- A. The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for all certified and non-certified personnel whether under contract, on leave, on a per diem basis, employed or to be employed by the Board, in the following categories:

Principal
Assistant Principal
Coordinator
Directors on the Building Level

excluding confidential, managerial executives, and all other employees.

- B. Unless otherwise indicated, the term "administrator," when used hereinafter in this agreement, shall refer to all professional employees represented by the Association in the negotiating unit as above defined, and references to male administrators shall include female administrators.
- C. The term "Director" is used on two levels within the District: the building level and the Central office level. As of the date of the 2003-2006 Memorandum of Agreement, there are two Central office Director titles, Director of Special Education and Director of Curriculum. Neither position is in the unit. Future building-level Director positions will be included in the unit unless otherwise agreed to be excluded by the parties through negotiations.

ARTICLE 2
NEGOTIATION PROCEDURE

- A. Deadline Dates

The parties agree to enter into collective negotiations over a successor agreement in accordance with N.J.S.A. 34:13A-1 et seq., in a good faith effort to reach agreement on all matters concerning the terms and conditions of administrators' employment.

- B. Negotiating Team Authority

Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counterproposals in the course

of negotiations, subject to the right of the Board and Association to ratify and affirm the tentative arrangements of their respective negotiating representatives.

C. Maintaining Current Benefits

Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the Association before they are established.

D. Modification

This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this Agreement, neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the times they negotiated or executed this Agreement.

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3
GRIEVANCE PROCEDURE

A. Definition

The term "grievance" means a complaint or claim that there has been a misapplication, misinterpretation or violation of any term or provision of this contract or administrative decision affecting a member or group of members.

B. Procedure

1. Filing A Grievance

A grievance may be filed by an individual member, a group of members, or by the Association, either in its own name or as the representative of a group or class whose individual signatures shall not be necessary. Any grievance must be lodged at the proper initiating level within thirty (30) work days of the happening of the event.

2. Failure to Communicate a Decision

Failure of the immediate supervisor or the Superintendent to respond to the grievance within the specified time limit shall automatically result in advancement of the grievance to the next step. Failure of the Board to comply with its timeline will allow the Association to seek arbitration if it so chooses.

3. Informal Attempt to Resolve

An individual administrator who has a grievance shall discuss it first with his immediate superior in an attempt to resolve the matter informally. However, if the grievant is the Association, the initial discussion shall be at the level of the Superintendent; and, in such event, if the problem is not resolved to the satisfaction of the Association within five (5) work days after the conclusion of the discussion, the procedures prescribed in the subsections of this Section B shall become applicable.

4. Level One -- Immediate Supervisor

If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant within five (5) work days, he shall set forth his grievance to the immediate supervisor.

All written grievances shall include the date or dates of the contract violation; the date or dates of any discussion between the grievant and any supervisor with the respect to the matter being grieved; a description of the matter being grieved including the contract or Board Policy allegedly being violated; and, the specific remedy being sought by grievant.

5. Level Two -- Superintendent of Schools

The grievant, no later than five (5) work days after receipt of the immediate supervisor's decision, may appeal this decision to the Superintendent of Schools. The appeal to the Superintendent must be in writing reciting the matter submitted to the immediate supervisor as specified above and his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed five (5) work days. The Superintendent shall communicate his decision in writing to the grievant and the immediate superior.

6. Level Three -- Board of Education

If the grievance is not resolved to the grievant's satisfaction, he, no later than five (5) work days after the receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and may at the option of the Board, hold a hearing with the grievant and shall render a decision in writing within thirty-five (35) calendar days of receipt of the grievance by the Board.

7. Level Four -- Arbitration

If the decision of the Board does not resolve the grievance to the satisfaction of the grievant, notice of intention to proceed to arbitration shall be given to the Board through the Superintendent within ten (10) work days after the receipt of the decision which is being appealed. Where, however, the grievant elects so to proceed without the Association's concurrence, the costs shall be borne by the grievant.

The grievance not resolved by timely resort to the foregoing procedure shall be subject to arbitration initiated and conducted under the rules of the Public Employment Relations Commission.

