ARTICLE VIIINEGOTIATION PROCEDURE

The parties agree to commence negotiations in October of the year in which the Agreement expires.

ARTICLE IXGRIEVANCE PROCEDURE

A. Definition

A grievance is the right to appeal the interpretation, application, or violation of this Agreement or any policy or administrative decision affecting the employee or employee organization. Employees shall have the right to grieve written reprimands through the grievance procedure up to and including the Township Manager only. Discipline which has been imposed and which involves economic loss (suspension or fine) may be grieved to arbitration. The term grievance and the grievance procedure set forth herein shall not apply in the following instances:

1. Matters which involve the interpretation or application of a Department of Personnel Rule or Regulation.

2. Matters where the municipality is without authority to act.

B. Purpose

1. The purpose of the grievance procedure is to secure equitable solutions to the problems affecting employees arising under this Agreement or to a violation of a Department of Personnel Rule or Regulation.

2. The parties agree that disputes should be resolved at the lowest possible administrative level. Thus, the parties shall encourage the informal resolution of disputes by discussion of complaints between an individual (with a Union representative, if so desired) and his/her immediate superior and only in the event that such discussion fails to produce a satisfactory adjustment of the complaint shall it be reduced to writing and submitted as a grievance.

C. Procedure

An aggrieved employee (representative) must file his/her grievance in writing with his/her immediate superior within ten (10) calendar days of the occurrence. The grievance shall state the date, those involved, the section of contract and/or the Civil Service Rule aggrieved to. Failure to act within said time period shall constitute an abandonment of the grievance.

Step 1. Once timely filed, the aggrieved employee (representative) shall discuss the grievance with his/her immediate superior. If the grievance is not resolved satisfactorily or if no resolution is made within three (3) working days by the immediate superior, the employee (representative) must present his/her grievance to his/her department head, in the event his/her immediate superior is not the department head. The procedure and the time limits for resolution at that level shall be the same as that discussed above for the immediate superior.

Step 2. In the event there is not a satisfactory resolution of the grievance at Step 1 or a decision rendered within the time provided, the aggrieved employee (representative) shall present his/her grievance in writing to

the Township Manager, or his/her designee, within seven (7) working days after the response from the department head is due. Such statement shall set forth the reasons why the grievant contends the department head's decision is incorrect and shall specify the provision or provisions of this Agreement or Department of Personnel Rule alleged to be violated. The Township Manager, or his/her designee, shall review the decision of the department head, together with the statement submitted by the grievant and such other evidence as may be submitted, and shall respond to the grievant and/or representative within ten (10) working days.

Step 3. Should the grievant (representative) disagree with the decision of the Township Manager, or his/her designee, the grievant (representative) may, within seven (7) working days after the response from the Township Manager or his/her designee is due, submit to the Township Council by service upon the Township Manager, or his/her designee, a signed statement in writing as to the issue or issues in dispute. Such statements shall be filed along with:

1. Copy of the written grievance.
2. A statement of the results of prior discussions thereon.
3. A statement of the grievant's dissatisfaction with such results.

Where the grievant requests in writing a hearing before the Township Council, a hearing shall be held. If the grievant in his/her appeal does not request a hearing, the Council may consider the appeal on the written record submitted to it, or may on its own conduct a hearing, or may request the submission of additional written material. Where additional written materials are requested, copies thereof shall be given to the aggrieved employee, who shall be entitled to have a representative at a hearing, if one is held.

The Council shall make a determination within ten (10) working days after a hearing, if one is held, or if not held, twenty (20) working days after the grievant submits the grievance to the Township Manager or his/her designee. Such determination shall be given in writing to the aggrieved employee, and his/her representative, if there is one.

Step 4. In the event the grievance is not resolved at Step 3 or a decision is not rendered by the Township Council within the time provided, the Union may elect to have the matter submitted to arbitration.

1. The arbitrator shall be selected in accordance with the rules and regulations of the Public Employment Relations Commission.
2. The arbitrator shall conduct a hearing and shall render his/her decision in writing, with findings of fact and conclusions.
3. The arbitrator shall not add to, subtract from, modify, or amend this Agreement in any way.
4. Only one (1) issue or grievance may be submitted to an arbitrator, unless the parties agree otherwise. For the purposes of this Article, a grievance involving the same fact pattern or circumstances affecting more than one individual shall constitute a single grievance.
5. The decision of the arbitrator shall be final subject to the New Jersey Arbitration Act N.J.S.A. 2A:24-1, et seq.
6. The cost of the arbitrator will be borne equally by the Union and the Township; and all other expenses incurred by either side, including presentation of witnesses, will be borne by the side incurring same.

