AGREEMENT

This Agreement between Rutgers, The State University (hereinafter called the "University") and the Rutgers Faculty, represented by the RUTGERS COUNCIL OF THE AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS CHAPTERS (hereinafter called the "AAUP") is made and entered into on this 2nd day of August, 2004.

I - PURPOSE

The parties recognize and declare that it is their mutual goal to maintain a harmonious relationship in determining conditions of employment. To this end they mutually enter into this agreement intended to state the employment relations between the University and the AAUP.

II - ACADEMIC FREEDOM

The parties hereto recognize the principles of academic freedom as adopted by the University's Board of Governors on January 13, 1967.

III - RECOGNITION

1. The University recognizes AAUP as the sole and exclusive bargaining representative of all Rutgers University faculty members, teaching assistants and graduate assistants as hereinafter defined. Groups of employees may be added or deleted by mutual consent of the parties.
2. The terms "faculty member" and "faculty members" shall include all of the following academic personnel currently employed or to be employed by Rutgers to discharge at least one-half (50%) of a full-time academic job assignment:
 - (a) All faculty members with the rank of professor, associate professor, assistant professor, instructor, assistant instructor, lecturer, research associate and adjunct faculty who are engaged in instruction, research, or other academic service; and
 - (b) Members of the research, library, general extension, and cooperative extension staffs and those others, who, by virtue of University regulations hold equivalent rank (see Appendix A) to the faculty categories enumerated in (a) above.
 - (c) Faculty members who are engaged in instruction and/or research for fifty percent or more of their time during the academic year and who hold the title of associate dean, assistant dean, assistant to dean or academic director.
3. The terms "graduate assistant" and "graduate assistants" and "teaching assistant" and "teaching assistants" shall include all University personnel holding the titles of graduate assistant and teaching assistant.
4. Excluded are all officers of administration including deans, associate deans, assistant deans, assistants to deans, academic directors who are not engaged in instruction or research for fifty percent or more of their time during the academic year, visiting professors, honorary professors, fellows, all members of the coadjutant staff, all those persons who administer or help to administer a major academic unit or program of the University, and all other employees of the University.
5. Teaching assistants and graduate assistants shall be covered by this Agreement except to the extent specifically provided for herein.

IV - NONDISCRIMINATION

In the application of provisions of this Agreement or University regulations and policies affecting terms and conditions of employment, there shall be no discrimination by the University or the AAUP against any member of the bargaining unit because of race, creed, color, sex, religion, national origin, marital status, age, disability, status as a Vietnam-era or disabled veteran, sexual orientation, membership or non-membership in or activity on behalf of or in opposition to the AAUP.

Grievances in respect to this provision applicable to Article IX shall be heard as Category Two grievances.

V - DEDUCTION OF PROFESSIONAL DUES

The University agrees to deduct on a pro-rata basis from each biweekly paycheck the annual AAUP professional dues of each member of the bargaining unit as defined herein, for whom the AAUP furnishes to the University a voluntary written authorization for such deduction, on a form acceptable to the University. Bargaining unit members must submit written withdrawals of their authorization to the AAUP. It is the AAUP's responsibility to transmit such withdrawals of authorization to the University. The University will continue to deduct dues until it receives the withdrawal of authorization from the AAUP. The amount of AAUP professional dues shall be such amount as may be certified to the University by the AAUP at least 30 days prior to the date on which deduction of AAUP professional dues is to be made. The University shall remit to the AAUP all professional dues deducted pursuant hereto every two weeks together with a list of names of members of the bargaining unit from whose pay such deductions were made.

VI - REPRESENTATION FEE

1. Representation Fee Deduction

The parties agree that as of the effective date of this Agreement all employees in the bargaining unit who are not, and do not become, members of the Rutgers Council of AAUP Chapters, authorizing dues deduction, shall have deducted from their salaries and forwarded to the Rutgers Council of AAUP Chapters a representation fee in a manner and in an amount as provided below, provided that more than 50% of the faculty members of the bargaining unit have authorized the deduction of dues in accordance with Article V of this Agreement. Therefore, as of the second payroll date in July of each year of this Agreement, or any extension thereof, if more than 50% of the faculty members of the bargaining unit who receive paychecks on that date have authorized the deduction of dues in accordance with Article V of this Agreement, then, for the twelve-month period, commencing as of the first payroll date in September of the same year of this Agreement, representation fees shall be deducted from the salaries of members of the bargaining unit who have not authorized the deduction of dues. If on the second payroll date in July of any year of this Agreement, or any extension thereof, less than or equal to 50% of the faculty members of the bargaining unit have authorized the deduction of dues in accordance with Article V of the Agreement, then, for the twelve-month period commencing as of the first payroll date in September of the same year of the Agreement, no representation fees shall be deducted from the salary of any member of the bargaining unit.

Deduction of representation fees in accordance with the provisions of this Article shall continue during any extension of this Agreement. Each party reserves its rights concerning continuation and/or discontinuation of deduction of representation fees at the expiration of this Agreement, any extension of this Agreement, or during the interim period between Agreements.

2. Representation Fee Amount

At least 30 days before the effective date of the representation fee, or any subsequent modification thereof, the AAUP shall notify the University of the representation fee sum to be deducted from non members' salaries. Any change in the representation fee shall be made upon written notification to the University.

3. The representation fee shall be deducted from non members' salaries in biweekly installments only in accordance with Section 1. above and as provided herein. Representation fee deductions from the salaries of all nonmember employees shall commence on or after but in no case sooner than the 30th day following the beginning of an employee's employment in a bargaining unit position or the 10th day following reentry into the bargaining unit for employees who previously served in bargaining-unit positions and who continued in the employ of the University in a non-bargaining-unit position. For the purpose of this Article, academic year employees shall be considered to be in continuous employment.

If, during the course of the year, the bargaining-unit member authorizes deduction of dues, the University shall cease deducting the representation fee and commence deducting the AAUP dues after the AAUP furnishes to the University a voluntary written authorization for such deduction in accordance with Article V of this Agreement. Conversely, if, during the course of the year, the AAUP member directs the University to cease AAUP dues deductions, the University shall commence deduction of the representation fee in accordance with Article V of this Agreement.

After deduction, representation fees shall be transmitted to the AAUP in the same manner and in the same time as AAUP dues.

4. Indemnification

The AAUP shall indemnify and save harmless the University against any and all claims, demands, suits, judgments, settlements, or any other forms of liability including reasonable counsel fees and other costs of defense, that shall arise out of or by reason of action taken or not taken by the University for the purpose of complying with any of the provisions of this Article, including but not limited to, any actions in connection with defending the legality of this indemnification provision.

- a. The liability of the AAUP to indemnify the University for costs of defense shall not exceed in any year of this Agreement the total amount received as representation fees by the AAUP during said year. This limitation of liability shall not apply to any orders, judgments, or settlements which require restitution of funds forwarded to the AAUP.
- b. Neither the University nor the AAUP will challenge the legality of indemnification provisions of this Article. In the event this indemnification of the University by the AAUP is challenged in any forum by any person or entity, the University and the AAUP agree to defend the legality of the indemnification provision. In the event that this indemnification provision is deemed to be illegal or against public policy by any court or administrative agency or competent jurisdiction, then effective the date on which the AAUP no longer remits payments to the University as provided hereinabove, the AAUP agrees it will eliminate the representation fee in effect at that time.
- c. The University shall retain its right to determine its course of conduct, including but not limited to, the right to select counsel and determine strategy, in any action arising out of or by reason of the provisions of this Article.
- d. The University shall not challenge the legality of the representation fees provided for in this Article in any forum.
- e. A detailed statement of services rendered in connection with counsel fees referred to hereinabove shall be provided to the AAUP on a quarterly basis. The AAUP shall remit payment to the University within 30 days after receipt of each such statement.
- f. The indemnification provisions of this Article shall continue during any extension of this Agreement or during any period in which the AAUP is collecting representation fees in accordance with this Article.

VII - DESIGNATION OF AAUP REPRESENTATIVES AND THEIR PRIVILEGES

1. The University and the AAUP agree to recognize the designated representatives of each for the purposes of collective negotiations, such designation to be made in writing by each party to the other. This designation shall not preclude others, in reasonable numbers, from attending collective negotiations at the invitation of either party for the purpose of providing factual knowledge or expertise with respect to a particular subject for collective negotiations.
2. The University agrees that faculty members designated by the AAUP may be released from a portion of their instructional responsibilities to attend to official AAUP business. The AAUP will reimburse the University for such release at the rate of \$1,500 per credit hour of instruction. For non-instructional faculty, the percentage of release time will be based on the normal assignment for all duties, and the percentage of salary reimbursed by the AAUP to the University will be equal to the percentage of release time, up to a maximum amount of \$9,000. The AAUP shall be entitled to utilize six (6) courses of release time per year; no more than four (4) courses shall be released in one semester. In lieu of a course, the AAUP may designate a non-instructional faculty member for release time.

The AAUP shall in writing notify the designated University office of those individuals whom the AAUP wishes to designate for such release time as provided above. Such notice for instructional faculty shall indicate the specific instructional duties from which the faculty member requests release and shall be provided at least six (6) weeks prior to the end of the fall semester for spring semester release, and by June 1 for fall semester release in order to permit the University to determine whether the release is consonant with the needs of the academic program. Such notice for non-instructional faculty shall specify the percentage of the faculty member's professional time and the specific duties from which release is sought and shall be provided as set forth immediately above in order to permit the University to determine whether the release is consonant with the needs of the academic program. Such requests for release may not be unreasonably denied, and a written statement of the reasons for denial shall be given to the AAUP upon request within ten (10) working days of that request.

The AAUP shall each year in writing inform the designated University office of the identity and terms of office of the AAUP officers and the nature of their responsibilities. In addition, the designated University office shall in writing inform appropriate deans and other academic officers serving as superiors to the duly elected officers of the AAUP of the identity of these officers and the nature of their responsibilities.

3. Representatives of the AAUP shall be permitted to transact official business on University property at all reasonable times, provided that this shall not interfere with or interrupt normal University operations.
4. The AAUP and its representatives shall have the right to use University buildings at all reasonable hours for meetings provided they follow regular University procedures.
5. The AAUP shall have the right to make reasonable use of the University facilities and equipment, including duplicating, computing and office equipment, and available audiovisual equipment, all in accordance with University procedures. The AAUP shall pay reasonable costs for the use of facilities and equipment.
6. The AAUP shall have the right to post bulletins and notices to the employees it represents, relevant to official AAUP business, without seeking permission or approval.

An allegation that, with respect only to those University policies, agreements, administrative decisions, or Regulations which are not mandatorily negotiable but which intimately and directly affect the work and welfare of members of the bargaining unit, there has been a misrepresentation, misapplication or violation of such a University policy, agreement, administrative decision, or Regulation which has intimately, directly, and negatively affected the work and welfare of members of the bargaining unit.

Also included in Category Two are allegations concerning any matter which is mandated by law to be a subject of a grievance procedure of the Agreement, such as grievances concerning allegations of unjust discipline,¹ and which has not been provided for under Category One.

Also included in Category Two are allegations of harassment of a member of the bargaining unit. Harassment is intentional persistent or repeated differential treatment, without reasonable cause, that negatively and directly affects the work and welfare of a member of the bargaining unit.

¹ Discipline is the formal imposition of a penalty in response to alleged wrongdoing by a member of the bargaining unit.

- A. 2. Excluded from this grievance procedure are:
 - A. 2. a. All matters defined grievable under the terms of other grievance procedures between the University and the AAUP;
 - A. 2. b. An allegation regarding the evaluation of a grievant for reappointment, promotion and/or tenure, as provided in Article X of this Agreement;
 - A. 2. c. An allegation regarding a violation of the University Regulations or this Agreement or established policy or practice regarding reappointment of Teaching Assistants/Graduate Assistants, as provided in Article XI of this Agreement.
 - A. 3. A grievance under this Article may be filed by a bargaining-unit member or members, if more than one member has been affected, or by the AAUP. A grievance filed by a member or members of the bargaining unit may only be filed with the AAUP and will be promptly transmitted to the Office of Academic Labor Relations by the AAUP.
- B. Requirements for Filing.
- B. 1. A grievance must be filed in writing with the Office of Academic Labor Relations within six months of the date on which the grievant should reasonably have known of the occurrence of the alleged violation, or within 30 working days of the occurrence of the alleged violation if the grievant is requesting an accelerated schedule. The written statement of the grievance shall specify which allegations in the grievance are being filed as Category One or Two; shall contain a statement of the facts surrounding the grievance; shall specify the provision or provisions of the Agreement, Regulations, policies, agreements, or administrative decisions which allegedly have been violated, misapplied, or misinterpreted; and shall specify the relief sought. In addition, where the substance of the grievance concerns a dispute between bargaining-unit members, the grievance filing shall show evidence of an effort to resolve the matter with the appropriate dean. Such efforts at informal resolution of grievances shall not affect the timeliness requirements of this procedure.
 - B. 2. The timeliness of a grievance submitted from the New Brunswick campuses shall be determined by the date on which the AAUP delivers it to the Office of Academic Labor Relations. Grievances submitted from the Camden, Newark, or other program locations beyond the New Brunswick campuses may be mailed to the AAUP by United States Postal Service, in which case the timeliness of such a grievance shall be determined by the postmark. The AAUP shall deliver such grievances to the Office of Academic Labor Relations within one day of receipt.
 - B. 3. Information, material, and documents relevant to a grievance shall be provided, if available, by either party upon written request of the other party within 15 working days after the conclusion of mediation. If either party is unable to meet the 15 working day time limit, it shall so notify the other party in writing, explaining the reason. Limited requests for specific information essential for an understanding of the grievance shall not unreasonably be denied prior to the scheduling of mediation.
- C. Mediation
- C. 1. The goal of mediation is to resolve grievances informally.

