ARTICLE I
MANAGEMENT RIGHTS

A. The Employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitutions of the State of New Jersey and of the United States, including but without limiting the generality capability of the following rights:

1. The executive management and administrative control of the Township, its properties, facilities, and activities of its employees, using personnel methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township.

2. To make rules of procedure and conduct; to use improved method and equipment; to determine work schedules and shifts, as well as duties; to decide the number of employees needed for any particular time; and to be in sole charge of the quality and quantity of the work required. The Employer agrees to give notice to the employees of the rules and procedures issued.

3. Management's right to make reasonable rules and regulations as it may from time to time deem best for the purpose of maintaining order, safety, and/or the effective operation of the Department after advance notice thereof to the employees and the Union.

4. To hire all employees, whether permanent, temporary or seasonable, to promote, transfer, assign, or retain employees.

5. To set rates of pay for temporary or seasonal employees.

6. To suspend, demote, or take any other appropriate disciplinary actions against any employee for good and just cause according to law.

7. Nothing contained herein shall prohibit the Township from contracting out any work. The Employer agrees to meet with the Union to discuss possible alternatives to subcontracting prior to the decision to subcontract is made.

8. To lay off employees in the event of lack of funds or under conditions where continuation of such work would be inefficient and nonproductive.

9. The Employer reserves the right to all other conditions of employment not reserved to make such changes as it deems desirable and necessary for the efficient and effective operation of the Departments involved.

B. In the exercise of the foregoing powers, rights, authority, duties, and responsibilities of the Township, the adoption of policies, rules, rules, regulations, and practices in the furtherance therewith, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and expressed terms hereof in conformance with the Constitutions and laws of New Jersey and the United States.

D. The parties recognize that the exercise of managerial rights is a responsibility of the Township on behalf of the taxpayers and that the Township cannot bargain away or eliminate any of its managerial rights. No grievance may proceed beyond Step Two herein unless it constitutes a controversy arising over the application or alleged violation of negotiable terms and conditions of employment.

ARTICLE II

MAINTENANCE OF WORK OPERATIONS

A. The Union hereby covenants and agrees that, during the term of this Agreement, neither the Union nor any person acting on its behalf will cause, authorize, or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of any employee for his/her position, or stoppage of work, or absence in whole or in part from the full, faithful, and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out, or other illegal job action against the Employer. The Union agrees that such action would constitute a material breach of the Agreement.

B. The Union agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned or from supporting any such activity by any other employee or group of employees of the Employer, and that the Union will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Union order.

C. Nothing contained in this Agreement shall be construed to limit or restrict the Employer or the Union in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of a breach by Union members or the employer.

ARTICLE III

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed to limit the right of any employee with a grievance to discuss the matter informally with any appropriate member of the Department. The employee reserves the right to have a shop steward present, if desired. Nothing contained herein shall prohibit the parties from raising a timeliness argument under this Article.

C. With regard to employee, the term "grievance" as used herein means an appeal by an individual employee or group of employees from the interpretation, application, or violation of the terms and conditions of this Agreement. With regard to the Employer, the term "grievance" as used herein means a complaint or controversy of the negotiable terms and conditions of this Agreement.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One: The Union shall institute written action under the provisions hereof within seven (7) working days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the Department Head for the purpose of resolving the matter informally. The written grievance at this step shall contain the relevant facts and a summary of any preceding oral discussion, the applicable section of this Agreement violated, and the remedy requested by the grievant. The immediate supervisor or designee will answer the grievance in writing within ten (10) working days of receipt of the written grievance and will then supply the answer to grievant and union. Failure to act in writing within the seven (7) working days shall constitute an abandonment of the grievance.

Step Two: If the Union wishes to appeal the decision of the Department Head, such appeal shall be presented in writing to the Township Administrator within (5) working days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Township Administrator shall respond, in writing, to the grievance within twenty (20) working days of the submission.

