## **PREAMBLE**

This Agreement, entered into this \_\_\_\_ day of April, 2009, by and between the Village of Ridgewood, in the County of Bergen, State of New Jersey, a Municipal Corporation of the State of New Jersey, hereinafter called the "Village," and United Public Service Employees Union, hereinafter called the "Union," represents the complete and final understanding on all bargainable issues between the Village and the Union.

### **ARTICLE I – RECOGNITION**

The Village recognizes the Union as the exclusive collective negotiations agent for all Blue Collar employees of the Village of Ridgewood who hold positions described in Schedule "A" attached hereto, or who may in the future hold the same or similar positions inclusive of regular nine (9) month seasonal employees, excluding managerial employees and supervisors within the meaning of the Public Employees Relations Act (PERC Certification No. RO-2005-021). With regard to nine (9) month seasonal employees, their entire benefit package shall be three (3) paid days off over the nine (9) month period.

### **ARTICLE II – MANAGEMENT RIGHTS**

The Village hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States.

### **ARTICLE III – GRIEVANCE PROCEDURE**

#### **A. Purpose**

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of his departmental supervisory staff.

#### **B. Definition**

The term "grievance" as used herein, means any controversy arising over the interpretation, application or violation of this Agreement or any policies, agreements and administrative decisions affecting any employee covered by this Agreement and may be raised by an individual, the Union or the Village.

C. Steps of the Grievance Procedure

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent:

Disciplinary action that include a suspension or loss of pay shall not be implemented by a Departmental Director for a period of three (3) working days from notice to the employee of the impending action, during which time the employee and the Union may move immediately to Step 3 of the grievance procedure for the purpose of holding a hearing prior to the implementation of the suspension or loss of pay. Exceptions to this policy may be made when the immediate suspension of the employee is required because of drug or alcohol violations or when not immediately suspending the employee will endanger the health and safety of others or unduly disrupt the delivery of public services. Notwithstanding the above, the employer may implement a one (1) day suspension prior to notice and a hearing.

Step One:

- (a) An aggrieved employee or the Union on behalf of an aggrieved employee or employees shall institute action under the provisions hereof within ten (10) calendar days of (1) the occurrence of the grievance or (2) the time by which the grievant should have had knowledge of the occurrence with the exercise of reasonable diligence. Failure to act within said ten (10) calendar days shall be deemed to constitute an abandonment of the grievance on behalf of that individual or individuals.
- (b) The supervisor shall render a decision within five (5) working days after receipt of the grievance.

Step Two:

- (a) In the event a satisfactory settlement has not been reached, the employee or the Union shall, in writing and signed, file his grievance with the department head, or his representative, within five (5) working days following the determination by the supervisor.
- (b) The department head, or his representative, shall render a decision in writing within five (5) working days from the receipt of the grievance.

Step Three:

- (a) In the event the grievance has not been resolved at Step Two, then within five (5) working days following the determination of the department head, the matter may be submitted to the Village Manager.
- (b) The Village Manager, or his representative, shall review the matter and make a determination within ten (10) working days from receipt of the grievance.

Step Four:

- (a) In the event the grievance has not been resolved at Step Three, the Union may within ten (10) working days request arbitration. The arbitrator shall be chosen in accordance with the rules of the New Jersey Employees Relations Commission.
- (b) However, no arbitration hearing shall be scheduled sooner than thirty (30) calendar days after the final decision by the Village Manager. If the aggrieved elects to pursue Civil Service procedures, the arbitration hearing shall be canceled and the matter withdrawn from the arbitration and the Union shall pay whatever costs may have been incurred in processing the case to arbitration.
- (c) The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto.
- (d) The cost of the services of the arbitrator shall be borne equally between the Village and the Union. An aggrieved employee shall suffer no loss in pay as a result of time spent appearing on his own behalf in an arbitration proceeding. Any other expense incurred, including, but not limited to the presentation of witnesses, shall be paid by the party incurring same.
- (e) The arbitrator shall set forth his findings of facts and reasons for making the award within thirty (30) calendar days after conclusion of the arbitration hearing unless agreed to otherwise by the parties. The award of the arbitrator shall be final and binding on the employer, the Union, and the employee or employees who are involved or affected thereby. In the event there is an award of back pay, any earnings of the employee and any unemployment shall be offset and deducted from the award. Employees who have been discharged or suspended shall have the duty to seek work to mitigate for back wages.

