ARTICLE IV
GRIEVANCE PROCEDURE

Section A: Definition

A **contractual grievance** is any dispute relating to the violation, interpretation, or application of the terms of this agreement and the following procedure shall be adhered to for purposes of attempting to reach a mutually satisfactory settlement. The term "grievance" and the grievance procedure as set forth herein shall not apply:

- (a) to matters which involve the interpretation or application of a statutory rule or regulation and in which a method or review is prescribed;
- (b) to matters where the Commission is without authority to act.

A **non-contractual grievance** is an alleged misinterpretation, misapplication or violation of the policies or administrative decisions affecting the employee organization. Non-contractual grievances shall be processed up to and including Step 4 of the procedure and such decision of the Park Commission shall be final and binding.

Immediate Superior - An employee's immediate superior is the person to whom the aggrieved employee is directly responsible under the prevailing Table of Organization.

Section B: Purpose

The purpose of the grievance procedure is to secure equitable solutions to the problems affecting employees arising under this Agreement. The parties agree that disputes should be resolved at the lowest possible administrative level. Thus, the parties shall encourage the informal resolution of disputes by discussion of complaints between an individual and his immediate superior, and only in the event that such discussion fails to produce a satisfactory adjustment of the complaint shall it be reduced to writing and submitted as a grievance.

Section C: Procedure

Step 1 - An aggrieved employee must file his grievance in writing with his immediate superior within seven (7) working days of the occurrence of the matter complained of, or within seven (7) working days after she/he would have reasonably been expected to know of its occurrence. Failure to act within said time period shall constitute an abandonment of the grievance.

Once timely filed, the aggrieved employee shall discuss the grievance with his immediate superior. The immediate superior shall meet with the grievant and his/her shop steward within three (3) workdays of receipt of the grievance to discuss the grievance. The immediate superior shall render a written decision within two (2) workdays of said meeting.

Step 2 - If the grievance is not resolved satisfactorily or if no resolution is made by the immediate superior, the employee must present his grievance to his Division Head (in the event his immediate superior is not the Division Head), within five (5) working days of receipt of an answer or the expiration of the time to answer at Step 1. The Division Head shall meet with the grievant and/or his/her shop steward within three (3) workdays of receipt of the grievance. The Division Head shall respond in writing within two (2) workdays of said meeting.

Step 3 - If the employee is not satisfied with the answer at Step 2, the employee and/or his/her chosen representative shall submit the written grievance to the Executive Director of the Morris County Park Commission, or the Commission's designee, within five (5) working days of the reply at Step 2, who in turn, shall submit to the Union a written answer to the grievance within five (5) working days.

Step 4 - If the decision at Step 3 is not satisfactory to the employee, she/he may appeal in writing to the Commission within ten (10) working days after receiving the decision at Step 3. Upon receipt of such an appeal, the President of the Park Commission or his designee will investigate the grievance and make an effort to resolve it to the satisfaction of all parties. Prior to denying any grievance at this step, the aggrieved employee and/or his/her representative shall be afforded the right to meet and discuss the grievance with the President of the Commission or his designee. The decision of the President of the Commission or his designee will be made not later than fifteen (15) working days after receipt of appeal from Step 3.

It is further agreed that in cases of discharge grievances, the President of the Commission shall make every reasonable effort to expedite its determination prior to the expiration of fifteen (15) working days.

Step 5 - Contractual grievances that are unsatisfactorily resolved at Step 4 may be submitted to arbitration by the Union. The Union shall notify the Commission, in writing, within thirty (30) calendar days of any intent to pursue a grievance to arbitration.

Arbitrators shall be selected from the panel maintained by the Public Employment Relations Commission in accordance with PERC'S rules. It is expressly understood that the arbitrator shall have no power to subtract from, add to, or modify, the terms of this Agreement and shall only rule upon the interpretation and application of this Agreement.

The Arbitrator shall render his/her decision within thirty (30) calendar days of the close of the hearing. The decision of the Arbitrator shall be binding.

The costs of the Arbitrator shall be mutually borne by the Commission and the Union.

Any costs unique to one party (such as transcripts, witness fees, etc.) shall be borne entirely by the party incurring same.

Nothing in this Agreement shall be construed to compel the Union to submit a grievance to arbitration. The Union's decision to request the movement of a grievance to arbitration or to terminate a grievance prior to arbitration shall be final and binding as to the interests of the grievant and the Union.

Section D: Discipline

1. Discipline which results in loss of pay and/or discharge shall only be for just cause. Just cause shall be defined as follows:

- (a) The Commission gave the employee forewarning or foreknowledge of the possible or probable disciplinary consequences of the employee's conduct.
- (b) The Commission's rule or managerial order was reasonably related to the orderly, efficient, and safe operation of the Parks.
- (c) Before administering discipline to an employee, the Commission made an effort to discover whether the employee did in fact violate or disobey a rule or order of management.
- (d) The Commission's investigation was conducted fairly and objectively.
- (e) At the investigation the "judge" obtained substantial evidence or proof that the employee was guilty as charged.
- (f) The Commission has applied its rules, orders and penalties even-handedly and without discrimination to all bargaining unit employees.
- (g) The degree of discipline administered by the Commission in particular case must be reasonably related to (i) the seriousness of the employee's proven offense and (ii) the record of the employee and his service with the Commission.

