WHEREAS, this Agreement is designed to maintain and promote a harmonious relationship between the Township and such of its Employees of the uniformed Fire Department who are within the provisions of this Agreement, through collective negotiations, in order that more efficient and progressive public service may be rendered; and

WHEREAS, the terms and conditions of employment, wages, fringe benefits, grievance and arbitration procedures, and other provisions pertaining to working conditions of Employees within the jurisdiction of the Union are hereby embodied within the four corners of this Collective Negotiations Agreement;

NOW, THEREFORE, in consideration of the mutual promises herein contained and the receipt of other good and valuable consideration the receipt of which is hereby mutually acknowledged, it is hereby mutually agreed, bargained, covenanted, and promised as follows:

ARTICLE 1

RECOGNITION

Section 1. The Township hereby recognizes the Union as the sole and exclusive representative of all Employees in the bargaining unit as defined in Article 1, Section 2, hereof for the purposes of collective negotiations concerning salaries, hours and other terms and conditions of employment.

Section 2. The bargaining unit shall consist of all firefighters performing unit work or members of the Fire Department below the rank of Lieutenant of the Township of Montclair, New Jersey, now employed or hereafter employed.

Section 3. This Agreement shall be binding upon the parties hereto and their successors.

Section 4. Unless otherwise indicated, the terms "Firefighter", "Employee", or "Employees", when used in this Agreement, refer to all persons represented by the Union in the above-defined negotiating unit.

Section 5. The Township and the Union hereby agree that the Union has the exclusive right to negotiate for Firefighters as to rates of pay, hours of work, and other terms and conditions of employment.

ARTICLE 2

ASSOCIATION SECURITY/DUES CHECK-OFF/CREDIT UNION

The following sections are subject to the ruling of the United States Supreme Court in *Janus v. American Federation of State, County, and Municipal Employees, Council 31*, No. 16-1466, 585 U.S. ___ (2018).

Section 1. All Employees covered by this Agreement who are members of the FMBA at the time this Agreement is ratified, or who hereafter become members during the term of this Agreement, must retain their membership in the Association for the duration of this Agreement, in accordance with the terms noted in this paragraph, by offering to pay regular monthly dues and initiation fees assessed against all members of the FMBA. Employees shall continue to authorize deduction of dues in writing but said writing may be in electronic form. Once authorization is given, Employees may *only* withdraw their consent in writing during the ten calendar days following each anniversary date of their employment. Once such withdrawal notice is received, the Township shall notify the Union in writing within five calendar days of receipt of the employee's revocation of authorization of dues deductions through payroll and the revocation shall become effective 30 calendar days after the anniversary date

Section 2. The Employer agrees to deduct from the salaries of its Employees who are members of the Union pursuant to Section 1 dues from the FMBA member. Such deductions shall be made in compliance with N.J.S.A. 52:14-15.9e, as amended, and N.J.S.A. 34:13A-5.6. Said monies, together with records of any corrections, shall be transmitted to the FMBA Treasurer or his/her designee within three (3) working days from the payroll period ending date of each payroll period.

Section 3. Employees who elect not to become members of the Union pursuant to Section 1 of this Article, shall be considered non-members. Notwithstanding said Employees' withdrawal from the Union a representation fee shall be paid only upon written consent authorizing such fees to be deducted. If written consent is not provided authorizing such fees to be deducted, then no representation fees may be deducted.

Section 4. Payment of the representation fee in lieu of dues shall be made to the Union during the term of this Agreement affecting such non-member Employees and during the period, if any, between successive Agreements so providing, on or after, but in no case sooner than the 30th day following the beginning of the Employee's employment in the unit hereunder, and no sooner than the 10th day following reentry into the appropriate unit for Employees who previously served in a position included in the unit hereunder but who continued in the employ of the Employer in an excluded position.

Section 5. The Employer shall effect each Employee's request for Credit Union Check-off to the Union Credit Union Plan (East Orange Firemen's Federal Credit Union) upon authorization of the individual Employee to do so.

Section 6. The Association shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards as furnished by the Association to the Township, or in reliance upon the official notification on the letterhead of the Association signed by the president of the Association advising of such changed deduction.

Section 7. The Association shall provide the Township with its statutorily drafted demand and return system.

Section 8. The Township agrees to comply with the provisions of the Workplace Democracy Enhancement Act (WDEA).