D. Village Grievances

Grievances initiated by the Village shall be filed directly with the Union within ten (10) calendar days after the event giving rise to the grievance has occurred. Failure to act within said ten (10) calendar days shall be deemed to constitute abandonment of the grievance on the part of the Village. A meeting shall be held within ten (10) calendar days after filing a grievance between the representatives of the Village and the Union in an earnest effort to adjust the differences between the parties. In the event no such adjustment has been satisfactorily made within twenty (20) calendar days after such meeting, either party may within ten (10) calendar days thereafter file for arbitration in accordance with Step Four above. In no event shall the exercise of this provision or the fact of its availability to the

274

Village be deemed a waiver of any right under appropriate circumstances to injunctive relief.

E. Union Representative

A Union Representative shall be party to all steps of the grievance procedure and both the employee and the Union shall receive promptly full particulars of all charges, reprimands and warnings when made.

F. Civil Service Jurisdiction

Notwithstanding any foregoing provisions to the contrary, it is the intent of the parties that no matter in dispute that is subject to the review and/or the decision of the New Jersey Department of Personnel may be submitted to arbitration. The parties hereby direct the arbitrator not to accept or to decide any matter in dispute that is subject to New Jersey Department of Personnel Review and Decision.

#### **ARTICLE IV – SENIORITY**

Seniority, which is defined as continuous employment with the Village from the date of last hire, will be given due consideration by the Village under the following circumstances:

The most senior employees shall be given preference in the selection of vacations provided that there is no interruption of the normal operations of the Village.

#### **ARTICLE V – UNION REPRESENTATIVES**

- A. Accredited representatives of the Union may enter the Village facilities or premises at reasonable hours for the purpose of observing conditions and assisting in the adjustments of grievances. When the Union decides to have its representatives enter the Village facilities or premises, it shall give prior notice thereof to appropriate Village representative and the Union representative shall not be denied access to the premises. There shall be no interference with the normal operations of the business of Village government or the normal duties of the employees. There shall be no Union business transacted nor meetings held on Village time unless the Village, in its sole discretion, consents thereto. The Union may conduct meetings on Village property outside of working hours provided permission is secured from the appropriate Village representative.
- B. The Union shall notify the Village of the officers and stewards representing the Union in connection with the terms and provisions of this Agreement. A steward, upon prior notice to his immediate superior, may investigate a grievance during working hours without loss of pay. The Village shall not interfere or restrain the Union from the election of officers and stewards or in any other matter interference in the internal affairs of the Union.

- C. Members of the Union negotiating committee shall not exceed eight (8) in number, with no more than one (1) representative each from Streets, Garage, Signal, Sanitation, Parks, Water and Water Pollution.
- D. Effective January 1, 2005, members of the Union, who are elected by the Union to attend any meetings, educational conferences or conventions of the Union, or other bodies which the Union is affiliated, shall be granted necessary time off without loss of pay provided that one (1) week written notification is provided to the Village. Such requests shall not exceed an aggregate of fifteen (15) working days annually. No one employee shall be granted more than three (3) days annually.