- C. 2. A grievant may submit any grievance that the parties agree is properly raised under this Article to non-binding mediation prior to proceeding to Step One. Disputes between the parties as to grievability shall not be submitted to mediation. Notice of the desire to participate in non-binding mediation shall be given to the University with the grievance filing.
- C. 3. The mediation process will be completed within 30 working days of the University's receipt of the grievance filing, where possible.
- C. 4. A pool of six professional arbitrator/mediators, jointly agreed to by the University and the AAUP, shall be established for the duration of this Agreement except that twelve months after the establishment of the pool either of the parties may reopen negotiations about the membership of the pool. The AAUP and the University shall utilize a selection procedure that insures both rotation in the use of the mediators and random assignment of grievances to mediators.
- C. 5. No more than a total of six hours' service by the mediator shall be permitted for each grievance unless additional time is agreed to by the University and the AAUP.
- C. 6. Unless the parties agree otherwise, participants in mediation shall be limited to the mediator, the grievant, no more than two AAUP representatives, no more than two University representatives, and an individual, designated by the University, who is closely concerned in the grievance. The University representative may be the appropriate dean/director or the provost unless (a) he or she is alleged to have committed one or more of the violations that form the subject matter of the grievance or (b) the grievant, through the AAUP, notifies the University that he/she believes mediation with that individual as University representative would be pointless. In such cases, the Executive Vice President for Academic Affairs or his/her designee shall be the University representative. With the sole exception of the mediator, all participants in the mediation must be employees of the University or of the AAUP but shall not be individuals who bear the title of Counsel or Assistant Counsel. Unless the mediator objects, the AAUP and the University may jointly agree that each may have one nonparticipant observer present at a mediation session. Such observers shall not participate in the mediation meeting in any manner.
- C. 7. The format for mediation shall be face-to-face discussions between the parties, with the assistance of the mediator. However, the parties may, during the mediation session, jointly agree to meet separately with the mediator, provided that at the request of the parties, they again meet face-to-face before mediation is concluded. The mediator shall be provided by the University with the grievance filing in advance of the mediation session. The mediator shall decide whether other documents are needed to advise the parties. Provision of such documents by either of the parties shall be voluntary in response to requests from the mediator. No official record of the mediation process shall be kept. The names of individuals attending the mediation shall be provided to either side by the other if requested.
- C. 8. The mediator shall attempt to resolve the grievance. If a resolution is reached, it shall be reduced to writing. No resolution of a grievance shall be a precedent in any other grievance.
- C. 9. If no resolution is reached through mediation, the mediator shall present advice orally at the end of the mediation. This advice shall not be introduced at any subsequent grievance hearing or in any other proceeding.

- C. 10. The costs of the mediator shall be borne equally by the University and the AAUP.
- C. 11. If no resolution is reached through mediation, the grievance may be pursued at Step One of this grievance procedure.
- D. STEP ONE
- D. 1. The Executive Vice President for Academic Affairs or his/her designee(s) may conduct such investigation as he or she may require in order to render a written response, including meeting(s) with the grievant and other individuals who are determined by the Executive Vice President for Academic Affairs or his/her designee or the AAUP to be concerned in or to have knowledge of the matter. If the grievant believes it necessary to meet with the Executive Vice President or his/her designee without other individuals concerned in the matter being present, the grievant shall be afforded the opportunity to do so.
- D. 2. The grievant will have the opportunity to meet with the Executive Vice President or his/her designee if the grievant requests such a meeting within 10 working days of the filing of the grievance. The meeting, whether requested by the grievant or by the Executive Vice President or his/her designee, shall be scheduled within 10 working days of the request or within 10 working days of the conclusion of mediation.
- D. 3. In instances where the parties agree that the problem requires an accelerated schedule, if a meeting is requested at the time the grievance is filed, it shall be scheduled within five working days of the receipt of the grievance or the completion of the mediation.
- D. 4. Should the grievant fail, without valid reason, or refuse to meet with the Executive Vice President for Academic Affairs or his/her designee when such a meeting has been requested either by the grievant or by the Executive Vice President or his/her designee, the AAUP shall not be permitted to invoke Step Two of the grievance procedure and the decision of the Executive Vice President for Academic Affairs or his/her designee at Step One shall be final.
- D. 5. Where the grievant alleges that the grievance concerns an immediate health or safety problem, the grievance shall be heard on an accelerated schedule.
- D. 6. The grievant may be assisted by up to two representatives approved by the AAUP. The University shall have the right to assume that any representative who appears with the grievant is approved by the AAUP. The grievant's representatives shall be members of the bargaining unit and/or AAUP staff. Although the University may request members of the bargaining unit to participate in the investigation of, and meetings about, a grievance, a member of the bargaining unit may not be a designee of the Executive Vice President for Academic Affairs or a formally designated representative of the University.
- D. 7. Within 45 working days of the conclusion of the mediation or within 45 working days of the notification of a waiver of the mediation step by the AAUP, or within 15 working days if the parties agree that the problem requires an accelerated schedule, the Executive Vice President for Academic Affairs or his/her designee shall render a written response, except that, in all events, the Executive Vice President or his/her designee shall have no fewer than 15 working days subsequent to the Step 1 meeting(s) concerning the grievance to render a written response.

- D. 8. The Executive Vice President for Academic Affairs or his/her designee shall simultaneously submit his/her written response to the grievant and to the AAUP.
- E. STEP TWO - ARBITRATION
- E. 1. If the AAUP is not satisfied with the disposition of the grievance at Step One, the AAUP--upon written notification to the Executive Vice President for Academic Affairs within 30 working days of receipt of the Step One decision, or within 15 working days if the grievance has been heard on an accelerated schedule at Step One--may appeal a Category One or a Category Two grievance to arbitration.
- E. 2. The written notice shall set forth the issue or issues to be arbitrated and shall specify, as to each issue, whether the AAUP presents it as a Category One or a Category Two grievance.
- E. 3. For the purpose of arbitration, a pool of six professional arbitrators jointly agreed to by the University and the AAUP shall be established for the duration of this agreement except that twelve months after the establishment of the pool either of the parties may reopen negotiations about the membership of the pool. The list of arbitrators may include individuals identified as mediators in C.4. but an individual used as a mediator in a grievance shall not also be used as the arbitrator in the same grievance.
- E. 4. If the AAUP determines that either it or an individual bargaining unit member(s) cannot arrive at a decision on whether to proceed to arbitration within the 30 working days provided herein, it will so notify the Executive Vice President for Academic Affairs during this period. This notice will extend the period for invoking arbitration for a period of 30 additional working days. Additional extensions may be agreed to by the parties, and if such an agreement is made it shall be set forth in writing. No extensions beyond the original 15 working days provided for filing of an appeal to arbitration shall be available in instances where the grievance has been heard on an accelerated schedule at Step One except by written mutual agreement of the parties.
- E. 5. If no Step One decision is rendered, the AAUP may appeal the grievance to arbitration within five months of the last day on which the Step One decision would have been timely rendered.
- E. 6. Where a grievance concerning a health or safety problem has been heard on an accelerated schedule at Step One and has been timely appealed to arbitration, the AAUP and the University will each make an effort to obtain a prompt hearing of the grievance at arbitration.
- E. 7. The arbitrator shall conduct a hearing and:
- E. 7. a. Binding Arbitration

In the case of Category One grievances, render a decision which shall be final and binding on the AAUP, the grievant(s), and the University;

or

E. 7. b. Advisory Arbitration

In the case of Category Two grievances, render a recommendation to the Office of the President. The President's decision will be final and binding for all internal University purposes. Such decision will be rendered within 15 working days of receipt of the arbitrator's report. If the President modifies or rejects the recommendations of the arbitrator, he/she will set forth in writing the reasons for such modification or rejection.

- E. 8. The arbitrator's decision or recommendation shall be rendered in accordance with law and not later than 30 calendar days after receiving final submissions from the parties unless the parties agree that more time is needed. The arbitrator shall not have the authority to amend, alter, or in any way change a University policy, Regulation, established practice, or provision of this Agreement.
- E. 9. Any party may request a stenographic record. If such transcript is agreed upon by the parties, or in appropriate cases determined by the neutral arbitrator, to be the official record of the proceeding, it must be made available to the arbitrator and to the other party for inspection at a time and place determined by the arbitrator. The total cost of such a record shall be shared equally by those parties that order copies. Either party may tape the arbitration proceeding, but the tape shall not constitute the official record. The tape may be used only for the purpose of preparing the case and may not be used for any other purpose or in any other forum.
- E. 10. The costs and expenses incurred by each party shall be paid by the party incurring the costs, except that the fees of the neutral arbitrator and the fee, if any, of the administering agency shall be borne equally by the University and the AAUP.

F. Miscellaneous

- F. 1. "Working Days" are all days on which the administrative offices of the University are open for business as specified in the administrative calendar. "Months" are calendar months, and they are unaffected by any of the University's working calendars.
- F. 2. The time limits in this Article may be extended at any time by written agreement of the parties to this Agreement. Upon advance written notice to the AAUP and the University, a grievant who is on an academic year appointment may request that some or all of the period between Commencement and September 1 be excluded from the time limits in this procedure. Such requests shall not be made unreasonably and shall include the reasons for the request.

If the AAUP contends that the University is in error in deciding that a grievance was not timely filed, that contention shall be expeditiously submitted to binding arbitration unless the parties to this Agreement mutually agree otherwise. Until the timeliness matter is resolved, the grievance filed shall remain in abeyance. However, if the University also has addressed the merits of the grievance in its Step One response, a contention by the AAUP that the University's decision on timeliness is in error shall be submitted as a threshold question to the arbitrator selected pursuant to this Article. The arbitrator's decision with regard to timeliness shall be binding. Similarly, if the University has determined that a grievance is not timely filed and has not addressed the merits, and if the arbitrator has found the grievance to be timely and has referred it back to Step One for a consideration of the merits, and if the AAUP appeals the subsequent Step One decision, and if less than a year has elapsed since the arbitrator's decision on timeliness, the appeal shall be heard by the same arbitrator who heard the timeliness issue.

- F. 3. In order to assist the AAUP in its determination as to whether or not the grievance should be pursued beyond Step One, the Executive Vice President for Academic Affairs or his/her designee, upon request of the AAUP, shall make available to the AAUP a copy of any written policy, Regulation, agreement, or administrative decision cited in his/her written response as a basis of the answer to the grievance.
- F. 4. Whether or not pursued, this procedure shall constitute the sole and exclusive right and remedy of bargaining-unit members and the AAUP for any and all claims cognizable under this procedure. A written response at Step One which is not appealed to Step Two by written notification to the Executive Vice President for Academic Affairs in accordance with Section E.1. above shall be considered a binding and final settlement of the grievance. If there is no written response at Step One and the AAUP does not timely appeal to arbitration, the grievance shall be considered as having been withdrawn.
- F. 5. Exception as to Category Two Grievances. If the AAUP does not timely invoke Step Two in accordance with Section E.1. above, and the AAUP and/or the grievant(s) commence a court proceeding pertaining to the grievance within 45 working days of the last date upon which the AAUP could have timely invoked Step Two, the defenses of exhaustion of remedies or exclusivity of the grievance procedure will not be available to the University in such court proceeding. Nothing contained herein shall be construed or implied as a recognition by the University that the AAUP and/or grievant has any enforceable right against the University with respect to any misinterpretation, misapplication, or violation of University policy, agreement, administrative decision, or Regulation.
- F. 6. The exclusivity of remedies and exhaustion of procedures provided for in this Article are not intended nor shall they apply to rights of individual bargaining-unit members that arise from sources independent of this Agreement, University policies, agreements, administrative decisions, or regulations.

X - FACULTY PERSONNEL GRIEVANCE PROCEDURE

The purpose of this Article is to help ensure the integrity of the reappointment, promotion, and tenure procedures; to provide a process for determining whether evaluations resulting in negative personnel actions were flawed (as defined in A.1.) and to provide remedies in cases where defects are found. A defect does not encompass disagreement with the academic judgment of any evaluator or evaluative body. For purposes of this Article X grievance procedure, writers of external confidential letters are not "evaluators."

A. Definitions of a Grievance and Grievant

- A. 1. A grievance under Article X is an allegation that, in the course of an evaluation which resulted in failure to award reappointment, promotion, and/or tenure:
- A. 1. a. there occurred a material procedural violation of (i) the Academic Reappointment/Promotion Instructions and/or their appendices applicable in the year in which the grievant was evaluated, and/or (ii) Article XIV of this Agreement, and/or (iii) a University regulation or an established practice of the University related to reappointment or promotion. An established practice within the meaning of this Article is one which is not inconsistent with either a University Regulation or a provision of this Agreement. A violation is material if it has an important influence or effect upon the evaluation.
- or
- A. 1. b. the evaluation was based on (i) discrimination by an evaluator against the grievant because of race, creed, color, sex, religion, national origin, marital status, age, disability, status as a Vietnam-era or disabled veteran, sexual orientation, membership or nonmembership in or activity on behalf of or in opposition to the AAUP, or (ii) enmity by an evaluator against the grievant.
- or
- A. 1. c. the narrative of an evaluator or evaluative body contains a material factual inconsistency with the record as presented in the candidate's reappointment/promotion packet.
- or
1. d. the evaluation was not in accord with the criteria as set forth in the University Policy with Respect to Academic Appointments and Promotions.
- A. 2. A grievant within the meaning of this Article is a faculty member in the bargaining unit who files a grievance under this Article. A grievant shall retain the right to process a grievance to completion regardless of his/her employment status.
- A. 3. The statement of grievance shall be presented on a form mutually acceptable to the AAUP and the University and must:
- A. 3. a. identify the person(s) and/or bodies who allegedly committed the alleged violations;
- A. 3. b. explain what alleged actions were committed or omitted and by whom;

- A. 3. c. identify the level(s) of evaluation affected by the alleged violations;
 - A. 3. d. identify and fully explain the alleged violations in the evaluation of the grievant as specified in A.1. above;
 - A. 3. e. to the extent possible, set forth the evidence in support of the allegations and identify and attach, if possible, any documents pertinent to the allegations;
 - A. 3. f. identify, to the extent possible at the time of filing, potential witnesses and explain the nature and the relevance of their testimony to the allegations; and
 - A. 3. g. request any documents and/or other information needed to complete the presentation of the grievance, explaining the relevance of the requested material to the alleged violations. Additional requests for information may be made after the grievance statement has been filed.
- A. 4. A grievance may be resolved informally by the grievant and the University at any time. The informal resolution of a grievance shall not constitute precedent for the formal or informal resolution of any grievance or for any other purpose. A grievance filing shall normally provide evidence of an attempt to reach informal resolution.
 - A. 5. Grievances concerning original evaluations shall be brought before Grievance Committees as specified in B. below. Grievances concerning remanded evaluations shall be brought before the Faculty Appeals Board as specified in E. below.

