- B. If any material, derogatory or adverse to the employee is placed in his/her personnel file, a copy of such material shall be sent to the employee. No document of anonymous origin against an employee shall be eligible for the personnel file. An employee may file a written response of reasonable length to any derogatory or adverse memoranda or documents intended for inclusion in the personnel file. Copies of any written documents, relating to discipline or the work performance of any employee, which are to be used by the Township in any disciplinary proceedings, grievance hearings, or final evaluation report, shall be given to the employee upon request.

ARTICLE 6

SENIORITY

- A. Seniority is defined as an employee's continuous length of service with the employer beginning with his/her latest date of hire as a full-time, regular employee. Previous part-time regular employees who have gone full-time will have their seniority calculated from date of hire based on a pro rata share of the hours worked.
- B. An employee shall be considered without seniority until becoming a regular employee, which shall occur upon the completion of the probationary period. The probationary period shall be six months.
- C. An employee shall lose his/her seniority only if:
 - 1. He/she voluntarily leaves the employ of the Township due to a resignation in good standing.
 - 2. He/she is laid off for lack of work and subsequently fails to report to the Township for work within fourteen (14) days after receiving written recall from the Township by certified mail. Upon receipt of such notice, employee shall make known his/her intention within seven (7) days.
 - 3. He/she is discharged for just and sufficient cause.
- D. Employees who are laid off due to lack of work and are recalled at a later date, subject to the provisions of Section "C," Paragraph "2" above, shall retain all seniority accumulated prior to the time that the layoff occurred.
- E. If an employee in a temporary position becomes permanent, his/her seniority and service time will be calculated from the original date of hire. Upon becoming permanent an employee will not be eligible for retroactive benefits.

ARTICLE 7

LAYOFF AND RECALL

- A. Layoff means the non-disciplinary separation of a full-time or part-time employee from his/her position for reasons of economy or efficiency. The employer agrees that employee layoffs shall be Township-wide on the basis of seniority within function to be laid off beginning with temporary employees, and then, with least senior permanent employees. In all cases, the Township shall provide thirty (30) calendar days written notice to employees who are to be laid off. Seniority rules shall apply only if two (2) employees have equal ability to perform the work required by the position. The Township will notify and meet with the union at least thirty (30) days prior to potential layoffs occurring.
- B. Permanent employees in the appropriate title or with the necessary qualifications, skills and abilities for the position available shall be recalled to work in the reverse order in which they were laid off by the Township. Notice of recall shall be made in writing to the employee's home address of record. The employee must provide the Township with any address change while waiting for recall.
- C. The Township shall not hire new employees while there are employees on the recall list able to perform the duties of the vacant position, unless such employees on recall refuse to accept such employment. An employee recalled to a different position may refuse such position and remain eligible for recall. An employee recalled to a different position may take the position and remain eligible for recall to the position from which he/she was laid off. The recalled employee must report for reinstatement within fourteen (14) days after notice. If he/she does not so report, he/she shall have forfeited his/her recall right.

ARTICLE 8

WAGES AND CLASSIFICATIONS

- A. The Classification for employees in the bargaining unit shown in Appendix "A" are made a part of this agreement.
- B. Across the Board wage increases are as follows: 1.75% retroactive to January 1, 2011 for 2011, and 1.9% retroactive to January 1, 2012 for 2012. All across-the-board increases are to be added to all the minimums and maximums.
- C. Those whose salaries are above the maximum or become maxed out during the life of the contract will receive the same across-the-board increases as other employees.
- D. New hires will normally be hired at the minimum salary. However, a person may be hired above the minimum if they have education and/or experience above the minimum requirement and the proposed salary reflects this.
- E. Employees shall be paid on the basis of 26 pay periods in 2011 and 26.1 pay periods in 2012.
- F. Effective July 2, 2007, a one time salary adjustment in the amount of \$250 will be made for any employee in the Department of Public Works who obtains a Class A License. If an employee loses the license or lets the license expire, the employee's salary will be reduced by \$250.

ARTICLE 9

LONGEVITY

- A. The Township agrees to provide each full-time regular employee with a longevity payment as set forth below:

Each full-time regular employee shall be entitled to longevity based on his/her continuous service. Approved leaves of absence without pay in excess of 30 days except military leave, maternity leave and major illness leave shall be deducted from the employees total continuous services for purposes of determining longevity payments.

