable law.

SECTION 6. Overtime allocation procedures shall continue pursuant to the parties' agreement dated July 17, 1996 under Docket No. 95-301.

ARTICLE X HOLIDAYS

SECTION 1. Each employee of the Department working a forty-two (42) hour week shall continue to receive pay for thirteen (13) Holidays based on an average twelve (12) hours per day. SECTION 2. Employees in the Fire Department working other than a forty-two (42) hour week shall continue to enjoy the same Holidays heretofore plus one (1) additional Holiday designated by the Director with time off for such days, except that in order to qualify under Section 1 of this Article such employees will be required to work the Holidays and they shall receive pay for those Holidays at the rate of pay as hereinabove set forth.

SECTION 3. The accumulated compensatory time due for Holidays for the period July 1, 1965 to December 31, 1970, pursuant to Executive Order Nos. 236 and 241, shall be taken at the discretion of the Director and, if not so taken during the period of employment shall be granted as compensatory time leave upon age and service retirement. It is understood and agreed that the provisions of Executive Order Nos. 236 and 241 have terminated as of January 1, 1971. Shall remain two for one.

All Holiday benefits that have accrued to any employee and would have been payable during active employment shall upon his/her demise be paid pro rata to his/her estate. The accumulated compensatory time due for Holidays as per Section 3, Article X, shall, upon the demise of an active employee, be paid to his/her estate at the rate of pay prevailing at the time compensatory time was credited pursuant to the Executive Order Nos. 236 and 241 for the period of July 1, 1965 to December 31, 1970.

ARTICLE XI LONGEVITY

SECTION 1. All employees of the Fire Department covered by this Agreement shall continue to be paid longevity payments on a pro-rated basis with each earned salary check during the calendar year at a percentage of his/her permanent salary to be computed as follows:

(b) The longevity credit shall be automatic.

(c) There shall be no longevity service credit for the period an employee is on leave of absence without pay, when such leave was requested by the employee to take employment elsewhere.

(d) The longevity credit shall be added to the salary and received by the employee at the time the longevity credit becomes due and shall be considered in total with the salary and be computed for pension purposes.

SECTION 3. Additional compensation of any nature, change of rate or payment for additional assigned duties will not be considered in computing longevity payments.

SECTION 4. Any interruption of service due to a cause beyond the control of the employee including, but not limited to, layoffs and/or for military service, injury and/or illness, and/or otherwise, shall be considered as service for the City of Newark for the purpose of determining the completion of said cumulative periods of years of service with the City of Newark.

SECTION 6. The above program shall be considered as above and beyond any promotion in any title of any employee during his/her term of service. Each longevity credit shall be based on current salary and the same percentage shall be paid each succeeding year until he/she reaches the next step.

ARTICLE XII
CLOTHING MAINTENANCE

SECTION 1. Effective January 1, 2005, all employees of the Fire Department covered by this Agreement shall be entitled to an annual clothing maintenance allowance of \$1,025.00. This allowance is payable on the second non-payday Friday in December of each year.

SECTION 2. UNIFORM CHANGES

(a) Changes in present uniforms, clothing or equipment except as to clothing worn solely for the purpose of appearance (dress uniforms) but including changes as to uniforms, clothing or equipment worn by Firefighters in the performance of their normal duties may be made only if such changes are justified by reason of safety, efficiency and/or economy. There shall be negotiations regarding any such change which deal with safety or economy and no such change will be implemented if there is disagreement until the processes of the grievance procedure have been exhausted. Changes in clothing worn solely for the purpose of appearance (dress uniforms) may be made by the City only after notice to the Union and an opportunity for the Union to comment on the changes.

(b) Where there is an N.F.P.A. standard with regard to such item of clothing, uniform or equipment, such standard shall be a minimum standard as to the changed item.

(c) No such change, when implemented, shall result at any time in any cost or expense to the men involved other than the cost or expense which they would have undergone if the change had not been made. If there is such cost or expense other than the cost or expense which they would have undergone if the change had not been made, such new cost or expense shall be paid for in advance by the City prior to each occasion present or future when the cost or expense is to be made.

(d) Existing items which are supplied by the City at its cost, such as masks and tanks will continue to be supplied in the same fashion.

