In the event that an employee's illness or disability does not arise out of or in the course of any employment and continues for a

prolonged period and the employee has exhausted his/her accumulation of unused sick leave days, upon receipt of medical evidence of the total disabilities, the Board may extend sick leave benefits to the employee while the employee is under the care of a licensed physician and the disability continues for each week or portion thereof, but not to exceed the maximum period of twenty-six (26) weeks at the rate of 50% of the employees daily salary.

- D. An employee on extended sick leave shall not be eligible for bereavement leave.

Section 5. Computation of Extended Sick Leave

Computation of payment for extended sick leave benefits shall be made on the basis of the number of hours normally scheduled for the employee to work per day, whether on full-time or part-time basis.

Section 6. Maximum Use of Extended Sick Leave

If an employee has exhausted the maximum of 26 weeks of extended sick leave, a statement shall be requested from his/her physician concerning the employee's ability to return to work. If the employee's physician certifies that the employee is totally and permanently incapacitated and unable to return to work, the employee shall be terminated or retired or placed on a leave of absence without pay pending the ability to be placed on appropriate benefits, i.e., social security. Such termination shall be considered to be in good standing. If the employee's physician states that the employee is unable to return to work upon conclusion of extended sick leave, but shall be able to at a later date or to a different position, the employee shall have the choice to terminate or may request a leave of absence without pay as per Board policy. An employee who is placed on leave without pay shall be required to produce periodic written statements from his/ her physician concerning the condition and may, at any time, be required to undergo a physical examination by a County-designated physician. The completed "Extended Sick Leave Application" must be returned to the Personnel Office prior to the expiration of the employee's accumulation of unused sick leave days so that it can be processed and so that a determination as to eligibility can be made. In the event that the completed "Extended Sick Leave Application" is not returned to the Personnel Office prior to the expiration of an employee's accumulation of unused sick leave days, the employee shall be placed on leave without pay until the completed "Extended Sick Leave Application" is received by the Personnel Office and a determination is made. If, in such a instance, it is determined that an employee is eligible to receive extended sick leave payments, the employee would then be reimbursed retroactively to the date he/she was first placed on a leave without pay.

On the first day of an employee's return to work after extended sick leave, the employee shall submit a return-to-work statement from his/her physician to his/her department head. The department head shall forward this statement to the administration in charge of the personnel unit for placement in the employee's personnel file. In addition, the employee should telephone his/her Department Head as well as the administration in charge of the personnel unit prior to returning to work so that arrangements can be made to change the employee's status from half pay to full pay.

Section 4. Maximum Use of Extended Sick Leave

Three weeks prior to the expiration of the 26th week of extended sick leave, the administration in charge of the

personnel unit shall send a letter to the employee requesting him/her to obtain a statement from his/her physician concerning the employee's ability to return to work. If this statement is not received by the administration in charge of the personnel unit in the time limit specified, the employee shall be placed on an unauthorized leave without pay after the expiration of the 26th week of extended sick leave. A certified letter shall be sent to the employee advising him/her of this action and advising that failure of the administration in charge of the personnel unit to receive the required statement within five working days of receipt of the warning letter shall result in the employee's services being terminated. Such termination shall not be considered to be in good standing.

If the employee's physician certifies that the employee is totally and permanently incapacitated and unable to return to work, the administration in charge of the personnel unit shall process the necessary forms to terminate or retire

the employee or place on a leave without pay pending the ability to be placed on appropriate benefits.

If the physician certifies that the employee is unable to return to work upon conclusion of extended sick leave, but shall be able to at a later date, the administration in charge of the personnel unit shall process the necessary forms to place the employee on a leave without pay.

If a vacancy does not exist within the Department to which the employee can qualify nor a vacancy to which the employee can transfer, the employee shall have the choice to terminate employment, or terminate from the Department and be placed on leave without pay.

This reimbursement will not exceed \$200.00 for single lenses or \$250.00 for bifocal or trifocal lenses.

Employees may receive this benefit by obtaining a receipted bill from the optician which clearly indicates the full name of the recipient of the glasses and type of lens, i.e., single, bifocal or trifocal, and the dollar amount. The receipt should

then be given or sent to the Director of Welfare or to the person designated for this purpose at the Agency.