#### **ARTICLE VI – HOURS AND OVERTIME**

- A. The normal working week shall consist of forty (40) hours per week, eight (8) hours per day, five (5) days per week. The Village shall not alter the size, makeup or work assignment or regular hours of work of any employees subject to this Agreement whose assignment makes them part of a crew or team doing any assigned task without prior consultation with the Union. Notwithstanding the foregoing, the Village shall continue the present practice of allowing early completion of the work day for solid waste division employees in accordance with the job task definition hereinafter provided.
- B. All work performed in excess of the specified hours in any work day or any work week shall be considered overtime and shall be paid for on the basis of time and one-half (1 ½). Employees may opt to have compensatory time off in lieu of payment for earned overtime to be scheduled in the same manner as personal leave. Employees who earn and accrue compensatory time will be subject to the regulations established by the “Fair Labor Standards Act”.
- C. Overtime shall be distributed by department as equitably as possible, provided the employee has the ability to do the work and all employees shall be expected to work only a reasonable amount of overtime when requested by the Village.
- D. Employees called into work on their off-days or called back to work after they have left the premises on a regularly scheduled work day shall receive a minimum of two (2) hours of pay in accordance with Section B above, for all work performed under such circumstances.
- E. For Recycling and Sanitation, the truck driver will be paid an additional hour, or a helper, an additional hour and one-half (1 ½) for driving the truck to the dump after the day’s pick-up.

#### **ARTICLE VII – HOLIDAYS**

- A. The following holidays shall be recognized:
  - 1. New Year’s Day
  - 2. Martin Luther King’s Birthday

## ARTICLE VIII – VACATIONS

- A. Annual vacation leave with pay shall be earned at the rate of one (1) working day of vacation for each month of service during the remainder of the vacation year following the date of appointment; twelve (12) working days vacation thereafter for every year through five (5) years of service; thirteen (13) working days vacation after the completion of five (5) years and through ten (10) years of service; sixteen (16) working days vacation after the completion of ten (10) years and through fifteen (15) years of service; commencing with fifteen (15) years of service, an additional working day of vacation shall be added for each year of service.
- B. For the purpose of this Article the vacation year shall be defined as January 1 through December 31 inclusive. An employee must request a vacation in advance and such vacation shall not be unreasonably denied.
- C. Vacation allowance must be taken during the current vacation year at such time as permitted or directed by the appointing authority unless the appointing authority determines that it cannot be taken because of pressure of work. Any unused vacation may be carried forward into the next succeeding year only.
- D. Payment of weekly wages in advance of vacation time taken shall be made where the employee requests such payment at least two (2) pay periods prior to his vacation leave.
- E. Vacation leave time earned shall be posted for all employees in each department by the department at least every six (6) months.

## ARTICLE IX – BENEFITS

- A. The Village agrees to provide and pay for the State of New Jersey Health Benefits Program for all employees covered by this Agreement, with the exception of nine (9) month Seasonal Employees and employees that would work less than twenty (20) hours per week, and their families, at no cost to the employee. The employee shall have free choice of coverage from among the various plans offered by the State. The Employer shall have the right to obtain equivalent coverage from another plan or insurance carrier.
- B. All increases in premium during the term of this Agreement shall be borne entirely by the Employer.
  - 1.) The Village of Ridgewood shall have the option of deducting up to twenty dollars (\$20.00) towards a medical co-payment for insurance in each of up to twenty-four (24) pays (maximum total four hundred eighty dollars (\$480.00) per year). This provision shall take effect upon at the earlier of January 1, 2010 or all of the other Village's collective negotiations units agreeing to the health insurance contribution, or having it imposed through an interest arbitration proceeding, whichever occurs first. The co-payment

174

provision provided in this paragraph shall not be effective retroactively to any retiree from the bargaining unit. If a future retiree separates from service while there is an effective co-pay provision in place, it shall continue into said future retirees' retirement term at that same rate of contribution.