Upon completion of five (5) years of continuous and uninterrupted full-time service but fewer than ten (10) years of continuous and uninterrupted service. \$1,011

Upon completion of ten (10) years of continuous and uninterrupted full-time service but fewer than fifteen (15) years of continuous and uninterrupted service. \$1,516

Upon completion of fifteen (15) years of continuous and uninterrupted full-time service but fewer than twenty (20) years of continuous and uninterrupted full-time service. \$2,021

Upon completion of twenty (20) years of continuous and uninterrupted full-time service but fewer than twenty-five (25) years of continuous and uninterrupted full-time service. \$2,526

Upon completion of twenty-five (25) years of continuous and Uninterrupted full-time service. \$3,032

- B. Eligibility for longevity payments is calculated from the date the employee begins his/her regular employment. Part-time employees who become full-time will receive longevity payments calculated on their seniority.
- C. Longevity shall be added to the employee's base rate for purposes of overtime compensation and pension and shall, therefore, be included in the employee's regular paychecks. However, the across the board increase will not be calculated on top of the longevity figure.
- D. Employees hired after July 27, 1997 will not receive longevity.

ARTICLE 10

OVERTIME

- A. Overtime work shall be kept to a minimum and must be authorized in advance by the department head.
- B. Compensatory time may only be taken with five (5) days notice to the Supervisor except in an emergency. The granting of compensatory time off will not be unreasonably withheld. Employees are allowed to accumulate up to five (5) days in compensatory time which may be carried from year to year but under no circumstances may it be more than five (5) days. Public Work employees will have a seventy-five (75) hour cap for utilization of compensatory time per year.
- C. Holidays. If an employee works overtime on a holiday, he/she shall be paid for each holiday plus double his/her base rate.
- D. Call-In. "Call-In" time shall be defined as unscheduled time worked after an employee has been released from his regularly scheduled workday that does not tie into a succeeding workday. Full time employees who are called in to work by their supervisor and/or designee, shall be guaranteed a minimum of four hours pay at the appropriate overtime rate.
When a Call-In occurs prior to a regular work shift but not more than 4 hours prior to that regular work shift, the following shall apply:
 - (a) Employees who are called in up to two hours prior to their normal work shift, shall be paid at the rate of double time for the actual time worked.
 - (b) Employees who are called in to work in excess of two hours prior to the beginning of their regularly scheduled work day shall be guaranteed a four (4) hour minimum at the appropriate overtime rate.
- E. Anticipated overtime shall be scheduled and distributed on a rotational basis by position within the unit without discrimination, provided it does not impair operations. Employees within the unit, who are qualified and capable of performing the work, shall be called upon to perform such overtime work. The Township shall give the employee as much advance notice as possible relative to the scheduling of overtime work. An employee who refuses overtime with a reasonable excuse will not be disciplined. Any employee who refuses overtime without a reasonable excuse shall not be offered additional overtime opportunities until all other employees in the unit shall have been offered the same opportunities without regard to seniority. A list showing the rotational order and the overtime status of each employee shall be prominently posted on a bulletin board in the work area.

ARTICLE 10

OVERTIME (Continued)

1. Overtime will not be offered to an employee who calls out sick and does not work the shift before overtime. If overtime is scheduled in advance and the employee calls out sick the shift before the scheduled overtime, then the employee shall not be entitled to work overtime and the supervisor shall offer such overtime to next employees on the rotation schedule for overtime.

F. Unanticipated (emergency) overtime shall be distributed on a rotational basis (as outlined in Paragraph "E") whenever possible, recognizing that time is critical in responding to emergencies.

G. White Collar Employees. Full-time White Collar employees who are directed to work in excess of thirty-five (35) hours, shall be paid either overtime at the rate of time and one-half their base rate or shall be granted compensatory time off, at time and one-half, up to a maximum of thirty-five (35) hours, at which time the employee shall be paid at the appropriate overtime rate. Prior to the thirty-five (35) hours, the employee shall have the option to be paid, if money is budgeted, or to accumulate compensatory time. The hourly rate shall be determined by dividing the employee's annual base salary by 1820 in 2011 and 1827 in 2012.