B. Grievances Concerning Original Evaluations

B. 1. Pre-Hearing Procedures

- B. 1. a. An individual who intends to file a grievance under this procedure must so notify the Office of Academic Labor Relations in writing within 30 working days of the date on which the AAUP receives notice of the negative personnel action.
- B. 1. b. Within 60 working days, for candidates for reappointment or tenure, and 90 working days for candidates for promotion to Professor or Professor II, of the date of receipt of the letter of intent to file, as specified in a. above, the grievance statement, as defined in A.3. above, shall be filed with the Office of Academic Labor Relations according to the rules specified below. Such grievances shall be logged in as to date of receipt and a copy forwarded within one working day to the AAUP and to the Reviewing Officer.
- B. 1. c. Such grievances shall be reviewed by the Reviewing Officer who shall determine if the grievance filing complies with Section A.1. above and Section H. below. The Reviewing Officer shall not address the substance of the grievance. He/she shall confine his/her review to two questions:
 - B. 1. c. [1] Do the allegations contained in the grievance statement conform to the definitions of an Article X grievance as set forth in A. 1. above?
 - B. 1. c. [2] Are the letter of intent to file and/or the grievance statement timely filed in accord with B.1.a. and B.1.b. above?

- B. 1. d. The Reviewing Officer shall forward to the designated University Representative each grievance statement that meets the filing requirements within ten working days of the Reviewing Officer's receipt of the grievance. At the same time, a copy of the grievance statement with confirmation of acceptance shall be sent to the grievant and to the AAUP.
- B. 1. e. If the Reviewing Officer finds that a grievance statement does not meet the filing requirements, he/she shall return it to the grievant within 13 working days with a written statement specifying the defects leading to its rejection. A copy of such statement shall at the same time be sent to the AAUP. If the Reviewing Officer is unable to meet the deadlines specified herein, he/she shall so notify the AAUP in writing.
- B. 1. f. Unless the Reviewing Officer has held the grievance to be untimely, the grievant may resubmit a revised statement within ten working days of receipt of the letter rejecting the grievance. Such resubmission to the Reviewing Officer shall be handled according to the above procedure. Failure to resubmit a revised statement within ten working days or to appeal the Reviewing Officer's action as provided below shall constitute withdrawal of the grievance.
- B. 1. g. If the Reviewing Officer finds the grievance to be untimely, the grievant may appeal this finding to the Permanent Referee, as provided below.
- B. 1. h. In the event the grievant does not accept the action taken by the Reviewing Officer:
- B. 1. h. [1] The grievant may submit the issue in writing to the Permanent Referee. Such submission must be accompanied by the Reviewing Officer's finding and be made within ten working days of receipt of the Reviewing Officer's action. A copy of the submission shall be at the same time sent to the Reviewing Officer.
- Within ten working days of the University's receipt of the grievant's submission to the Permanent Referee, the University may submit a response to the Permanent Referee. A copy of the response shall, at the same time, be forwarded to the grievant and to the AAUP.
- B. 1. h. [2] The Permanent Referee shall not address the substance of the grievance. He or she shall confine his or her review to two questions:
- B. 1. h. [2] [a] Do the allegations contained in the grievance statement conform to the definitions of an Article X grievance as set forth in A. 1. above?
- B. 1. h. [2] [b] Are the letter of intent to file and/or the grievance statement timely filed in accord with B.1.a. and B.1.b. above?
- B. 1. h. [3] The Permanent Referee shall review the submissions and render a decision in writing within ten working days of receipt of the submission. No hearings will be conducted before the Permanent Referee unless the Permanent Referee requests a hearing after receipt of written submissions by the parties. If a hearing is conducted, neither party may be represented by an attorney. The Permanent Referee shall make a judgment on the

question(s) presented and the decision shall be final and binding on the grievant, the AAUP and the University.

- B. 1. h. [4] If the Permanent Referee sustains the claim that the grievance filing meets the filing requirements, or should be accepted as timely filed, he or she shall forward notice of acceptance to the grievant, the AAUP, and the Reviewing Officer.
- B. 1. h. [5] If the Permanent Referee rejects the claim that the grievance statement meets the filing requirements, he or she shall notify the grievant, the AAUP and the Reviewing Officer of his/her decision in writing. If the grievance has been rejected for reasons other than timeliness, the grievance may be revised and resubmitted according to the provisions of B.1.f. above. The decision of the Permanent Referee shall explain the reasons for rejecting the grievant's claim. Copies of the decision shall be sent to the AAUP and the Reviewing Officer.
- B. 1. h. [6] The decision of the Permanent Referee shall be binding on the grievant, the University, and the AAUP.
- B. 1. i. Within 25 working days of receipt of the grievance statement, the University shall forward the grievance statement to the Grievance Committee, with copies to the grievant and the AAUP, and shall at the same time, forward a written response to the particulars of the grievance, and the grievant's reappointment/promotion packet, excluding the supplementary materials and the external confidential letters of evaluation. The University's response shall address each allegation, shall identify and attach, if possible, any documents pertinent to the grievance, and identify potential witnesses and explain the nature and the relevance of their testimony to the allegations.
- B. 1. j. Within 20 working days of a request for documents and/or information (See A.3.g. above.), the University shall, insofar as it is possible for it to do so, make available to the grievant all relevant requested documents and information, other than outside confidential letters and the promotion packets of other faculty.
- B. 1. k. Outside confidential letters of evaluation are those letters received in response to solicitation pursuant to the Academic Reappointment/Promotion Instructions. Outside confidential letters of evaluation shall not be made available to the grievant or to his/her advisors, or to the University Representative for the purpose of the grievance.

In those cases in which the outside confidential letters of evaluation are a factor in a grievance, evidence respecting the contents of the letters may be introduced only by the grievant or the University Representative through a written report by two neutral readers of the letters through the following procedure:

- B. 1. k. [1] If the grievant asserts that the outside confidential letters are a factor in a grievance, the AAUP shall so notify the University when filing the grievance statement or earlier if possible. At the same time the AAUP shall inform the University of the name of the neutral reader selected by

- the grievant and shall indicate what questions the grievant wishes the neutral readers to answer in regard to the outside confidential letters.
- B. 1. k. [2] Upon receipt of the AAUP's notice concerning the letters, the University shall name a second neutral reader.
- B. 1. k. [3] The grievant and the University may select as a neutral reader any current member of the faculty at the rank of professor or above who has served within the past 7 years as a member of the Promotion Review Committee, an Advisory Committee on Appointments and Promotion, or as a dean, and who has not participated in the evaluation.
- B. 1. k. [4] The grievant may request that one or both of the following questions be addressed by the neutral readers: (1) In the opinion of the neutral readers, is the content of the letters inaccurately characterized or distorted in the narratives of the evaluators? If so, explain. (2) In the opinion of the neutral readers, have the evaluators relied in their assessments on letters that are not in accord with the criteria as set forth in the University Policy with Respect to Academic Appointments and Promotions, or that exhibit discrimination and/or enmity, as defined in Section A.1.b. above? If so, explain.
- In addition to answering the questions specified above, the neutral readers will also be permitted to provide additional comments if the readers wish to do so.
- B. 1. k. [5] The letters and the questions shall be provided to the neutral readers in the office of the provost or the Executive Vice President for Academic Affairs or the appropriate dean. The neutral readers shall meet to review the letters and prepare their report at a time mutually convenient to them within 20 working days of their selection. During their review session, the neutral readers shall review the letters and the promotion packet and shall jointly draft a written response to the questions. If the neutral readers have a significant difference of view, they may express that difference in their written report. The neutral readers shall not take the letters into their own possession, shall not copy the letters, and shall take every precaution to protect at all times the confidentiality of the contents of the letters and the identity of the writers.
- Neither the grievant, the AAUP, nor the University shall take any action that compromises the neutrality of the readers.
- B. 1. k. [6] The signed and dated report of the neutral readers shall be forwarded to the AAUP by the University within two working days of its receipt by the University.
- B. 1. k. [7] After receipt of the report of the neutral readers, either the grievant or the University Representative may request that the Grievance Committee review the external confidential letters. Once the Grievance Committee receives the letters, the Committee shall not make them available to the University Representative, the grievant, his/her advisors, or to the AAUP

and shall take every precaution to protect the confidentiality of the contents of the letters and the identity of the writers. The Grievance Committee members shall return all copies of the promotion packet and the external confidential letters to the University Representative once the Committee has rendered its decision.

- B. 2. Hearing Procedures
- B. 2. a. The Grievance Committee shall make a good faith effort to meet to hear the grievance within 10 working days of receipt of the material specified in B.1.i. above, and may request at the time of scheduling that the grievant and/or the University be prepared at that meeting to present the testimony of witnesses on specific issues raised in the grievance statement, to further explain specific issues raised in the grievance statement, to present additional documentation, and/or generally to present their case.
- B. 2. b. The chair of the Grievance Committee is responsible for the conduct of the hearing. The total time allotted to the hearing of a grievance ordinarily shall not exceed two working days, generally equally apportioned to the grievant's presentation and the University's response, unless the Committee approves a request by either side for additional time. The Grievance Committee may pose any questions it deems appropriate to the grievant, the grievant's representative, the University Representative, or to any individual whose testimony is presented by the University or the grievant.
- B. 2. c. The University Representative shall be the person designated by the University to present its case. The University Representative shall be identified in the University's response. If the University changes its Representative, it will notify the AAUP. The University Representative may be assisted by two advisors who shall also be identified in the University's response.
- B. 2. d. The grievant may be represented and assisted by two advisors approved by the AAUP. The grievant's advisors shall be named in the grievance statement. The University has the right to assume that any advisor who appears with the grievant is approved by the AAUP. If the grievant changes his/her advisors, the grievant will notify the University Representative.
- B. 2. e. The University Representative, the University Representative's advisors, and the grievant's advisors shall be employees of the University or of the AAUP, unless the parties agree to waive this requirement in individual instances.
- B. 2. f. If the grievant, the grievant's adviser(s), the University Representative or the University Representative's advisors offer(s) testimony, he/she may be questioned by the other party or by the Grievance Committee.
- B. 2. g. All of the grievant's allegations shall have been specified in the grievance statement. However, where information relevant to an alleged violation becomes known subsequent to the filing of the Grievance Statement, the grievant may file an amendment to the Grievance Statement. In such instance, the proposed amendment should be in writing in the form of a memorandum addressed to the grievance committee, with a copy to the University Representative, which provides full information about the new allegation in

accordance with Section A.3 of this procedure, and which explains the reasons why the grievance statement is being amended at that time. The University shall have 5 working days within which to respond to the amendment. If the University Representative agrees that the new allegation is properly within the definition of a grievance in accordance with Section A.1. above, the amendment shall be accepted.

If the University Representative does not accept the new allegation as appropriate to this procedure, the grievant may forward his/her proposed amendment to the Reviewing Officer immediately, and it will be processed in accordance with Section B.1.c. above.

- B. 2. h. Within five working days of the final hearing session, the Committee shall make a good faith effort to render a decision in writing. The decision shall address all allegations raised in the grievance. For each allegation, the Grievance Committee shall determine if the alleged violation has been proven. For each allegation sustained by the Grievance Committee, the Committee shall identify who committed the specific violation and which level of evaluation was affected by the violation. The Committee shall not make judgments as to whether the grievant should receive reappointment, promotion, and/or tenure. Further, the Committee will address and make findings about only those allegations set forth either in the grievance statement or an amendment to it and pursued by the grievant. The Committee's decision, recorded on a form agreed to by the AAUP and the Executive Vice President for Academic Affairs or his/her designee, shall be binding on the University, the grievant, and the AAUP. The Grievance Committee shall send its decision to the grievant, the AAUP, the University Representative, the appropriate provost, the Executive Vice President for Academic Affairs, the Office of Academic Labor Relations, and to each evaluator or evaluating body concerned in a violation sustained by the Grievance Committee. It is University practice to exclude from remanded evaluations, evaluators against whom charges of discrimination or enmity have been sustained.
- B. 2. i. The grievant has the burden of proof. The burden of proof shall be met when the preponderance of evidence about an alleged fact and/or alleged violation is sufficient to sustain the allegation.
- B. 2. j. If the Grievance Committee sustains the grievance, it shall order a remand, which is the sole and exclusive remedy under this procedure.
- B. 2. k. When a remand is ordered by a Grievance Committee, the University Representative or other appropriate officer of the University shall convene a remand meeting. The Committee, the grievant, up to two grievance counselor(s), the appropriate officer of the University and up to two advisor(s) shall meet as soon as possible, but no later than within 10 working days of receipt of the decision by the AAUP and the University, to discuss the Committee's findings and its recommendations to correct the identified defects.
- B. 2. l. If the University and the grievant reach agreement concerning the remand, it will be reduced to writing and signed by the University Representative and the grievant. Such remedy shall be implemented promptly.

- B. 2. m. If no agreement is reached within 10 working days of the meeting referred to in B.2.k. above, the University Representative shall issue instructions for the remanded evaluation with copies to the grievant and the AAUP. Such remand shall be implemented promptly and shall be fashioned to remedy identified defects. The instructions shall constitute the 30-day notice, pursuant to Article XIV of this Agreement.
- B. 2. n. If the grievant alleges that the University Representative's instructions for the remand procedure do not correct the defects found by the Grievance Committee, the grievant may request in writing, within five working days of receipt of the instructions, that the Executive Vice President for Academic Affairs or his/her designee meet with the grievant and the grievance committee to discuss the remand instructions, after which he/she will provide a binding decision to the University as to whether or not the instructions eliminate the defects found by the Grievance Committee. The remand shall then be implemented promptly. The remand procedure may not be challenged in any other way until it has been implemented by the University and a decision on the re-evaluation has been made.
- B. 2. o. In a remanded evaluation, items listed on the original Form 1 may be updated by an addendum to Form 1 to reflect changes in status in those items. No changes may be made in the original Form 1.
- B. 2. p. Any individual or any representative of a body against whom allegations are brought may be present at the hearing, unless the grievant objects. If, however, the grievant is represented or assisted by a member of his/her own department, he/she may not object to the presence of a department member or any other member of the bargaining unit against whom an allegation has been made. In addition, other observers of the hearing are permitted with the consent of the grievant and the University representative.
- B. 2. q. Either party may tape record the proceedings of the hearings, but the tape shall not constitute an official record. The tape may be used only in the grievance hearing or for the purpose of preparing the case and may not be used for any other purpose or in any other forum.
- B. 2. r. Each grievance shall be considered de novo, and no decision or finding from one grievance may be introduced or referred to as precedent in any other grievance. However, a grievant shall be permitted to introduce as evidence in a grievance proceeding the decision in a prior grievance filed by him/herself.

