0.00 - PREAMBLE

0.01 THIS AGREEMENT, made this 1st day of January, **2023** by and between the **BOROUGH OF FAIR LAWN**, a Municipal Corporation of the State of New Jersey having its principal office at 8-01 Fair Lawn Avenue, Fair Lawn, County of Bergen and State of New Jersey, hereinafter referred to as "The Employer" and the **FAIR LAWN SUPERIOR OFFICERS ASSOCIATION**, hereinafter referred to as the "SOA".

0.02 WHEREAS, the Employer and the SOA recognize that it will be to the benefit of both to promote mutual understanding and foster a harmonious relationship between the parties to the end that continuous and efficient service will be rendered to and by both parties,

NOW THEREFORE, in consideration of the mutual promises and covenants herein contained, it is mutually agreed by and between the parties as follows:

1.00 - EXISTING LAW

1.01 The provisions of this Agreement shall be subject to and subordinate to and shall not annul or modify applicable provisions of State and Federal Laws.

2.00 - MANAGEMENT RIGHTS MAINTAINED

2.01 The Borough of Fair Lawn hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey, and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. The executive management and administrative control of the Borough government and its properties and facilities and the activities of its employees;
2. To hire all employees and, subject to the provisions of law, to determine their qualifications and conditions of continued employment, or assignments, to promote or transfer employees;
3. To suspend, demote, discharge or take other disciplinary action for good and just cause according to law;
4. To establish a code or rules and regulations of the Department for the operation of the Department;
5. Also included in this section are all other management rights as stated in the balance of this Agreement.

2.02 Nothing contained herein shall be construed to deny or restrict the Borough of its exclusive right to administer the Department and control the work of its personnel, nor to deny or restrict the Borough in any of its rights, responsibilities and authority under N.J.S.A. 40A, or any other national, state or local laws or ordinances.

2.03 All references to the Chief of Police shall be deemed to refer to the Police Director if the position of Chief of Police is not filled by permanent appointment.

3.00 - ASSOCIATION RECOGNITION

3.01 The Employer recognizes the Superior Officers Association as the exclusive bargaining representative for the purpose of collective negotiations with respect to all negotiable items of employment of all Employees by the Employer's Police Department in the rank of Sergeant, Lieutenant and Captain.

3.02 No Employee shall be compelled to join the Association but shall have the option to voluntarily join said Association.

3.03 The term "Police Officer", "Superior Officer" or "Employee" as used herein shall be defined to include the plural as well as the singular.

4.00 - ASSOCIATION REPRESENTATIVES

4.01 The Employer recognizes the right of the Association to designate two (2) representatives and two (2) alternates for the enforcement of this Agreement.

4.02 The Association shall furnish the Employer in writing the names of the representatives and the alternates and notify the Employer of any changes.

4.03 The authority of the representatives and alternates so designated by the Association shall be limited to, and shall not exceed, the following duties and activities:

1. The investigation and presentation of grievances in accordance with the provisions of the collective bargaining Agreement.
2. The transmission of such messages and information which shall originate with, and are authorized by the Association or its Officers.

4.04 The above designated Association representatives shall be granted time with pay during working hours to investigate and seek to settle grievances and to attend all meetings and conferences on collective negotiations with Employer officials.

5.00 - NO STRIKE PLEDGE

5.01 It is recognized that the need for continued and uninterrupted operation of the Borough's department and agencies is of paramount importance to the citizens of the community, and that there should be no interference with such operation.

5.02 The Association covenants and agrees that neither the Association nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in any strike, i.e., the concerted failure to report for duty, or willful absence of an Employee from their position, or stoppage of work or abstinence in whole or in part from the full and proper performance of the Employee's duties of employment, work stoppage, slowdown or walkout against the Borough.

5.03 The Association agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slowdown or other activity aforementioned, including but not limited to, publicly disavowing such action and directing all such members who participate in such activities to cease and desist from same immediately and return to work, or such other steps as may be necessary under the circumstances, and to bring about compliance with its order.

5.04 In the event of a strike, slowdown or walkout, it is covenanted and agreed that participation in any such activity by the Association member shall entitle the Borough to take appropriate disciplinary action including, but not limited to, discharge in accordance with applicable law.

