ARTICLE II: MANAGEMENT RIGHTS AND RESPONSIBILITIES

A. The Board hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitution of the State of New Jersey and of the United States, including, but not limiting, the generality of the foregoing, the following rights:

1. To the executive management and administrative control of the District and its properties and facilities and the activities of its employees by utilizing personnel, methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Board.

2. To make rules of procedure and conduct, to use improved methods and equipment, to determine work schedules and shifts, to decide the number of employees needed for any particular time and to be in sole charge of the quality and quantity of work required.

3. The right of management to make such reasonable rules and regulations as it may from time to time deem best for the purposes of maintaining order, safety and/or the effective operation of the District after advance notice thereof to the employees to require compliance by the employees is recognized.

4. To hire all employees, to promote, transfer, assign or retain employees in positions with the District.

5. To suspend, demote, discharge or take any other appropriate disciplinary action against any employee for good, and just cause according to law, and subject to the grievance procedure.

The Association agrees that, during the term of this Agreement, neither the Association, nor anyone active on behalf of the Association, shall cause, authorize, support or take part in any strike, work stoppage, slowdown or walkout. The Association agrees that such action would constitute a material breach of this Agreement.

Nothing contained in this Agreement shall be construed to limit or restrict the Board in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the Association or by its members.

ARTICLE V: GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution of the problems which may arise affecting the terms and conditions of this Agreement.
2. Nothing herein shall be construed as limiting the right if any employee having a grievance to discuss the matter informally with any appropriate member of the District staff.
3. Nothing herein shall be deemed to deny the employees their statutory or other legal rights concerning discipline. Nothing herein shall be deemed to deny employees their rights to pursue any other statutory or legal remedies. The grievance procedure must be concluded before any other remedies are pursued.

B. Definition

1. The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of policies, procedures, contractual agreements, and administrative decisions affecting the terms and condition of employment, and shall be raised by the Association on behalf of an individual or group of individuals.

C. Steps of the Grievance Procedure

1. In order to resolve grievances covered by this Agreement between the parties, this procedure shall be followed unless any step is waived by mutual consent:

Step One:

An aggrieved employee or employees shall institute action under the provision hereon within fifteen (15) working days of the occurrence of the event-giving rise to the grievance. Action is instituted by filing a grievance with the Association Grievance Committee. Failure to act within said fifteen (15) working days shall be deemed to constitute an abandonment of the grievance. Within fifteen (15) working days after the grievance has been filed and before an effort is made to settle the matter, the Association Grievance Committee shall screen and study the grievance to determine whether it has or lacks merit. Such processing of grievances shall take place without discrimination and irrespective of membership or affiliation with the Association. Upon finding of merit, the Association Grievance Committee shall present written confirmation of such determination to the employer designee with request that the designee investigate and resolve same, if required. If the resolution of the grievance has not been reached within fifteen (15) working days of the submission to the designee, the grievance may proceed to Step Two.

Step Two:

In the event a satisfactory settlement has not been reached at Step One, the Association may, within ten (10) working days of the designee's decision, file its written grievance with the Board. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Board or its designee shall review the decision of the designee, and, within twenty (20) working days from receipt of the grievance, make a written determination.

Step Three:

In the event the grievance has not been resolved at Step Two, the Association may, within thirty (30) working days of the Board's decision, request arbitration. The arbitrator shall be chosen in accordance with the rules of Public Employment Relations Commission (PERC). However, no arbitration hearing shall be scheduled sooner than thirty (30) calendar days after the final decision by the Board. In the event that the aggrieved elects to pursue other remedies, the arbitration hearing shall be cancelled, and the matter withdrawn from arbitration. The Association shall pay whatever costs it may have incurred in processing the case to arbitration.

D. Arbitration

1. No matter in dispute which is subject to the jurisdiction of the Civil Service Commission may be submitted to Arbitration. The parties herein direct the arbitrator not to accept or to decide any matter in dispute that is subject to the jurisdiction of the Civil Service Commission.
2. The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to them involved in the grievance. In formulating their decision, the arbitrator shall adhere to the statutory and case law of New Jersey and the United States where applicable. The arbitrator shall not have the authority to add to, modify, subtract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.
3. The costs for the services of the arbitrator shall be borne equally by the Board, and the Association. Any other expenses incurred, including but not limited to the presentation of witnesses shall be paid by the party incurring the same.
4. The arbitrator shall set forth his findings of fact and reasons for making the award within thirty (30) days after the conclusion of the arbitration hearing unless agreed to otherwise by the parties.

E. Group Grievances

Group grievances, which shall be defined as those affecting "substantially" all of the members of the Association, shall be filed by the Association, and the Association only at Step Two.

F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, the grievance shall be deemed to be abandoned. If any grievance is not processed to the next succeeding Step in the grievance procedure within the time limits prescribed there under, then the disposition of the grievance at the last Step shall be deemed conclusive. Nothing herein shall prevent the parties from mutually agreeing to extend or shorten the time limits for processing the grievance at any Step in the grievance procedure.