Discipline in the form of warnings and/or reprimands shall only be subject to the first four (4) steps of the grievance procedure.

In those cases where the grievance involves the discharge of an employee or any other grievance that affects the employee's receipt of pay, the first step shall be waived; and failure on the part of the President of the Commission to render his written decision within fifteen (15) working days shall be considered resolved in favor of the employee. All decisions rendered by the President of the Commission under this paragraph shall be in writing.

Section E: General Provisions

1. An employee's grievance will be considered settled upon his/her written acceptance, or when time limit to appeal to the next step expires. If the Commission fails to answer within the prescribed time limit, the grievance will automatically go to the next step.
2. All grievances below the Commission level will be held during working hours.
3. It is understood and agreed that any of the time limits set forth above may be extended by mutual agreement between the Commission and the Union.
4. An employee who seeks authorization to leave his/her work for the purpose of investigating, presenting and adjusting grievances will first notify his/her immediate supervisor, or other responsible supervisor and obtain authorization before leaving his/her work station and will again report to him/her upon his/her return. Such authorization will not be unreasonably denied.

5. The Commission shall make available to the Union all necessary and pertinent information regarding grievances.

6. The Commission shall recognize only those Stewards and Officers for whom they receive official notice from the Union in writing.

7. Answers to all grievances shall be in writing and responsive to the grievance.

8. Notwithstanding anything in this Article to the contrary, the Union in its own right may initiate written grievances. Such grievance shall proceed immediately to Step 3 of the grievance procedure.

4. During the term of this Agreement, in the event the Morris County Board of Chosen Freeholders voluntarily grants vacation benefit improvements to an organized group of County employees, such vacation benefit improvements shall be granted on the same terms and conditions to employees covered by this Agreement without the need for further negotiations.

5. Vacation request for five (5) or more workdays shall be made at least one week in advance. 6. Requests for vacation time shall be limited to a minimum of one (1) hour block of time.

Section C: Sick Leave

Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, accident, and exposure to contagious disease or attendance upon a member of the employee's immediate family seriously ill requiring the care or attendance of such employee. Immediate family means father, mother, spouse, registered same-sex domestic partner, child, stepchild, foster child, sister or brother of the employee. It shall also include relatives of the employee residing in the employee's household.

Each employee shall be entitled to sick leave credits at the rate of one day per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a pro rata basis, she/he shall have an amount equal to his/her daily rate of pay deducted from his/her final pay for each day of sick leave taken in excess of the number to which she/he was entitled.

Each employee will be credited with fifteen (15) days sick leave annually for each succeeding calendar year of full-time employment, which is accumulative. Sick leave cannot be used as terminal leave, except as provided below; there shall be no accumulated time under any circumstances for sick leave when leaving the employ of the Commission. If, upon termination

after a year's service, an employee has used more sick leave than that to which she/he is entitled, she/he shall have deducted from his/her final pay an amount equal to his/her daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which she/he is entitled.

Notice of absence is required as follows: Each employee is required to notify his supervisor no later than fifteen (15) minutes prior to the starting time for work on each day of absence, except in cases of long-term illness, giving the specific reason for the absence. Should the employee be unable to reach the supervisor, then the personnel office should be notified. As it pertains to employees assigned to the Mennen Arena, in order to receive approval for sick time, the employee must call out for sick time at least one hour before the start of the scheduled work shift. Failure to give notification as required may result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five (5) consecutive business days shall constitute a resignation.

In the event of absence from duty due to illness for four (4) or more days at one time, the employee shall be required to submit a physician's certificate to his/her supervisor to justify payment of sick leave.

An employee may be absent from work on sick leave for more than ten (10) non-consecutive days without a physician's certificate. But any employee out sick with a contagious disease more than ten (10) days will be required to present a physician's certificate at the time she/he returns to work. In addition, the Executive Director of the Morris County Park Commission or his designee reserves the right to verify an absence in cases where there is reason to believe an employee is abusing sick leave. All unjustified absences are subject to disciplinary procedures including dismissal.

In the instance of leave of absence due to contagious disease, a certificate from the Department of Health shall be required.

The Park Commission agrees to provide payment for unused, accumulated sick time. Any employee who retires during the term of this Agreement, shall be reimbursed for accumulated sick time at thirty (30%) percent of the present day value of sick time to a maximum of \$10,000.00.

Section D: Administrative Days

Each employee shall be entitled to an allowance of one (1) workday's leave upon request to and the approval of his/her department head only for the following reasons:

- A. Court Subpoena
- B. Marriage of employee
- C. Personal business that cannot be attended to outside of work hours.

Each employee will be granted one (1) personal day without the requirement of any of the above stated reasons, provided the employee obtains prior approval.

