MORRIS TOWNSHIP POLICE ADMINISTRATOR'S ASSOCIATION

Side - Bar Agreement

The purpose of this section is to establish twelve (12) hour Pitman Schedule for the sergeants assigned to the Patrol Division.

Section 1. The Work Schedule:

- (a) Sergeants shall work a twelve (12) hour tour of duty with base tours of 0630 -1830 (day shift) and 1830 -0630 (night shift). The 12 hour work schedule is based on a rotating cycle of work days and days off operating on a two (2) week cycle commencing every other Monday. (2 days on duty / 2 days off duty / 3 days on duty / 2 days off duty / 2 days on duty / 3 days off duty.)
1. During the course of the cycle sergeants will work seven (7) 12 hour tours totaling eighty-four (84) hours of work. The hours per two (2) week cycle over the normal eight (80) hours will be credited at straight time to a separate time account, known as the Pitman Account.
 2. Sergeants may make unlimited shift changes of single days and (6) whole work cycles, provided such changes do not result in a sergeant receiving overtime. Unlimited single day schedule changes will remain in effect.
 3. In order to minimize the effects of rotating shifts, the schedule will include three cycles of the same or similar tours of duty. Upon completion of the third cycle, the squads will rotate from days to nights, or nights to days depending on their previous shift assignment.
 4. Hours worked beyond the scheduled tour of duty will count as overtime and be compensated at time and a half (paid overtime or compensatory time).
 5. For pay purposes the workweek will remain a calendar workweek of (40) hours.
 6. Sergeants will continue to accrue "Pitman time" while on vacation, sick leave, personal time, disability time, military time, compensation time and bereavement time.

MORRIS TOWNSHIP POLICE ADMINISTRATOR'S ASSOCIATION

7. Time off will be deducted in accordance with the number of hours the sergeant was scheduled to work on a given tour of duty. Compensatory time or Pitman time can be used in combination with personal leave or bereavement leave in order to provide sufficient hours to enable sergeants to take the allowable number of benefit days (shifts) off. While working the Pitman schedule sergeants shall be entitled to thirty six (36) hours of personal time and thirty (30) or ten (10) hours of bereavement time, as the case may be, and one hundred (100) hours of sick leave.

Section 2: Squad Assignments:

- (a) Sergeants will be assigned to supervise a squad with a minimum of (6) patrol officers, with a total of (4) squads.
 1. Transfers from one squad to another will be at the discretion of the Chief of Police or his designee. Sergeants may request transfer through the chain of command with the final approval at the discretion of the Chief of Police or his designee.

Section 3: Use of Pitman Time

- (a) Sergeants shall submit their requests for Pitman time off to the Patrol Division Commander who will process the requests for time off based on seniority and the availability of a relief supervisor.
- (b) Pitman time will be granted subject to the staffing needs of the department. No Pitman time will be granted if it will incur an overtime expense to the Department, except in the case of combining it with personal time or bereavement leave.
- (c) If a requested time off is denied due to staffing requirements the Division Commander will return the request to the sergeant. The sergeant may then request another tour off.
- (d) If the sergeant is unable to use his accumulated Pitman time during a regular rotation because of staffing requirements, the sergeant may carry the time in his/her Pitman time account.
- (e) The Pitman time account will have a maximum limit of 48 hours. The Chief of Police or his designee may authorize a higher limit on Pitman time if the needs of the Department prevent a sergeant or several sergeants from expending accumulated time in excess of forty-eight (48) hours.
- (f) Pitman time requests for whole shifts off will supersede requests for partial shifts off except in the case of combining it with personal or bereavement leave.

MORRIS TOWNSHIP POLICE ADMINISTRATOR'S ASSOCIATION

- (g) Minimum supervisory manpower for the Patrol Division shall be one (1) patrol supervisor (officer with the rank of sergeant or lieutenant) 24 hours a day.

Section 4: Training:

- (a) In House Training: The department will schedule in-house training for Sergeants on their scheduled days off. This training time will be added to the Pitman time account at a rate of time and one-half. This time may be used by the Sergeants in accordance with the procedures set forth above. The department will provide advance notice for training days. Training days will be scheduled generally for eight (8) hours. There will be a maximum of six (6) training days scheduled per year.
- (b) Academy Training and Teaching
 1. Police academy training and teaching is addressed in one of the following methods, depending upon the duration of the training, the location of the training and the scheduled hours.
 2. When a sergeant attends a single or multiple day training program, less than one week, the sergeant will be scheduled for a twelve hour tour of duty for the day of the training. Upon completion of the scheduled training session, the sergeant will have the option of completing his/her twelve (12) hour tour, or, request the use of vacation, Pitman or compensatory time off to complete the twelve (12) hour tour.
 3. Sergeants assigned to a one-week training program will be credited with a forty (40) hour workweek. If extensive travel time is included due to the location of the training facility, i.e. NJSP Academy in Sea Girt or an out-of-county facility, the necessary adjustments to the officer's schedule will be made for the balance of the work cycle.
 4. Sergeants assigned to a two (2) week training program will get credit for forty (40) hours in each week unless the travel time indicates the sergeant should receive additional hourly compensation. No Pitman time will accumulate.

MORRIS TOWNSHIP POLICE ADMINISTRATOR'S ASSOCIATION

Section 5: Administrative Sergeant

- (a) The fifth Sergeant's primary function is to provide relief for the four (4) other squad sergeant's time off due to; vacation, Pitman, compensatory, personal, disability, sick time, etc.
1. When the administrative sergeant is not providing relief, he/she will be assigned to work Monday through Thursday, 0700-1700, and will handle staff assignments as directed by the Division Commander.

Section 6: Meal Breaks: Sergeants working the twelve (12) hour tours of duty will receive a one (1) hour meal break. Sergeants will be subject to call during their meal break, when necessary.

Section 7: Court Appearances: If a Sergeant is working the night shift the day before or after a scheduled court date, the sergeant will not be required to attend the court session so the proper rest can be obtained.

Section 8: Vacation Requests: Selection for vacation time off will be based upon seniority for all full weeks off submitted before the annual March 31 deadline. Any requests for single days off for; vacation, comp-time, Pitman time, etc., will be handled on a first-come, first-serve basis.

Section 9: Overtime and Extended Shifts: When it becomes necessary to replace a sergeant due to; illness, personal time, bereavement, or for any other reason that may incur an overtime expense the following procedures will be followed:

(a.) Overtime for an Entire Shift

1. The sergeant from the off-duty squad working the same shift, day to day or night to night will be contacted first. If the sergeant is not available the off-duty sergeant working the opposite shift will be contacted, (day to night). The administrative sergeant will be contacted next for the shift replacement.
2. If a replacement sergeant is not available the overtime then will be offered to a lieutenant.
3. Sergeants working the 12 hour tour may be extended a maximum of six (6) hours to cover overtime.

MORRIS TOWNSHIP POLICE ADMINISTRATOR'S ASSOCIATION