Reimbursement will be by check on supplemental pay days. Eligible dependents for this program are the same as described in Paragraph 1.

Such request, pursuant to Department of Personnel rules, must be received within twenty (20) days from the date of receipt by the employee of the final notice of disciplinary action. The Department of Personnel Law and the Rules and Regulations promulgated thereunder shall govern the disposition by the Personnel Officer of such a request or petition. In the event the employee involved elects the procedure as provided above, such election will be deemed final and binding and constitute an absolute waiver of the option to appeal as provided in the disciplinary arbitration process.

b. The Union may elect to appeal the matter to disciplinary arbitration provided that such an appeal is joined by the employee in writing. The employee shall not be denied the right to appropriate representation. The election of this procedure will be deemed final and binding and constitute an absolute waiver of the employee's option to appeal under the Civil Service procedure provided above.

c. All waivers or elections will be made in writing by the employee involved on a form to be provided for such purposes.

d. An appeal to disciplinary arbitration may be brought only by the Union, through its Council Representative, by mailing a written request for disciplinary arbitration by certified or registered mail to the County Director of Welfare, which must be postmarked within thirty (30) calendar days from the date of receipt by the employee of the final notice of disciplinary action. A request for disciplinary arbitration shall contain the name of the employee involved, a copy of the original appeal, the notice of discipline and any written decision rendered concerning the matter.

e. The selection of the arbitrator shall be determined on the same basis as indicated in the grievance procedure.

f. Arbitrators in disciplinary matters shall confine themselves to determinations of guilt or innocence and the appropriateness of penalties and shall neither add to, subtract from, nor modify any of the provisions of this Contract by any award. The arbitrator's decision with respect to guilt, innocence or penalty shall be final and binding upon the parties. In the event the arbitrator finds the employee guilty, he may approve penalty as appropriate to the circumstances, in accordance with this Contract however, removal from service shall not be substituted for a lesser penalty. In the event the arbitrator finds the employee innocent or modifies a penalty he may order

reinstatement with back pay for any part or an imposed suspension or reduction in grade or period that the employee was dismissed from service. Should the arbitrator's award provide reinstatement with back pay, the employee may be paid for the hours he would have worked in his normally scheduled work week, at his normal rate of pay, but not exceeding thirty-five (35) hours per week or seven (7) hours per day, less any deduction required by law, or other offsetting income for the back pay period specified by the arbitrator. The arbitrator's decision shall contain a short statement of the nature of the proceedings, the positions of the parties and specific findings and conclusions of the facts. In addition, the arbitrator's decision shall discuss any of the testimony, evidence or positions of the parties which merit special analysis.

g. The fees and expenses of the arbitrator and recording of the procedure shall be divided equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

h. Nothing in this Article shall be construed to limit the right of the County to implement any disciplinary action notwithstanding the pendency of an appeal proceedings.

a. In disciplinary; matters of suspension of more than five (5) days, except dismissal from service, such employees

shall be entitled to utilize the provisions of this Article only to departmental hearing level.

6. Oral warnings shall not be subject to the provisions of this Article and the Article pertaining to grievances.

ARTICLE 23

GRIEVANCE PROCEDURE

A. Purpose: The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration and having the grievance adjusted without the intervention of the Union.

B. Definition: The term "grievance" shall mean an allegation that there has been:

1. A misinterpretation or misapplication of the terms of this Agreement, which is subject to the grievance procedure outlined herein, and shall hereinafter be referred to as a "contractual grievance"; or

2. Inequitable, improper, unjust application or misinterpretation of rules or regulations, existing policy, or orders applicable to the Board, which shall be processed up to and including the Board, and shall hereinafter be referred to as a "non-contractual grievance".

C. Presentation of a Grievance: In the presentation of a grievance, the aggrieved shall have the right to present his/her own appeal or to designate a Union representative to appear with him/her. The Board agrees that there shall be no loss of pay for the time spent in presenting the grievance by the aggrieved and

one Union representative who is an employee of the Board, through out the grievance procedure.