Administrative leave/personal day, as noted above, shall be non-cumulative. Requests for administrative leave/personal day shall not be less than a one-half ($\frac{1}{2}$) day increment and shall be made with at least two days' notice.

Section E: Jury Duty

Each employee shall be allowed leave with pay if required for jury duty. The employee shall give a written request for such leave to his supervisor at least two (2) weeks in advance. Employees will not be required to reimburse the Commission for fees and mileage received from Court for jury duty.

Section F: Military Leave

1. With Pay - If a permanent employee is a member of the National Guard, Naval Reserve, or of any of the Reserve Components of the Armed Forces of the United States, she/he shall be eligible for, and entitled to his/her regular salary for a period not to exceed thirty (30) calendar days per year, if called to active duty or training, without any deduction or credit being given for his/her Guard or Reserve pay. Such leave shall be in addition to regular vacation leave but applies only to mandatory duty not additional voluntary participation.

2. Without Pay - If the employee is inducted into the Armed Forces, the employee shall be entitled to Military Leave without pay, provided a written request to the supervisor and a copy of the orders are attached. While in the military service, the employee's contributions to the retirement System will be maintained and seniority will be continued. The employee will be entitled to reinstatement, provided the employee is physically able and makes application for reinstatement within ninety (90) days of Honorable Discharge.

Section G: Bereavement Leave

1. The Commission shall provide bereavement leave with pay not to exceed three (3) working days in the case of death of employee's spouse, registered same-sex domestic partner, children, step-children, foster children, brothers, sisters, mother, father, mother-in-law, father-in-law, grandparents, grandchildren.

Bereavement leave, not to exceed one (1) day, shall be granted in case of death of relatives of the second degree defined as the employee's uncle, aunt, nieces, nephews, cousins, sister-in-law and brother-in-law.

2. As soon as possible, an employee shall notify his supervisor of a death in his/her family and of his/her need for leave. Notification must be given as in the case of illness under Article V, Sick Leave, Section C. The Personnel Office may require proof of death.

3. Bereavement leave is to be used for planning, preparation, and/or attendance of services; other related activities are subject to Commission approval.

Section H: Other Leaves

Time off, other than those specified above in this Article may be honored when warranted by the Commission. For a leave of absence without pay, the employee shall submit a written request to the supervisor at least thirty (30) days in advance stating the reason for the request and the time required. This request will be forwarded to the Commission and promptly answered. The

employee is required to report to the Personnel Office to make suitable arrangements for pension payments, insurance, hospitalization and other matters required during the leave period.

The health benefits premium will continue to be paid by the Employer as long as the employee is on an approved sick leave or as long as she/he is receiving temporary disability benefits.

Section I: Family Leave

Employees will be eligible for family leave, including adoption, as set forth in the New Jersey Family Leave Act and/or the Federal Family Leave Act, those provisions to apply, which are broader in the event of an inconsistency.

Section J: Weather Emergencies

1. In the event the employee cannot report to work because of storm conditions, the time lost from work will be charged against accrued compensatory time or accumulated vacation time. In the event that no such time is available, the time lost from work will be charged as time off without pay. If an employee is unable to report to work, the employee must follow the same procedure as that outlined for reporting an absence due to illness.

2. In the event of extreme weather conditions due to storm conditions necessitating the closing of the Commission facilities, the Commission shall initiate a phone chain to notify its employees. No employee shall be subject to discipline as a result of the failure of the phone chain to operate.

The Commission shall reimburse any toll call expenses incurred as a result of the phone chain.

Any employee who reports to work on a day on which the phone chain was implemented shall be paid for the day, and shall receive a compensatory day off at another time.

All employees shall be paid a full day's pay on days on which the Commission initiates the phone chain.

3. All employees are required to work regardless of weather conditions. Failure of an employee to report to work, unless excused, shall result in disciplinary action.

4. Stand-by lists shall be prepared and maintained by the Supervisor at all work locations where employees are required to work additional hours.

The Stand-by schedule must be approved by the Executive Director or designee prior to notification of stand-by. Volunteers for stand-by shall be solicited in order of work location seniority first. In the event that insufficient volunteers are obtained, stand-by shall be mandated on the basis of inverse seniority on a rotational basis.

Each employee who has been notified of his/her stand-by status shall be paid three (3) hours of straight time for every twelve (12) hours of stand-by duty.

It is understood and agreed that people who volunteer or are directed for stand-by duty must be available to be called in.

Procedure:

- Stand-by shift will begin 3.5 hours after the end of a regular scheduled shift, Monday – Friday.
- Saturday and Sunday will be scheduled on Friday before the end of the shift.
- If an employee is activated to work during his/her designated stand-by time, they will not be compensated the three (3) hours of straight time cash, but will be compensated for the minimum four (4) hours at the overtime rate, and portal-to-portal does not apply.
- If an employee fails to report for overtime after being activated from the stand-by list, he/she will be disciplined following item #15 of Schedule “B” – Work Rules.