D. Miscellaneous

1. In the presentation of a grievance, an employee shall have the right to present his/her own appeal or to designate a representative to appear with him/her at any step in his/her appeal.
2. Whenever an employee appears with a representative, the Township shall have the right to designate a representative to appear at the step of the grievance procedure.
3. In the event the Township fails to respond to a grievance in writing within the time limits specified, the failure to respond shall be construed as a negative response and the Union may proceed to the next step in the grievance procedure.

ARTICLE XEMPLOYEE UNION REPRESENTATIVES

The Union shall have the right to designate such members of the Union as it deems reasonably necessary as representatives, who shall not be discriminated against due to legitimate activity. There shall be no more than three (3) designated representatives.

ARTICLE XIPAY PERIODS

All employees shall be paid on a semi-monthly basis. Pay periods shall fall on the fifteenth (15th) and the thirtieth (30th) of each month. In the event the 15th or 30th falls on a weekend or holiday, the pay period would be scheduled for the Friday before or the day before the holiday.

ARTICLE XIIMEDICAL AND OTHER BENEFITS

A. Permanent full-time employees are eligible for medical, dental, life and disability insurance in accordance with the plans in effect and carried by the Township of Byram. Coverage shall begin the first of the month following 30 days of employment, providing that the proper application is completed and filed with the Township. Employees accept a newly defined health/medical plan effective May 1, 2010 for all active employees and retirees. The plan is referred to as the Aetna QPOS Patriot 5. New employees hired on or after January 1, 2013 are required to choose between the Preferred Choice Plan, the HMO Plan, or the High Deductible (HSA) Plan.

B. Permanent full-time employees are eligible for life insurance with Standard Insurance Company. Coverage shall begin the tenth (10) of the month after thirty (30) days of employment, providing that the proper application is completed and filed with the Township.

C. Employees shall contribute towards their medical and other benefits in accordance with the requirements as set forth in Chapter 78, P.L. 2011, but in no event less than the greater of (a) one and one-half (1 ½%) percent of their base salary; or (b) if the employee elects coverage for dependants, ten (10%) percent of the cost of the premium (up to \$900).

The plans are listed here with the names of the providers that were in place at the time of the signing of this contract:

Health and Medical:	Aetna QPOS Patriot 5. Preferred Choice Plan HMO Plan High Deductible (HSA) Plan
Dental:	Delta Dental.
Life Insurance Plan:	Standard Insurance Company.
Long-term Disability:	Standard Insurance Company.

All plans presently in existence or plans that provide in the aggregate substantially equivalent benefits shall be maintained by the Township.

D. The Township reserves the right to change any of the foregoing plans or carriers or to self-insure, provided that, in the aggregate, substantially equivalent benefits are provided. The Township will notify the Union not less than sixty (60) days prior to such change and will discuss the pending changes with the Union. In the event the Union does not agree that the new plan(s) provide(s) in the aggregate substantially equivalent benefits, the Union may submit the matter to expedited arbitration prior to the expiration of the sixty (60) days notification by the Township for determination by an arbitrator prior to implementation of the new plan(s).

E. Upon demonstrating that he/she is provided adequate medical insurance coverage from an independent source, an employee may choose not to be covered under the Township's insurance plan(s) (health,

prescription and/or dental) in exchange for a cash payment for each year coverage is not supplied. This cash payment will equal twenty-five percent (25%) or \$5,000, whichever is less, of the amount saved by the Township because of the waiver of coverage. In the event the employee subsequently becomes ineligible for coverage from the independent source, he/she may rejoin the Township plans(s) for single/spouse/family coverage. The plan(s) includes coverage for the employee and eligible family members and shall be provided in accordance with Paragraph C of this Article.

F. Upon an employee's termination, insurance coverage will be discontinued the first (1st) of the month after termination, or in accordance with the applicable state and federal law.

G. Employees hired after January 1, 2010, shall not receive post-retirement healthcare benefits paid for by the Township. Employees hired by the Township prior to December 31, 2009, who retire, shall receive during retirement all medical and dental benefits that would have been required to be paid by the Employer, had they continued in active employment, with the retiree required to contribute towards their medical and other benefits in accordance with the requirements as set forth in Chapter 78, P.L. 2011, provided that where applicable:

1. Any such payments or benefits are permitted by applicable law.
2. The employee must have been employed by the Township of Byram at the time of retirement:
 - a. With a minimum of 15 years of service and reached age 62, or
 - b. With 25 or more years of service, or
 - c. With 10 or more years of service, if retirement is caused by disability for which a disability pension of 50% or more has been approved.
3. The Township's retirement health benefits program is to be secondary to any other health insurance program for which the employee or their spouse may be eligible.

4. The employee must apply for full federal health care benefits at the earliest opportunity. The Township will provide "wrap around" coverage, if available, in lieu of the standard benefits after eligibility for federal health benefits shall be established.