- C. The Employer shall continue to provide insurance to the employee, as well as all qualified dependents when that employee retires with twenty-three (23) years with the Village, as well as twenty-five (25) years in the Pension System. The Village will also provide the same benefits to any employee who retires with a disability retirement.
- D. All persons covered by this Agreement and enrolling for health benefits coverage must acquire Medicare Parts A and B when eligible for same. Should a retiree with twenty-three (23) years of service with the Village and twenty-five (25) years of Pension System not have sufficient quarters of Social Security credit to obtain Medicare Parts A and B, the Village will reimburse that employee the costs thereof. This reimbursement shall commence once said employee has provided the Village with proof of enrollment. Proof of enrollment shall be a copy of either a Medicare Enrollment Card, or a confirmation letter of enrollment from the Social Security Administration. Reimbursement payments for Part A and B will be made semi-annually.
- E. If an employee retires with less than twenty-three (23) years of service with the Village and less than twenty-five (25) years in the Pension System, then the employee shall be entitled to continue the Plan described above at his own cost and expense.
- F. The Village will provide, at no cost to the employee, a Prescription Drug Plan which will be equivalent to that administered by the State Health Benefits Program, providing a \$1.00 co-payment for generic drugs and \$5.00 co-payment for name-brand drugs. The Village shall also retain the right to provide similar coverage from another plan or insurance carrier. Changes made pursuant to the State Health Benefit program shall be deemed incorporated herein.
- G. The Village will pay up to a maximum of twenty dollars (\$20.00) per month per employee toward the total dental plan, similar to the current plan administered by Delta Dental of New Jersey. The Village shall retain the right to provide equivalent or better coverage from another plan or insurance carrier. The Union and the Village shall explore alternative dental plans to provide comparison to the current plans in order to allow freedom of choice, as long as existing premiums are not affected by any drop in enrollment.
- H. Employees covered by this Agreement are eligible for up to one hundred dollars (\$100.00) per year payment from the Village of Ridgewood as a self-administered eyeglass insurance plan. To be eligible for reimbursement, the employee must

first present proof of an eye examination. In any two (2) year period, in which the Village would reimburse up to \$100.00 per year, the employee must have at least one (1) eye examination. The remaining amount of eligible two hundred dollars (\$200.00) (\$100.00 per year for two (2) years) can be spent on eyeglass or contact purchase. Vouchers for either examination or eyeglass/contact expense shall be presented to the Finance Department for reimbursement.

## **ARTICLE X – SICK LEAVE**

### **A. Service Credit for Sick Leave**

1. All permanent employees, full-time temporary or full-time provisional employees shall be entitled to sick leave with pay based on their aggregate years of service.
2. Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, accident, or exposure to contagious disease; for the attendance by the employee upon a member of the immediate family who is seriously ill or as otherwise provided in this contract.
3. Such sick leave shall not include any extended period where the employee serves as nurse or housekeeper during this period of illness.

### **B. Amount of Sick Leave**

1. The minimum sick leave with pay shall accrue to any full-time employee on the basis of fifteen (15) working days in every calendar year.
2. Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed for such purpose.
3. Each employee shall be entitled to terminal leave upon retirement equivalent to either one-half of his or her accumulated sick leave or six (6) months, whichever is the lesser. In the event termination of employment occurs by reason of death of an active employee, his or her estate or personal representative shall be entitled to a lump sum cash payment in an amount equal to the dollar value of either one-half (1/2) of his or her accumulated sick leave or six (6) months, whichever is the lesser.
4. Effective January 1, 2005, new employees thereafter hired shall receive one-half (1/2) accumulated sick leave at retirement with a maximum of three (3) months pay.

### **C. Reporting of Absence on Sick Leave**

1. If an employee is absent for reasons that entitle him to sick leave, his supervisor shall be notified promptly as of the employee's usual reporting

time, except in those work situations where notice must be made prior to the employee's starting time.

- (a) Failure to so notify his supervisor may be cause of denial of the use of sick leave for that absence and constitute cause for disciplinary action.
- (b) Absence without notice for five (5) consecutive work days shall constitute a resignation.

D. Verification of Sick Leave

1. An employee who shall be absent on sick leave for five (5) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness.
  - (a) An employee who has been absent on sick leave for periods totaling ten (10) days in one (1) calendar year consisting of periods of less than five (5) days shall submit acceptable medical evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature requiring repeated absences of one (1) day or less, in which case only one (1) certificate shall be necessary for a period of six (6) months. Abuse of sick leave shall be cause for disciplinary action.
2. In case of leave of absence due to exposure to contagious disease, a certificate from the Department of Health shall be required.
3. In case of death in the immediate family, reasonable proof shall be required.
4. The Village may require an employee who has been absent because of personal illness, as a condition of his return to duty, to be examined, at the expense of the Village, by a physician designated by the Village. Such examination shall establish whether the employee is capable of performing his normal duties and that his return will not jeopardize the health of other employees.