5.05 Nothing contained in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the Association or its members.

6.00 - PRESERVATION OF RIGHTS

6.01 The Employer agrees that all benefits, terms and conditions of employment relating to the status of Employees, which benefits, terms and conditions of employment are not specifically set forth in this Agreement, shall be maintained at not less than the highest standards in effect at the time of the commencement of collective bargaining negotiations between the parties leading to the execution of this Agreement.

7.00 - RIGHTS OF EMPLOYEES

7.01 Members of the force hold a unique status as public Officers in that the nature of their office and employment involves the exercise of a portion of the Police power of the municipality. The security of the community depends to a great extent on the manner in which Police Officers perform their duty, and their employment is thus in the nature of a public trust. The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Out of these contacts may come questions concerning the actions of the members of the force. These questions may require investigation by Superior Officers designated by the Chief of Police and the Governing Body.

7.02 In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline the following rules are hereby adopted:

1. The interrogation of a member of the force under investigation shall be at a reasonable hour, preferably when the member of the force is on duty, unless the exigencies of the investigation dictate otherwise, in which event reassignment of the member of the force should be employed.
2. The interrogations shall take place at a location designated by the Chief of Police. Usually it will be at Police Headquarters or the location where the incident allegedly occurred.
3. The member of the force under investigation shall be informed of the nature of the investigation before any interrogation commences, including the name of the complainant in a case of a serious breach or where charges may be brought. Sufficient information to reasonably apprise the member of the allegations should be provided.
4. The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls, and rest periods as are reasonably necessary.
5. The member of the force shall not be subject to any offensive language, nor shall they be threatened with transfer, dismissal or other disciplinary punishment except to advise the officer of the potential penalties involved. No promise of reward shall be made as an inducement to answering questions.

6. The refusal to answer questions concerning non-criminal matters, or in any way cause a delay or interference with such non-criminal investigations may result in disciplinary action.
7. If a member of the force is under arrest or is likely to be, that is, if they are a suspect or the target of a criminal investigation, they shall be given his rights pursuant to the current decisions of the United States Supreme Court.
8. In all cases, and at every step of the proceedings, in the interest of maintaining the usual high morale of the force, the Department shall afford an opportunity for a member of the force under investigation, if they so request, to consult with their Association representative before being questioned concerning a violation of the Rules and Regulations during the interrogation of a member of the force. However, the proceeding shall not be delayed more than one hour to consult with their SOA representative or two (2) hours to consult with their lawyer.
9. The final results of such investigation shall be made available to the Employee investigated. This clause shall not be used to break the chain of evidence nor shall it be used to avoid normal routine reporting procedures.
10. Nothing in Section 7.06 shall permit any Employee to fail or refuse to immediately submit an accurate and detailed written report concerning their official action while on duty.

7.03 The Police Officers Bill of Rights, known as the Law Enforcement Officers Protection Act, P.L. 1996, Chapter 115, is incorporated herein as if recited verbatim and at length.

8.00 - DATA FOR FUTURE BARGAINING

8.01 The Employer agrees to make available to the Association all relevant data the Association may require to bargain collectively.

8.02 The relevant data noted above shall include but shall not be limited to such items as salaries and benefits enjoyed by other Employee groups, the cost of various insurance and other programs, information concerning overtime worked by Employees, the total number of sick leave days utilized by Employees, the total number of injuries on duty, the total length of time lost as a result of injuries on duty and other data of a similar nature. However, the Employer shall incur no additional expense by virtue of this clause.

9.00 - SALARIES

9.01 The annual salary of all Employees covered by this Agreement shall be set forth in **Appendix "A"**.

9.02 The base annual salaries for the period covered by this Agreement shall, along with all other economic items, be deemed retroactive to **January 1, 2023**, unless otherwise specified, and any monies due Employees by value of this clause shall be paid as soon after the execution of this Agreement as practicable, after passage of salary ordinances.

9.03 Salaries shall be paid semi-monthly and each pay check shall provide a breakdown and explanation with overtime check to specify date and time of accumulation.