ARTICLE 3

UNION NEGOTIATING AND GRIEVANCE COMMITTEES

Section 1. The Employer shall permit members of the FMBA Grievance Committee (not to exceed a total of three (3)) to conduct the business of the Committee, which consist of investigating Employee grievances and conferring with Employees and the Employer on grievances in accordance with the grievance procedure set forth herein, and representing Employee interests arising from said grievances to the Employer during the duty hours of the members without loss of pay or compensatory time, provided the conduct of said business shall require the recall of off-duty Firefighters to bring the Department to its proper effectiveness. Provided that the same does not diminish the effectiveness of the Fire Department, the Committee shall be permitted to conduct the business set forth herein in any Fire House. The Chief shall be notified of meetings in advance.

Section 2. The Employer shall permit members of the FMBA Negotiation Committee to attend collective negotiations meetings during the duty hours of the members. However, only three (3) members of such Committee shall be permitted to attend such meetings without loss of pay or compensatory time only if it does not diminish the ranks.

Section 3. The Employer agrees to grant the necessary time off without loss of pay or compensatory time to the members of the FMBA elected as delegates to attend any state convention of the N.J. Firemen's Mutual Benevolent Association, in accordance with statute.

Section 4. The Employer shall grant time off without loss of pay to the President of FMBA No. 20 and the Legislative Delegate to the New Jersey State FMBA, or alternate, to conduct FMBA business and to attend State FMBA business functions which require their attendance. The Employer further agrees that the said officials shall be granted time off without loss of pay or compensatory time to attend, in an official capacity as representatives of the FMBA, funerals for Firefighters who have given their lives in the course of their duties as Firefighters provided that such attendance does not diminish the effectiveness of the Department.

Section 5. The Executive Board of the Association shall be granted time off from duty, provided it does not unduly interfere with the operation of the Department, and shall suffer no loss of regular pay or compensatory time for meetings of the Executive Board and the membership meetings of the FMBA when such meetings take place at a time when such members are scheduled to be on duty.

ARTICLE 4

ACTING APPOINTMENTS

Section 1. Whenever a member of the bargaining unit is required to serve as an Acting Officer, which shall include the positions of Lieutenant, Captain, and the Battalion Chief, the member shall be paid as follows:

A. Short Term Acting - When a member of the bargaining unit is required to serve as an acting officer to fill in for an officer on leave he/she will receive the rate of pay in the first step of the rank immediately above his/her own rank on an hour-for-hour (or part thereof) basis.

B. Long Term Acting - When a member of the bargaining unit is required to serve as an acting officer to fill in for an officer on terminal leave, the next person on the promotional list will serve in an acting capacity without pay until the departing employee is no longer paid. The acting officer's seniority (including eligibility to move to the next step in the pay scale) in the higher position begins from the time he/she first assumed the position.

C. The Township retains the right to determine when a vacancy exists and when an acting officer is serving in a short term or long term acting capacity. Once the Township determines to fill a long term acting position, the acting officer is entitled to the promotion when the departing employee is off the payroll.

i. The person who served in the acting capacity will not vest in the retired officer's position unless the person actually retires without returning;

ii. The officer serving in the acting position will be advised, in writing, of the approximate date of promotional opportunity upon commencing work in the acting capacity.

iii. The person who served in the acting position will be required to sit for the next promotional procedure even if he or she is serving in the Long Term Acting Position at the time that the next promotional procedure commences;

iv. If the retiring officer returns to duty before the results of a pending promotional procedure have been finally determined, then the results of the new procedure shall apply; if the retiring officer returns to duty after the results of the pending promotional procedure have been finally determined, then the officer who was in the Long Term Acting Position will be deemed to be vested in the right to succeed to the next promotion available.

Section 2. The Township reserves the right to assign whomever it so chooses to acting officer positions.

ARTICLE 5

HOURS OF WORK

Section 1. Excluding employees in the Fire Prevention and Training Bureaus, the regular workweek will be a twenty-four (24) hour tour of duty with a starting time of 8:00 a.m., followed by seventy-two (72) hours off, with a workweek that averages not more than forty-two (42) hours computed over an eight-week cycle. The 24/72 work schedule was implemented on the major premises of and for the objective of effectuating costs savings for the Township via reduced overtime costs as caused by non-catastrophic/non-extraordinary utilization of sick leave by bargaining unit members. The workweek for new hires and for any other employees for training purposes as the Township determines is necessary, will be a forty-two (42) hour workweek with a work schedule determined by the Chief.