Step Three: Within five (5) days, exclusive of designated holidays and Saturdays and Sundays, of the Administrator's decision, the Union may apply to the Public Employment Relation Commission ("PERC") for binding arbitration. Alleged violations of this Agreement only specifically excluding merit determinations may be submitted to arbitration. The selection of an arbitrator and the arbitration shall be in accordance with the rules and processors of PERC. Simultaneously with application to PERC, the Union will send notice to the Employer of its arbitration petition.

1. The decision of the arbitrator shall be in writing and shall include the reasons for such decision.
2. The decision of the arbitrator shall be binding upon the Employer and the Union and the employee.
3. The parties may direct the arbitrator to decide, as a preliminary question, whether he/she has jurisdiction to hear and decide the matter in dispute.
4. The cost for the services of the arbitrator shall be borne equally by the Union and the Township. Any other expenses, but not limited to, the presentation of witnesses shall be paid by the parties incurring same.
5. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and laws of the State of New Jersey, and be restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add

to, modify, or detract from, in any way, the provisions of this Agreement or any amendment or supplement thereof.

E. Upon prior notice and authorization of the Department Head, the designated Union representative and/or shop steward shall be permitted, as a member of the Grievance Committee, to confer with employees and the Employer on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided that the conduct of the business does not diminish the effectiveness of the Employer or require the recall of off-duty employees.

F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If the grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for proceeding with the grievance at any step in the grievance procedure.

G. Reasonable disclosure will not be withheld involving any correspondence from either party, provided it directly relates to the party or parties involved in the grievance, and directly relates to the grievance itself.

1. Only employees on the payroll and employees who retire prior to the signing of this agreement shall be entitled to this retroactivity.

B. Merit

1. Effective January 1, 2009 the range for merit shall be 0 to 3%. The existing merit pay plan will sunset on December 31, 2010. Merit is grievable up to the Township Administrator only, but is not arbitrable. Merit ratings are from zero ("0") to three ("3"), however for the remaining grading years of this contract through the end of this contract term, all zero ("0") ratings will receive a one (1) percent merit based increase. The merit increases will range from one (1) percent to three (3) percent. A Committee in conjunction with the Township Administrator, will review the terms for evaluation/merit ratings. This Township Administrator will make the final decision on the terms used for the evaluation/merit process.

C. Length of Service

The following length of service plan shall be as per the April 18, 2001 written guidelines.
(Effective January 1, 2010 such plan payments shall not be based on merit)

Start of 11 years	1,200
Start of 16 years	1,400
Start of 20 years	1,600

1. To be eligible for the length of service plan, an employee must be a regular part time or full time salaried employee. The employee must have achieved the maximum salary for his/her salary range. An exception to this provision applies when an employee is transferred to another position in their town without a break in service during his/her period of employment. That employee is eligible for the length of service recognition prior to achieving the maximum salary for his/her salary range providing that all of the conditions of eligibility have been met.

2. Eligible years of service shall commence with the date of hire for the initial qualifying part time or regular position. Changing position or classification within the Township that do not result in a break of service shall receive no prior service credit for any position with the Plainsboro Township if those prior positions resulted in break of service from Plainsboro Township. The employee shall receive no prior service credit for any position held with any employer other than Plainsboro Township.

3. Recognition is based on full time employment. Recognition will be prorated for the eligible part time employee. (i.e. an employee working less than 35 hours per week) by multiplying the quotient (derived at by dividing the employee's scheduled number of hours per week by the number of hours for a full-time employee) by the recognition award for full-time employment.

ARTICLE V

Full-time employees shall not be paid overtime until said employees shall have worked the hours specified above. The work day shall be defined as the day in which the greatest number of hours is worked. All employees other than EMTs shall work a 35-hour work week. EMTs shall continue to work the same work schedule. Part-time employment shall be considered 17 ½ hours and up.

B. Overtime work will be kept to a minimum, except in cases of emergency, and must be authorized in advance by the immediate supervisor consistent with the rules and regulations of the department. The reasons for granting overtime shall be noted on the time report and certified by the Department Head.

C. Overtime shall be computed and payment made on the following basis:

D. Working hours and daily schedules of employees will be arranged to fit Township needs. There is no guarantee of overtime hours. Employees will be required to work reasonable overtime and during non-scheduled periods when the necessities of the Township demand such work. In administering the requirement to work overtime, the Township will make a reasonable effort to excuse employees who have personal commitments. This will not reduce the employee's obligation to work overtime when assigned.