9.04 Nothing contained herein shall prevent the Employer from withholding salary or step increases except for valid reasons as provided by law.

10.00 - WORKDAY, WORK WEEK AND OVERTIME

10.01 The parties have agreed to recognize the 12-hour tour of duty as the patrol shift within the Police Department. The 12-hour shift applies only to the Patrol Division and does not include the Detective Bureau, Community Policing, Traffic Division and Administrative Division. The present practice as it relates to the appropriate meal and rest periods as authorized by the Chief of Police shall continue.

Officers who are assigned to the 12-hour tour of duty shift shall be subject to the following guidelines:

- Work schedule shall be (4) four days on and (4) four days off; and
- 12-hour tour of duty shifts shall be 7:00 a.m. to 7:00 p.m. and 7:00 p.m. to 7:00 a.m.; and
- (1) one early car for each 12-hour tour of duty shift shall be from 6:00 a.m. to 6:00 p.m. and 6:00 p.m. to 6:00 a.m.; and
- Officers working a twelve 12-hour tour of duty shift will receive (1) one hour for their daily meal break; and
- Officers cannot work overtime either immediately before or after a 12-hour consecutive shift within a (24) twenty-four hour period except in cases to meet a bona fide emergency or public safety need; and
- Overtime Box will continue to be used and overtime will be offered to Officers on their days off in (6) six hour blocks; and
- All time off will be based on hour for hour; and
- Officers will be allotted 108 hours of Schedule Adjustment Time (SAT). Schedule Adjustment Time hours shall be utilized within the calendar year when it is earned. The balance of unused Schedule Adjustment Time (SAT) as of December 31 shall not be paid out and will be forfeited.

10.02 Work in excess of the Employee's basic work week or tour for a day is overtime.

10.03 Overtime shall be paid by the following rules: It shall be paid either as paid overtime compensation [time and one-half (1 ½)] or compensatory time.

10.04 Compensatory time shall be computed at the rate of time and one-half (1 ½)

10.05 Compensatory time shall be utilized only upon prior request and prior approval of the Chief of Police or their designee. Each officer shall be entitled to accumulate compensatory time, not to exceed the maximum set forth in the Fair Labor Standards Act. Compensatory time shall not be carried over into the succeeding year. Approval of requests for use of such time shall not be unreasonably denied and shall be subject to the needs of the department.

10.06 If the Employee chooses paid overtime compensation, they shall be paid for the overtime not later than the second pay period following the overtime worked.

10.07 Any compensatory time not utilized by the Employee as of November fifteenth (15th) of each year shall be paid to him pursuant to the paid overtime compensation provision of this Agreement.

10.08 The allowance time for being late for work shall be based on a six (6) month period.

10.09 Officers shall notify the Chief of Police on a form to be established by the Department of all outside employment including duties, job location and hours thereof.

11.00 - HOURLY RATE

11.01 To compute the base hourly rate of an Employee for overtime or other purposes, the Employee's yearly base salary and their annual longevity payment benefits shall be added together and then divided by two thousand eighty (2,080) hours.

12.00 - COURT TIME

12.01 Court time, as referred to in this Article, shall consist of all time, excluding regular tour of duty, during which any Employee covered under this Agreement shall be required to attend a Municipal Court, Superior Court, Grand Jury proceeding, or other Court or Administrative Bodies as a result of their duty as a Police Officer. Civil Court time shall be included in the coverage of this clause.

12.02 All such required court time in off duty hours shall be considered as overtime and Employees shall be compensated at time and one-half (1 ½), provided that any and all subpoena fees received by the Employee for their appearance or testimony, whether on or off duty, shall be turned over to the Borough immediately. As provided by law, no other witness fees may be charged or accepted.

12.03 The maximum time to which an Employee may be entitled under this Article shall be the actual time required in Court each day in which the Employee is required to be in attendance, but in any event, not to exceed the hours from when the Employee is subpoenaed to appear and the hour on which they are excused or Court recessed for the day, whichever is the lesser time, plus one (1) hour for travel to and from any Court or Administrative Body other than one held within the Borough of Fair Lawn, for which no travel time shall be allowed, but in no event, shall an Employee be paid in excess of their daily rate of pay for any single appearance. In all circumstances, the minimum compensation for Court time shall be two (2) hours at the overtime rate, if off duty.