H. The work schedule for public safety telecommunicators shall be converted from a basic eight (8) hour workday to a twelve (12) hour workday. They shall work on a 2-on, 2-off; 3-on, 2-off; and a 2-on, 3-off schedule for a total of eighty-four (84) hours in a two (2) week period. Compensation for the extra four hours worked in the two week period shall be in the form of compensatory time at the rate of time and one-half; resulting in each public safety telecommunicator earning a twelve (12) hour compensatory day for each twenty-eight (28) day cycle.

The shifts shall be 7:00 a.m. to 7:00 p.m.; 8:00 a.m. to 8:00 p.m.; and 7:00 p.m. to 7:00 a.m. so that there will be double coverage every day from 8:00 a.m. to 8:00 p.m. The hours may be changed by the Chief of Police at his or her discretion.

Time off shall be granted initially by seniority and then by date/time of request. Only one (1) public safety telecommunicator per twenty-four (24) hour day may be scheduled off for vacation, holiday, compensatory day or personal day except for Christmas and Thanksgiving Day, as the public safety telecommunicators who are scheduled to work the 8:00 a.m. to 8:00 p.m. shift are already permitted these two days off for holiday time.

In the interest of efficiency and availability, every effort will be made to limit the number of per diem public safety telecommunicators to three (3).

On a shift where a vacancy occurs with prior approval, bargaining unit public safety telecommunicators shall be given the opportunity to fill the vacancy before per diem public safety telecommunicators are called to fill the vacancy. In a shift where a vacancy occurs due to unscheduled sick time and/or by a per diem call-out, then bargaining unit.

ARTICLE 10

OVERTIME (Continued)

public safety telecommunicators shall be given first preference to fill the vacancy, before other uniformed personnel are utilized. In the event of any sick or extended illness of greater than ten (10) consecutive working days, the employer may utilize per diem employees prior to regular full-time bargaining unit members.

A public safety telecommunicator who is authorized, directed or required to work longer than his regular tour of duty shall be paid at the rate of time and one-half his regular pay. In computing such overtime, payments shall be made on the following basis:

- (a) Up to the first 15 minutes - no pay
- (b) 16 through 30 minutes - 30 minutes pay
- (c) 31 through 60 minutes - 1 hour pay
- (d) Thereafter, overtime shall be paid on the basis of 30 minute increments for all authorized time worked beyond the regular tour of duty.

All time off provided for in the collective bargaining agreement shall be converted to a proportionate number of days, or shall be converted to an equal number of hours. For example, a public safety telecommunicator entitled to ten (10) eight-hour vacation days shall get either eighty (80) hours or 6.66 days of vacation.

The hourly rate is to be determined by dividing the sum of the employee's base rate plus longevity by the following numbers:

	<u>35 hours</u>	<u>37½ hours</u>	<u>40 hours</u>
2011	1820	1950	2080
2012	1827	1957.5	2088

- I. Blue Collar Employees. Blue Collar employees shall work a thirty-seven and one-half (37½) hour work week from 7:00 a.m. to 3:00 p.m., Monday through Friday, with one paid fifteen minute break in the morning. In the event an employee works a total in excess of 37½ hours, up to 40 hours Monday through Friday, such employee shall be compensated at straight time. A Blue Collar employee who is authorized, directed, or required to work longer than his/her regularly scheduled work week and receives approval for overtime, shall have the option to be paid at the rate of time and one-half his/her normal pay, or be granted compensatory time off, at the appropriate rate to a maximum of 37½ hours at which time the employee shall be paid at the appropriate overtime rate.

ARTICLE 10

OVERTIME (Continued)

If an employee works sixteen (16) consecutive hours prior to his regular shift the employee will go to double time during said shift. If in the judgment of the employee and supervisor, the employee is asked to discontinue overtime for the purpose of rest, the employee will be paid regular time for all or part of the regular shift that cannot be worked. However, if an employee fails to return to work after said time off then the employee shall be liable for the time off.

In addition, all overtime from midnight Friday to midnight Sunday shall be paid at the double time rate.