The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from, the Agreement between parties. The opinion and award shall be advisory only. Only the Board, the aggrieved, and the appropriate officials of the Association shall be given copies of the arbitrator's Opinion and Award.

The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law, or which is violative of the terms of this Agreement.

8. Right to Representation

Rights of administrators to representation shall be as follows:

- a. Any grievant may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, by a representative(s) of his/her choice.
- b. The Association shall have the right to be present and present its position in writing at all hearing sessions held concerning the grievance, and shall receive a copy of all decisions rendered.
- c. The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal with respect to his/her personal grievances.

9. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

10. Meetings and Hearings

No meeting or hearing conducted under this procedure shall be public except as provided by law. The only parties in attendance shall be the parties in interest, witnesses, and the designated or selected representatives contemplated in this Article.

C. Costs

1. Each party will bear the total cost incurred by themselves.
2. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.
3. Time lost by any grievant due to the arbitration proceedings shall be charged to personal time or shall be without pay unless the grievant prevails in such proceedings.

D. The following matters shall not be grievable:

1. The termination of or nonrenewal of the contract of a non-tenured administrator.
2. In matters where a method of review is prescribed by law, or by any rule or regulation of the State Commissioner of Education or the State Board of Education.
3. In matters where the Board is without authority to act.
4. In matters where the discretion of the Board may not be unlimited but where, after the exercise of such discretion, a further review of the Board's action is available to administrators under provisions of State Law.

ARTICLE 4
ADMINISTRATOR RIGHTS

A. Rights and Protection in Representation

Pursuant to N.J.S.A. 34:13A-1 et seq., the Board hereby agrees that every employee of the Board eligible for membership in the Cherry Hill Association of

School Administrators shall have the right to freely organize, join, and support the Association for the purpose of engaging in collective negotiations for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any administrator in the enjoyment of any rights conferred by N.J.S.A. 34:13A-1 et seq., or other laws of New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any administrator with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association, collective negotiations with the Board, or his institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. Statutory Savings Clause

Nothing contained herein shall be construed to deny or restrict to any administrator such rights as he may have under New Jersey Laws or other applicable laws. The rights granted to administrators hereunder shall be deemed to be in addition to those provided elsewhere.

C. Required Meetings or Hearings

Whenever any administrator is required to appear before the Superintendent, Board, or any committee or member thereof concerning any matter that could result in the termination of employment or suspension of that administrator, then he shall be given prior written notice of the reasons for such meeting or interview and shall have the right to have a representative of the Association and/or an attorney present to advise him and represent him during such meeting or interview. Any suspension shall be with pay until formal determination by the Board of Education.

D. Criticism of Administrators

Any derogatory statements by a superior or Board member of an administrator(s) shall not be made at any public Board meeting and shall not be made in the presence of teachers, parents or students unless required by law or requested by the administrator.

ARTICLE 5
ASSOCIATION RIGHTS AND PRIVILEGES

A. Information

The Board agrees to make available to the Association in response to reasonable requests from time to time all information that is considered a matter of public record.

B. Released Time for Meetings

Whenever any member of the Association is mutually scheduled by the parties to participate during working hours in negotiations, he shall suffer no loss in pay and/or benefits.

C. Use of School Buildings

Representatives of the Association shall be permitted to transact official Association business on school property at all reasonable times provided that this shall not interfere with or interrupt normal school operations.

D. Use of School Equipment

The Association shall have the right to use school facilities and equipment, including typewriters, mimeographing machines, other duplicating equipment, calculating machines, and all types of audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials, supplies, and equipment repair incident to such use.

E. Exclusive Rights

The rights and privileges of the Association and its members as set forth in this Agreement shall be granted only to the Association as exclusive representative of the administrators, as defined in the unit, and to no other organization.

ARTICLE 6
ASSOCIATION -- LIAISON MEETINGS

A. Meetings With the Superintendent

In order to properly implement effective and continuing communication on subjects related to current school practices and problems, the President of the Association and/or his representative(s) shall have the right to request meetings with the Superintendent or his designated representatives.