D. Steps of the Grievance Procedure. The following constitutes the sole and exclusive method for resolving grievance between the parties covered by the Agreement.

STEP 1 - The aggrieved shall institute action under the provisions hereof in writing, signed and delivered to his/her supervisor within ten (10) working days after they would reasonably be expected to know of its occurrence. Failure to act within said ten (10) working days shall be deemed to constitute an abandonment of the grievance. The supervisor shall render a decision in writing within five (5) working days after receipt of the grievance. A Union steward may participate at the request of the employee.

STEP 2 - In the event satisfactory settlement has not been reached, the aggrieved shall, in writing and signed, file his complaint with the Director of Welfare within ten (10) working days following receipt of the determination of STEP 1. The Director of Welfare, or his/her designee, shall render his/her decision within five (5) working days after the receipt of the complaint. The Union Steward, or local Union officer, may participate at the request of the employee.

STEP 3 - Should the aggrieved disagree with the decision of the Director, or his/her designee, the aggrieved may, within ten (10) working days of receipt of the decision, submit to the Board a statement in writing and signed as to the issues in dispute. In the event the aggrieved files his/her statement, the Board shall

review the decision of the Director, together with the disputed areas submitted by the aggrieved. The aggrieved and/or Union representative may request an appearance before the Board. The Board will render its decision within ten (10) working days after the Board meeting at which the matter has been reviewed. If necessary, a special Board meeting will be held to hear the appeal prior to the next regularly scheduled Board meeting. All members of the Board are members of a committee to hear appeals. However, a decision can be made by a minimum of three (3) Board members, which shall be the decision of the Board. If the Board's decision involves a non-contractual grievance, the decision of the Board shall be final.

STEP 4 - Any unresolved contract grievance (as defined in the B.1. Definition), except matters involving appointment, promotion or assignment, or matters within the exclusive province of Civil Service, may be appealed to arbitration only by the Union. The Union must file the request for arbitration within ten (10) working days after the receipt of the Board's decision.

a. It is understood and agreed between the parties that the subject of change in wages shall not be subject to binding arbitration.

b. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. The Union's decision to request the movement of a grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Union.

c. Where the grievance involves an alleged violation of individual rights specified in Civil Service Law and Rules for which a specific appeal to Civil Service is available, the individual may present his complaint to the Civil Service procedure or the grievance procedure as herein provided. Once the grievant makes the selection of procedure, such election shall be deemed final and binding and constitute an absolute waiver of the procedure not selected. The election will be made in writing at the appropriate time on the grievance form.

d. The arbitrator shall be selected by agreement between the parties from the panel of arbitrators maintained by the Public Employment Relations Commission, in accordance with the selection procedures of the Public Employment Relations Commission.

e. The parties shall meet at least ten (10) working days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.

f. The decision or award of the arbitrator shall be final and binding on the Board, the Union and the grievant or grievants, to the extent permitted by and in accordance with applicable law and this Agreement.

g. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement, except that he may not make an award which exceeds the Board's authority. The arbitrator shall have no

authority to prescribe a monetary award as a penalty for a violation of this Agreement.

h. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement, and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration, and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declarations of opinions which are not essential in reaching the determination.

i. The costs of the services of the arbitrator shall be borne equally by the Board and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring same.

j. The cost of the transcript, if any, will be borne by the party requesting it. If both parties request a transcript, the cost will be shared equally.

k. The arbitrator shall hold a hearing at a time and place convenient to the parties as expeditiously as possible after his selection and shall issue his decision within thirty (30) days after the close of the hearing.

l. Grievance resolutions or decisions at STEPS 1 through 4 shall not constitute a precedent in any arbitration or other proceeding, unless a specific agreement to the effect is made by the authorized representatives of both parties. This is not to be construed as limiting the right of either party to

introduce relevant evidence, including such grievance resolutions, as to the prior conduct of the other party.

Miscellaneous:

1. Union representation does not preclude representation by an attorney.

2. A minority organization should not present or process grievances.

3. Should the grievant elect to present his own grievance, without Union representation, he should so indicate on the grievance form in the procedural STEP 1.

4. Time limits under this Article may be changed by mutual agreement only.
