- B. Unless otherwise indicated, the term “Supervisor” when used hereinafter in this Agreement shall refer to all personnel represented by the Association as defined in Section A. above. References to either male or female members shall include the opposite sex.

ARTICLE II
NEGOTIATIONS PROCEDURES

- A. Negotiations
1. The parties agree to enter into collective negotiations over a successor agreement in accordance with NJSA 34:13A-1 et. seq. in a good faith effort to reach agreement concerning terms and conditions of employment for all employees for whom the Association is authorized to negotiate.
 2. Any agreement so negotiated shall be applicable to all personnel for whom the Association is authorized to negotiate and shall be reduced to writing upon being ratified by the Association, upon being adopted by appropriate resolution of the Board, and shall be signed by the Board and the Association.

- B. This Agreement shall not be modified, in whole or in part, by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III

GRIEVANCE PROCEDURE

A. Definitions

1. A “grievance” is a claim by a Supervisor that he/she has suffered a loss or injury as a result of misinterpretation, misapplication, or violation of this Agreement, policies, or administrative decisions affecting terms and conditions of employment.
2. A grievance to be considered under this procedure must be initiated by the Supervisor within twenty-five (25) calendar days from the time the action is taken or when the act is known or should have been known.
3. An aggrieved person is the person or persons making the claim.

B. Purpose

The purpose of this procedure is to resolve differences, at the lowest possible administrative level, concerning the rights of the parties regarding the terms and conditions of employment of the employees covered by the contract.

C. Procedure

1. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved person(s) to proceed to the next step.

2. Failure at any step of the procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

D. Level One

1. Any Supervisor who decides either alone or with the assistance of the Association that he/she has a grievance shall discuss it with the Assistant Superintendent or Principal, whoever is appropriate, in an attempt to resolve the matter informally at that level. If, as a result of the discussion, the matter is not resolved to the satisfaction of the Supervisor within seven (7) calendar days of such discussion, the Supervisor shall set forth his/her grievance in writing to the Assistant Superintendent or Principal specifying:

- a. the nature of the grievance and the date occurred;
- b. the results of the previous discussions;
- c. his/her dissatisfaction with the decisions previously rendered; and
- d. relief sought.

E. Level Two

1. The Supervisor, no later than seven (7) calendar days after receipt of the Assistant Superintendent's or Principal's decision, may appeal the decision to the Chief School Administrator or his/her designee. This appeal to the Chief School Administrator must be made in writing, reciting the matter submitted to the Assistant Superintendent or Principal as specified above and the Supervisor's dissatisfaction with the decision previously rendered. The Chief School Administrator shall attempt to resolve the matter as quickly as possible, but within

a period not to exceed fifteen (15) calendar days, the Chief School Administrator shall communicate his/her decision in writing to the Supervisor and the Association.

F. Level Three

1. If the grievance is not resolved to the Association's satisfaction, the Association may request an informal appearance with the Board. The request shall be submitted in writing to the Chief School Administrator who shall attach all related papers and forward the request to the Board. A committee of the Board shall review the grievance and conduct the informal appearance with the employee, if requested, and the Board shall render a decision in writing within forty-five (45) days.

G. Level Four

1. If the Association is dissatisfied with the decision of the Board, and only if the grievance pertains to a violation of this Agreement between the Board and the Association, the Association shall file with the Public Employment Relations Commission a request for the submission of a panel of arbitrators to hear the particular issue. The parties shall be bound by the rules of PERC. The Association shall notify the Chief School Administrator of its decision to arbitrate.
2. The Association shall represent or approve the representative of said grievant at the arbitration level.
 - a. The arbitrator so selected shall confer with the representatives of the Board and the Association, shall hold hearings promptly, and shall issue

his/her decision not later than thirty (30) calendar days from the date of the close of hearings.

- b. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to nor subtract anything from the Agreement between the parties.
- c. The recommendations of the arbitrator shall be binding. His/her decision shall be in writing but he/she shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is a violation of the terms of this Agreement.

H. General Regulations

- 1. All appeals taken past the immediate superior of the aggrieved party must be stated in writing.
- 2. All time limits stated within this procedure must be strictly adhered to unless an extension is mutually agreed upon in writing by both parties.
- 3. Staff members who participate in any matter processed through the grievance procedure or who refuse to participate in such process are assured that neither party to the Agreement shall engage in any reprisals because of their participation or refusal to participate.
- 4. The aggrieved party and his/her representatives shall have the right to be present at all hearings conducted at any step of the grievance procedure.
- 5. The right of a staff member to attempt to resolve a grievance directly through normal administrative procedure is not to be abridged in any way.

6. There will be no suspension of a grievance procedure when schools are not in session except by mutual consent of the parties.
7. The aggrieved shall have the right to present his/her own appeal or designate representatives of the Association to appear with him/her or for him/her at any step in his/her appeal through the level of Chief School Administrator. If the aggrieved does not designate a representative, the Association shall be notified that a grievance is in process and shall have the right to be represented at all hearings pertaining to the grievance.
8. In the event that a grievance results from an action of a school official higher than the rank of Assistant Superintendent the grievant may set forth his/her grievance, in writing, to the Chief School Administrator or his/her designee, specifying:
 - a. the nature of the grievance and date occurred;
 - b. the results of the previous discussions;
 - c. his/her dissatisfaction with decisions previously rendered; and
 - d. relief sought.

The Chief School Administrator or his/her designee shall render his/her decision to the member in writing within seven (7) calendar days of receipt of the written grievance.

9. The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by party incurring same.

I. Year End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in the grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as practicable.