12.04 In the event that the Employee's court appearance is a non-work day, they shall receive no more than eight (8) hours of overtime pay.

12.05 No Employee covered by this Agreement shall issue a summons or sign a complaint setting the Municipal Court appearance for a date other than when they are scheduled for duty. If any such case is to be postponed, the Department reserves the right to request the Municipal Judge to reschedule such Court appearance on a date and time when the Officer is scheduled for duty.

13.00 - TRAINING DAY

13.01 All Employees covered by this Agreement who are ordered to attend any course in training shall be considered on duty and shall be compensated at straight time in addition to such out-of-pocket expenses as authorized by the Chief of Police and approved by the Borough Manager, provided, however, that no compensatory overtime shall accrue or be credited to the Employee when any such training program extends beyond the normal work day or work week.

13.02 If the Employee fails to successfully complete a course and is required by the Department to retake the course then the Employee shall not receive additional compensation for retaking the course.

13.03 All training pay shall be paid at the overtime rate [time and one-half (1½)] when the training is on the Employee's regular scheduled time off.

14.00 - SERVICE SCHOOL SELECTION

14.01 The Chief of Police will attempt to equalize the in-service school training opportunities afforded to all members in accordance with division assignments and on a "need to know" basis.

15.00 - RECALL

15.01 The Chief of Police or other person in responsible charge of the Police Department shall have the opportunity, in the event of work stoppage, slowdowns or other exigencies creating a shortage of personnel, to invoke emergency procedures; to cancel leaves; establish twelve (12) hour shifts or take such other action deemed necessary to meet the emergency as shall be determined within the sole discretion of such Officer in accordance with N.J.S.A. 40A: 14-134.

15.02 Whenever a recalled Employee shall be required to work more than eight (8) hours per day or forty (40) hours in a week, such Employee shall be compensated for such overtime in accordance with the Work Day, Work Week and Overtime Article of this Agreement. In that event all recalled Employees shall receive a minimum of two (2) hour's pay at the overtime rate.

16.00 - PRIORITY FOR OVERTIME

16.01 The current practice with respect to supervisory overtime shall continue.

16.02 The Employer shall have the right to utilize a patrol captain in place of a superior officer. The employer shall also have the option to hold over the superior officer from the preceding shift for the first half of the vacant shift and/or bring the superior officer in on the following shift in four (4) hours early. If the superior officer from the preceding shift desires to stay on for the full eight (8) hours, then said superior officer shall be permitted to do so.

17.00 - SHIFT CHANGES

17.01 The Employer agrees that it will not indiscriminately adjust shifts so as to avoid overtime with the exception of widespread disorder or other incidents requiring, or reasonably expected to require, unusual Police activities over an extended period in order to meet the Borough's obligation to restore domestic tranquility or to bring such situation under acceptable control.

18.00 - LONGEVITY

18.01 In addition to all wages and other benefits, each Employee shall be entitled to a longevity payment as set forth in **Appendix "B"**.

18.02 The said payments for longevity shall be paid on a semi-monthly basis to the Employees entitled to same.

19.00- UNIFORMS

19.01 The Employer shall provide to new Employees, free of charge and in lieu of any additional allowance therefore, all items of Police uniform and equipment it requires the Employees to wear or utilize in the course of his/her duty assignments. This shall not apply to civilian clothing required for basic or advanced training or to such civilian clothing permitted to be worn.

19.02 Thereafter, the Employer will provide, during the term of this Agreement, an allowance which shall be for the purpose of replacing any and all items as they become damaged, worn out or otherwise unserviceable, and it shall be the responsibility of each Employee to have at all times a complete and minimum inventory of such equipment and clothing as required by uniform regulations. The annual uniform allowance shall be the following:

2023	Two-Thousand Dollars (\$2,000.00)
2024	Two-Thousand Dollars (\$2,000.00)
2025	Two-Thousand Dollars (\$2,000.00)
2026	Two-Thousand Dollars (\$2,000.00)

The Employer shall issue a check to each Employee no later than April 15th each year.

