1. (a) Failure to Communicate

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step.

Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be waiver of further appeal of the decision.

(b) Continuation of Assignments

It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all legal and required assignments and rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.

(c) Year-end Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

2. Level 1 - Principal

A teacher with a grievance shall first discuss it with his principal or immediate superior with the objective of resolving the matter informally. To clearly identify the alleged grievance and to expedite settlement the aggrieved person shall prepare a written statement addressed to his principal or immediate superior who shall give his decision within five (5) school days. The aggrieved person may elect to have an Association representative accompany him at this level if he so desires.

3. Level 2 - Superintendent

The aggrieved person, no later than five (5) school days after receipt of the decision of his principal, may appeal to the Superintendent of Schools. The appeal to the Superintendent must be made in writing, with a copy to the Association, specifying: (a) the nature of the grievance; (b) the results of previous discussion; (c) his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the receipt of the appeal. The referred-to hearing, if granted, shall be held within a reasonable expeditious time after receipt of the appeal notice.

(b) If the grievant is not notified by the Board of a hearing date within twenty (20) calendar days after the grievance has been appealed to the Board, the lack of such notice shall entitle the grievant to appeal beyond Level 3 of this Article.

(c) If the decision of the Board does not resolve the grievance to the satisfaction of the aggrieved person and he wishes review by a third party, and if the Association determines that the matter should be reviewed further, it shall so advise the Board through the Superintendent within twenty (20) school days of receipt of the Board's decision. However, the Board's decision shall be final and binding on the grievance concerning:
