WITNESSETH:

WHEREAS, the Board and the Association recognize and declare that providing services for the children of the Township of Franklin School District is their mutual aim and that the character of such services depends predominantly upon the quality and morale of the employee, and

WHEREAS, the Board has an obligation, pursuant to Chapter 123, Public Laws 1974, to negotiate with the Association as the representative of employees hereinafter designated with respect to the terms and conditions of employment, and

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I RECOGNITION

A. Joint Recognition Clause

The Township of Franklin Board of Education recognizes the Township of Franklin Supportive Staff Association as the exclusive and sole representative for collective negotiation concerning grievances and terms and conditions of employment for the following positions: bus driver, bus aide, bus mechanic, bus mechanic's helper, clerical aide, day custodian, educational interpreter, facilities maintenance mechanic, night custodian, one to one assistant, outside building and grounds custodian, school secretary, transportation/maintenance secretary, attendance officer, classroom teacher aide and library media aide.

B. Definition of Employees

ARTICLE II
NEGOTIATION OF SUCCESSOR AGREEMENT

A. Policy Changes

Consistent with Chapter 123, P.L. of N.J. 1974, the Board shall not affect any change in Policy concerning terms and conditions of employment except those so negotiated and included as part of this Agreement and contained herein.

B. The Board agrees to initiate negotiations with the Association over a successor agreement in accordance with the procedure set forth herein in good faith effort on both sides to reach continuing agreement not only on salaries and other conditions of employment, but also on other matters of personnel, policy, and relationships which may then be of mutual concern and interest. The parties shall endeavor to begin negotiations prior to December 1 of the calendar year preceding the calendar year in which this agreement expires. By the same date, the Association agrees to present to the Board its proposals for the successor agreement.

C. During negotiation, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counter-proposals. Each party shall promptly make available to the other, upon request, information within its possession which is not privileged under law and which is relevant to the subject under discussion. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations. The negotiating team of the Board and the Association have authority to reach a tentative agreement subject to full ratification by each respective party. Any agreement so ratified shall apply to all employees, be reduced to writing, be signed by the Board and the Association, and be adopted by the Board and the Association.

D. Modification

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

F. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both Agreement. This Agreement incorporates the entire understanding of the parties on matters which were or could have been subject of negotiations.

ARTICLE III GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A "Grievance" is a claim by an employee or the Association based upon the interpretation, application, or violation of this negotiated agreement, board policies or administrative decisions affecting the terms and conditions of employment.

2. Aggrieved person

Aggrieved person is defined as the employee and/or Association making the claim.

3. Definition of Days

Days as referred in Article III shall mean school attendance days, except as specifically referenced as calendar days.

4. Immediate Supervisor

The administrator who is assigned by the Superintendent as the person primarily responsible for the evaluation of the employee during the current school year.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1-A. Time Limits

Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

1-B. A grievance, to be considered, must be initiated by the aggrieved person within fifteen (15) days from the alleged grievance.

2. Year End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the aggrieved person, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One - Immediate Supervisor

The aggrieved person shall submit claim in writing on the approved form to his/her immediate supervisor. The date of grievance shall be the date received by the immediate supervisor. Should the grievance seek such relief that the immediate supervisor does not have the authority to grant, as determined at the discretion of the School Business Administrator, the grievance procedure shall begin at level two.

4. Level Two - School Business Administrator

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) days after the presentation of the grievance, he may refer it to the School Business Administrator.

5. Level Three - Board of Education

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within five (5) days after the grievance was delivered to the School Business Administrator, he may within five (5) days after a decision by the School Business Administrator or ten (10) days after the grievance was delivered to the School Business Administrator whichever is sooner, present the grievance to the Board for a hearing.

6. Level Four - Arbitration

a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within thirty-seven (37) calendar days after his grievance was delivered to the Board of Education, he may, within five (5) days after a decision by the Board of Education, or forty-two (42) calendar days after the grievance was delivered to the Board of Education, whichever is sooner, request in writing that the Association submit its grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) days after receipt of a request of the aggrieved person. The only grievances which may be arbitrated are those alleging that there has been a violation of the express written terms of this agreement.

- b. Grievances over statutory and regulatory terms and conditions of employment may be appealed to the appropriate agency.
 - c. Grievances alleging a violation of board policies or administrative decisions affecting terms and conditions of employment shall terminate upon the rendering of the Board decision at Level Three.
 - d. Grievances alleging a violation of the express written terms of this negotiated agreement may be submitted to binding arbitration.
 - e. The arbitrator shall have no authority to rule on grievances which concern the interpretation, application, or alleged violation of Board policies or administrative decisions affecting terms and conditions of employment or of statutes and regulations setting terms and conditions of employment.
 - f. Within ten (10) days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
 - g. The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator can add nothing to nor subtract anything from the Agreement between the parties. The arbitrator's decision shall be in writing and shall be submitted to the Board and the Association and shall be final and binding on the parties.
 - h. The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.
7. The term "Grievance" shall not apply to the following:
- a. Any matter for which a review is prescribed by law.
 - b. Any rule or regulation of the State Commissioner of Education.
 - c. Any matter which according to law is beyond the scope of Board authority.