C. Confidentiality

The University and the AAUP have a vital interest in confidentiality in order to preserve the impartiality of the process, the reputation of the institution, and the peace of the academic environment. Therefore, all participants in a grievance proceeding have an obligation to maintain strictly the confidentiality of that proceeding.

- C. 1. The grievance statement, University response, associated documents, identities of witnesses, and evidence presented at the hearing shall be kept confidential by all concerned, except that the grievant or the University may make disclosure only to the extent necessary and only to potential witnesses and/or persons against whom

allegations have been made and/or persons the party has reason to believe may be able to assist in the preparation and/or presentation of that party's case. Such disclosure shall be limited in scope to those aspects of the case the party has reason to believe are relevant to disclosee's potential testimony or other assistance. The form and content of such disclosure shall be sensitive to the concerns outlined above, and shall in no case include providing tape recordings or transcripts of the proceedings to persons other than the Grievance Committee members, grievant, counselor, co-counselor, university representative, and his/her designated assistant.

Each witness to whom disclosure is made shall be identified to the other party before that witness's testimony is given.

Each person to whom disclosure is made shall be provided, prior to disclosure, a copy of this confidentiality provision and the no reprisals provision (G.2.), and shall not use the information about the grievance for any other purpose.

- C. 2. The grievance proceeding shall be conducted in confidence, including only those agreed to by the participants in the process specified in the procedures set forth in this Article and such observers as may be mutually grievant and the University Representative.
- C. 3. During the course of the grievance (from the filing of the letter of intent through the Appeals Board decision) there shall not be exerted or caused to be exerted, pressure on any individuals involved in the grievance.

An allegation of a violation of confidentiality shall be made to the Grievance Committee which shall render a binding decision concerning the propriety of the breach and continuing participation of any participant, except the grievant, who, in the judgment of the committee, has violated confidentiality.

D. Settlement of Procedural Questions Arising During a Grievance Committee Hearing

- D. 1. A question arising during the processing of a grievance under this procedure concerning the interpretation and/or application of this procedure may be raised by the grievant or the University Representative as a matter for determination by the Grievance Committee.
 - D. 1. a. In the event the Grievance Committee declines to determine the matter or the grievant or the University Representative is not satisfied with the soundness of its interpretation and/or application, that procedural issue shall be referred to the Permanent Referee, in accordance with Section D.3. below.
 - D. 1. b. If such issue is referred to the Permanent Referee, the grievant and/or the University Representative may request that the hearing be suspended pending his/her review.
 - D. 1. c. If suspension is not requested, the hearing may proceed to consider matters on which no issue of interpretation or application of this procedure has been raised.
 - D. 1. d. A ruling made by the Grievance Committee on the interpretation or application of this procedure that is not referred by the grievant or the University Representative to the Permanent Referee at the time of such ruling shall be binding for this and only this case.

- D. 2. A question concerning a matter of procedure not specifically addressed by this procedure shall be referred within two working days of the date the issue arose to the parties to this Agreement (AAUP and the University) for a joint determination that shall amend the procedure on this question.

Should the AAUP and the University fail to reach such agreement within five working days of submission to them, the question may be submitted to the Grievance Committee by either party for an ad hoc procedure to be implemented in the instant case as a reasonable solution to the issue at hand. Any such ad hoc procedure shall not be a precedent in any other case. The Grievance Committee shall render a decision within seven working days of the date the matter was submitted to it.

- D. 3. The Permanent Referee shall have the authority to make binding decisions on the interpretation and/or the application of provisions of this procedure where such issues are referred to it under the provision of D.1. Matters so referred shall be handled as follows:

- D. 3. a. The grievant and/or University Representative shall submit their respective claims in writing to the parties to the Agreement (AAUP and the University) within two working days of the date the issue arose. The parties shall each prepare a written position on the issue to be forwarded to the Permanent Referee, with each party copying the other, within five working days of receipt of the statement of claim.
- D. 3. b. Either the AAUP or the University may request a hearing on the matter before the Permanent Referee. Such request shall be made at the time of the party's submission of its position to the Permanent Referee.
- D. 3. c. If no hearing is requested, the Permanent Referee may request a meeting with the parties to this Agreement to discuss the matter. Any hearing or meeting shall take place within five working days of the Permanent Referee's receipt of the parties' submissions.
- D. 3. d. The Permanent Referee shall render his/her decision on the matter within seven working days of the receipt of the parties' submissions. A ruling by the Permanent Referee on the interpretation and/or application of this Agreement shall be binding on the grievant, the University and the AAUP.
- D. 3. e. The decision of the Permanent Referee shall be rendered in accordance with law and shall be within the scope of his or her authority as provided in this procedure.

E. Appeals of Remanded Evaluations

- E. 1. Letters of intent to grieve and grievance statements, as defined in B. above, shall be filed with the Office of Academic Labor Relations in accordance with the schedule and provisions therein.
- E. 2. Within 25 working days of receipt of the grievance statement, the Office of Academic Labor Relations shall forward the grievance statement to the Faculty Appeals Board

and shall, at the same time, forward a written response to the particulars of the grievance, with copies to the grievant and the AAUP. The University's response shall address each allegation and shall identify and attach, if possible, any documents pertinent to the grievance. The University shall also forward, at the same time, the grievant's reappointment/promotion packet, and make available to the Appeals Board, the external confidential letters of evaluation, and, if the Faculty Appeals Board so requests, shall also make available the supplementary materials to the reappointment/promotion packet.

- E. 3. If the grievant intends to request documents and/or other information from the University, he/she shall do so in writing at the earliest possible time, preferably prior to filing the grievance statement. All such requests shall explain the relevance of the requested information or documents to the alleged violations.
- E. 4. External confidential letters of evaluation shall not be made available to the grievant or to his/her advisors, or to the University Representative for the purpose of this proceeding. The Faculty Appeals Board shall exercise all due diligence in protecting the confidentiality of the external letters and shall return all copies of the promotion packet and the external confidential letters to the University Representative once the Board has rendered its decision.
- E. 5. The Faculty Appeals Board shall make a good faith effort to meet to hear the appeal no later than within one month of receipt of the material specified in E.2. above. If there is more than one grievance before the Appeals Board, priority shall be given to hearing and deciding grievances in which the grievant's employment is due to terminate. If the Faculty Appeals Board deems the caseload to warrant it, the Board may constitute, from among its members, two or more three-member panels. Generally, the Faculty Appeals Board will review only the written record, except that the grievant, at his/her request, shall have the right to appear before the Board for up to one hour for the purpose of presenting his/her case and answering any questions the Board might have. The grievant may be accompanied by his/her AAUP representative. The University Representative shall be present and shall have the opportunity to respond. At its sole discretion, the Board may request from the grievant or the University Representative additional materials or oral or written explanations.
- E. 6. The Faculty Appeals Board shall render a decision in writing on a form appropriate to its finding. Such form shall be agreed upon by the AAUP and the University.
- E. 6. a. The Board may deny the grievance. A denial of the grievance is final and binding on the grievant, the AAUP, and the University, and no further grievance or appeal may be made by the faculty member. This finding shall be forwarded immediately to the AAUP by the University.
- E. 6. b. The Board may order a remanded evaluation. An order for a remanded evaluation is binding on the grievant, the AAUP, and the University, and, if a remand is ordered, the Faculty Appeals Board shall provide advice to the University in structuring the remand. This finding shall be forwarded immediately to the AAUP by the University.
- E. 6. c. The Board may recommend to the Promotion Review Committee that the faculty member receive reappointment, promotion, and/or tenure. This recommendation must be considered by the President along with all other recommendations of the Promotion Review Committee. Such recommendation, made on the appropriate form, shall evaluate the candidate's performance in each of the applicable criteria and shall include

the Faculty Appeals Board's rationale for the recommendation. Notification that such recommendation has been made shall be forwarded immediately to the AAUP by the University. The recommendation of the PRC, subject only to recommendation by the President and action by the Board of Governors, shall be final and binding on the grievant and the AAUP, and no further grievance or appeal may be made by the faculty member.

F. Composition and Selection of Permanent Referee, Grievance Committees and Faculty Appeals Board

F. 1. Permanent Referee

The University and the AAUP shall jointly select a professional arbitrator who shall serve as the Permanent Referee for a period of 12 months, beginning in the month of April of each year. The Permanent Referee shall be jointly briefed by the University and the AAUP at the beginning of his/her appointment.

The fees of the Permanent Referee shall be borne equally by the University and the AAUP.

F. 2. Grievance Committees

F. 2. a. Grievance Committees shall be composed of 3 tenured faculty bargaining unit members at the rank of Associate Professor or above, who are 100% in bargaining unit titles, selected at random from the pool that includes the unit in which the grievance arose, except that no person shall serve on a Grievance Committee for a case in which he/she has participated in the evaluation process, nor shall any person be obligated to serve on a grievance committee more than once every three years. A faculty member who holds a 100% bargaining unit title while performing the duties of an assistant or associate dean shall be removed from a grievance committee at any time before the grievance committee has rendered a written decision unless the grievant chooses to go forward. The AAUP shall notify the grievant of the committee's membership.

The University and the AAUP shall jointly agree to the units comprising each of the grievance pools.

F. 2. b. Each Grievance Committee shall be constituted no later than October 15. Within ten working days of constitution of the Committee, the grievant may challenge, in writing and stating the reason, the participation of any Grievance Committee member for cause. Such a challenge shall be directed to the University Representative by the AAUP. If the University and the AAUP cannot resolve the matter, it shall be referred to a faculty member selected jointly each year by the AAUP and the University. This individual shall receive only the grievant's written challenge and the University's written response, a copy of which shall be provided to the AAUP. The grievant may, within ten working days, provide a written rebuttal limited to points raised in the University response. The jointly selected faculty member shall

render a final and binding decision within eight working days and shall notify the faculty member in case of removal.

- F. 2. c. The members of each Grievance Committee shall designate one of their members as chairperson of the Committee.
- F. 2. d. Faculty members selected to serve on a Grievance Committee shall participate in a joint University-AAUP briefing before being empaneled. The purpose of the briefing is to ensure that the Committee members understand the procedure and their role in the grievance process. Only persons who have participated in a briefing may serve on a Grievance Committee.

F. 3. **Faculty Appeals Board**

The Faculty Appeals Board shall consist of nine members from among the tenured faculty of the University, appointed by the President in the spring of each year for the following academic year. The AAUP may provide advice to the President on membership of the Faculty Appeals Board prior to March 1. The members of the Faculty Appeals Board shall select their own chair and a vice-chair. Decisions of the Faculty Appeals Board shall be by majority vote of the members participating in the particular proceeding. At least three of its members must participate in any proceeding. No person shall serve on the Faculty Appeals Board for a case in which he/she has participated in the evaluation process.

The AAUP shall notify the grievant of the Board's members. If a grievant wishes to challenge for cause the participation of any member of the Faculty Appeals Board, he/she shall do so in writing within ten working days of the constitution of his/her Board, explaining the reason at the time of filing the grievance statement. The parties shall attempt to resolve the challenge informally. If the matter cannot be resolved informally, the chair of the Faculty Appeals Board shall make a final and binding determination as to whether or not to accept the challenge. If the challenge is directed against the chair, the vice-chair shall make a determination about the challenge and shall act as chair for that particular proceeding.

- F. 4. There shall be no ex parte communication with the members of the Faculty Appeals Board under any circumstances.

Scheduling of the Faculty Appeals Board hearings shall be done by the Office of Academic Labor Relations. The Office of Academic Labor Relations shall also perform word processing and related tasks for the Faculty Appeals Board with respect to the production and distribution of their written decision. If any panel of the Faculty Appeals Board needs support services beyond those specified above, the request shall be presented at the same time to the Office of Academic Labor Relations and the AAUP's Grievance Administrator, and the parties shall forthwith jointly address the request.

G. **Miscellaneous**

- G. 1. Grievance Committees do not have the authority to substitute their judgment for the academic judgment of persons charged with the responsibility for making such

judgment. Further, neither the Grievance Committees nor the Faculty Appeals Board shall have the authority to amend, alter, or in any way change a provision of this Agreement, a University Regulation, or an established practice of the University.

G. 2. No reprisals shall be taken against any grievant, advisor, witness, or member of a Grievance Committee or the Faculty Appeals Board for participation in the grievance process. Claims of any such reprisals shall be grievable under Article IX, Category One.

G. 3. If a Grievance Committee finds for the grievant, the grievant shall receive a twelve-month extension of employment beginning July 1 following the decision.

If the Faculty Appeals Board either orders a remand for the grievant or recommends to the Promotion Review Committee that the faculty member receive reappointment, promotion and/or tenure, the grievant shall receive a twelve-month extension of employment beginning July 1 following the decision.

G. 4. A grievant shall not be evaluated while an Article X grievance is pending.

G. 5. It is the understanding of the AAUP and the University that all parties to the grievance procedure, including the Grievance Committee, the grievant, the grievant's representatives, the University's Representatives, and witnesses presented by the grievant and the University, are charged with the responsibility for cooperating in the scheduling and hearing of the grievance in an expeditious manner.

G. 6. There shall be no ex parte communication regarding the substance of the grievance with the Grievance Committee or with the Faculty Appeals Board by the grievant, the University Representative, or their advisors, the AAUP, or the University administration.

G. 7. This Article X grievance procedure, whether or not pursued, shall constitute the sole and exclusive right and remedy of bargaining-unit members for all claims cognizable under this procedure. Decisions by a Grievance Committee or the Faculty Appeals Board as provided for in this Article X grievance procedure shall be considered a binding and final settlement of the grievance. The exclusivity of remedies and exhaustion of procedures provided for above are not intended nor shall they apply to rights of individual bargaining-unit members that arise from sources independent of this Agreement, University policies, agreements, administrative decisions, or regulations. Nothing in this provision shall be construed or implied as a waiver by the University of the defenses of exhaustion of remedies or exclusivity of the grievance procedure.

H. Time Limits

H. 1. For the purpose of this procedure, "working days" are all days on which the administrative offices of the University are officially open for business as specified in the administrative calendar.

