ARTICLE III - Grievance Procedure

A. Policy

The Board of Education hereby declares as a statement of policy that any employee invoking the Grievance Procedure herein set forth shall be free from any prejudicial or punitive action by reason of invoking such procedure. Further, all documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

B. Definitions

1. Grievance

A grievance is a claim by an employee or the Association based upon the application or violation of this agreement, policies, or administrative decisions involving a term or condition of employment of an employee or group of employees.

The term "Grievance" shall not apply to any matter as to which (1) a method of review is prescribed by law, or by any rule, regulation or by law of the Commissioner of Education or of the State Board of Education having the force or effect of law; or (2) in cases where the Board of Education is without authority to act; or (3) the failure or refusal of the Board of Education to offer a contract to a probationary employee.

2. Grievant

The grievant is the person or persons making the claim or on whose behalf the Association is making the claim.

C. Purpose

The purpose of this procedure is to resolve disputes that arise involving the terms and conditions of employment covered by this agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

D. Procedure

1. Time Limits

The number of days indicated at each level is the maximum and every effort should be made to expedite the process. The time limits specified may, however, be modified by written mutual agreement.

2. Limitations on Filing

A grievance shall be initiated at Level One of the procedure within thirty (30) work days of the occurrence of an event which gives rise to a grievance. Failure to act within said thirty (30) work day period shall be deemed to constitute an abandonment of the grievance.

Level One—Immediate Supervisor

The grievant shall first discuss it with his or her immediate supervisor (or principal if applicable) either directly, or through the Association's designated representative within five (5) work days after the filing date of the actual grievance as outlined in Section D Paragraph 2 in an attempt to resolve the matter informally at that level.

Level Two—Building Principal/Assistant Superintendent for Curriculum, Instruction and Assessment

If the grievance is not resolved informally to the satisfaction of the grievant, then the grievant shall file the grievance in writing with the building principal within five (5) work days after the supervisor's response. The building principal shall respond in writing within five (5) work days of receipt of the grievance. If the grievance is directed at a supervisor, the Assistant Superintendent for Curriculum, Instruction and Assessment will be included in the grievance conference.

Level Three—Superintendent of Schools

If the grievant is not satisfied with the disposition of his or her grievance at Level Two, he or she may file the grievance in writing with the Superintendent of Schools within five (5) work days of receipt of the response from the building principal. The Superintendent of Schools shall respond in writing within (5) work days of receipt of the grievance.

Level Four—Board of Education

If the grievant is not satisfied with the disposition of his or her grievance at Level Three, he or she may, within five (5) work days after a decision by the Superintendent, file the grievance in writing with the Secretary of the Board of Education. The Board of Education shall review the grievance at its next regular meeting, and all parties who have been involved at any stage of the

procedure shall have the right to be heard. The Board of Education shall render a decision in writing within thirty (30) days of the hearing.

Level Five—Binding Arbitration

- a. If the grievant is not satisfied with the disposition of the grievance at Level Four, he or she may, within five (5) work days after the decision by the Board of Education, request in writing that the Association submit the grievance to binding arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to binding arbitration within five (5) work days after receipt of a request by the grievant.
- b. Within ten (10) work days after such written notice of submission to binding arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission.
- c. The arbitrator shall be limited to the issues submitted to him or her and shall not add to, subtract from, or modify the terms of the agreement. The only grievances which may be arbitrated are those alleging that there has been a violation of the express, written terms of the locally negotiated agreement. The arbitrator shall not have authority to rule on grievances which concern the interpretation, application or alleged violation of the Board policies and administrative decisions affecting terms and conditions of employment, or of statutes and regulations setting terms and conditions of employment.
- d. Arbitration meetings will be held at times other than the regular school day.
- e. Each party shall pay its own costs for arbitration preparation. The parties shall share equally the fee and expenses of the arbitrator and arbitration proceedings.