ARTICLE XIII
LIFE & HEALTH INSURANCE

The City agrees to continue to provide health insurance coverage during the lifetime of this agreement for all employees and their eligible dependents in accordance with the current health benefits plan: Blue Cross Hospitalization; Blue Shield P.A.C.E. (Performance and Cost Effective) Medical-Surgical Plan; Blue Cross Rider J (\$400.00 annual allowance); Medical and Accidental Emergency Room Riders; and Aetna Major Medical (Traditional plan for active population).

The parties agree to continue to remain in the Select Hospital Network under the Traditional Plan. In the event Horizon Blue Cross Blue Shield reduces the number of hospitals in this Network below 50, not including reductions caused by consolidation, merger or voluntary or involuntary dissolution, the City will conduct a search for replacement coverage with another

carrier providing substantially similar benefits at substantially similar costs at the time of this reduction. If the City finds a carrier providing substantially similar benefits at substantially similar costs at the time of this reduction, the City agrees to enter into an agreement to provide the aforementioned benefits. If such a carrier cannot be found or if any other disputes arise concerning the interpretation, application, implementation or alleged violations of this paragraph, the parties shall be left to their remedies under Article IV of this Agreement.

The foregoing coverage is provided at no cost to the employee and the premiums are paid for in full by the City.

For the purpose of the health and medical benefits outlined in this section, dependent coverage for eligible children is as follows:

The Blue Cross Hospitalization Plan and the Blue Shield P.A.C.E. They will receive benefit in accordance with the contract or by health benefit entitlement established by ordinance.
- Retirees and their eligible spouse that are at least age 65 but ineligible (based on notification from Medicare) for Medicare Part A or B must submit the original notification letter they received from Medicare to the City. These retirees will be ineligible to enroll in the carrier provided Medicare retiree plan and must remain in the traditional retiree plan, receiving benefit levels in accordance with the union contract or by health benefit entitlement established by ordinance.
- Traditional retiree plan entitlement will continue for dependent children of the Medicare eligible retiree. The benefit levels will be provided in accordance with the contract or by health benefit entitlement established by ordinance.
- Uninterrupted member enrollment in the carrier provided Medicare retiree plan is contingent upon timely Part A/B premium payments to Medicare which are made by the Medicare eligible retiree and spouse.

Any cost in premiums for a managed care plan which exceeds the City's cost for health benefits under the contract shall be paid by the employee via payroll deductions.

Section 6.

The City reserves the right to change insurance carriers during the lifetime of this Agreement so long as substantially similar benefits and administrative procedures, but no less than those presently in effect, are provided by the new carrier. Accordingly, references in this Article to specific insurance carriers are solely to determine the level of benefit and method of administration and not to commit the City to a particular insurance carrier. The City shall notify the Union if such change is made. In any event, there shall be no interruption of benefit coverage for employees or their eligible dependents.

Section 7.

This One Thousand Dollars (\$1,000) per case is treated in addition to other coverage provided. There is no deductible on the orthodontic benefits which provide for a "pro-rating" of incomplete orthodontic work upon entrance into the plan. Dependent coverage for eligible children applied until the end of the calendar year in which the child's twenty-third (23) birthday occurs. The City pays all premiums in connection with the dental care program and there is no contribution from the employee for such program.

Effective January 1, 2007, the annual maximum reimbursement for dental benefits exclusive of orthodontic benefits, for active employees and their eligible dependents, shall increase from One Thousand Dollars (\$1,000) to One Thousand Five Hundred Dollars (\$1,500).

Effective January 1, 2010, the lifetime maximum reimbursement for dental orthodontic benefits, for active employees and their eligible dependents, shall increase from One Thousand Dollars (\$1,000) to One Thousand Five Hundred Dollars (\$1,500). This does not apply to the closed panel dental plan.

If the benefit plans of the labor contract(s) are equal, the subscriber shall be the employee with the earliest date of birth in the calendar year. If the benefit plans under the two labor contracts differ, the contract with the higher benefit level will prevail. When one employee retires, the remaining active employee becomes the primary subscriber; the retiring spouse becomes the dependent. When they are both retired and one spouse dies, the retiree will be allowed to enroll as a primary subscriber for the benefit plans to which he/she is entitled. In the event of divorce or the death of the primary subscriber, the dependent shall be allowed to enroll for the benefit plans to which he/she is entitled.