- H. 2. Grievances submitted from New Brunswick shall be delivered to the Office of Academic Labor Relations, in which case the delivery date will establish the timeliness of the filing. Grievances submitted from the Camden and Newark campuses as well as other locations outside New Brunswick shall be sent by United States mail to the Office of Academic Labor Relations, in which case the postmark date will establish the timeliness of filing.
- H. 3. Requests for extensions of any of the time limits specified in this grievance procedure may be granted only by mutual agreement of the University and the AAUP.
- H. 4. If a member of the bargaining unit intends to file an appeal to the Faculty Appeals Board and it is likely that his/her employment with the University would terminate prior to the date of a decision by the Faculty Appeals Board if the normal time schedule set forth in these procedures were followed, the grievant shall have the opportunity to utilize an accelerated schedule, as set forth below:
- H. 4. a. The grievant must notify the Office of Academic Labor Relations in writing of his/her intent to file a grievance within ten working days of the date on which the AAUP receives notification of the negative personnel action and must indicate that he/she is utilizing the accelerated schedule.
- H. 4. b. Within 20 working days of the date of the letter of intent to file, as specified in H.4.a. above, but no later than ten working days prior to June 21, the grievance statement, as defined in A. 3. above, shall be filed with the Office of Academic Labor Relations.
- H. 4. c. Within ten working days of receipt of the grievance statement, but no later than June 21, the University shall forward the materials specified in section E.2. above.
- H. 4. d. The Faculty Appeals Board shall meet to hear the appeal within five working days of receipt of the material specified in E.2. above. If possible, the Faculty Appeals Board will render its written decision within five working days of its meeting. If that is not possible, the Faculty Appeals Board will render an oral decision within five working days and will render its written decision within ten working days, but no later than June 30.
- H. 4. e. If the grievant fails to meet any deadline set forth in this accelerated procedure, he/she shall lose all right to utilize it, and the grievance shall be heard in accordance with the regular time schedule set forth in this Article X grievance procedure.

XI - TEACHING ASSISTANT/GRADUATE ASSISTANT PERSONNEL GRIEVANCE PROCEDURE

A. This procedure is designed to expedite the resolution of problems that arise in connection with the reappointment of Graduate Assistants and Teaching Assistants at the University. The graduate student should first attempt to resolve informally any problem that arises as expeditiously as possible, in the case of Teaching Assistants, with the faculty administrator who oversees the undergraduate/graduate program in which the Teaching Assistant is employed or, in the case of Graduate Assistants, with the Director of the Center, Bureau or Institute, or the chairperson of that department in which the Graduate Assistant is employed. The dean of each academic unit that enrolls graduate students will designate an individual on his/her staff to assist graduate students in achieving informal resolution of problems and the University will notify the AAUP of the identity of this individual. The graduate student is encouraged to seek such assistance as part of his/her attempt to reach informal resolution.

B. If the problem cannot be resolved through the informal means described above, the graduate student shall have access to the grievance procedure described below.

1. A grievance under this Article XI is defined as any claimed violation of University Regulations, this Agreement, or established policy or practice regarding non-reappointment of Teaching Assistants/ Graduate Assistants where non-reappointment is based upon the individual's work performance as a TA/GA. All other grievable matters shall be heard under Article IX.
2. At any step in the grievance procedure, the grievant may request participation of an AAUP-appointed representative. A maximum of two such representatives may be active at any one time.
3. In each of the steps described in d. below, the following conditions shall be understood:
 - a. The grievant may be accompanied by an observer and may be assisted by a representative in presenting the case.
 - b. The time limits prescribed for decision-making may be extended at any time as may be mutually agreed upon in writing by the grievant and the university.
 - c. The substance of all proceedings will be confidential.
- d. Step 1 - The grievant shall address the matter in writing to the appropriate faculty administrator designated in paragraph A. above. Five working days from initial presentation will be allowed for effective resolution.

Step 2 - If resolution is not achieved at Step 1, the grievant shall submit an appeal, in writing, to a committee charged for this purpose on the campus on which the grievant is employed and concurrently to the AAUP and the Office of Academic Labor Relations. The campus committees shall be appointed by the Provost in Newark and Camden and the EVPAA in New Brunswick. Each committee shall be made up of three faculty members and two TA/GAs. In addition, one or more replacement pools shall be appointed on each campus by the Provost in Newark and Camden and the EVPAA in New Brunswick. The replacement pools shall be made up of three faculty members and two TA/GAs. The replacement shall be the same status as the committee member being replaced. A list of these committees and replacement pools shall be compiled annually and shall be on file in the Office of Academic Labor Relations and sent to the AAUP no later than September 30 of each year.

The grievant may submit concurrently to the AAUP and the Office of Academic Labor Relations a challenge for cause of any members of the committee within 5 working days of submission of the appeal, but before the day of the first meeting of the committee. The committee shall rule on the challenge within 5 working days of submission of the challenge. The Office of Academic Labor Relations may also challenge for cause any members of the committee and notify the grievant and the AAUP of such action following the same schedule. Cause shall be defined as the inability of a committee member to make a fair and independent decision because of bias or personal relationship to the parties or the controversy. The unchallenged members of the committee shall make the determination of whether cause exists. Such a determination shall require the assent of two or more members of the committee. In the event that a member of the committee is excused for cause, or recuses himself/herself, or is unavailable when the appeal is to be considered by the committee, another committee member shall be randomly selected jointly by the parties from the appropriate replacement pool. No member of the program in which the grievant is either a student or TA/GA may serve on the committee.

The committee shall be allowed 20 working days from the date of its receipt of the grievant's written appeal, or 20 working days from the resolution of a challenge for cause, to meet with the grievant, should the grievant request such a meeting, and render a decision to recommend or not recommend reappointment.

Step 3 - The committee shall present its recommendation in writing to the Dean of the Graduate School (in New Brunswick), the Associate Provost for Research and Dean of the Graduate School (in Newark), or the Dean of the Graduate School (in Camden), or a designee of that officer, and to the grievant, the AAUP and the Office of Academic Labor Relations. The provost or dean shall have 20 working days following receipt of the committee's recommendation to accept, to reject, or to modify the recommendation and to notify the grievant, the AAUP and the Office of Academic Labor Relations of his/her decision within five working days of the decision or as soon thereafter as practicable. The recommendation of the committee shall be deemed to have been accepted if no action is taken on it within the 20 working days following his/her receipt of the recommendation.

XII - TEACHING ASSISTANTS/GRADUATE ASSISTANTS

A. Notification of Criteria for Appointment and Reappointment

Academic departments that have employed Teaching Assistants and Graduate Assistants in each of the previous three semesters shall provide notice in writing of the departmental criteria for such appointments or reappointments. Individual contract letters shall be issued to Teaching Assistants and Graduate Assistants upon appointment and reappointment and, pursuant to the above provision, where written criteria for appointment or reappointment exist, they shall be included with the appointment letter.

The University shall continue to encourage all departments and programs when appropriate to appoint full-time graduate students as full-time teaching and graduate assistants. The administration shall provide to the AAUP by August 15 of each year evidence of how this encouragement has been carried out during the previous academic year.

B. Notice of Reappointment

All currently employed Teaching Assistants and Graduate Assistants shall be notified by the University in writing of their status for the coming academic year on or before April 30 for Fall semester appointments and October 31 for Spring semester appointments. Notification shall be either a) reappointment, or b) non-reappointment, or c) waiting list, with reappointment contingent upon the availability of funding or the meeting of other previously established and announced criteria. Departments shall be encouraged to minimize the use of the waiting list option, where academically feasible. Notification of non-reappointment shall include written explanation of the reasons. Notification of waiting-list status shall indicate if reappointment is contingent upon the availability of funding or the meeting of other previously established and announced criteria that shall be specified in the notice, or both. If notification is of waiting-list status, a graduate student shall be further notified of the number of Teaching Assistants and Graduate Assistants employed in the department in the current year and the number of appointments already offered in the department for the coming year. The names of those individuals who receive notification of non-reappointment shall be forwarded to the AAUP within 20 working days of the notice of non-reappointment.

A graduate student who is placed on a waiting list shall be notified as soon as possible of a change in his/her status. Upon request by a graduate student on the waiting list he/she shall receive a second notification in writing from the department, on or before June 30, of the number of appointments already offered in the department for the coming year.

C. Workload

Teaching Assistants who have responsibility for a course shall normally be notified in writing at least four weeks prior to the beginning of the semester of their assignment for the coming year. All other Teaching Assistants and all Graduate Assistants normally shall be notified of their assignments at least five working days before the first day of classes. It is understood that unexpected circumstances may require modification of assignments. If a Teaching or Graduate Assistant's assignment is changed substantially subsequent to notification, the appropriate unit will provide notification in writing of the change. Graduate students may, at the time of their application for a Teaching Assistant position, indicate any preference they have with regard to teaching assignments.

The individual assignment of a Teaching Assistant or Graduate Assistant shall be consistent with the current practice of the department or program. Because of the student status of the Teaching Assistant and Graduate Assistant, and because of the variety of duties that may be assigned, consistency with the practice within a given department or program is a more reliable guide to the propriety of individual workload assignments than any strict quantitative measure or comparison with assignments in other departments or programs. Nevertheless, except for special academic circumstances—for example, an emergent situation in regard to laboratory research or intensive preparation for a performance—a Teaching Assistant or Graduate Assistant with a standard appointment works normally at the maximum rate of fifteen clock hours per week, or a prorated portion thereof if the appointment is less than standard. Individual claims that workload assignments are inconsistent with the practices of the department or program shall be brought to the attention of a designated individual in the appropriate dean's office, who shall be responsible for investigating the claims and responding to them.

D. Term of Appointment

The term of the work year for Teaching Assistants and Graduate Assistants with academic year appointments is from August 25 to Commencement, or an equivalent period. However, the terms of appointment for such Teaching and Graduate Assistants shall be set forth as September 1 to June 30 for payroll purposes only. The period of the work year prior to September 1 shall be used solely for orientation, training, and preparation related to the Teaching or Graduate Assistant's assignment.

The term of the work year for Teaching Assistants and Graduate Assistants with calendar year appointments is the entire year, with the exception of a vacation of one month.

E. Training

All Teaching Assistants shall be required, as appropriate, to participate in a teaching-effectiveness workshop or workshops. Such workshops shall be designed and conducted by the Graduate Schools and, when appropriate, by individual departments and programs that utilize teaching assistants, or by groups of related departments and programs. Such programs shall be offered at a time that is within the term of the work year.

F. Notification

The University will provide to the AAUP a list of all Teaching Assistants and Graduate Assistants who are on the payroll as of September 30 and February 1 of each year. Such list shall be provided within ten working days after September 30 and February 1.

XIV - FACULTY REAPPOINTMENT/PROMOTION

The University will furnish to the AAUP each year, at least 15 working days prior to distribution, a copy of all material contained in the promotion and reappointment packet forms. All candidates shall be provided by the chair with a copy of the current academic reappointment/promotion instructions and shall certify that they have received the instructions. Upon request, a department chair will provide a member of the faculty with a copy of the current academic reappointment/promotion instructions.

1.
 - a. Each faculty member who is to be considered for reappointment or promotion shall be notified by the department chairperson at least 30 days in advance that said consideration shall take place.
 - b. A tenured faculty member may request of the department chairperson that he/she be evaluated for promotion. The request shall be granted for tenured members of the faculty who have been at least six years in rank and have not been evaluated for promotion for at least four years. Such evaluation shall be carried through each level of review, including the Promotion Review Committee, unless withdrawn by the candidate. Withdrawal after the candidate signs Form 2 constitutes an evaluation for the purpose of this paragraph 1.b.
 - c. The department chairperson shall provide the faculty member with a signed and completed Recommendation Information Form. Within five working days of its receipt, the faculty member will sign and return the Form to indicate concurrence with its content, or, if there is a dispute between the faculty member and the chairperson as to the content of the Form which they are unable to resolve, the faculty member shall so indicate by marking "dissent" next to his/her signature and attaching an explanation to the Form.
 - d. The faculty member may submit to the department chairperson any documents or materials he/she wishes to have considered. The faculty member shall provide at least two copies of such materials. A list, compiled by the faculty member, of the documents submitted to the chairperson shall be attached to the promotion packet. It shall be the responsibility of the chairperson to circulate that list and all documents or materials submitted by the candidate, together with any other relevant material, subject to 1.e. below, to the appropriate reviewing bodies.

If the faculty member wishes to include a lengthy unpublished manuscript and requires copying services, he/she may contact the Graphic Design and Publications Center, Newark; the Associate Dean for Student Life, Camden; or the Office of the Director of Business Affairs and Administration, Faculty of Arts and Sciences, New Brunswick at least 30 days prior to the date on which copies are needed. The faculty member will be charged the prevailing rate for services so provided. If the service cannot be provided, the candidate will be notified promptly.

1.
 - e. If any document or documents, other than confidential outside letters of evaluation, the official reappointment/promotion forms, continuation pages added to these forms, reports of reading committees, supplements to confidential letters as provided in 1.h. below, and materials submitted by the candidate, are added to the promotion packet by an evaluative body, a copy of said document(s) shall be transmitted immediately to the

candidate; the candidate shall have the right to submit a response or rebuttal within six working days. The response shall be directed to that level of the evaluation at which the added document was received and shall become a part of the promotion packet. Any documents that are (1) physically present during the evaluation and (2) specifically referred to during the deliberations of the evaluative body and (3) which a majority of the evaluative body agrees have a direct bearing on the evaluation must be added to the packet, in accordance with this procedure.

f. Subsequent to the commencement of the evaluation and prior to final recommendation of the Promotion Review Committee, the department chairperson shall, upon request of the candidate, add to the packet evidence of a significant change in the status of materials originally submitted by the candidate if 1) the Dean concurs that a significant change has occurred and 2) such change has occurred since the initiation of the evaluation. If there is a dispute between the candidate and the Dean as to whether a significant change has occurred in the status of materials originally submitted by the candidate, the Office of the Provost or in New Brunswick, the Office of the Executive Vice President for Academic Affairs, shall make the final determination as to whether evidence of the change shall be added to the packet.