19.03 This payment shall be made to plain-clothed as well as uniformed Employees. An assignment to plain-clothed duty shall not relieve any Employee from their duty to have all required uniforms and equipment as required in said regulations.

19.04 If the Employer decides to change the uniform or any part thereof, it shall provide to each Employee, free of charge, any such changed items.

20.00- EDUCATION INCENTIVE

20.01 In addition to all other wages and benefits provided in this Agreement each Employee shall be entitled to an additional payment, if the Employee is qualified for same, pursuant to the qualifications and limitations as presently established. Refer to **Appendix "C"**.

21.00 – VACATIONS

21.01 The vacation allowance shall be pursuant to existing practice. See **Appendix “D”**.

21.02 When in any calendar year, the vacation or any part thereof is not granted by reasons of pressure of Police activity; such vacation periods not granted shall accumulate and shall be granted the next succeeding year. The balance of unused vacation time beyond the allowed carryover as set forth above will be subject to forfeiture.

21.03 If an Employee is on vacation and becomes sufficiently ill as to require hospitalization, they may have such period of illness and post hospital recuperation period charged against their sick leave at their option and upon proof of hospitalization and a physician's certificate.

21.04 No Employee who is on vacation shall be recalled except during periods of critical shortage of personnel.

21.05 Vacations may be taken in segments at the Employee's discretion pursuant to present practices.

21.06 Vacations shall be selected on a seniority basis which shall be established by the Department. Once an Employee selects two (2) consecutive working days of vacation under this clause, the next senior person shall make their selection, and so on, until the seniority list is exhausted, at which time, the process shall be continued.

21.07 Vacation leaves for the platoons of the Patrol Division must be arranged so that at least one (1) Superior Officer is available for supervision on each shift, and the minimum number of outside men available in accordance with the priority coverage schedule for each tour as the same may be amended from time to time, provided, however, that not more than twenty (20%) percent of the complement of any platoon shall be on vacation leave at the same time.

21.08 Any Employee who fails to indicate their first choice of available vacation periods prior to April 1st, when they are in a priority position to do so, the next senior person shall make their selection, and so on, until the seniority list is exhausted, at which time, the process shall be continued.

22.00 – HOLIDAYS

22.01 Employees who work Thanksgiving, Christmas, New Year's, Easter and/or Chanukah shall be granted a (1) one-hour meal period where the needs of the Department permit. The celebration of Chanukah shall commence from sundown of its first night to sundown of its second night.

22.02 Employees covered under this agreement shall be entitled to receive additional holidays only if such additional holidays are declared by federal, state, or local government and result in an increase in the total number of Holidays provided to other Borough employees, thereby exceeding a total of (15) fifteen in any calendar year.

23.00 - SICK LEAVE

23.01 All Employees covered by this Agreement shall be entitled annually to 120 hours of sick time pursuant to existing practices. Unused sick days shall accumulate from year to year.

23.02 Sick leave with pay is hereby defined as absence from post of duty of an Employee because of illness, injury or exposure to contagious disease, attendance upon a member of the Employee's immediate family seriously ill, requiring temporary care or attendance of such Employee. Sick leave to attend a member of the Employee's immediate family shall not exceed five (5) days, and a certificate of a reputable physician in attendance shall be required as sufficient proof of need of leave of absence. Whenever the Employer requires a certification from an Employee under this Article, then the cost and expense of obtaining said certification shall be paid by the Borough.

24.00 - WORK INCURRED INJURY

24.01 When an Employee covered under this Agreement shall become injured, ill or disabled from any cause so as to be physically unfit for duty, where such injury, illness or disability shall be evidenced by the certificate of a physician designated by the Employer to examine the Employee, the Employee may be granted leave of absence with full pay not to exceed (1) one year commencing from date of injury, illness or disability.

