WHEREAS, the parties have reached certain understandings which they desire to confirm in this agreement,

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 1

B. Unless otherwise indicated, the term Administrators when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the negotiating unit as defined in Section A and references to male Administrators shall include female Administrators.

ARTICLE 2

Negotiation Procedure

A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123, Public Laws 1974 in a good faith effort to reach agreement on all agreed upon matters concerning the terms and conditions of Administrative employment. Such negotiations shall begin not later than the date as established by the State of New Jersey of the calendar year preceding the calendar year in which this Agreement expires. The date may be extended by mutual agreement. Any agreement so negotiated shall apply to all administrators as hereinbefore defined, be reduced to writing, be signed by the Board, and the Association, and be adopted by the Board and Association.

B. The Board shall make available to the Association for inspection all pertinent records, data, and information of the Hazlet School District which are a matter of public record. The request must be received in writing and the information provided to the Association within five (5) working days upon receipt of said request.

C. The parties mutually pledge that, subject to applicable law, their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counter proposals in the course of negotiations.

D. 1. Representatives of the Board and the Association's Negotiating committee shall meet at the request of either party for the purpose of reviewing the administration of the Agreement and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure.

2. Each party shall submit to the other, at least three (3) days prior to meeting, an agenda covering matters they wish to discuss.

3. Should the Board and the Association mutually agree to negotiate an amendment to this Agreement, the amendment shall be reduced to writing, be signed by the Board and the Association, and be adopted by the Board and the Association.

E. The Board agrees not to negotiate concerning said employees in the negotiating unit, as defined in Article I of this Agreement, with any organization other than the Association for the duration of this Agreement.

F. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this Agreement, neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

ARTICLE 3

Grievance Procedure

A. DEFINITIONS

1. A grievance is a claim filed within fifteen (15) working days after the occurrence of an event which affects the terms and conditions of employment of an administrator which is claimed to be a violation in the matter of the interpretation of any of the provisions of this Agreement.

2. An "aggrieved person" is the person or persons making claim.

3. The Administrators Association may initiate a class grievance on behalf of a clearly defined group of administrators with a common grievance as above defined. The "class" or category of personnel must include all members of the classification, e.g., all principals or all vice-principals, etc.

B. PROCEDURE

1. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced, where practicable, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One

However, if the grievant is the Association, the initial discussion shall be at the level of the Superintendent; and, in such event, if the problem is not resolved to the satisfaction of the Association within ten (10) workdays after the conclusion of the discussion, the procedures prescribed in the subsections of this section shall become applicable.

If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant within eight (8) workdays, he shall set forth his grievance in writing to the immediate supervisor specifying:

1. The nature of the grievance
2. The nature and extent of the injury, loss, or inconvenience
3. The result of the previous discussion
4. His dissatisfaction with decisions previously rendered.

The immediate supervisor must respond to the grievance within seven (7) working days in writing to the grievant.

4. Level Two

The grievant no later than five (5) workdays after receipt of his immediate supervisor's decision may appeal this decision to the Superintendent of Schools. The appeal to the Superintendent must be in writing reciting the matter submitted to the immediate supervisor as specified above and his dissatisfaction with the decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible; but within a period not to exceed ten (10) workdays, the Superintendent shall communicate his decision in writing to the grievant and the immediate supervisor.

5. Level Three

If the grievance is not resolved to the grievant's satisfaction, he, no later than fifteen (15) workdays after the receipt of the Superintendent's decision, may request a review by the Board of Education. This request shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board of Education. The Board shall review the grievance and render a decision within thirty-five (35) calendar days of receipt of the request of the review by the Superintendent.

6. Level Four

If the decision of the Board does not resolve the grievance to the satisfaction of the grievant, notice of intention to proceed to arbitration shall be given the Board through the Superintendent within ten (10) workdays after the receipt of the decision which is being appealed. Where, however, the grievant elects so to proceed without the Association's concurrence, the costs shall not be borne or shared by the Association.

The grievance not resolved by timely resort to the foregoing procedure shall be subject to arbitration initiated under the rules of the American Arbitration Association.

The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He/she can add nothing to nor subtract nothing from the Agreement between parties or any policy of the Board of Education. The opinion and award shall be final and binding. Only the Board, the aggrieved, and appropriate officials of the Association shall be given copies of the arbitrator's Opinion and Award. This shall be accomplished within twenty (20) calendar days of the completion of the arbitrator's hearings.

C. RIGHT OF ADMINISTRATORS TO REPRESENTATION

1. Any aggrieved person may be represented at the second and subsequent levels of the grievance procedure by himself and/or by a representative of his choosing.

When an administrator is not represented by the Association, the Association shall have the right to be present at the second and subsequent levels and state such views as are relevant to the alleged violation of this Agreement.

2. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest or any other participant in the grievance procedure by reason of such participation.

D. MISCELLANEOUS

1. All documents, communications and records dealing with the processing of a grievance shall be kept on file.

2. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

3. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.

ARTICLE 4

Administrator Rights

A. Whenever any administrator is required to appear for a formal hearing before the Board concerning any matter which could adversely affect the continuation of that administrator in his office, position or employment or the salary or any increments pertaining thereto, he shall be given prior written notice through the Superintendent of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise him and represent him during such meeting or interview. Any suspension of an administrator, pending charges, shall be with pay.