ARTICLE 7
ADMINISTRATIVE POSITIONS

There shall be no reduction in administrators in the unit except for just cause. Just cause may include reduction in pupil enrollment or organizational changes. In the event of reduction in administrators, every attempt will be made to place the person(s) involved in a professional position within the District.

The Board recognizes that positions reduced could result in a change in services associated with such positions.

ARTICLE 8
LEAVES OF ABSENCE

A. Sick Leave

1. All administrators shall be allowed twelve (12) days' absence as of July 1 in any school year for personal illness, without deduction of pay, with the exception of ten (10) month employees, who shall be allowed ten (10) days. For employees in their first year who join the District on other than a July 1st, one day of sick leave shall be credited upon hire for each full calendar month left in the year. "Year" is defined as July 1 through June 30. The number of unused days in any year shall accumulate from year to year, as long as the employment is continuous.
2. When an administrator retires from the Cherry Hill School District pursuant to the provisions of the State Pension Annuity Fund, such administrator shall be paid \$60.00 per day for each day of accumulated unused sick leave days that have accumulated as a result of employment in the Cherry Hill School District. In the event of the death of an administrator while under contract on sabbatical leave or on leave of absence, the money for the accumulated unused sick leave will be given to his or her estate.

B. Temporary Leaves of Absence

All administrators shall be entitled to the following leaves of absence with pay during each school year.

1. In the event of a death in the immediate family, an allowance of up to five (5) days' leave shall be granted. "Immediate family" shall be husband, wife, child, stepchild, father, mother, brother, sister, father-in-law, mother-in-law, or any member of the administrator's immediate household.
2. An allowance of one (1) day shall be granted to attend the funeral of other relatives of the administrator. This leave may be extended by the use of personal leave provided for in Section B-3.

3. Absence of three (3) days per year may be granted to an administrator for personal business which cannot be performed other than during employment hours. A maximum of two (2) unused personal days per school year shall accumulate for the purpose of sick leave from year to year, and the third personal day shall be non-accumulative; provided, however, that the two accumulative days shall be utilized first in any school year, and administrators may not use the third personal leave day in any school year until the two accumulative days have been exhausted.
4. In case of required jury duty, an administrator shall be allowed time off for jury service. He shall be paid the difference between his regular pay and jury pay.
5. In the event of required appearance in a court of law involving no moral turpitude on the part of the administrator.
6. Administrators may make application to the Board for leave to attend professional conventions, conferences and meeting. The Board may, in its discretion, approve such applications which may include reimbursable expenses.
7. On religious holidays when schools are closed, administrators are entitled to take the religious holiday without being charged a personal day or vacation day.

C. Maternity Leave

1. The parties recognize that the impact of the statutory prescription against discrimination based on sex remains to be developed judicially. This section, accordingly, is entered subject to the possibility that a judicial construction may require other terms.
2. Until, however, there is a contrary declaration made by a court or tribunal of competent jurisdiction, the provision here specified shall remain in effect.
3. Pregnancy alone shall not be grounds for suspension or termination of service.
4. However, pregnancy shall be a valid ground for such suspension or termination if any one of the additional conditions specified also exists:
 - a. A notable and substantial decrease in performance;

- b. The failure of the woman involved to produce a certification from her obstetrician that she is medically able to continue to work;
 - c. The agreement of the Board's physician and the administrator's physician that she cannot continue to work without detriment to her own health or the health of the prospective child;
 - d. Disagreement between the Board's physician and the administrator's obstetrician on such ability or inability and reference of the question to an obstetrician engaged at the joint expense of the administrator and Board for final and binding resolution.
5. By reason of her pregnancy, an administrator shall be granted, at her request, without pay, a leave of absence. Application may be made at any time prior to the expected date of birth and continue to a reasonable requested date after the birth. Following the grant of such a leave to any administrator, the date of return of that administrator shall be further extended in the discretion of the Board of Education for an additional reasonable period of time at the administrator's request for reasons associated with the pregnancy or birth or for other proper cause. However, the Board of Education need not grant or extend the leave of absence of any non-tenured administrator beyond the end of the contract school year in which that leave is obtained. No tenured or non-tenured administrator shall be barred from returning to work after the birth of her child solely on the ground that there has not been a time lapse between that birth and her desired date of return or that a new school year has not begun, except as provided above. This shall not be construed to require the Board to grant tenure to any non-tenured administrator who would not have been granted tenure in the absence of this provision or to offer a contract for a new school year to any non-tenured administrator who would not have otherwise been offered such a contract.