In determining such overtime, payment shall be made on the following basis:

- (a) Up to the first 15 minutes --- no pay
- (b) 16 through 30 minutes --- 30 minutes pay
- (c) 31 through 60 minutes --- 1 hour pay
- (d) Thereafter, overtime shall be paid on the basis of 30 minute increments for all authorized time worked in addition to the regularly scheduled work day.
- (e) All time worked in addition to one full consecutive overtime shift (that is - after 16 consecutive hours) shall be paid at double time, based on the employee's hourly rate.

The hourly rate is to be determined by dividing the sum of the employee's base rate plus longevity by the following numbers:

	<u>35 hours</u>	<u>37½ hours</u>	<u>40 hours</u>
2011	1820	1950	2080
2012	1827	1957.5	2088

1. Any employee who is a member of the National Guard or the Reserves shall be allowed to attend annual training without loss of time off and shall be granted full pay while in attendance.
 2. The leave for training shall not adversely affect any other employee's time off as long as the Township incurs no premium/overtime rate.
 3. The employee will notify his or her Supervisor as soon as possible after receiving notice of required training, but not less than the two (2) months prior to the drill dates unless cause can be shown as to why this cannot be done.

ARTICLE 12

- C. Good Samaritan. If an employee is subpoenaed to court because of a Good Samaritan Action, they will not be required to use personal days. All other court subpoenas other than those work related, will require the employee to use personal/vacation days.

ARTICLE 13

- C. If an employee's vacation entitlement period changes during a calendar year, he/she may be permitted to take his/her vacation based on the new entitlement at any time during the calendar year regardless of anniversary date.
- D. If an employee should terminate employment prior to his/her anniversary date and after taking his/her full entitlement, he/she shall reimburse the Township for vacation taken and not earned. Said payment shall be deducted from the employee's final pay. If the days taken are in excess of days earned, he/she shall have this proper amount of compensation deducted from his/her final pay. Should insufficient funds be available, the employee shall reimburse the Township for the difference to make up for the absence on the unearned days.

Part-time regular employees shall be entitled to sick leave as established on a prorated basis. Any part-time employees hired by the Township after January 1, 2007 must work at least twenty (20) hours per week to be eligible to earn pro-rated sick leave.

DISCIPLINARY ACTIONS

- A. Progressive disciplinary action may be taken against any employee when it is believed that the employee is not conforming to the letter or spirit of Township policies and rules; or to specific instructions given to him/her; or has acted improperly, dishonestly, immorally, illegally; or has violated any of the rules or regulations. All discipline will be corrective in intent.
- B. Depending on the seriousness of the matter, disciplinary action against employees shall be in following forms:
1. Informal verbal reprimand by supervisor, department head or Business Administrator.
 2. Written reprimand from supervisor, department head or Business Administrator.
 3. Suspension from duty without pay by Business Administrator.
 4. Demotion of employee by Business Administrator.
 5. Separation from service by Business Administrator.

Temporary suspension from duty of any employee may be ordered by the Business Administrator if there are criminal charges pending against an employee or if an employee is indicted in a criminal proceeding. However, no disciplinary action in the form of a demotion, suspension or termination shall be taken against an employee for any other reason until after the steps of the grievance procedure have been completed.

- C. Where the Township or designee may impose discipline, written notice (if practicable) of such discipline shall be given to the employee prior to imposition of said penalty. Such notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline. The name of any employee, who is notified of disciplinary action, shall be transmitted to the Union within seventy-two (72) hours after such notice.

No notice shall be provided if termination is for a gross violation such as a violation of law.

ARTICLE 30

DISCIPLINARY ACTIONS (continued)

- D. Misconduct. In the event a formal charge of misconduct is made by the Township against an employee, and if he/she so represents, he/she shall be entitled to a Union representative as a witness or as an advisor during any subsequent interrogation of the employee concerning said charge. No tape recording of such procedure shall be made without advance notification to the employee and the Union. There shall be no presumption of guilt. The employee and/or the Union, if present, may request and receive a copy of any tape recordings made.

- E. An employee whose current job description requires a valid New Jersey Drivers' License, and who has his/her driver's license suspended or revoked because of moving violations, or who has demonstrated unsafe driving habits in the opinion of the Business Administrator, shall be subject to disciplinary action, including dismissal.