Such additions to the packet, as provided above, shall in all instances be submitted to the level of review at which the candidate is then being evaluated. However, if the addition occurs on or before December 1, the addition to the packet shall also be circulated to each earlier level of review so that each earlier level may revise its evaluation should it deem such revision warranted by the addition. If the addition occurs after December 1, but on or before January 25, it shall be circulated only to the dean and the Promotion Review Committee, unless the department has made a negative recommendation concerning the candidacy in question, in which case it shall also be circulated to the department. The department, the dean, and/or the Promotion Review Committee may revise the evaluation made at that level should such revision be deemed by the department, the dean, or the Promotion Review Committee to be warranted by the addition.

Except as provided in 1.e. and 1.f., no other materials or documents may be introduced by the candidate after the review process has commenced.

g. With the exception of confidential outside letters of evaluation solicited in accordance with University Regulations and those documents that are generally public knowledge such as published student evaluations, published articles and other similar documents, only those materials in the official personnel file (Article XVIII), or those materials added to the packet in 1.e. and 1.f. may be used in conducting the review.

h. Outside letters of evaluation shall be held in confidence and their use restricted to evaluation of the faculty member.

A candidate may suggest potential outside evaluators and may discuss with his/her department chairperson qualified persons from whom letters may be solicited.

The candidate may prepare a list of persons in his/her field from whom he/she prefers letters of evaluation not be solicited. The candidate shall provide a written explanation for the inclusion of each person on that list. If a letter of evaluation is solicited from an individual on the candidate's list, the candidate's written explanation shall be attached to the individual's letter of evaluation. A department chair or dean may, at his/her discretion, also attach an explanation for his/her decision to solicit a letter from the individual. Such attachments,

whether prepared by the candidate, the department chairperson, or the dean, shall be held, like the letters to which they refer, in confidence.

2. The candidate shall be notified of the departmental decision by the departmental chairperson in writing within five days from the date such decision is made. The candidate will be notified in writing by the dean or his designee of the final decision in the particular personnel action within ten days of receipt of the knowledge that the final decision by the appropriate person or committee has been made.
3. Each faculty member who is appointed shall be given written notice of the criteria that will be applicable in future reappointment or promotion evaluations, and those criteria shall form the basis of future evaluations. If the applicable criteria change, the University will provide written notice to the faculty member of the newly applicable criteria. A faculty member who is evaluated for and who fails to receive reappointment and/or promotion shall be so notified. At the request of a faculty member, a written explanation of the reasons for his/her non-reappointment or non-promotion shall be provided by the dean.
4. Faculty members who hold temporary titles may be considered for other appointments in accordance with regular University practices and policies.
5. For candidates in the first year of service requiring recommendation for reappointment, the departmental process shall be initiated no later than the last week of the first semester of service and shall be completed in time to conform to the appropriate date of notification as specified in University Regulations.
6. For candidates beyond the first year of service, the departmental recommendation shall be forwarded at least one month prior to the required date of notification.
7. The University shall transmit to the AAUP written notice of each positive or negative final decision concerning promotion, tenure, or reappointment of faculty members in the bargaining unit, within ten working days of final decision when action by the Board of Governors is required and within 20 working days of final decision when action by the Board of Governors is not required.

XV - PROFESSIONAL DUTIES

The parties recognize that the University accomplishes a variety of academic and professional services including undergraduate, graduate, and professional instruction, research and community service. The professional duties required of the faculty shall be in accordance with the mission of the University.

Individual workload assignments of members of the bargaining unit shall be consistent with the practice of their department, program, or unit.

Claims of inconsistency with such practices by members of the bargaining unit shall be grievable as a Category Two grievance under the contract grievance procedure (Article IX).

XVI - FAMILY LEAVE AND DISABILITY RESULTING FROM PREGNANCY

This provision deals with family leave and shall include leaves for pregnancy, post-pregnancy, disability resulting from pregnancy, disability, parenting, and caregiving.

The AAUP and the University shall jointly designate a member of the University community to assist members of the bargaining unit in securing the benefits of this article.

The individual's department shall be responsible for closing ranks. The close ranks practice must be applied in an equitable and consistent manner. Claims that it is not being applied equitably or consistently or that an individual is being inappropriately denied his or her benefit shall be brought to the attention of that individual designated above who shall investigate and respond.

A. Short-term disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom are, for all job-related purposes, treated like other short-term disabilities. After pregnancy, a member of the bargaining unit is entitled to a recuperative paid leave of up to six weeks, or a longer period if the bargaining unit member continues to be disabled. All employment policies and practices involving commencement and duration of leave, availability of extensions, accrual of seniority and other benefits and privileges, and reinstatement and payment, shall be applied to short-term disabilities due to the above causes as they are applied to other short-term disabilities of members of the bargaining unit.

B. Requests by a member of the bargaining unit (faculty or TA/GA) for a leave of absence without pay to provide care made necessary by reason of the birth or adoption of the bargaining unit member's child or the serious health condition of a family member or same sex sole domestic partner, as determined in accordance with University policy, shall be granted in accordance with the provisions of the State of New Jersey Family Leave Act and in accordance with the provisions set forth below. Upon request by a member of the bargaining unit, a written explanation will be provided by the University for a denial of such a leave:

1. A request for such leave shall be made as far in advance as is reasonably practicable.
2. A bargaining unit member who requests a family leave shall endeavor, in the timing of such a leave, to accommodate the needs of the academic program and the provision of instruction to students.
3. In the event that such a leave is taken for a full semester, the faculty bargaining unit member may, at his/her option, have the entire year excluded from the probationary period. A written statement requesting exclusion of the entire year shall ordinarily be submitted by the faculty bargaining unit member to the dean or director at the time the leave is requested and shall be part of the official personnel file. This provision is not applicable to faculty bargaining unit members in their terminal year.
4. A first year's leave of absence without pay shall automatically extend the term of appointment by a period equal to the time excluded from the probationary period. No extension applicable to the final year of the faculty member's probationary period may be requested or granted.
5. A second year's leave of absence without pay shall not automatically extend the term of appointment. When the second year's leave of absence is requested, a faculty member may request an extension of his/her appointment for a period of time equal to the amount of the leave. If the University grants the leave, it shall at the same time respond to the

faculty member's request for an extension of the appointment. No extension applicable to the final year of the faculty member's probationary period may be requested or granted.

C. A faculty bargaining unit member who continues to fulfill the duties and responsibilities of his/her faculty appointment may request an exclusion of one year from the probationary period when he/she becomes a parent during the first five years of the probationary period, or became a parent within one year prior to appointment at the University, when the faculty bargaining unit member serves as the principal or co-equal care-giver.

A request for an exclusion of one year from the probationary period under this provision shall be made in writing and requires the approval of the department chair and the dean. Such approval shall not be unreasonably withheld. No faculty member of the bargaining unit is entitled to more than one such exclusion. Exclusion of a year from the probationary period under this provision shall automatically extend the term of appointment by a period equal to the time excluded from the probationary period.

Grievances in respect to this article applicable to Article IX shall be heard as Category 2 grievances (except as set forth in D below).

D. For the purposes of faculty reappointment and promotion consideration, University evaluators, evaluative bodies, and writers of confidential outside letters of evaluation shall be informed, only upon the candidate's written request, that the record of a faculty member who has had time excluded from the probationary period is to be reviewed in the same manner as the record of a faculty member with the normal probationary period. Faculty members shall be informed of this option via the 30-day letter (Appendix F-1 of the University Academic Reappointment/ Promotion Instructions). An alleged violation of this provision shall not be the basis of a grievance under Article IX or under Article X, except as set forth in Article X. A.1.a.

XVII - LEAVE OF ABSENCE WITHOUT PAY

- A. Leaves of absence without pay are for the purpose of professional development, personal convenience, or completion of a terminal degree. Such leaves may be for a period up to two consecutive years.
- B. The granting of a leave of absence without pay to members of the faculty is subject to the needs of the academic program and requires the approval of the department chairperson and the dean. Such approval may not be unreasonably withheld, and a written statement of the reasons for withholding approval shall be given to the faculty member upon request within ten working days of that request.
- C. A request for a leave of absence without pay shall normally be made one year in advance and will specify the requested dates of commencement and termination of the leave. The date for the commencement and termination of such leave shall be at the discretion of the University, but normally such leave shall commence on July 1 or on January 1 and shall terminate on December 31 or June 30.
- D. A leave of absence without pay shall not count in the probationary period for tenure. In the event a leave of absence without pay is taken for one semester, the faculty member, only once during his/her probationary period, may request to have the entire year excluded from the probationary period for tenure. A request for a full year's exclusion normally shall be made by the faculty member at the time the leave of absence is requested, and, if the University grants the leave, it shall at the same time respond to the faculty member's request for a full year's exclusion.
- E. A first year's leave of absence without pay shall automatically extend the term of appointment by a period equal to the time excluded from the probationary period. No extension applicable to the final year of the faculty member's probationary period may be requested or granted.
- F. A second year's leave of absence without pay shall not automatically extend the term of appointment. When the second year's leave of absence is requested, a faculty member may request an extension of his/her appointment for a period of time equal to the amount of the leave, except that no extension applicable to the final year of the faculty member's probationary period may be requested or granted. If the University grants the leave, it shall at the same time respond to the faculty member's request for an extension of the appointment. Denial by the University of a faculty member's request for an extension of the appointment shall be grievable under Article IX, Category 2.
- G. A faculty member who has been on a leave shall receive on return any salary improvements he/she would have received had he/she been serving at Rutgers during the leave period. Normal University policy regarding benefits during a period of leave without pay shall apply. The University shall provide to faculty members who are beginning a leave of absence without pay the forms and instructions necessary to re-enrolling in those benefit plans for which they are eligible upon their return to paid employment.

XVIII - PERSONNEL FILES

A. The official personnel file for each faculty member shall be maintained in the office of the appropriate dean or director. The contents of this file, at the sole discretion of the University except as otherwise provided in this Article, may include the types of material listed below, as well as other materials:

1. Documents submitted by the faculty member or placed in his/her file at his/her request.
2. Documents concerning the individual's employment history at the University and all records of personnel decisions affecting his/her compensation or employment status.
3. Materials assembled in accordance with University Regulations, practices and policies, or the terms of this Agreement concerning the evaluation, reappointment, promotion, or tenure of each faculty member, with the exception of outside confidential letters of recommendation.

B. The official personnel file for each teaching/graduate assistant shall be maintained in the office of the appropriate dean or director.

C. Any member of the bargaining unit may have access to all documents in his/her official personnel file, including internal evaluations related to the individual, and may add to those records such materials as the individual believes necessary to give a reasonable representation of the individual's record.

D. The official personnel file shall be available for examination by the bargaining unit member who shall be entitled to review it at reasonable hours upon written request and to purchase copies of any or all materials contained therein.

E. When a personnel action has been initiated by a department or other appropriate body, access to the promotion forms related to that action will not be available to the faculty member until that personnel action has been completed.

F. No material may be added to the official personnel file more than one year after its receipt by the academic officer to whom the material is originally directed except according to the procedure outlined below:

1. The academic officer who wishes to add material more than one year after its receipt shall provide an accompanying written explanation for the addition of the material.
2. The faculty member shall have the opportunity to appeal to the dean the addition of material added to his/her official personnel file more than one year after its receipt.
3. The faculty member may appeal the decision of the dean to the appropriate provost.

G. If a bargaining unit member believes that material necessary to give a reasonable representation of his/her record exists elsewhere, the bargaining unit member may apply in writing to his/her Provost, or in New Brunswick to the Executive Vice President for Academic Affairs, requesting access to the material. This request must specify, to the best of the faculty member's knowledge, the nature of the material and its location within the University.

Within 15 working days of such request, the Provost or the Executive Vice President for Academic Affairs, or his/her designee shall respond by either:

1. Producing the material requested, or
2. Certifying in writing that to the best of his/her knowledge the alleged material does not exist, or that it exists but does not belong in the faculty member's official personnel file. Such certification shall be placed in the official personnel file and shall serve to preclude the use of such material in any personnel action.

H. The bargaining unit member shall have the right to prepare a written response to any document in the official personnel file which the bargaining unit member believes reflects negatively on his/her abilities or performance. The written response will be placed in the official personnel file if the response is provided to the dean with the explicit request that it be placed in the official personnel file.

XIX - MISCELLANEOUS

A. Agenda materials for the regular monthly public meeting of the Board of Governors will be forwarded to the AAUP at the time they are distributed to the members of the Board of Governors with the following exceptions:

1. All items related to personnel actions;
2. Advisory, consultative or deliberative materials as defined by the Open Public Records Act;
3. Confidential or privileged materials relating to items that involve matters that may be discussed in closed session under the Open Public Meetings Act.

Disputes about A.2. and A.3. shall be grievable only through Step One of Article IX. Nothing herein shall preclude a challenge to a University determination made pursuant to A.2. or A.3. being brought before an appropriate governmental or judicial forum.

B. 1. Before being presented to the Board of Governors, proposed changes in University Regulations, policies, and/or practices affecting the terms and conditions of employment of the members of the bargaining unit shall first be submitted to the AAUP for negotiation.

2. Section B.1. above shall be construed to require negotiations only as to those aspects of such proposed changes that constitute mandatory subjects of negotiation. Disputes concerning the application of section B.1. and B.2. shall be resolved by submission to the Public Employment Relations Commission under its scope-of-negotiation processes.

C. The parties agree to share the cost of the initial printing and distribution of copies of this Agreement. The initial printing shall include 400 copies for each party and a sufficient number for current and future bargaining unit members.

The parties agree that this Agreement will be distributed to members of the bargaining unit as soon as practical after ratification and to new members of the bargaining unit at the time of the second paycheck after commencement of employment.

After the initial printing, the AAUP agrees to pay the printing and distribution costs for additional copies of this Agreement that it orders for its own use, and the University agrees to pay the printing and distribution costs for additional copies of this Agreement that it orders for its own use. Said Agreement shall be printed by the University's Mail and Document Services and shall bear the AAUP logo on the cover of the contract.

Paragraph C shall be reviewed by the parties in the next negotiations to evaluate the feasibility of providing access to the Agreement electronically.

D. 1. The annual motor vehicle registration fee for employees wishing to register their vehicles for the use of campus parking facilities shall be based on the employee's annual salary at the time of billing. Collection of the motor vehicle registration fee shall be in January of each academic year.