5. The Township shall reimburse the retiree for Part B Medicare costs provided the premium savings for Medicare eligible employees equals or exceeds the costs of Part B Medicare.

6. Retirees shall be required to reduce coverage options as circumstances dictate (e.g., a retiree may go from husband/wife coverage to single coverage), but may not opt for a higher level of coverage thereafter.

Tenth calendar year through seventeenth calendar year: 20 days per year

Eighteenth calendar year and over: 25 days per year

B. An employee shall be allowed to carry over into the next year and for one year only, one year's vacation allowance.

C. Employees on the payroll as of January 1 of any calendar year shall on that January 1st be credited in advance with vacation entitlement in accordance with the foregoing schedule, provided, however, that if the employee works less than twelve (12) months in the calendar year, he/she is entitled to a pro-rata share of such vacation entitlement. An employee who has used more vacation time than he/she is entitled to at the time of his/her severance shall have an amount equal to his/her daily rate at the time of severance deducted from his/her final pay for each day of vacation the employee has used in excess of the number of days to which he/she is entitled.

D. An employee shall submit requests for vacation at least two (2) weeks in advance whenever possible. All requests for vacation shall be in writing and are subject to approval by the department head. Approvals and disapproval of vacation requests shall be in writing. 15 days per calendar year thereafter.

No sick leave may be taken for less than one-quarter day. Employees may use a maximum of four (4) one-quarter sick days per year, and all other sick leave must be taken for at least one-half day. All unused sick leave may be accumulated from year to year.

B. An employee, upon retiring or whose service with the Township is terminated under favorable conditions, shall be paid for 50% of his/her accumulated unused sick leave up to the maximum payments specified in the following schedule:

<u>Year</u>	<u>Maximum Payment</u>
2006-2010	\$25,000
2011-2015	\$20,000
2016- and every year thereafter	\$15,000

The employee shall be compensated with this accumulated leave at his/her base rate of pay at date of retirement.

C. Upon approval of the Township Manager, an employee may request a cash payment for a portion of accumulated sick time during the term of active employment. Such request for cash payment shall be at the employee's current rate of pay, with one additional hour to be deducted from the accumulated sick time bank for each hour paid. Each request shall be individually judged based upon total time accumulated, township financial status, and any other relevant factors. The Manager's approval shall not be unreasonably withheld, but a denial with good cause shall be final.

ARTICLE XVIPERSONAL LEAVE

All employees shall receive four (4) personal leave days per year, to be prorated in the employee's first and last year of employment. Personal leave days can be taken in half day increments. In addition, they shall receive one (1) paid bereavement day for the death of an aunt, uncle, cousin, niece, or nephew.

B. The three (3) days shall be consecutive working days to be taken within fifteen (15) days of the death. Reasonable proof of death may be required by the Township.

C. The employee shall be allowed the three (3) or one (1) day leave per incident, as set forth in Section A above, such leave being separate and distinct from any other leave time. If a death occurs during an employee's scheduled vacation time, that employee shall receive an additional one or three vacation days, based on the schedule in Section A, to be scheduled at a later date.

ARTICLE XVIII

MILEAGE ALLOWANCE

Employees required to use personal vehicles in the pursuit of proper and necessary Township business will be reimbursed at the current IRS reimbursement levels per mile.

B. The Union covenants and agrees that during the term of this Agreement neither the Union nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty or willful absence of an employee from his/her position or stoppage of work or abstinence in whole or in part from the full, faithful, and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out, or other job action against the Township.

C. The Union agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned, including but not limited to publicly disavowing such action and directing all such members who participate in such activities to cease and desist from same immediately and to return to work, along with such other steps as may be necessary under the circumstances, and to bring about compliance with its order.

D. In the event of a strike, slow-down, walk-out, or job action, it is covenanted and agreed that participation in any such activity by the Union member shall entitle the Township to take appropriate disciplinary action, including possible discharge in accordance with the applicable law.

E. Nothing contained in the Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief it may be entitled to have in law or in equity for injunction or damages or both in the event of such breach by the Union or its members.

ARTICLE XXVII

JURY DUTY

Each Union member shall be allowed leave with differential pay, if required for jury duty. A written request for such leave shall be given to the Township Manager at least two (2) weeks in advance. Employees shall receive the difference between pay received for jury duty and the employee's wages for the leave period.

ARTICLE XXVIII

Any permanent employee in the bargaining unit on the effective date of this Agreement who does not join the Union within 30 days thereafter, any new permanent employee who does not join within 30 days of initial employment within the unit, and any permanent employee previously employed within the unit who does not join within 10 days of re-entry into employment with the unit shall, as a condition of employment, pay a representation fee to the Union by automatic payroll deduction. The representation fee shall be in the amount