E. Employees recalled for overtime work at time and one-half, which is not contiguous with the front or back side of the employee's work day shall be entitled to a

minimum of four (4) hours' pay and the right to keep the employee for the full four (4) hour period. These provisions shall not apply when there is a declared emergency or general callback.

3. Has need to visit a medical professional during employee's work hours.

Sick leave shall not be allowed for such things as ordinary dental care, nor for any other professional services that may be normally scheduled within the employee's regular off- time.

4. Has a member of the immediate family (child, spouse, dependent parent, or dependent relative residing in the employee's household) with an illness which requires the employee to stay home or to take the relative to receive medical care. - b. the telephone number where the employee may be contacted during sick leave;
- c. the expected duration of sick leave, if known.

dismissal.

F. General

2. During protracted periods of illness or disability of an employee, the Administrator may require interim reports on the condition of the patient from the attending physician and/or a Township medical physician.

3. The Administrator reserves the right, in such cases where there is a difference of professional opinion between the Township physician and personal physician, to require the employee to submit to an examination by a third doctor. The third doctor shall be paid for by the Township.

4. When under medical care, employees are expected to confirm to the instructions of the attending physician if they wish to qualify for salary payment during such period of illness or disability.

a. No employee shall be allowed to work who endangers the health and well-being of other employees and, if the employee's condition warrants, the employee may be directed to the Township physician for an opinion as to fitness for duty.

b. Sick leave with pay shall not be allowed under the following conditions:

ii. When, in the opinion of the Township medical physician, the employee is ill or disabled because of self-imposed

contributory causes or actions.

iv. When the employee does not report to the Township physician, as directed.

5. In charging an employee with sick leave, the smallest unit which may be recorded is one-half (1/2) of a working day except as noted in A(3) of the article.

6. Once an employee exhausts his/her sick leave, an employee becomes classified as "unpaid sick" and all other aspects of this sick leave policy remain in effect.

7. Once an employee exhausts his/her sick leave, an employee may be eligible to receive state or federal disability payments, including Social Security. Any employee who applies for disability benefits must furnish the Township with proof of application and proof of receipt or denial of such benefits.

G. Sick Leave Confinement Restriction

1. If an employee is absent for reasons that entitle the employee to sick leave or the employee is on Workers' Compensation leave because of an injury sustained during his/her employment, the employee shall remain at his/her place of confinement during the period in which he/she is scheduled for work on the day(s) in questions, with the following exceptions:

a. To report for medical attention to a doctor's office or hospital.

- f. The employee may leave the place of confinement for convalescence. He/she shall advise the Township of the telephone number at such location.

H. Leave of Absence as a Result of Injury in the Line of Duty

When an employee covered under the sick leave policy is injured in the line of duty, the Township shall provide the employee with a leave of absence for up to one (1) year with take-home pay equal to that which would be provided to the employee if the employee had continued working at regular pay without overtime, holiday, or other pay. When such action is taken, the employee shall not be charged any sick leave for time lost due to such particular injury.

I. Sick Leave Incentive Plan

- 1. If an employee has accumulated thirty-nine (39) days of sick leave as of December 31st then the next year he/she has the option of selling back to the Township, at the rate of thirty-five (\$35.00) per day, any sick leave accumulated over thirty-nine (39) days.
- 2. If an employee uses four (4) or less sick days in a calendar year, he/she will be paid a "bonus" at the rate of fifteen dollars (\$15.00) per day for every unused sick day earned that calendar year. The "bonus" does not reduce the total accumulated sick days.

3. At separation, an employee with five (5) or more years of service with the Township is entitled to twenty-five (25%) percent of accumulated sick leave at his/her current rate of pay. At separation, an employee with ten (10) or more years of service with the Township is entitled to fifty percent (50%) of accumulated sick leave at his/her current rate of pay. Any time taken under this section shall be charged to available vacation, holiday, or leave of absence without pay.