2. The annual motor vehicle registration fee for employees wishing to register their vehicles for the use of surface campus parking facilities shall be 1/10 of one (1) percent of the employee's annual salary for employees earning less than \$25,000. For salaries from \$25,000 to \$29,999 the rate shall be 11/100th of one (1) percent (.0011). For salaries from \$30,000 to \$34,999, the rate shall be 12/100th of one (1) percent (.0012). For salaries from \$35,000 to \$39,999 the rate shall be

14/100th of one (1) percent (.0014). For salaries from \$40,000 to \$44,999, the rate shall be 16/100th of one (1) percent (.0016). For salaries from \$45,000 to \$49,999 the rate shall be 18/100th of one (1) percent (.0018). Thereafter, the rate shall increase 2/100th of one (1) percent (.0002) for each additional \$10,000 of salary or portion thereof, the new rate to be applied to the entire salary. Thus, the rate for \$50,000 - \$59,999 is .002, \$60,000 - \$69,999 is .0022, \$70,000 - \$79,999 is .0024, etc.

3. To the extent permitted by law, effective January 1, 2000, employees who pay the motor vehicle registration fee for the use of campus parking facilities by way of payroll deduction shall be given the option of paying said fee by way of a pretax payroll deduction.

E. Effective 2004-2005, there shall be an Educational Assistance Program pursuant to Section 127 of the Internal Revenue Code that provides educational assistance to Teaching and Graduate Assistants covered by this agreement as follows. There shall be no required college fee or computer fee, except that in the case of a part-time TA/GA who is a full-time student, the educational assistance shall be limited to the amount of the applicable full-time college fee less the amount of the part-time college fee applicable to the student's school or college, plus the computer fee.

The educational assistance provided for herein shall continue in perpetuity and the University agrees that, unless the AAUP agrees to a modification, this provision will survive the expiration of the collective negotiations agreement and continue in all succeeding collective negotiations agreements.

Required student fees paid by part-time teaching assistants and graduate assistants may be paid by way of bi-weekly payroll deduction.

F. Campus Mail

1. To the extent permitted by law, upon the effective date of this Agreement, the University will carry without charge by University campus mail up to three times per semester the AAUP newsletter to its bargaining unit members. The AAUP will not send, and the University will not carry, by campus mail any other matter except upon payment of appropriate United States Postal charges.
- 2.a. The AAUP shall indemnify and save harmless the University against any and all claims, demands, suits, judgments, settlements, or any other forms of liability, including reasonable counsel fees and other costs of defense, that shall arise out of or by reason of any action taken by the University to comply with Section F.1. above, including liability for United States Postal charges for carriage of AAUP mail at any time and also including but not limited to, any actions in connection with defending the legality of this indemnification provision. The AAUP shall remit payment for said fees and costs to the University within 30 days after receipt of a detailed statement of services rendered in connection with said defense. If full payment is not remitted within 30 days, the University's obligation pursuant to Section F.1. shall be suspended for so long as this statement of services remains unpaid.
- b. In the event this indemnification provision is found by any court or administrative agency of competent jurisdiction to be illegal or against public policy, then effective the date on which the AAUP no longer remits payments to the University as provided in Section F.2.a. above, the University's obligation under Section F.1. above shall terminate.

- c. The University shall retain its right to determine the course of conduct, including but not limited to, the right to select counsel and determine strategy, in any action arising out of or by reason of the provisions of Section F.

G. University Website

As soon as practical after the effective date of this Agreement, the University shall put this Agreement on the University's Website and shall list on the Website the name, address and telephone number and Website of the Rutgers Council of AAUP Chapters.

XX - HEALTH AND SAFETY

- A. The University will meet with the AAUP at regular intervals five times during the course of the year to discuss employment-related health and safety problems. The University's representatives shall be administrative officers of the University.

The AAUP may request the attendance of any administrative officer whom it believes can provide detailed information on a subject related to the health and safety of bargaining unit members. Such request shall not be unreasonably denied.

- B. Bargaining-unit members are responsible for reporting health and safety problems to their dean or director and to the Rutgers Environmental Health & Safety Department. Such reports shall be filed on the Health and Safety Report Form. The University is responsible for promptly forwarding a copy of each Health and Safety Report Form filed by members of the bargaining unit to the AAUP. The University is responsible for maintaining a supply of Health and Safety Report Forms in every University department where bargaining unit members are employed.
- C. The AAUP and the University shall jointly appoint faculty bargaining unit members to the Unit Safety Committees for academic departments.
- D. The AAUP and the University shall jointly appoint faculty bargaining unit members to the Campus Safety Committees. At least one faculty bargaining unit member shall be appointed to each Campus Safety Committee.
- E. No bargaining unit member shall be required to work under conditions where there has been a determination, on a reasonable basis in fact, that those conditions pose an immediate danger to health and safety. It shall be the responsibility of the University to make such determinations as rapidly as possible.

- F. Information

1. The AAUP may request from the University information concerning health and safety matters affecting bargaining unit members, and the University shall provide the information requested.
2. In the event that the requested information is directly involved in pending litigation between the parties, the AAUP will not request the information under the procedure set forth in this Article but may rely only on any rights it has pursuant to the pending litigation.
3. In the event that the requested information is directly involved in pending litigation between the University and any other party, then the AAUP and the University agree to limit access to the information to a designated official of the AAUP. Such official may not be a party to or involved in the pending litigation. The designated official of the AAUP shall not disclose such information, either directly or indirectly, except in discussions with appropriate University officials and in arbitration procedures arising under Article IX of the Agreement. In the event it becomes necessary for the AAUP to disclose such information in an arbitration proceeding, the parties agree that such arbitration shall be closed and the record thereof sealed. This provision shall not prevent the AAUP from discussing the information with its counsel.

4. When the AAUP requests health and safety information, it agrees to cooperate fully with the University in the acquisition of such information.
 5. The University and the AAUP agree that when such a request for information will require significant expenditure of time and/or funds, the parties shall bear such costs equally.
- G. When the University determines to remove asbestos from a building or a portion of a building in which members of the AAUP bargaining unit work (and usually prior to the development of specifications for the removal project), the University shall inform the AAUP and, if the AAUP so requests, the University shall meet with the AAUP to discuss the effect, if any, of such removal on bargaining-unit members. Except for minor asbestos projects, the University shall notify the AAUP no later than ten working days after a contract is awarded for asbestos removal and identify the contractor; the AAUP will notify the University within one (1) working day of its receipt of notification of its desire to meet with the University prior to the beginning of the work.

When asbestos is being removed from a portion of a building and members of the AAUP bargaining unit continue to work in other portions of that building, the University shall forward to the AAUP promptly upon receipt all reports made by the independent safety monitor. Whenever an air test result exceeds the standard for PCM and TEM outside a containment barrier, the AAUP shall be simultaneously informed of the corrective steps being taken. Follow-up test results will be reported as soon as they are available. In addition, the University will make available to the AAUP promptly the results and descriptions of air sample tests,¹ if any, made by the Rutgers Environmental Health & Safety Department to monitor building conditions while the removal is in progress.

When a timetable has been established by the University for reopening a building in which members of the AAUP bargaining unit work, the University shall so inform the AAUP. Results and descriptions of all test procedures carried out to determine that the building is safe to reoccupy and a copy of the Certificate of Occupancy shall be provided to the AAUP. Prior to the reoccupation of the building by members of the bargaining unit, the AAUP will be informed by telephone of the receipt by the University of the Certificate of Occupancy.

¹ When air sample tests are made, the descriptions of testing procedures shall include the number of tests, the location of tests, and, for each sample, the type of microscopic analysis, the type of filter, the air flow, and the duration of the test.

XXI - UNIVERSITY PROCEDURES

Rutgers and the AAUP agree that all members of the bargaining unit shall be entitled to enjoy, and shall be subject to, all terms and conditions of employment applicable to the bargaining unit provided for in the University Regulations and Procedures Manual and not provided for herein. During the life of the Agreement or any extension thereof, any change in the University Regulations and Procedures Manual that constitutes a change in a mandatorily negotiable term and condition of employment of members of the bargaining unit shall be negotiated.

Grievances arising under this Article, applicable to Article IX, shall be heard as Category Two grievances.

XXII - CONDITIONS OF EMPLOYMENT

A. Academic Year Appointments

Appointment for the academic year requires that the appointee be in attendance at the University from September 1 to Commencement, or an equivalent period, within each academic year unless excused by the appropriate academic officer.

B. Calendar Year Appointments

Appointment for the calendar year (July 1 - June 30) requires that the appointee be in attendance at the University for the entire year unless excused by the appropriate academic officer, with the exception of a vacation of one month.

Grievances arising under this Article, applicable to Article IX, shall be heard as Category Two grievances.

XXIII - OUT-OF-CYCLE SALARY ADJUSTMENTS

A. The University may, at its discretion, increase the salary of an individual member of the bargaining unit to respond to a bona fide outside offer or to provide immediate recognition for an unusual professional achievement. The University may also, at its discretion, increase the salary of a member of the bargaining unit when it believes that an outside offer is imminent because of recent distinguished professional achievements and other evidence.

When the University considers offering such an increase, notice shall be given in writing to the available tenured members of the individual's department who shall be polled about the proposed increase and their recommendation shall be forwarded in writing to the dean. The department's recommendation shall include a description of the process by which its relevant members were polled. The results of the poll shall also be communicated by the chair to the tenured members of the department.

When the University has determined to make such an increase, it shall inform the AAUP in writing and shall include a copy of the outside offer, or evidence of the imminence of an outside offer, or evidence of the unusual professional achievement. It shall also include the written recommendation from the department, with relevant documentation; the dean's recommendation, with relevant documentation; and the current and adjusted salary. The relevant documentation from the department shall include the results of the poll and any motion or report that accompanies the recommendation. If the University determines to make such an increase in the absence of a positive recommendation from the department poll, the University will provide the AAUP with a written explanation of its reason.

B. The University may, at its discretion, increase the salary of a member or members of the bargaining unit in response to market conditions in a particular discipline or subdiscipline for which it has negotiated a special schedule. The University will inform the AAUP in writing of the name, rank, and current and adjusted salaries of each individual for whom an increase is to be made.

C. During each year of this Agreement, or any extension thereof, the University may, without further negotiation, make up to three out-of-cycle salary adjustments which remove tenured bargaining unit members from the appropriate negotiated salary tables and an unlimited number of out-of-cycle salary adjustments which remove untenured bargaining unit members from the appropriate negotiated salary tables.

D. This article is in effect only during the period of this Agreement and any extension thereof.

E. During the effective term of this Agreement, all out-of-cycle salary adjustments to an individual recipient, beyond the first, which is at University discretion under section A. above, shall be subject to negotiation with the AAUP.

F. The University shall not implement any salary adjustment until 15 working days after it has informed the AAUP of its determination, as specified above, or until such time as the AAUP and the University have agreed in writing that the requirements of this Article have been fulfilled, whichever is sooner.

XXIV - NOTICE OF CHANGE OF PROMOTIONAL CRITERIA AND STANDARDS

When the University changes the promotional criteria and standards as embodied in Appendix D ("Policy with Respect to Academic Appointments and Promotions") and Appendix E ("Weightings and their Assignment in Reappointment and Promotion Evaluation"), University Regulations, or written policies promulgated by the President or a Vice President of the University it shall notify the AAUP of the changes when they are promulgated.

Faculty Academic Service Increment Program

A. Criteria

To the extent of funds available, academic service increments may be awarded to faculty members who have demonstrated recent and continuing excellence based on any one or more of the criteria of teaching, scholarship, and service (or other criteria set forth in the University Policy with Respect to Academic Appointments and Promotions applicable to faculty members being considered). In addition, academic service increments may be awarded to faculty members whose current compensation warrants special consideration on the basis of academic or professional contributions in comparison with compensation of colleagues of similar achievement in the department or discipline at large.

B. Eligibility

Consistent with the provisions of Article VIII of the Agreement between the University and the AAUP, faculty members who meet all the requirements listed below are eligible for consideration for academic service increments:

1. The faculty member has an appointment at Rutgers at the time of consideration for an academic service increment and during the year for which the award is made; and
2. The faculty member has completed at least one year of full-time service at the University at the time of consideration for an academic service increment or at least three years of part-time service; and
3. The faculty member will not be in his or her terminal year at Rutgers during the effective date of the award.

C. Allocation of Funds

Funds available for academic service increments will be allocated to the three geographic areas of the University (Camden, Newark and New Brunswick) based on the proportion of the total faculty in each of the three areas, except that 5% of the total funds available shall be allocated to the President's reserve for distribution as specified in F.9. below.

D. Size of Increment

An academic service increment under this program will be awarded in an amount equivalent to from one to ten steps on the salary range applicable to the faculty member.

An adjustment may be implemented by an advance to a higher step on the faculty member's current salary range or an advance to a step on a higher salary range appropriate to the individual's academic rank.

E. Announcement of Application of the Criteria

To ensure equitable treatment for their members, departments must formulate a statement of their own specific criteria and the application of them within the framework of the general criteria set forth in section A. above. The tenured faculty of the department shall formulate and promulgate to the department such a statement prior to the commencement of the process for consideration for award of academic service increments specified below.

F. Consideration for Award of an Academic Service Increment

1. Consideration for awards of academic service increments shall be conducted in accordance with the following schedule:
 - a. for awards effective retroactive to July 1, 2004, consideration will begin during the fall 2004 academic term;
 - b. for awards with effective implementation dates of July 1, 2005 and January 1, 2006, consideration will begin during the fall 2005 academic term;
 - c. for awards with effective implementation dates of July 1, 2006 and January 1, 2007, consideration will begin during the fall 2006 academic term.
2. Eligible faculty members who do not wish to be considered for an academic service increment shall so notify the department chairperson in writing by the date set for that purpose by the departmental chairperson. The department chairperson shall announce that date 20 working days in advance.
3. Departments with four or more tenured members shall elect a Peer Evaluation Committee of at least three members, composed of tenured members of the department. In departments with fewer than four tenured members, all the tenured members shall constitute the Peer Evaluation Committee. In departments without tenured members, there shall be no Peer Evaluation Committee.

Nominations for the committee may be made by any tenured member of the department. Elections to the committee shall be by secret ballot of all full-time members of the department holding the rank of Assistant Professor or above who are not in their terminal year. The department chairperson shall convene, be a non-voting member of, and participate in the deliberations of the Committee.