24.02 The Chief of Police, if the position is permanently filled, or the Borough Manager or their designee, may require an Employee who has been absent because of work incurred disability as a condition of his return to duty to be examined at the expense of the Borough by a physician designated by the Employer. Such examination shall establish whether the Employee is capable of performing their normal duties and that their return will not jeopardize their health, the health of other Employees or the safety of the public. In the event that an employee has been absent because of a non-work incurred disability or injury, the Borough may require a return-to-work physical or a doctor's authorization if the officer has been absent for more than three consecutive days. If the employer designates the doctor who shall perform the physical or provide the authorization, the employer shall pay the doctor's fees with respect to same. If the officer selects the doctor, the officer shall pay the doctor's fees. Nothing in the foregoing shall prevent the employer from requiring the officer to go to an employer selected doctor in the event that the employer is dissatisfied with the scope or substance of the employee-selected doctor's physical or authorization.

24.03 In the event an Employee contends that they are entitled to a period of disability beyond the period established by the treating physician, or a physician employed by the Employer or by its insurance carrier or if there is an issue as to the causal connection of the claimed disability with the work effort, then and in that event, the burden shall be upon the Employee to establish such additional period of disability by obtaining a judgment in the Division of Workers' Compensation or the final decision of the last reviewing Court shall be binding upon the parties.

24.04 For the purpose of this Article, injury or illness incurred while the Employee is acting in any Employer authorized activity shall be considered in the line of duty.

24.05 In the event a dispute arises as to whether an absence shall be computed or designated as sick leave or as an injury on duty, the parties agree to be bound by the decision of an appropriate Workers' Compensation judgment, or, if there is an appeal there from, the final decision of the last reviewing Court.

25.00 - PERSONAL LEAVE

25.01 Each Employee shall have (92) ninety-two personal leave hours per year. (80) Eighty personal leave hours will be charged to accumulated sick leave. Each employee shall be entitled to use (64) sixty-four hours of the (80) eighty personal leave hours as emergency leave in the same manner as sick leave. (12) twelve hours of the (92) ninety-two personal leave hours will not be charged to accumulated sick leave and will be designated as "leave with pay". For the purpose of this clause, an Employee shall be required to advise his/her Superior of the reason for the personal leave hours, and obtain approval of the Chief of Police or designee.

25.02 Employees covered by this agreement shall also be granted (80) eighty hours of Personal Time (PT) to be used and approved in the same manner as vacations. Each year the balance of unused Personal Time (PT) as of December 31 shall not be paid and be forfeited unless the Employee receives written approval by the Borough Manager to carry forward into the succeeding year a maximum of (80) eighty hours of Personal Time. The balance of unused time Personal Time (PT) beyond the approved carryover period set forth above shall not be paid out and will be forfeited concurrent with the carryover date.

25.03 Employees must give the Chief of Police (16) sixteen hours' notice of their intention to take a personal leave day and must receive approval from the Chief to insure that the Employer has adequate personnel on hand to perform all necessary functions.

25.04 A denial of the application for personal time under this Article by the Chief of Police shall only be made due to departmental needs.

25.05 Personal leave time under this Article shall be granted in units of not less than (4) four hours for each occasion.

26.00 - BEREAVEMENT LEAVE

26.01 All permanent full time Employees covered by this Agreement shall be entitled to (3) three working days leave upon the death of a member of their immediate family. The officer shall notify the Chief of Police, within seven working days after the date of death and before leave is taken, when the officer intends to take bereavement leave pursuant to this section. The parties agree that bereavement leave shall be taken only for the funeral, memorial service, unveiling of the gravestone or similar events.

26.02 Immediate family is defined as father, mother, spouse, child, foster child, sister, brother, domestic partner, step-children, step-parents, brother-in-law, sister-in-law, mother-in-law, father-in-law, grandmother, grandfather, grandmother-in-law, grandfather-in-law of the Employee or the Employee's spouse and shall also include relatives of the Employee residing in the Employee's household.

26.03 All permanent full time Employees covered by this Agreement shall also be entitled to one (1) day with pay upon the death of all other family members.

26.04 Such funeral leave shall not be charged against the Employee's vacation or sick leave.

26.05 Any extension of absence under this Article, however, may be at the Employee's option and, with the consent of the Department Head, be charged against available vacation time or be taken without pay for a reasonable period.
