This Agreement, entered into as of June 1, 2014, by and between the City of Woodbury, New Jersey, hereinafter referred to as the "Employer", and the Sergeants of the City of Woodbury Police Department.

ARTICLE I **RECOGNITION**

SECTION 1 – The Employer hereby recognizes the New Jersey State Policemen's Benevolent Association, Local #122, also referred to as the Association, as the exclusive representative for the collective negotiations concerning terms and conditions of employment for all Sergeants of Police.

SECTION 2 – Unless otherwise indicated, the term police officer, employee, or employees when used in this Agreement refers to all persons represented by the Association in the above defined negotiating unit.

ARTICLE II **POLICE PERSON'S RIGHTS**

Pursuant to N.J.S.A. 34:13A-1, et. seq., the Employer hereby agrees that every police officer shall have the right to freely organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations. As a body exercising governmental power under the laws of the State of New Jersey, the Employer undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any police person in the employment of any rights conferred by 34:13A-1, et. seq., or other laws of New Jersey or the Constitution of New Jersey and the United States.

Up to three (3) representatives of the negotiating unit shall be permitted time off with pay to attend negotiating sessions and grievance sessions provided the efficiency of the Department is not affected thereby, and provided such meetings are mutually scheduled by the parties.

A police Sergeant shall have the right to inspect his or her personnel file on reasonable notice and at reasonable times provided a designated superior officer is present at the time of inspection.

The Employer agrees to notify in writing the individual police Sergeant if any material derogatory or favorable to the police officer is placed in his or her personnel jacket. The employee may, upon reasonable request, and at his or her expense, obtain photostatic copies of any material contained in his or her personnel file.

ARTICLE III
GRIEVANCE PROCEDURE

SECTION 1

Definition: For the purpose of this Agreement, a grievance is defined as a dispute between the Employer and the Association or any employee covered hereby with respect to the alleged violation of a specific provision of this Agreement, provided that the term grievance shall not apply to (a) any matter for which a method of review is prescribed by law, or (b) any matter which according to law is either beyond the scope of authority of the City of Woodbury or limited to unilateral action by the City of Woodbury alone, or (c) a complaint of any employee which arises by reason of his or her not being re-employed.

Procedure: Any member of the negotiating unit shall have the right to present a grievance as specified herein.

SECTION 2

Step 1 - Lieutenant: Any employee who believes he or she has a grievance shall discuss it first with the Lieutenant/Captain of Police in an attempt to resolve the matter informally at that level. If as a result of this discussion, the matter is not resolved to the satisfaction of the employee, he or she shall set forth his or her grievance in writing within ten (10) days of the date of the occurrence of the events giving rise thereto and present it to the Lieutenant/Captain on an appropriate form, specifying: (a) the specific nature of the grievance and the contract clause violated, (b) the results of previous discussions, (c) the date and time of presentation, (d) the relief sought. The Lieutenant/Captain shall communicate his decision to the employee in writing within seven (7) days of receipt of the written grievance.

Step 2 - Chief of Police: In the event the employee remains dissatisfied, he or she shall, no later than five (5) days after receipt of the Lieutenant's written decision, appeal the Lieutenant's decision to the Chief of Police. The appeal to the Chief of Police must be made in writing reciting the matter, as submitted to the Lieutenant as above specified and the employee's dissatisfaction with the decision previously rendered. The Chief of Police shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) days. The Chief of Police shall communicate his decision in writing to the employee and to the Lieutenant.

Step 3 - Mayor: If the grievance remains unresolved to the employee's satisfaction, he or she may, no later than five (5) days after receipt of the Chief of Police's decision, request a review by the Mayor. All previous documents shall be submitted to the Mayor with such request for review and he shall render a decision no later than fifteen (15) days after receipt of the grievance. The Mayor may, if he/she so desires, indicate a designee to hear and resolve such grievance.

Step 4 - Arbitration: In the event settlement of the grievance is not reached in Step 3, the matter may be appealed in accordance with the arbitration procedure hereinafter established. Notification of desire to appeal to arbitration shall be made known to the other party in writing

within fifteen (15) days subsequent to the date of receipt of the third step answer but in no event later than twenty (20) days subsequent to the date of receipt of the third step answer.

SECTION 3 – A request for arbitration shall state in reasonable detail the nature of the dispute and the remedy requested. Within ten (10) days after the receipt of a request to arbitrate, the receiving party will give its response thereto in writing stating whether or not it believes the stated dispute to be arbitrable.

If the response agrees as to the arbitrability of the dispute, the parties will proceed to arbitration in the manner set forth below.