E. Posting of Sick Leave

Sick leave time earned shall be posted for all employees in each department by the department at least every six (6) months.

F. Sick Leave Incentive

Each employee who works one (1) calendar quarter without the use of sick-leave shall receive one-half (½) pay personal leave off with pay for each quarter. Calendar quarters shall be defined as the periods from January 1 through March 31, April 1 through June 30, July 1 through September 30 and October 1 through December 31.

Time earned under the sick leave incentive plan shall be scheduled in the same manner as personal days or at the option of the employee, one-half (1/2) day's pay at straight time to be requested in the same manner as overtime. Incentive earned in the final quarter (1/4) of the year, must be taken before the end of the second (2nd) quarter of the following year.

An employee's use of other leave available under the contract such as vacation leave, bereavement, jury duty or personal leave, shall not disqualify the employee from the benefit provided under the sick leave incentive plan.

F. The Village will seek approval from the Department of Personnel to institute a *Sick Leave Donation Program*, whereby union members may donate accumulated sick leave to other members of the unit that do not have sufficient accumulated time to sustain a lengthy illness.

G. Seasonal Employees  
UPSEU shall be recognized as the bargaining representative of such employees.

Those employees will be entitled to three (3) paid days annually. Such days shall accrue at the rate of one (1) day every three (3) months. Unused days will be paid at the end of each year. This provision shall apply to nine (9) month Seasonal Employees.

#### **ARTICLE XI – INJURY ON DUTY**

- A. Where an employee covered under this Agreement suffers a work-connected injury or disability, the Village shall continue such employee at full pay during the continuance of such employee's inability to work for a period not to exceed one (1) year. During this period of time, all temporary disability benefits accruing under the provisions of the Workers' Compensation Act shall be paid over to the Village.
- B. The employee shall be required to present evidence by a certificate of a responsible physician that he is unable to work and the Village may reasonably require the said employee to present such certificates from time to time.
- C. In the event the employee contends that he is entitled to a period of disability beyond the period established by the treating physician, or a physician employed by the Village or by its insurance carrier, then, and in that event, the burden shall be on the employee to establish such additional period of disability by obtaining a judgment in the Division of Workers' Compensation, or by the final decision of the last reviewing court shall be binding upon the parties.
- D. For the purpose of this Article, injury or illness incurred while the employee is acting in any job-related activity shall be considered in the line of duty.

14

- E. In the event a dispute arises as to whether an absence shall be computed or designated as sick leave or as injury on duty, or as to the extent of temporary disability, the parties agree to be bound by the decision of an appropriate Workers' Compensation judgment, or, if there is an appeal there from, the final decision of the last reviewing court.
- F. An injury on duty requiring time off for treatment, recuperation or rehabilitation shall not be construed as sick leave or a sick leave occasion under the terms of the sick leave policy heretofore agreed upon between the parties.

## ARTICLE XII – SALARIES AND COMPENSATION

- A. Effective January 1, 2008, each employee shall receive an increase to his or her annual base pay in the amount of 3.8% over the base pay each employee received on December 31, 2007.

    - a) All employees covered by this Agreement will be placed in an eight (8) step salary scale.
    - b) The Village will present a complete list of employees to the Union annually showing salary grades and steps.
  - 2. The said salary step advances shall not be automatic, but shall be subject to review each year and may be withheld for just cause. Each employee shall be evaluated a minimum of once each year and will be advised of such evaluation. Based upon these evaluations and other established criteria, a salary step increase may be withheld from an employee. Such employees shall have the right to grieve the withholding of the salary step increase through the grievance procedure. Salary step increases withheld

in one year may, at the discretion of the Village, be restored in subsequent years together with any other salary step increase due.