D. Other Leaves of Absence

Other leaves of absence, without pay, may be granted by the Board at its discretion.

ARTICLE 9
SABBATICAL LEAVE

Administrators will be permitted to engage in study in the educational field on a sabbatical leave subject to the following conditions:

- 1. Such leaves shall be limited to one (1) administrator per school year.

2. To be eligible for such leave, the administrator must have been employed continuously by the Board for seven (7) years.
3. Such leave shall be for the period of one (1) school year or less.
4. An administrator on sabbatical leave shall be paid at seventy-five per cent (75%) of the salary he/she would have received had he/she remained on active duty in the district. Salary payments shall be made at regular salary payment dates.
5. Prior to the end of the current school year, the Superintendent shall make every effort to notify the administrator whether the administrator shall be returning to the same assignment at the end of the sabbatical leave. Upon return from such leave, an administrator shall be eligible for all salary and other benefits (except vacation) at the level which the administrator would have achieved had he/she remained on active duty in the district. An administrator on sabbatical leave shall not earn vacation during the sabbatical leave year and shall take vacation time earned for the year preceding the sabbatical leave year during the year succeeding the sabbatical leave year.
6. It is anticipated that an administrator returning to active duty from a sabbatical leave will remain with the district for a minimum period of two (2) years.
7. Application for such leave shall be made on or before February 1 in the year preceding the school year for which the leave is requested.
8. The selection of the successful applicant will be by the Superintendent of Schools according to the following criteria:
 - a. Benefit to the administrative assignment in the district.
 - b. Benefit to the district.
 - c. If a. and b. are equal between candidates, seniority shall prevail.

NOTE:

The parties agree to freeze sabbaticals and to suspend the application of this Article 9 for the period of this Agreement and for any succeeding period during which the professional development plan ("PDP") described in Article 12, B is in effect, it being understood that the provisions of Article 9 and Article 12, B. are mutually exclusive and will not at any time coexist. In the event there is no continuation of the PDP at the conclusion of the term of this Agreement, then the provisions of Article 9 shall become effective immediately at such time.

In no event shall such reimbursement exceed \$3,500 per school year.

It is further understood that reimbursable costs shall be for graduate study directly related to the improvement of the administrator in his employment by the Cherry Hill Board of Education. The Superintendent of Schools shall, and is hereby authorized to, eliminate from recommendation for reimbursement those graduate studies considered contrary to the intent of this policy statement.

B. Professional Development Plan

1. All administrative professional development shall be directly related to the District Goals and Job Accountabilities established pursuant to the performance compensation plan ("PCP") established in Article 13. Approval of any such request shall be made in the sole discretion of the administrator's supervisor. All unit members, irrespective of their tier performance rating established pursuant to the PCP, shall be eligible for reimbursement of up to \$1,500 per school year for attendance at activities or events intended to improve their professional development and their performance as administrators in the District, such as courses, conferences, workshops, seminars and similar functions, or for attendance at or participation in such functions as may be directed by the administrator's supervisor. In the sole discretion of the unit member's supervisor, the \$1,500 annual reimbursement may instead be applied towards the purchase of a notebook computer for the unit member. The following will apply to any such purchase:
 - a. Only one such purchase per unit member may be made during the term of this Agreement;

- c. The computer purchase shall be subject to such other procedural purchasing rules as may be promulgated by the District's Assistant Superintendent-Business.
3. Administrators rated Proficient or Satisfactory pursuant to the evaluation procedures described in Article 13, may be granted additional reimbursement in such amounts and for such purposes as the Superintendent in his sole non-reviewable discretion may determine, for items directly related to the administrator's professional duties, such as, by way of description only, enrollment in an additional academic course.