In the event the receiving party has asserted that the dispute contained in the request for arbitration is not arbitrable, the parties shall proceed to arbitrate in the manner set forth below only after, upon petition of the requesting party, final judgment of a court has determined that a grievance upon which arbitration has been requested raises arbitrable issues and has directed arbitration of such issues.

In the consideration of the decision of any question involving arbitrability, it is specific agreement of the parties that:

- (a) This Agreement sets out expressly all the restrictions and obligations assumed by the respective parties hereto, and no implied restrictions or obligations are inherent in this Agreement or were assumed by the parties in entering into the Agreement.
- (b) In the consideration of whether a matter is subject to arbitration, a fundamental principle shall be that the City of Woodbury retains all its rights to manage the Police Department, subject only to the express limitations set forth in the Agreement; it is understood that the parties have not agreed to arbitrate demands which challenge action taken by the City of Woodbury in the exercise of any such retained rights, except where such challenge is based upon a violation of any express limitation set forth in this Agreement.
- (c) No matter will be considered arbitrable unless it is found that the parties clearly agreed that the subject involved would be arbitrable in light of the principles set forth in this Article and constitutes a grievance under the definition of a grievance set forth in Section 1.

If a final judgment of PERC or of a court has determined that a request raises arbitrable issues, the decision shall specify in reasonable detail the issues as to which arbitration is directed. The arbitration shall thereafter proceed only upon the issues specified in such final PERC or court judgment and the

arbitrator shall have no authority or jurisdiction to consider issues other than those specified.

None of the provisions hereof shall deprive a court of competent jurisdiction of its power to determine questions of arbitrability or the validity of any decision or award of the arbitrator, in any proceeding seeking to require arbitration or to enforce, modify, or set aside a decision and award of the arbitrator.

Arbitration Procedures: In the event arbitration is voluntarily agreed to on timely request or ordered by a court of competent jurisdiction the parties shall endeavor to mutually agree upon an arbitrator. If the parties fail to agree on such arbitrator, either or both parties may file a petition with the Public Employment Relations Commission (PERC) for the appointment of an arbitrator in accordance with PERC rules and procedures. The fees and the expenses of the arbitrator shall be borne equally by the parties.

The decision of the arbitrator as set forth above shall be restricted to a determination of whether or not there has been a violation of the Agreement as alleged in the written grievance, and to the appropriate remedy. The arbitrator shall have no authority in any case to add to, subtract from or alter in any way provisions of this Agreement.

SECTION 4

Miscellaneous: in the event a grievant is represented by himself or by an attorney, the Association shall be notified upon receipt of such grievance at the Chief of Police level and shall be permitted to be present at all grievance meetings if such be held. Copies of all correspondence shall be forwarded to the Association under such circumstances.

Failure to file or appeal a grievance within the specified time limits shall constitute a waiver and settlement of the grievance.

Failure of a City of Woodbury representative to give his answer within the time limits provided at any step of the grievance procedure will automatically advance the grievance to the next step of the grievance procedure, provided there shall be no waiver of the written notification requirements of Step 4.

It is understood and agreed that nothing herein contained shall prevent either the City of Woodbury or the Association and/or a grievant from agreeing to waive one or more steps of the grievance procedure or from agreeing to submit a grievance directly to arbitration.

Neither the City of Woodbury nor the Association shall subject any employee grievant or employees appearing on behalf or in opposition to such a grievant to reprisals for participation in the grievance procedure. The grievant's papers shall not be filed in the employee's file.

It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Employer until such grievance and any effect thereof shall have been fully determined.

A request for arbitration can be honored only if the grievants and the organization representing them, waive the rights, if any, in writing of said grievant or grievants and the organization representing them to submit the underlying dispute to any other administrative or judicial tribunal, except for the purpose of enforcing the arbitrator's award.

ARTICLE IV
PEACEFUL RESOLUTION OF DIFFERENCES

Both parties recognize the desirability of continuous and uninterrupted operation of the Police Department and the avoidance of disputes which threaten to interfere with such operation. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this Agreement, and it will not, nor will any person acting in its behalf cause, authorize or support, nor will any of its members take part in, any strike (i.e. the concerted failure to report for duty or willful absence from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment). The City of Woodbury agrees that it will not engage in any lock-out directed at members of the negotiating unit for the duration of the Agreement.

The above is interpreted that: The Association may be held liable in damages for "wild cat" strikes unless the Association in writing immediately disavows the strike and notifies the strikers to return to work.

The Association agrees that any strike is a breach of contract and that such act removes all impediment from and permits the Employer to dismiss or otherwise discipline employees taking part in that breach of contract.