ARTICLE 31

GRIEVANCE PROCEDURE

Grievance, as used in this Agreement, is defined as a complaint or a request of an employee which involves the interpretation or application, or compliance with, the provisions of this Agreement.

The following procedure shall be observed:

STEP I Any employee having a grievance shall first take it up with the Steward or another representative authorized by the Union within five (5) working days of occurrence or within five (5) working days of when the grievant could reasonably have known of the matter grieved, who shall then take it up with his/her supervisor. However, in no event shall this step be initiated more than fourteen (14) working days after the grievance has occurred. If no settlement is made within two (2) working days then the grievance shall be put in writing within the next seven (7) working days and the Steward or other union representative shall take it up with the Business Administrator. Failure to act within stated time periods shall be deemed to constitute an abandonment of the grievance.

STEP II The Business Administrator shall, within ten (10) working days, review the grievance and prepare his/her response or schedule a meeting with the parties involved in the grievance. If a meeting is held, the Business Administrator shall have five (5) working days from the conclusion of the meeting to render a decision. In the event the grievant is not satisfied with the decision of the Business Administrator, the Union shall have twenty (20) working days from the date of the decision of the Business Administrator to submit the matter to arbitration.

STEP III Arbitration shall be the sole method to resolve a grievance concerning the interpretation, application or violation of any provisions of this agreement, amendment, or supplement thereto, or any statute or regulation setting terms and conditions of employment. If the arbitrable grievance is not settled through Steps I or II, either party may proceed to arbitration pursuant to the rules and regulations established by the Public Employment Relations Commission under the provision of Chapter 123, Laws of 1974. A request for arbitration shall be made no later than twenty (20) working days following the determination of the Business Administrator. Failure to act within twenty (20) working days shall be deemed to constitute an abandonment of the grievance unless the aggrieved party and the Business Administrator shall mutually agree upon a longer period of time within which to assert such a demand.

ARTICLE 31

GRIEVANCE PROCEDURE (Continued)

The time limits expressed herein shall be strictly adhered to. If any grievance has been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If the grievance has not proceeded to the next succeeding step in the grievance procedure within the time limits prescribed hereunder, then the disposition of the grievance at the last proceeding shall be conclusive. If a decision is not rendered within the time limits prescribed for a decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend the time limits for proceeding with the grievance at any step in the grievance proceeding. Extension requests shall not be unreasonably denied.

An arbitration hearing shall not be scheduled sooner than thirty (30) days after the final decision of the Business Administrator.

The decision of the arbitrator shall be final and binding on all parties. The arbitrator shall not have the authority to add to, modify, or detract from in any way the provisions of this Agreement or any amendment or supplement thereof. Only one (1) grievance at a time may be submitted to a single arbitrator.

The costs for the services of the arbitrator shall be borne equally between the Township and the Union. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

If the Union files a grievance, the processing of said grievance shall be commenced with Step II and the first meeting shall be held within ten (10) working days from the date the grievance is first filed in writing. Failure to act within the prescribed time periods at any step shall constitute abandonment of the grievance.

ARTICLE 32

JOB CLASSIFICATION

A system of job classification with appropriate position descriptions shall be utilized by the Township. Copies of position descriptions shall be maintained in the Business Administrator's office and shall be made available to the Union upon request. The Business Administrator and the Union will convene a committee to determine titles, job classifications and duties within sixty (60) days of this Agreement.

ARTICLE 33

OUT-OF-TITLE WORK

- A. When a Blue Collar employee is required to perform work in a higher classification, the employee shall be paid for the period of time he/she performs the higher classification work at the higher classification rate of at least six percent (6%) over the employee's regular rate.

- B. When a White Collar employee is required to perform work in a higher classification for two (2) consecutive days or more, the employee shall be paid for the period of time he/she performs the higher classification work at the higher classification rate of at least six percent (6%) over the employee's regular rate.

ARTICLE 34

LOCKOUTS

No lockout of employees shall be instituted or supported by the Township during the term of the Agreement.

The Union hereby agrees not to cause any strike, work stoppages or slowdowns of any kind.