E. Right to Representation

At any state of the grievance procedure, the aggrieved employee shall have the right to summon and have present witnesses on his or her behalf. The aggrieved employee shall have the right to be represented by counsel and to have a representative of the Association speak on his or her behalf. The right to participate in cross examination and/or argument on behalf of the aggrieved employee shall be limited to one person.

Nothing contained herein this procedure shall be deemed to require any

employee to become a member of any organization, and any employee shall be entitled to a hearing under this procedure whether a member of any organization or not.

If in the judgment of the Representative Council of the Association, a grievance uniquely affects a group of teachers covered by this agreement, the Association may submit such grievance in writing directly to the Superintendent of Schools. If the Superintendent agrees that the grievance is such as to warrant direct consideration by him or her, then the processing of such grievances shall commence at this level. This procedure is not intended to apply to common grievances that could be resolved by immediate superiors or principals, but to unique grievances over which immediate superiors or principals have no control.

ARTICLE IV - Teacher Rights

A. Rights and Protection in Representation

Pursuant to Chapter 123, Public Laws of 1974, the Board hereby agrees that every employee of the Board shall have and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to form, join, and assist any employee organization or to refrain from any such activity.

As a duly elected body exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Chapter 123, Public Laws 1974 or other laws of New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of membership in the Association and its affiliates, participation in any activities of the Association and its affiliates, collective negotiations with the Board, or institution of any grievance, complaint or proceeding under this agreement or otherwise with respect to any terms or conditions of employment.

B. Required Meetings or Hearings

Whenever any teacher is required to appear before the Superintendent or a designee, Board, or any committee, member, representative, or agent thereof concerning any matter which could adversely affect the continuation of that teacher in office, position, or employment, or the salary or any increments pertaining thereto, then the teacher shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise and represent the teacher during such meeting or interview.

D. Criticism of Teachers

Any criticism by a supervisor, administrator, or board member of a teacher and the teacher's instructional methodology shall be made in confidence and not in the presence of students, parents, or other public gatherings. Nothing contained herein shall be deemed to prevent the Board from carrying out its duties, responsibilities, and obligations from acting publicly or disciplinary actions against teachers, which actions may possibly result from criticism of the teachers.

E. Complaint Procedure

1. In the event of complaints, the appropriate administrator shall make a determination as to whether to make an investigation. In the event of complaints that could effect employment status or lead to disciplinary action, the appropriate administrator shall conduct an investigation. The teacher shall have the right to representation by the Association for the duration of the investigation. If a written report results from the investigation, the teacher shall have the right to reply in writing and to have this reply appended to the report. The complaint shall not appear in any evaluation nor shall it influence an evaluation unless the investigation substantiates the complaint.
2. The provisions of the above paragraph are intended to apply to those cases where a complaint may be used in connection with evaluating a teacher, but shall not be deemed applicable with reference to any complaints that may result in the determination by the Board to forward charges which may be made against a teacher to the Commissioner of Education for processing in accordance with the Tenure Hearing Act set forth in the provision of Title 18A.

F. Personnel Files

1. No material derogatory to a teacher's conduct, service, character, or personality shall be placed in the teacher's personnel file unless said teacher has had an opportunity to review the material, except such material as may have been received in connection with the application for employment of the teacher. The teacher shall acknowledge that there has been the opportunity

to review such material by signing the copy to be filed, with the express understanding that such signature in no way indicates agreement with the contents or assents to its inclusion in the teacher's personnel file. The teacher shall have the right to append a written reply to such material.

2. The Board shall not establish any separate personnel file unless it is available for the teacher's inspection, with the exception of personal references solicited by the Board at the time of employment.
 - a. This provision shall not limit the Board's right to establish personnel files as may be required in the operation of the school system, with the understanding that such files will be available for the teacher's inspection.
 - b. Teachers shall have the right, upon request to review the contents of these personnel files in the presence of a person authorized by the Board. After an initial review of personnel files, a teacher may request a second review of the files accompanied by a representative of the Association, in the presence of the Superintendent or his or her designee.