ARTICLE V
MANAGEMENT RIGHTS

SECTION 1 – The Employer, on its own behalf and on behalf of the taxpayers of the City of Woodbury hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of New Jersey, and of the United States, including but without limiting the generality of the foregoing the right:

- (a) To exercise management and administrative control, control of the Police Department and its properties and facilities, and the activities of its employees while such employees are on duty.

- (b) To hire all employees, and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment or their dismissal or demotions; and to promote and transfer all such employees.

SECTION 2 – The exercise of the foregoing powers, rights, authority and duties and responsibilities by the Employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of New Jersey, and the Constitution and laws of the United States.

SECTION 3 – Nothing contained herein shall be considered to deny or restrict the Employer of its rights, responsibilities, and authority under New Jersey laws or any other national, state, county or local laws or regulations.

SECTION 4 – Nothing in this Agreement which changes pre-existing Employer policy, rules or regulations shall operate retroactively unless expressly so stated. The parties agree that employees shall continue to serve under the directions of the Chief of Police and in accordance with Employer and administrative policies, rules or regulations, provided that the provisions of this Agreement shall supersede and prevail over any conflicting provisions.

SECTION 5 – It is understood that, under the rulings of the courts of New Jersey, the Employer is forbidden to waive any rights or powers granted it by law. Notwithstanding anything to the contrary, nothing contained in any section, paragraph or subsection of this Agreement shall be interpreted in any manner or be so construed as to indicate that the Employer has waived rights which are expressly required by the courts to be retained by the Employer.

WORK WEEK AND WORK YEAR

SECTION 1 – Except as operational needs dictate, there shall be no change in an employee's work schedule without prior written notice to the employee. Every reasonable effort will be made to give forty-eight (48) hours notice before the actual change; but in no event shall the notice be less than twenty-four (24) hours unless carrying forth the mission of the Department requires less than the notice provision set forth herein.

SECTION 2

Overtime: Overtime shall be paid to any member of the negotiating unit, who is required, directed or authorized to work for any period in excess of forty (40) hours in any one week. Such overtime pay shall be at the rate of time-and-one-half his or her regular rate of pay for all such overtime, provided the employee has first worked a full forty (40) hours and shall be paid on the next following pay day.

Overtime shall be paid for work performed beyond forty (40) hours except under the following special circumstances:

1. Employees attendance at police schools or seminars at their own request.
2. Any police related activities that an employee volunteers or works such as sports, bank duty, dances, etc.
3. Programs for organizations including demonstrating by volunteers.
4. Assignment to special investigation by volunteers.

Insofar as possible, based on the operational requirements of the Department, the Chief of Police shall provide for a fair and equal system of overtime allocation. However, in the event of

operational necessity, as determined by the Chief of Police, employees covered by this Agreement shall accept overtime assignments.

SECTION 3 – In determining overtime, the first fifteen (15) minutes shall be considered; however, if an employee works more than fifteen (15) minutes he or she shall then be paid from the beginning point and any part of the first hour shall be paid as though an employee had worked a full hour. Time beyond one hour shall be paid on the basis of fifteen (15) minute intervals, and any fraction of a fifteen (15) minute interval shall be paid as a full fifteen (15) minute interval.

SECTION 4

Call-Back Time: If a member is called to duty on his or her day off at which time is contiguous to his or her regular work shift, he or she shall be guaranteed a minimum of two (2) hours pay; however, a member may be called in early for his shift or kept after his or her regular work shift without the two (2) hour guarantee applying.

SECTION 5

Work Week: The normal work week shall be forty (40) hours. The City reserves the right to assign overtime as necessary.

SECTION 6

Work Year: Except for vacation time permitted by the contract and/or sick time, employees will normally be expected to work fifty-two (52) forty-hour (40) weeks as their regular work year, except as described in Section Eight below. Holiday time is paid in lieu of time off, which results in the conditions set forth herein.

SECTION 7

Meals: Members shall receive a thirty (30) minute meal period during the normal tour of duty, and such period shall be considered as part of the work day. Members shall also receive two (2) fifteen (15) minute coffee breaks in the workday in accordance with the schedule established by the Chief of Police.

SECTION 8 – The Department shall implement 12-hour shift schedules for patrol shifts only, in accordance with the following:

B. Compensatory Time

- i. Each Sergeant assigned to a 28 day cycle per year (13.04 cycles per year) of shift duty shall be entitled to one hundred ten (110) hours of compensatory time per year in order that the shift work be equivalent to that which would have been worked in a forty (40) hour work week year.
- ii. Any Sergeant transferred to the 28 day duty cycle of shift duty from another bureau within the police department shall immediately receive compensatory time provided on a pro-rated basis.
