This Agreement (“Agreement”) is by and between the Monmouth County Board of Health (“Board of Health”), the Monmouth County Board of Chosen Freeholders (“County”) (collectively, “Employer”) and the Communication Workers of America, Local 1040, AFL-CIO (“CWA” or “Union”), and represents the complete and final understanding between the parties.

This Agreement has as its purposes the promotion of harmonious relations between the Employer and the CWA, the establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work and other terms and conditions of employment for employees within the negotiations unit.

ARTICLE 2
UNION RIGHTS

Section 1. Duly authorized representatives of the Union shall be granted a maximum of ten (10) days of paid leave during any calendar year for attendance at authorized Union conventions, shop steward training, or meetings. Requests to use Union leave time must be made to the Public Health Coordinator in writing by an authorized Union representative at least two (2) weeks in advance of the use of such time, and will not be unreasonably denied. Unused Union leave days will not accumulate from year to year.

Section 2. Duly authorized Union representatives who are not employees of the Board of Health or the County shall have the right to visit the workplace on Union business upon prior notice to and receipt of approval from the Public Health Coordinator. Such approval shall not be unreasonably withheld.

Section 3. The CWA shall have the right to post notices concerning Union business on bulletin boards provided by the Board of Health at its main office location, at the scale area of the County Reclamation Center and at the household hazardous waste location. The Union will reimburse the County for the cost of the bulletin board at the Reclamation Center location. Bulletin boards shall be used for the posting of formal notices of meetings, elections, names of representatives and officers of the Union and other general matters concerning the business of the Union, with all notices presented to the Public Health Coordinator prior to posting.

ARTICLE 3
DUES DEDUCTION/AGENCY FEE

Section 1. The Employer agrees to deduct monthly, from the pay of each employee who furnishes a written authorization for such deduction, in a form acceptable to the County, the amount of monthly Union dues. Monthly Union dues shall be two (2) hours pay, per month based on a forty (40) hour work week or such other amount as may be certified to the County by the Union at least thirty (30) days prior to the month in which the deduction of dues is to be made.

Section 2. Deduction of the Union dues made pursuant to this Article shall be remitted by the County to the Union by the tenth (10th) day of the month following the calendar month in which such deductions were made.

Section 3. If an employee chooses not to become a member of the Union, then he or she will be required to pay a representation fee to the Union in lieu of dues. The purpose of this fee is to offset the employee's cost of services rendered by the Union as majority representative. The representation fee to be paid by non-members will be equal to eighty-five percent (85%) of the regular membership dues charged by the Union to its own members as permitted by law under N.J.S.A. 34:13A-5.5 through 5.8, and as that law may be amended.

Section 4. The Union shall establish and maintain at all times a "demand and return" system as provided by N.J.S.A. 34:13A-5.5(c) and 5.6, and membership in the Union shall be available to all employees in the unit on an equal basis at all times. Such dismissal shall not be subject to the grievance procedure, but may be appealed to the New Jersey Civil Service Commission ("Civil Service Commission") in accordance with its regulations.

Section 5. It is understood that a three (3) month probationary period shall also apply to those employees who have been in service but have been promoted to a higher title. Those employees shall have the right to return to their previous title should their probationary period in the higher title prove unsatisfactory to the Employer. Such return shall not be subject to the grievance procedure, but may be appealed to the Civil Service Commission in accordance with its regulations.

A Steward must ask his or her immediate supervisor for permission to investigate and adjust grievances, and such permission shall be granted without unreasonable delay and at no loss of pay.

Section 3. Except for processing grievances and negotiating contracts, Stewards will not be allowed to transact any Union business on County time. Stewards shall not be paid for time spent in grievance meetings when such meetings are not scheduled during normal work hours.

Section 4. Minor Disciplinary Action shall include, but is not limited to, the following:

- a. Suspensions of one (1) through five (5) days;

3. Any written disposition of a grievance at any step that is not appealed to the succeeding step within the time limits provided shall be deemed to be

a waiver of further appeal of the decision.

4. The failure to provide a written disposition of a grievance at any step within the time limits provided shall be considered a denial of that grievance and shall require the grievant to appeal that denial to the next step unless satisfied with the action taken. If there is no such appeal to the succeeding step within the time limits provided, that shall be deemed to be a waiver of further appeal of the decision.
5. Any employee shall be entitled to the assistance of a Union representative at all steps of the grievance procedure.
6. No employee shall suffer any loss of pay because of attendance at a grievance meeting scheduled during working hours. Employees shall not be paid for attendance at grievance meetings under this procedure if such meetings are scheduled outside the employee's scheduled working hours.