Section 2. Notwithstanding the requirements of the Fair Labor Standards Act as amended in 1974, it is expressly agreed by and between the Union and the Employer that the Union shall waive any right to overtime payments for the two (2) hours normally worked in excess of forty (40) hours in any work week. However, overtime shall be paid in accordance with the requirements of 29 U.S.C. sec. 207(k).

Section 3. For the training officer, the normal work week shall be a four (4) day, ten (10) hour per day Monday through Saturday work week, for a total of forty (40) hours, plus assigned duties, hours and holidays, in accordance with Article 33, Section 4.

Section 4. Present work schedules and practices in connection therewith shall be maintained during the duration of this Agreement except as modified herein.

Section 5. The Battalion Chief or his/her designee in charge of each group shall establish a roster of the Employees in his group on a seniority basis. Whenever overtime work is required, it shall be rotated among Employees in the roster. If an Employee refuses an assignment to work overtime, he/she shall be considered as having such overtime assigned for the purpose of maintaining a proper order of rotation for future assignment, firefighter for firefighter, officer for officer.

ARTICLE 6

BULLETIN BOARDS: FMBA VISITATIONS

Section 1. Subject to prior approval of the Chief, which approval shall not be unreasonably withheld, the Township shall permit the FMBA, through its President or his/her designee, use of bulletin boards in each Fire House for the posting of notices concerning FMBA business and activities affecting the welfare of FMBA members, excluding political advertisements and notices.

Section 2. A Firefighter, member of the Grievance Committee, Negotiating Committee, and/or Counsel for the FMBA or the FMBA's designee may enter the Fire Department at its several locations at reasonable times during working hours for the purpose of investigating facts relating to Employees grievances or other matters relating to the operation of this Agreement. An Employee-grievant may be released with pay from his/her duty in order to confer with such representative(s) of the FMBA, subject to the reasonable scheduling demands of the Employer.

ARTICLE 7

LEGAL ACTIONS AGAINST FIRE FIGHTERS

Section 1. The Township shall provide legal defense for any employee covered by this Agreement in accordance with N.J.S.A. 40A:14-28.

Section 2. All fees paid out under this Article shall be no larger than the Township Attorney's hourly rate.

Section 3. Any Employee called in to testify shall be entitled to overtime as long as the testimony is job-related and the Employee is off-duty when testifying.

ARTICLE 8

ACCESS TO PERSONNEL RECORDS

Section 1. The Employer shall permit each Employee the right to fully inspect and examine, without restriction, his personnel records at least once during each calendar year, upon notice to the Employer. When an Employee wishes to view his/her personnel file he/she must make a request to the Human Resources Office. The Human Resources Office shall notify the requesting Employee in writing with the date and time the Employee can review the file. A copy of the notice shall be sent to the Fire Chief by the Human Resources Office. Such inspection and examination shall take place in a private place provided by the Employer at reasonable hours. The Employer may require that such inspection and examination take place in the presence of the Human Resources Director and/or his/her designee, and the Employee may, at his sole option, have a third party of his choice present at such inspection. The Employee shall be provided with copies of all or any items contained in and among his personnel records at the Employer's expense, and upon the Employee's demand. Employees can request copies within a reasonable time frame of items in their personnel file. Employees will request that only necessary items will be copied. When the Employee requests information to be included in their personnel file, said request must be made through the Fire Chief. All negative documentation going into the Employee's file will be initialed by the Employee. The initialing by the Employee does not indicate concurrence with the documentation, just the receipt of such documentation. The Employee shall be given thirty (30) days from the date he initials material placed in his file to rebut. Only the official personnel records, and no others, shall be maintained for each Employee.

Section 2. The Employer shall provide the Employee with access to his/her service and medical records, and within a reasonable time following such Employee's request, shall provide such Employee with a copy thereof.

ARTICLE 9

NO DISCRIMINATION AND COERCION

There shall be no discrimination, interference or coercion by the Employer or by any of its agents against the Union or against the Employees represented by the Union because of membership or activity in the FMBA, or because of other protected, concerted activities for their mutual aid and protection. There shall be no discrimination or coercion by the Union or any of its agents against any Employees covered by this Agreement because of membership or non-membership in the FMBA. The Employer shall refrain from showing preferential treatment towards any particular Employee. Nor shall the Employer discriminate in favor of, or assist, any other labor or Firefighters organization which in any way affects the Union's rights as the duly certified representative of the Employees hereunder. The Employer and the Union agree to adhere to all State and Federal laws regarding discrimination. The Employer shall cooperate with the Union with respect to all reasonable requests concerning the Union's responsibilities as the duly certified representative of Employee herein.