ARTICLE 35

SUBCONTRACTING OF WORK

If during the term of this Agreement, the Township contracts or subcontracts work normally performed by employees covered by this Agreement, and such action results in layoff or job displacement, employees affected shall be given every opportunity available to continue employment within their job classification or any other position available for which they are qualified prior to layoff or similar action. An employee thus affected shall be protected by the provisions of this Agreement, by any relevant policies and regulations of the Township. The Township shall meet with the Union to discuss incidents of contracting or subcontracting whenever it becomes apparent that a layoff or job displacement shall result therefrom.

The Township shall meet and confer with the Union at least sixty (60) days prior to subcontracting any work currently performed by the bargaining unit or any new additional work that could be reasonably expected to be performed by the bargaining unit based on the duties of current bargaining unit assignments. In the case of an emergency, the above notice requirement shall not apply; however the township shall notify the union as soon as possible. Such notice and meeting shall take place each time the Township desires to contract or subcontract the work as provided in the paragraph above, even if the same subcontractor is used.

ARTICLE 36

HEALTH AND SAFETY

Should a health and safety issue be identified, the Business Administrator or his/her designated representative shall meet with representatives of the union within forty-eight (48) hours of being informed of the issue.

ARTICLE 37

DUES DEDUCTION

- A. The Township shall deduct union dues from the employee's pay within thirty (30) days following receipt of written authorization from the individual who is a member of the Union.

Annual union dues shall be 1.15% of base salary.

- B. Agency Shop

1. The Township agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Union and transmit the fee to the majority representative.
2. The deduction shall commence for each employee who elects not to become a member of the Union during the month following written notice from the Union of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission.
3. The fair share fee for services rendered by the Union shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Union, less the costs of benefits financed through the dues and available only to members of the Union. The fee is eighty-five (85%) of the regular membership dues, fees and assessments.
4. The Union shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Union to the Township, or in reliance upon the official notification on the letterhead of the Union and signed by the President of the Union, advising of such changed deductions.

- C. The Township shall discontinue dues deduction upon receiving written authorization from the employee. The effective date of such discontinuance shall be the next succeeding January 1 or July 1.

ARTICLE 37

DUES DEDUCTION (Continued)

Dues deducted shall be forwarded each month to the:

Treasurer
Communications Workers of America Local 1032
67 Scotch Road
Ewing, NJ 08628

A listing, in duplicate, showing the names and amounts deducted, and biweekly salary shall accompany the dues transmittal.

ARTICLE 38

SEPARABILITY AND SAVINGS CLAUSE

If any provision of this Agreement or any application of this Agreement to any employee(s), member(s) is held to be invalid by operation of laws by any court or other tribunal of competent jurisdiction, then such provision and application shall be deemed inoperative; however, all other provisions and applications contained herein shall continue in full force and effect, and shall not be affected thereby.

ARTICLE 39

OUTSIDE EMPLOYMENT

A. Employees should not engage in outside employment, which conflicts with their responsibility to the Township. Employees will be permitted to engage in outside employment if it does not constitute a conflict of interest and is work that would not be performed during an employee's normal tour of duty with the Township. However, the employee recognizes that his primary employment responsibility is to the Township and he will therefore be available immediately following tours of duty, upon reasonable notice by the Township, if he is called back to perform service on an emergency basis at hours other than during the normal tour of duty. Employees will advise the Department head of such outside employment, which is conducted on a continuing basis.

ARTICLE 40

DURATION OF AGREEMENT AND FULLY BARGAINED PROVISIONS

- A. The terms and effects of this Agreement shall be in force commencing January 1, 2011, and shall remain in effect and full force through December 31, 2012. It shall be automatically renewed from December 31, 2012, for two-year periods unless either party shall give written notice one hundred and twenty (120) days prior to the expiration date of its desire to modify this Agreement. In the event that such notice is given, negotiations shall begin no later than ninety (90) days prior to the expiration date. This Agreement shall remain in full force and be effective during the period of negotiations.

- B. The parties acknowledge this to be their complete agreement on all bargainable issues, which were or could have been the subject of negotiations, and thereby waive any right to further negotiations. However, any proposed new regulations or modifications of existing regulations governing the terms and conditions of employment shall be presented to the Union and negotiated.