4. The Peer Evaluation Committee shall meet to evaluate all members of the department who are not members of the Committee, who are eligible for consideration for an academic service increment, and who have not notified the chairperson that they do not wish to be considered for an academic service increment. The Committee shall determine, from among those faculty members considered, those who it will recommend for an academic service increment, in accordance with the criteria set forth in A. above. The Committee shall prepare a summary statement of its evaluation for each member of the department it recommends, shall indicate which one or more of those criteria is the basis for its recommendation, and shall rank the individuals recommended.
5. Subsequent to completing the evaluation process set forth in 4. above, the Peer Evaluation Committee, at its option, may make recommendations to the department chairperson, within the guidelines set forth in section D. above, concerning the size of the academic service increment for those individuals whom the Committee has recommended for receipt of such an increment. If the committee chooses to make such recommendations, the chairperson shall provide to the Committee, in

confidence, the salary for each individual recommended by the Committee for an academic service increment.

6. After the deliberations of the Peer Evaluation Committee are complete, the chairperson may either (a) endorse the Committee's recommendations and ranking, incorporating the names of the members of the Committee whom the chairperson judges meet the criteria for an academic service increment, or (b) prepare an independent ranked list of all of those faculty members in the department who, in the judgment of the chairperson, should receive an academic service increment. In addition, the chairperson shall review the salaries of members of the department and shall make recommendations, within the guidelines set forth in section D. above, as to the size of the academic service increment for individuals on his/her list. For each faculty member the chairperson recommends, he/she shall indicate which one or more of the criteria set forth in A. above is the basis for his/her recommendation. The chairperson will then forward his/her recommendations and those of the Peer Evaluation Committee to the dean with justification and appropriate documentation. The chairperson will also forward with these recommendations the statement of the department, as specified in E. above, although the statement shall not be binding on the dean in his/her deliberations.
7. Upon receipt of the nominees from each of the department chairpersons within the unit, the dean shall formulate a ranked list of nominees from among those proposed by the departments and including such department chairpersons and other faculty members not proposed by the departments who, in the judgment of the dean, are qualified, according to the criteria specified in A. above, for an academic service increment. The dean's list shall include the dean's recommendation as to the size of the academic service increment for each individual on the list. For each faculty member the dean recommends, he/she shall indicate which one or more of the criteria set forth in A. above is the basis for his/her recommendation.

Should the dean wish to include on his/her list an individual who the chairperson has not recommended for an academic service increment or should the dean wish to increase the size of an academic service increment over the amount recommended by the chairperson, the dean shall first discuss the matter with the chairperson. The dean will forward his/her recommendations to the provost or, in the case of New Brunswick units, to the Executive Vice President for Academic Affairs (EVPA) with justification and appropriate documentation. The dean will, at the same time, forward to the provost or EVPA the recommendations of the Peer Evaluation Committees and department chairs.

8. The provost or EVPA shall review the recommendations from the several deans, directors, chairpersons, and departmental committees and, from among the eligible faculty members and to the extent of funds allocated to his/her campus, shall make a final determination as to which faculty members on the campus shall receive academic service increments and as to the size of each increment. The Provost or EVPA shall indicate which one or more of the criteria is the basis for his/her decision to grant the award.
9. The President will receive from each of the campus provosts and the EVPA the list of the provost's/EVPA's actions and a list of remaining faculty members recommended by the dean, the department chair, and/or the departmental Peer Evaluation Committee for an academic service increment, plus a list of those eligible but not

recommended at any level. The President may select from these lists a number of additional academic service increment recipients, who, in the President's judgment, best meet the criteria specified in A. above. The President may also supplement awards. Such additional Presidential awards shall be limited to 5% of the total funds available under this program.

10. In order to assist the deans, provosts and EVPAA in recommending or awarding, as the case may be, academic service increments to department chairs, or to faculty members whose assignments or activities occur outside the confines of the standard departmental or decanal unit or who, in the judgment of the dean, provosts or EVPAA, otherwise warrant academic service increments, deans, provosts and EVPAA may set aside a portion of program funds with which to make recommendations (or, in the case of the provosts and EVPAA, decisions) to award academic service increments so long as the percentage of program funds set aside does not exceed the following:
 - a. in the case of deans: 10% of the unit allocation.
 - b. in case of provosts and EVPAA: 5% of the campus allocation prescribed by Section C.

G. Implementation

The University will notify individual faculty members who have been recommended for consideration for an academic service increment of the action taken in regard to that recommendation. For each such faculty member, the University will inform the AAUP of the faculty member's department, campus, academic rank, and range and step before and after award of the academic service increment, if any; the level of the initial recommendation for award; the reason for the recommendation, specified in A. above, and whether the faculty member was a member of the department Peer Evaluation Committee and/or a department chairperson.

Subsequent to the conclusion of the award process, the evaluation packets will be returned to the office of the dean. The dean will notify the department chairpersons of the results of the academic service increment process for their department, that the material is available for review by them, and the dean will indicate his/her availability to discuss the academic service increment process with the department chairperson. The chairperson shall inform the Peer Evaluation Committee of the substance of such a discussion. Individual members of the faculty may review their own packets in accordance with the usual procedures for review of personnel files and may discuss their packets and review their professional progress with their chairperson and/or dean.

H. Grievability

The academic judgment that forms the basis of the granting or failure to grant an academic service increment, including the size of the increment, and the decision to implement the award through a range or step change are not grievable. Allegations of a violation of the procedures set forth in this Faculty Academic Service Increment Program which results in the failure to grant an academic service increment shall be brought under Article IX, Category 2 of the Agreement between the AAUP and the University.

I. Information

1. The University will inform the AAUP as to the amount of funds allocated to the three geographic areas of the University pursuant to Section C. above.

2. At the conclusion of the process, the University will inform the AAUP as to each faculty member nominated at any level of the process the number of steps, if any, recommended at each level, and the number of steps, if any, awarded, along with identification of recommended faculty members and awardees, as the case may be, from amounts set aside as described in Section F. 10.

Appendix G

Sidebar Agreement Regarding Faculty Dismissal Procedures

1. A pool of 8-12 professional arbitrators jointly agreed to by the University and the AAUP shall be established on an annual basis. A selection method jointly developed by the parties that insures both rotation in the use of arbitrators and random assignment shall be utilized by the University to designate an arbitrator as presiding officer for hearings conducted pursuant to University regulations. The arbitrator shall not participate in deliberations of the panel or in preparation of its report, but shall be responsible for conducting the hearings consistent with University regulations and ruling on all procedural issues that arise. The cost of arbitrators shall be borne by the University.
2. The University's obligation prescribed by University Regulation 3.98 to pay the reasonable expense of the faculty member shall not exceed \$90,000.

APPENDIX H

SIDE BAR AGREEMENT FACULTY SUSPENSIONS AT LESS THAN FULL PAY

1. A faculty member of the bargaining unit may be suspended at less than full pay for a period of up to one semester. By no later than the termination of the semester, the faculty member shall be reinstated unless a proceeding is instituted in conformity with University Regulations 3.93 through 3.99a.
2. When the University believes that suspension of a faculty member at less than full pay may be warranted, the following shall apply.
 - a. The faculty member shall be given a written notice setting forth the reasons why a suspension at less than full pay is being considered, and the time and place of a meeting with the dean to give the faculty member, who may be accompanied by an advisor, an opportunity to state why the suspension at less than full pay is not warranted. The meeting shall be held within 14 days of receipt of the written notice.
 - b. If the faculty member avails him/herself of the opportunity to be heard, the faculty member will be permitted to respond to the reasons set forth in 2.a. and to make any other statement regarding the appropriateness of the suspension.
 - c. After the dean meets with the faculty member, and before a final determination of wrongdoing or penalty is made, the dean shall consult with a committee of not less than three department chairs and/or members of an Appointments and Promotions Committee (if there are no chairs or an insufficient number of chairs available) concerning the alleged wrongdoing and any proposed penalty of suspension at less than full pay. The members of the committee shall be selected at random from among the eligible faculty members from the decanal unit and/or from other units on the dean's campus if there are an insufficient number within the decanal unit. The faculty member and the dean each shall have one peremptory challenge, which shall be exercised simultaneously within 48 hours of committee selection and prior to notification of committee members. The dean shall make available to the committee the notice to the faculty member setting forth why a suspension at less than full pay is being considered, any written responses from the faculty member, and any documents provided by the faculty member to the dean. Upon request of the faculty member, the committee shall hear a short oral presentation by the faculty member or his/her advisor. The committee shall provide the dean with non-binding advice regarding the alleged wrongdoing and the proposed penalties.
 - d. After the meeting, within 14 days, the faculty member shall be informed in writing by the dean whether the suspension at less than full pay, or some lesser penalty, is being imposed and whether the committee agreed with the action taken by the dean. The imposition of discipline may be grieved as provided for in Article IX.
 - e. Within five working days of receipt of the dean's decision, the faculty member may appeal this decision to the EVPAA (New Brunswick) or the provost (Camden and Newark). The EVPAA or provost shall render a decision on the appeal within seven working days. No penalties may be implemented until either the deadline for appeal has passed with no appeal filed or the EVPAA/provost has rendered a decision on the appeal.

3. In a case where the University reasonably believes that the faculty member poses an immediate and serious threat such that the imposition of a suspension should not be delayed, a suspension with pay may be imposed immediately. Thereafter, the University shall provide notice to the faculty member, in accordance with Section 2.a. above, setting forth the reasons why a suspension at less than full pay is being considered; and the University shall provide the faculty member, who may be accompanied by an advisor, an opportunity to be heard within 14 days in accordance with the provisions in Sections 2.b. through 2.e. above. The imposition of discipline in these circumstances also may be grieved as provided for in Article IX.

APPENDIX J

Memorandum of Agreement

1. Upon ratification of the collective negotiations agreement, the parties agree to establish 3 separate committees to discuss further the following contract provisions:

X (Faculty Personnel Grievance Procedure)
XIX D (motor vehicle registration fee)
Appendix B (Faculty Academic Service Increment Program).

Each committee shall discuss one of the provisions.

The parties will confer in advance of each committee meeting to formulate an agenda for the purpose of assuring that appropriate representatives of the parties attend the meetings.

2. Within 30 days of ratification of the 2003-2007 collective negotiations agreement, the AAUP shall commence these discussions by indicating to the University the specific aspects of these issues that it wishes to discuss. The parties agree to meet at mutually agreed upon reasonable times and places and with reasonable frequency to discuss the issues identified by the AAUP as well as any aspects of these issues that the University wishes to discuss.

3. The parties agree that each committee will meet up to 7 times, more if the parties agree, to discuss these issues. If there is agreement by the parties to make changes in any of these areas, they will memorialize the agreement in writing and will implement any changes per their agreement. The current contract provisions concerning these subjects remain in effect unless and until the parties mutually agree to make changes.

4. The parties agree that after the committee meetings identified in paragraph 3, either side may enlist the assistance of a mutually agreed upon third-party neutral, the costs of which will be divided equally by the parties. The parties agree to meet with the third-party neutral (together or separately, as the neutral recommends) for no more than three (3) meetings, unless the parties mutually agree to have more meetings. The third-party neutral shall have no authority to make either oral or written recommendations.

5. The parties agree that there shall be no further third party process or impasse procedures in connection with the discussions described in this Memorandum of Agreement. Alleged violations of this Memorandum of Agreement shall not be subject to the parties' grievance-arbitration procedure, but may be brought to the Committee on Professional Relations for discussion.

APPENDIX K

1. By December 15 and May 15 of each year, the administration shall report to the AAUP the names of all members of the AAUP bargaining unit who have received funds from the Competitiveness Pool in that semester. For each recipient the amount of funds received and their program affiliation shall also be provided.
2. By March 1 of each year the EVPAA shall provide a report to the AAUP of the expenditure of funds from the Competitiveness Pool to each program. Included in the report shall be the reason or reasons for the expenditure of these funds to each program.
3. On or before October 1, 2004, the AAUP shall be given an opportunity to meet with the EVPAA for the purpose of sharing its ideas regarding appropriate faculty involvement in the allocation and administration of the Competitiveness Pool funds.

APPENDIX L

Memorandum of Agreement

1. Upon ratification of the collective negotiations agreement, the parties agree to negotiate concerning the following subjects: Distance Learning, Winter Session, Computer Policies, and Retirement Transition and Incentives, subject to the following:
2. The parties will confer in advance of each meeting to formulate an agenda for the purpose of assuring that appropriate representatives of the parties attend the meeting.
3. Within 60 days of ratification of the successor to the 1999-2003 collective negotiations agreement, the AAUP shall commence these negotiations on all 4 subjects by delivering to the University specific proposals on the subjects listed above.
4. The parties agree to negotiate in good faith at reasonable times and at reasonable places over these proposals and over counterproposals that the parties may make thereafter.
5. In the event there is disagreement between the parties as to whether any specific proposal is within the scope of collective negotiations or whether the AAUP appropriately represents members of the bargaining unit with respect to negotiations over these subjects, either party may file a scope of negotiations or other appropriate petition with PERC. Notwithstanding any assertions of the parties with respect to any such disagreements or the pendency of a scope of negotiations or other petition, the parties shall discuss such proposal unless one party objects, and such discussions shall not be a waiver of either parties' position.
6. The parties agree that after at least 10 negotiations sessions have been held concerning a subject, either side may enlist the assistance of a mutually agreed upon third-party neutral, the costs of which shall be divided equally by the parties. The parties agree to meet with the third party neutral (together or separately, as the neutral recommends) for no more than three (3) meetings, unless the parties mutually agree to have more meetings. At the end of this third party process, the neutral may make oral or written recommendations for settlement to the parties. Subsequent to the recommendations of the mediator, the parties shall reconvene to attempt to reach agreement taking into account the recommendations. The parties agree that there shall be no further third party process or impasse procedures in connection with the negotiations over these subjects.

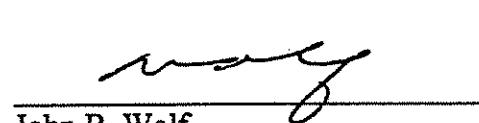

7. Upon execution of this Memorandum of Agreement, the AAUP will withdraw with prejudice the pending Unfair Practice Charges, Docket No. CO-2000-263, that concerns Winter Session, Computer Policies, Distance Learning, and other matters.
8. Alleged violations of this Memorandum of Agreement shall not be subject to the parties' grievance-arbitration procedure, but may be brought, consistent with applicable law and PERC procedures, to PERC. In such event, the University retains all available defenses, except that the University agrees not to assert a defense based upon untimeliness of an AAUP demand for negotiations that occurred prior to the execution of this Memorandum of Agreement.