ATTACHMENT A - AGREEMENT

WHEREAS, due to the growth of the County's health care and pharmacy costs, and the associated cost to its employees, it is understood that certain cost containment measures are required in order for the County to be able to maintain the high level of benefits provided to County employees; and,

WHEREAS, it is further understood that due to certain provisions of the federal Affordable Care Act ("ACA"), it is critical that the County begin the process of finding health care cost savings, as it faces the potential for millions of dollars of fines in future years if its health care costs exceed the amount permitted by the ACA; and,

WHEREAS, the County's Benefits Department, in consultation with the County's health care and pharmaceutical plan administrators, have proposed numerous modifications to the County's health care and pharmaceutical plans where it is believed that substantial savings can be achieved at limited burden to the County's employees and dependents; and,

WHEREAS, while the County does not concede the negotiability of any or all of these modifications, it wishes to avoid any future Union challenges to them given their importance; and,

WHEREAS, the Union reserves all rights, claims and defenses as to any changes in the County's health and pharmaceutical plans not specifically set forth herein.

NOW, THEREFORE, BE IT RESOLVED that the Union agrees that the County shall have the right to implement any or all the following changes to its health care and pharmaceutical plans in its discretion at any time on or after January 1, 2015, so long as no such changes are implemented for Union employees until such time as they are simultaneously implemented for the County's non-represented employees;

BE IT FURTHER RESOLVED that the County shall provide at least sixty (60) days prior written notice before implementing any or all of the changes listed herein, but the Union shall have no right to demand negotiations as to whether or not they shall be implemented, nor shall the Union have any right to file any grievance, unfair practice, lawsuit, or other legal challenge in any forum relating to the County's decision to implement any or all of these changes provided said changes are made in accordance with this Agreement.

HEALTH CARE PLAN MODIFICATIONS

1. The County may increase OOP (Out of Pocket) maximums for out-of-network treatment as follows: Family OOP maximums may be increased from \$5,000 per year to no more than \$10,000 per year. Single OOP maximums may be increased from \$2,500 per year to no more than \$5,000 per year.

2. The County may increase the co-payment for utilizing emergency room services from \$25 per visit to no greater than \$100 per visit. The existing policy of waiving the co-payment when an ER visit results in admission to a hospital shall remain in force.
3. The County may revise its pricing schedule for out-of-network treatment to modify the "reasonable and customary" rate used to calculate reimbursement for such out-of-network treatment to no less than 150% of the rate established by the Centers for Medicare & Medicaid Services.

PHARMACY PLAN MODIFICATIONS

1. The County may implement a "network narrowing" plan to reasonably limit the pharmacies from which members may purchase pharmaceuticals, which shall consist of removing one (1) of the following three (3) national pharmacy chains (or their successors in interest) from the County's network: (1) Walgreens, (2) Rite-Aid, (3) CVS.
2. The County may implement "step therapy" procedures when, within a specific therapy class, multiple drugs are available to treat the same condition. In such instance, a patient will be required to first try clinically effective generic or lower-cost brand medications, before "stepping-up" to a higher cost medication. If, after the patient tries the generic or lower-cost medication, the patient's physician determines that a higher-cost medication is medically required, the physician may contact the County's pharmacy benefits manager for a coverage review and to request authorization for that higher-cost medication. Provided the physician fully cooperates with the pharmacy benefits manager in this process, such authorization shall normally be granted within three (3) days. A current list of drugs for which "step therapy" will apply will be provided to the Union.
3. The County may implement a "dispense as written" policy in which members are subject to the use of generic prescription drugs according to State guidelines, and if a member insists on a brand drug when a generic drug is available, the member will be required to pay both the "brand" co-pay as well as the entire difference in actual cost between the brand drug and the generic drug. This provision shall not be applicable if the prescribing physician writes "DAW" or "dispensed as written" or checks the "do not substitute" box on the prescription.
4. The County may implement a "prior authorization and quantity duration" policy in which it may ensure via a series of clinical safety edits that FDA and other clinical guidelines are being followed in treatment in order to ensure best safety outcomes. For drugs that are not needed every day such as sleep aids, or migraine treatments, supply per prescription will be reduced in accordance with the policy, for example, a particular prescription may be reduced from 30 doses to 8 at retail and from 90 doses to 24 at mail, unless the prescribing physician establishes that a larger quantity is needed due to medical necessity. A current list of drugs for which "prior authorization and quantity duration" will apply will be provided to the Union.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized officers.
